TASK 5 – IN A PET SHOP – p. 9

Shop assistant: Good morning. Can I help you?

Boy: Good morning. I'd like some dog food.

Shop assistant: Oh, yes... And would you like small tins or big tins?

Boy: Hmm... I don't know... How much do they cost? How much are the big tins?

Shop assistant: The big tins cost £3.50 and the small ones cost £2.00 each.

Boy: £3.50 for a big tin and £2.00 for a small tin.

Shop assistant: That's right: £3.50 and £2.00.

Boy: I think I'll take two big tins, please.

Shop assistant: Two big tins... It's £7. Anything else?

Boy: £7. Ok... Well. How much is this collar?

Shop assistant: This one is £ 25.

Boy: £25? It's a beautiful collar, but I think it's too expensive.

Shop assistant: What about those? They're not made of real leather like the first one, but they're very nice!

Boy: How much are they?

Shop assistant: Have a look! This collar is £5.99.

Boy: That's much better! I'll take it. How much is it altogether?

Shop assistant: £7 for the food, £5.99 for the collar... it's 12.99.

Boy: Here you are...

Shop assistant: And here is your change... Thank you very much. Bye.

Boy: Thank you. Bye.

TASK 6 – WHAT ARE THEY HAVING FOR LUNCH? – p. 11

Ben: Hello, Linda.

Linda: Hi, Ben.

Ben: It's so nice to see you... Let's have lunch together.

Linda, what are you having today?

Linda: I'm having a sandwich, a salad and a yoghurt. A strawberry yoghurt. And what about you, Ben. What are you having? Do you like yoghurt?

Ben: Well... Yes. I often have a yoghurt at lunchtime with some salad, but today I'm having spaghetti, two bananas and some crisps.

Linda: Look! Peter, Mary and Debby are down there. Let's ask them to join us.

Ben: Yes, of course. Peter, Mary, Debby... let's have lunch together.

Linda: Hi, Peter. What are you having?

Peter: Fish and chips. You know I love fish... and an apple.

Ben: Hi Mary. Let me have a look... What are you having for lunch?

Mary: Hello! Look. I'm having fish and chips, too... but no apples for me today. I went for a fruit salad. And you, Debby? Your fruit salad as usual?

Debby: Of course! Fruit salad for me, with some cheese and some bread.

TASK 7 – FIND THE THIEVES – p. 12

Good evening. This is the six o'clock evening news. I'm Bob Jenkins.

Here in New York, the police are looking for a man and a woman, two thieves, who have just stolen \$100.000 cash from Central Bank in Bond Street.

The man is about thirty years old. He has got black hair, brown eyes and a very big

nose. He is wearing a black jacket and blue trousers.

The woman is about twenty-five years old. She has got blonde hair and blue eyes. She is wearing a blue skirt and a green sweater.

If you notice suspicious people, please call the Police: call New York, 01784 659.

TASK 8 – ELIZABETH – p. 13

My name is Elizabeth. I'm thirteen and I was born in Southampton, in the UK. That's where I lived until I was three years old and then the whole family – my mum, my dad, my brother Alan and I – moved to Cooma, in Australia, because my mother was born here. She is a ski instructor. Many people come to Cooma to ski and snowboard.

From Monday to Friday, I'm very busy at school, so my only real free time is on Saturdays, Sundays or when I'm on holiday.

I enjoy spending my free time at my friends' houses or going out with them, depending on the weather.

I am very sociable, and I go dancing at weekends. I also go to a small café near my house. There I can find my best friends and we chat a lot.

I like skiing, but what I like best is snowboarding. It's my passion, and I'm very good at snowboarding!

Once a year I go on holiday with my family. We usually go to California – in the USA – because there we can swim. I love winter sports, but I also love swimming!

PROVA 2

TASK 5 – MY BEST FRIENDS – p. 20

Hi! Let me introduce you to my best friends. Their names are Jasmine and Steve.

Jasmine is 11 years old. She's got long, wavy, red hair, big brown eyes and lots of freckles on her cheeks. She's short and slim. She's very friendly and helpful, and very optimistic too.

She sees the bright side of everything and everyone.

I couldn't have found a better classmate to sit next to me in class.

Steve is 12 years old and he always sits next to me when we go to the English Lab. He's got short, straight brown hair and small, light brown eyes. He's tall and slim. He's a very kind boy, extremely generous and brave.

You never get bored when he is around.

TASK 6 – WEATHER AROUND THE WORLD – p. 22

Hi and welcome to *Weather around the world*.

In Sydney it's a beautiful sunny day.

Do you like swimming? Well, if your answer is "Yes, I do" and you live around Sydney, get ready for a gorgeous day! The temperature? About 25°C.

In Berlin it's snowy and freezing cold, with temperatures reaching -15°C. Put on your gloves and your scarf before you go out. And remember: drive and walk carefully!

In Buenos Aires today it's a foggy day. Right now, it's quite hot and humid, with temperatures reaching 28°C. The weather will be like this for at least two days.

In London today, it's a stormy day. In fact, it has been raining and windy all week. Right now, it's quite cold, with temperatures reaching 8°C.

That's all for today. Join us again tomorrow to have a look at the... Weather around the world.

TASK 7 – WHAT ARE THEY WEARING? – p. 23

Number 0. She's wearing a short sleeveless denim dress and ankle boots. She's also wearing a big bracelet.

Number 1. He's wearing a school uniform including a dark blazer with a tie, white shirt and trousers. He's also wearing black shoes. On the blazer, there is his school emblem.

Number 2. He's wearing a jumper over a long shirt. His jeans are ripped at the knee. He's wearing a cap and white shoes.

Number 3. She's wearing a raincoat and Wellington boots. She's carrying an umbrella and she's wearing a hat.

Number 4. He's wearing a denim jacket, a dark shirt and jeans. He's also wearing trainers.

TASK 8 – A TARANTULA SPIDER – p. 24

Hi! I'm Phil. My neighbours came home from their holiday in Central America last month, and they brought a special surprise for me! It is a tarantula spider!

His name is Peter Parker, and he's from Costa Rica. He's black with white stripes near the joint.

He's 3 years old, so he's still young: tarantulas can live to be about 20 years old.

Peter Parker doesn't need to eat every day, but

I feed him three or four times a week.

He likes live large insects, especially crickets.

Like other tarantulas of the same species, Peter Parker is very quiet, but he can move very fast.

I keep my tarantula in an empty aquarium, so I can play with him whenever I want.

They are not dangerous to people, but their bite can hurt.

Tarantula spiders are very interesting.

PROVA 3

TASK 5 – GUESS THEIR JOBS – p. 32

Woman: I love my job, because I help people to have a white smile. I assist my patients in all their dental needs. Some people come and see me only when they have a toothache. They should come more regularly!

Man: When I was a kid, I used to spend a lot of time in my mother's garden, because I liked to smell and to look at flowers and plants. Now growing plants is my responsibility. Dealing with plants and flowers is both my hobby and my job.

Man: When I was a child, I dreamt about being a superhero to rescue people in danger. Now I feel like a superhero, because I put out fires and rescue people in danger. I'm not afraid of fire, but I know I have to be careful!

Woman: I love animals and agriculture. Every day I get up early to feed my pigs and hens and then I have to sow corn seeds. Living on a farm can be very tiring, but I love it so much!

Man: When I was at school, I used to defend my classmates' rights. Today, I carry on defending people's rights and delivering justice to society. I do not like injustice!

Woman: Many people think washing, ironing, cooking, cleaning the house, going shopping, taking care of children... it isn't a real job, but first of all, I love to do domestic work; and ... can you imagine a house without my hard job?

Man: Not everybody can repair their cars, motorcycles, motors or bicycle, but I can and...I like it! All day I get oil stains on my clothing and at the end of the day, I have a shower as soon as I arrive at home.

Woman: People think my job is easy, but it isn't! It is difficult to show that you are sad, happy, angry, tired when you are not. I like interpreting many characters. Now I am working in a great movie called *Wonder Woman 5*. Come and see me at the cinema!

TASK 6 – A GIRL TALKS ABOUT HERSELF – p. 34

Hi, there! Everybody calls me Sammy, but my name is Samantha.

I'm 12 years old, and I live in Bristol with my parents and my little brother Paul. I was born in the USA, but my parents are British.

I have a lot of friends, but my best one is Linda. I like dancing, and she likes dancing too.

Linda is my neighbour. She lives next door. We attend the same school. Apart from dancing, my passion and my hobbies are swimming and reading.

My mum likes reading, too. She likes love

stories. I don't like romantic books, I prefer scary stories and thrillers.

Tonight, we are going to have a sleepover party, with Linda, of course and Rita, Mary and Rebecca.

There will be a lot of dancing and... a lot of pizza, my favourite food.

TASK 7 – MY PARROT – p. 35

Hi there! My name's Mark and I'd like to share with you my passion for my favourite animals: parrots.

I have a parrot called "Mutlu", a Turkish word that means "happy". He's eight years old; he's got yellow, red, green and blue feathers, just like a rainbow.

He's a happy parrot, and I feel happy when I play with him and... when I talk to him.

Yes, my parrot can talk! He can say "hello", "good morning" and... "I like fruit". That's because I give him fresh fruit every day. I also give him peanuts and veggies.

He's very intelligent, but very noisy too.

Yesterday he started to talk at 6.30 in the morning and my mum and dad weren't very happy about it...

Last night, when my dad wanted to watch a talk show on TV, Mutlu was talking louder than the TV, and my dad was a bit upset.

When he talks or sings, watching TV can be very difficult...

TASK 8 – LISA AND HER FRIENDS – p. 37

Hello, I'm Lisa. This is a picture of me and my friends.

I've got long, straight hair and I'm wearing a necklace.

Sam is the tallest boy, with short, black, curly hair. He loves bracelets.

The other girl in the group is my best friend Martina. She's got long twisted braids. I love Martina's hair!

The boy standing between me and Martina is George. He's always smiling.

The remaining boy is Albert. He's got short straight hair. He's wearing a long-sleeved shirt.

Mum: Great! Are there other types of rides?

Girl: Yes, there are. There are over 40 different rides. I want to go on the Scorpion Express!

Mum: Wow! What other animals can we see?

Girl: We can go on an African safari and see animals from Africa.

Mum: Are they dangerous?

Girl: No!! The animals aren't dangerous.

Mum: Ok, let's go!
