

# GEORGE WASHINGTON CARVER: AN UNCOMMON LIFE

Take a deeper look at the exceptional life of George Washington Carver.  
Thursday, February 14, 8 p.m. See page 11.

**DEANNE HAMILTON**

Executive Director and General Manager, KBTC

**Dear Friends,**

Every day we bring you programs with diverse perspectives and voices, whether it's on our main channel KBTC or MHz Worldview or NHK World. We provide places for you to go when you want to look at the world from a different point of view. You can explore your world through culture, science, drama, music, travel and so much more when you turn on KBTC!

Each February, we honor African-American History Month by airing programs that shine a light on our past, take a close and honest look at the events that shaped our country, and celebrate the accomplishments and, too often untold stories, of black Americans.

Be sure to schedule time to watch these specials this month:

**2/7 at 10pm** Backs Against the Wall: The Howard Thurman Story - Explores the extraordinary life of a man who, in his heart, was a poet and "mystic." Through his religious expression, Thurman helped ignite sweeping social change.

**2/14 at 8pm** George Washington Carver: An Uncommon Life - While George Washington Carver's rise from slavery to scientific accomplishment has inspired millions, time has dulled the luster of his reputation. This documentary uncovers Carver's complexities and reveals the full impact of his life and work.

**2/14 at 9pm** Redeeming Uncle Tom: The Josiah Henson Story - Tells the story of Josiah Henson (voiced by actor Danny Glover), the real-life inspiration for Uncle Tom in Harriet Beecher Stowe's classic 1852 novel, which has been recognized as one of the sparks that ignited the Civil War.

This is just a sample of what's in store for you on KBTC this month. Be sure to look for more shows that tell educational stories the way that only PBS can.
