QUILT BROIDERY

Are you a quilter who wants to dabble in embroidery or an embroiderer who wants to try their hand at quilting? Only the Luminaire 2 has five options of two-color quilting sash designs, which are perfect for eye-catching, colorful borders. Building upon the sensation of the auto-split designs, enjoy five hexagon shapes to give you more options, and then choose from either single or triple stitch for quilt sashing so your stitches stand out on your projects. We call it 'Quiltbroidery'!

We want to help make your holiday extra special, so we are offering free project ideas that we think you will love!
