

God Creates People

LESSON &
PRINTABLES

Week of November 11
God Creates People

Bible Point
God always loves us.

Bible Verse
And may you have the power to understand, as all God's people should, how wide, how long, how high, and how deep God's love is.
Ephesians 3:18

Bible Story

Genesis 1:26 - 2:4

God created everything in the world. Light, sky, land, seas, plants, sun, moon, stars, fish, birds, and animals. Whew! But God wasn't tired yet. He saved the best for last! God made people! The first people that God made were named Adam and Eve.

God made people to be in charge of all the things on the earth. The big animals and the little animals. The birds and the fish.

God made people in his image. This means that God made us is to show the world what he's like. That's our special job!

God looked over everything he had made and said that it was good. Then he did one last thing. God created a special day for his special creation to rest and honor him. He saved the best day, a rest day, for last!

God always loves us and he gave us a special job. We're made in his image so we can show the world who God is. That's special! We can show that God is loving by smiling! We can show that God cares about us by caring about those around us. We can show that God is creative by making cool stuff that makes our world a better place.

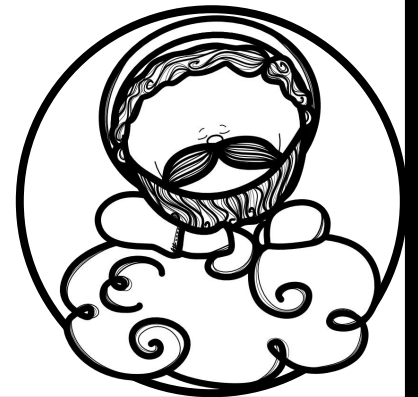

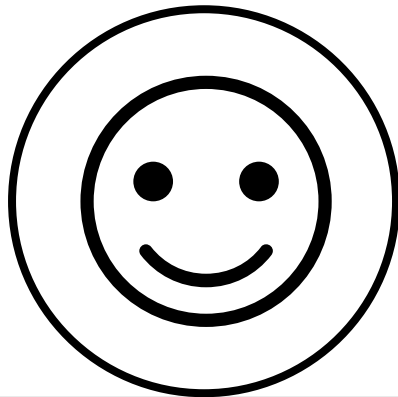

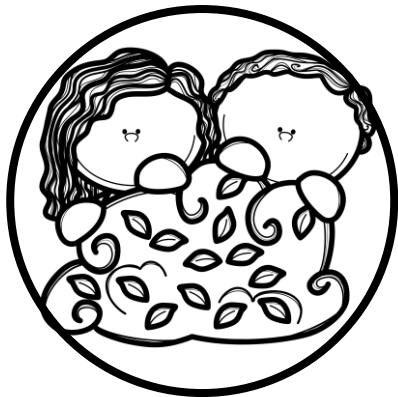

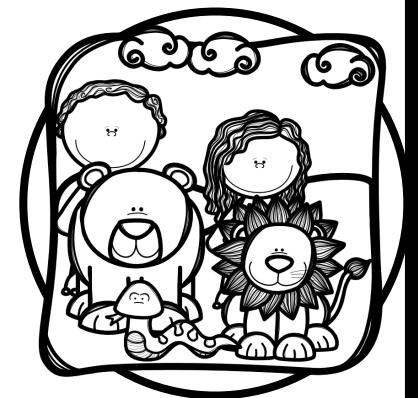

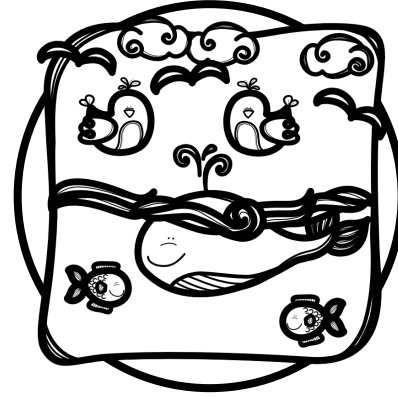

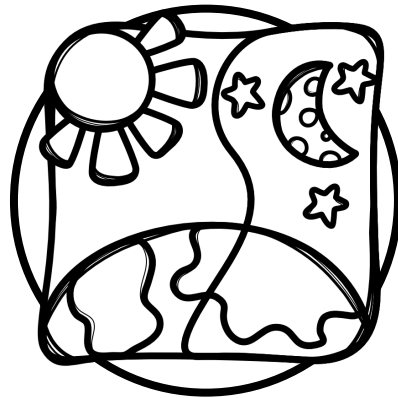

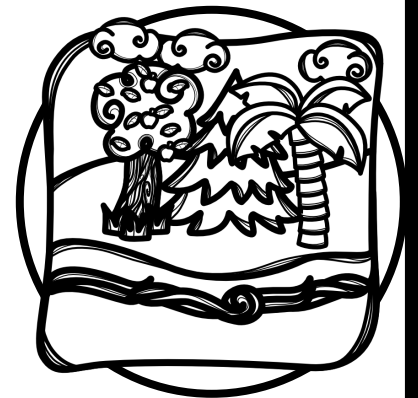

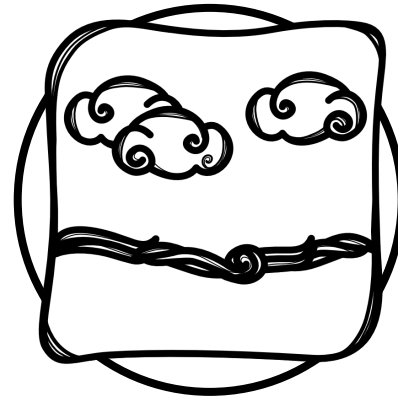

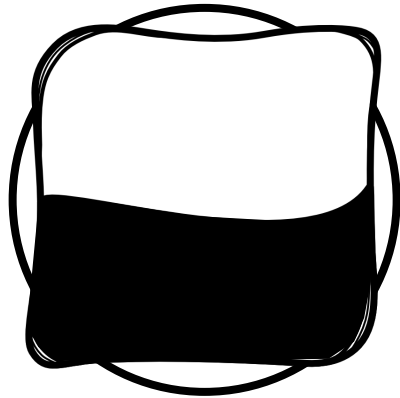

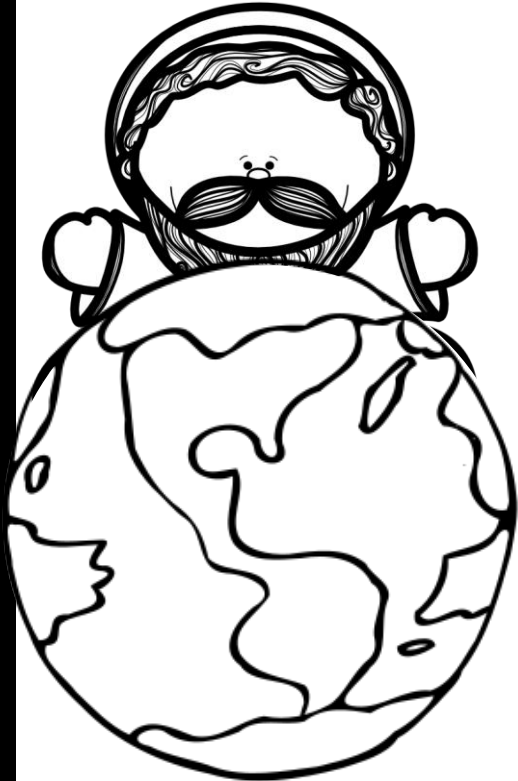

But it's not always easy, so we need God's help. When we need help, we can pray to God because God always loves us!
