A Sincere Message from the Director:

*I want to take the time to pay special thanks to some very special people without whom this production would have been impossible. **Dr. Anderson**, your unwavering support, patience, and understanding has kept me going. Thank you for your belief in my ability to take on such a big project in such a short amount of time.*

***Kathy Singerline**, you jumped in from the start and completely volunteered your time without hesitation. You have been by my side from the start, and never let up or questioned your important role in this enormous undertaking. You have gone above and beyond with your dedication in delving in and coming through for me each and every step of the way. This would not have been possible to pull off without you and your amazing commitment. I am forever grateful to you, and I have the greatest admiration for you. Thank you, my friend.*

***Amber Porzio**, you stepped in and truly saved the day!! Thank you for giving up free nights to join our painting parties!*

***Matt Waycie**, no matter what I asked you to build, you did it without question. You are a true hero.*

***The cast and crew**, I am so very proud of you and how far you have come. You are a true family, and I have enjoyed watching each of you grow. I hope this is a memory which lasts a lifetime!*
