Good Evening Fans of Bulldogs Athletics:

As I enter into my thirteenth year as the Athletic Director for Glassboro High School, I want you to know that I am very privileged to serve in this position. I have been fortunate to watch some of the state's finest athletes compete for Glassboro High School athletic teams. Glassboro has a strong tradition in athletics and it is a tribute not only to those who have competed but to those who have supported the athletic teams over the years.

Tonight we honor former student-athletes. They have all brought honor to Glassboro High School and the Community of Glassboro. As a member of the committee, I proudly salute their efforts with their induction into the Glassboro Athletic Hall of Fame.

I would like to extend a sincere thank you to all who have supported tonight's induction ceremony and to the student athletes who have brought honor to Glassboro High School athletics. Your support is vital to the success of tonight's banquet and it makes all the difference in the world to those who we honor tonight.

Congratulations to tonight's Inductees. We are all proud of you and your accomplishments.

Sincerely,

Jeff Cusack
