# ANOTHER GOULD's BOOT-CAMP SUCCESS!

# TESTIMONIALS...

**“I believe that any law student who attends your Boot-Camp and your Online Classes are the most prepared in obtaining a solid foundation of understanding of legal concepts which translates into formulating concise & well-written essays. The only way I can explain it is that a “light turned on” once I opened my mind to your techniques, especially in learning the distinct differences between the Common Law and the Uniform Commercial Code. I’m so grateful that I attended your Boot-Camp, which enabled me to PASS the FYLSE!”**

**BARRY VAN HOOSER**

# TESTIMONIALS...

**“Gould’s Boot-Camp is not for wimps! This is a total immersion into law curriculum. There is an individual as well as group interaction - using active learning. In learning the templates and shopping lists, you learn to automatically process the situation and apply the appropriate laws – without having to stop and think. The speed you gain with this boot- camp can mean the difference between writing a 90 point essay, and trying to finish an essay. The confidence that I gained is priceless, and it allowed me to pass the FYLSE on my first effort!”**

**LEIGH SEARL**

# TESTIMONIALS...

**“I'm absolutely over the moon. I had hoped for a 70 on my FYLSE essays, but as you can see I did better than that. I really wanted to share this with you, because I know that I did well because of you. Thank you a million times for everything. Your material is a gold mine, and it was your Shopping Lists and Templates that enabled me to fit the pieces together & make sense of an overwhelming amount of information.”**

**NICOLE CARRIGAN**

# TESTIMONIALS...

**“I want to thank you PERSONALLY for your help, as it made a TREMENDOUS improvement in my performance. The FYLSE was the first time I was able to keep an essay to under an hour, and I did it FOUR times! Your helpful comments really worked, and they allowed me to spot a few extra issues that I would have otherwise missed! I know you are a BUSY man, and truly appreciate the effort. Thank you again.”**

**GLENN MANDEL**

# TESTIMONIALS...

**“GOULD SAVED ME!!!! I PASSED the FYLSE B/C OF GOULD. I was really struggling with MCQ and essays. During 1L, I would get 60, 65 on my essays. When I first took the FYLSE I didn't pass, wasn't centered on a method/template. After taking Gould's Boot-Camp, every day I would practice the shopping lists and do one template a day. When I took the FYLSE the second time, concentrating on Gould's template technique made essay writing automatic....I could concentrate on the analysis part!!!!”**

**STEVEN KOPAS**

# TESTIMONIALS...

**“I PASSEDDDDDDDDDDDD!!” I am in a state of shock, and awe and sweating and I am shaking, but I passed. I got a B. Thanks to YOU, without your help, I would have never learned how to do those contract essays. Now tomorrow, I can really just enjoy the ride. Now I know I can pass the REAL BAR!!!”**

**NADZIJA POVATAJ**

# TESTIMONIALS...

**“THANK YOU!! Your classes are EXCELLENT. I'm writing to thank you for the style of writing you taught me with your doctrine/essay intensive classes. Without your classes, I would never have scored as well on the FYLSE. Using your techniques, I scored an 80 in torts, a 70 in criminal law, an 80 in contracts, and a 75 in torts essay 2. Not only was I able to prepare myself so well for the essays, but using the concise template method, I was better prepared to break down the multiple choice questions as well. Besides the classes, your Rule Statements were more helpful than any other study method I attempted. I certainly believe that they are "Worth their weight in Gold." All in all, I looked into a great number of courses to get me prepared, but I chose to solely take your class in preparation for the FYLSE and it paid off. Thank you again.”**

**MONICA PAYTON**

# TESTIMONIALS...

"I passed the California First Year Law Student Exam (FYLSE) on my first try. California requires passage of this exam after the first year of law school for those attending unaccredited law schools. Failing the exams means one cannot continue with their law studies. I credit my success to Professor Gould's essay writing techniques! With Professor Gould's guidance, I wrote many practice essays. He showed me how certain words and phrases triggered discussion of not just one but a host of issues. He gave me many valuable suggestions regarding issue spotting, picking up bonus points, etc. I scored an amazing 80 on the contracts essay of the FYLSE. To think that contracts was my least favorite and most feared subject!"

# TESTIMONIALS...

"I really want to thank you for your efforts from your FYLSE Boot-Camp, and your Online Classes and Materials for 2L, 3L, and 4L. Your insight is invaluable and your willingness to share that insight is highly appreciated. Further, your clear and descriptive delivery of the material brings it alive in a fashion that encourages issue spotting and focused writing. As always, count me in for your all of your courses. Thanks."

MICHAEL KEELING

# TESTIMONIALS...

"I just wanted you to know that I PASSED the FYLSX with a total score of 600. I used your templates and approach to the exam for all three courses. I used the shopping lists and Gould templates to make it under the 60 minute time limit. I could not have done it without your help and your Boot-Camp! I will always be indebted to you for your clarity of the law and economy of purposeful pinpoint explanations. Thanks a Million for your help. Gould's Techniques mean the difference in passing or not, you make the choice...  
Semper Fi."

JIM THOMAS, M.D.

# TESTIMONIALS...

“I actually began to learn the law and how to apply it to issues. In addition, your Boot-Camp was a daily intense study and actual practice of simulated FYLSE / Baby Bar essay exams. Your Boot-Camp enhanced and integrated deeper comprehension. At Boot-Camp I learned more from you about the law and how to pass tests in THREE DAYS than I have after a full year of traditional law school. You are learned and passionate, and it shows. You genuinely care about your students. Thank You.”

CRAIG MOORE

# TESTIMONIALS...

"Gould's Online Expert Classes are awesome - no others like it. The templating strategies are one in a million. I learned how to write and complete my essay within one hour, and get all the issues in the Fact Patterns. My ability to spot issues has increased a hundred times more than with just law school materials. I AM SOOOO GLAD I REGISTERED for the Boot-Camp, and Online Classes, and that I Passed the FYLSE!"

KAREN PATTON

Don't just think about it, Just Do It!"

VIRGIL ROGERS

# TESTIMONIALS...

"After a year of law studies, it does not compare to only TWO DAYS AT Boot-Camp! The methods of instruction and tools received have been extraordinary. I cannot believe the clarity I now have thanks to Gould's Boot-Camp. I would definitely recommend this to all law students. However, what I am most impressed with is the confidence I have gained as a result of working with the Prof. Thanks and Many Regards."

JOSE PEREZ

# TESTIMONIALS...

"Quite Plainly: Prof. GOULD IS THE KING OF THE CRAFT OF LAW SCHOOL ESSAY PREPARATION TECHNIQUES! His methodology has single-handedly turned me from a struggling, insecure, barely passing law student, into a confident solid "A" student! And he can do the same for YOU!"

# TESTIMONIALS...

"THANK YOU PROFESSOR GOULD!!! I PASSED the FYLSE WITH FLYING COLORS! I fully committed to YOUR methods, after I realized how exceptionally Organized and Effective your program is. I decided that I would Register for your Supreme FYLSE Program, learn the templates, do all the essays, work smart, use the model answers for feedback, and go to your classes. Well, I worked your program, and it did work,..... and I passed! This has changed my life, as I hope to take the bar in 2013 or 14. I've always wanted to be a lawyer."
