With a fresh new full-color design and a host of updated exercises and activities, the popular *Focus on Grammar* series is more practical and accessible than ever. Known for its focus on English grammar through contextualized listening, speaking, reading, and writing activities, this lively integrated skills course helps students bridge the gap between comprehending grammatical structures and actually using them.

Centered on thematic instruction, *Focus on Grammar* combines controlled and communicative practice in a consistent approach that's a proven success among students at all levels. Each unit progresses through four steps: **Grammar in Context**, **Grammar Presentation**, **Focused Practice**, and **Communication Practice**, using a new color-coded format that makes the program easy for students to understand — and for teachers to implement.

High School Appropriate

Each Student Book features:

- Clear presentations and charts that make grammar easy to learn.
- Creative activities that stimulate communication.
- **New high-interest readings** that are rich in content.
- *From Grammar to Writing* sections that build composition skills.
- **Review Tests** to confirm progress and improve scores on standardized tests.
- **New Internet activities** for individual, pair, or group work.
- **New full-color pages** that engage students in every activity.

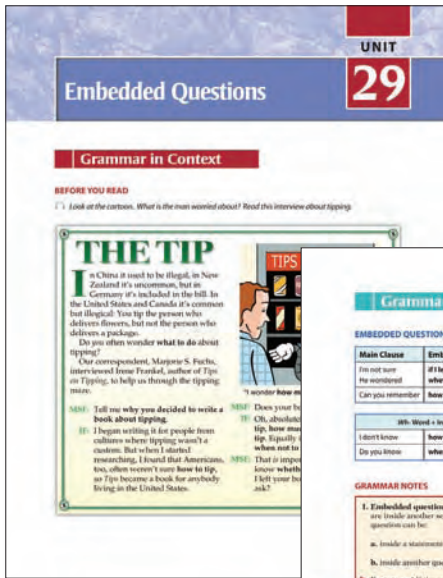

Components:

- **Workbooks** offer a wealth of additional exercises.
- **Audio CDs** provide opportunities for both task-based and extended listening.
- **CD-ROM** software features contextualized, interactive activities for listening, reading, and writing practice.
- **Teacher's Manuals** include numerous teaching tips, audioscripts for all recorded exercises, and a CD-ROM with PowerPoint presentations and blackline masters. Also includes Student Book Answer Key.
- **New Assessment Package** for each level features placement, diagnostic, and achievement tests; audio CD with scripts; test-generating software with thousands of items to create class-appropriate tests; and grammar proficiency tests developed by *Educational Testing Service* (for levels 4 and 5).
- **Transparencies** of all grammar charts in the Student Books help instructors point out important patterns and structures.
- **Test-generating CD-ROM** allows teachers to create and customize tests quickly and easily, and is available alone or in the Assessment Package.
- **Companion Website** provides students with grammar practice in new contexts through web-based exercises.

Grammar in Context

▼ New grammar points are presented in a variety of natural contexts.

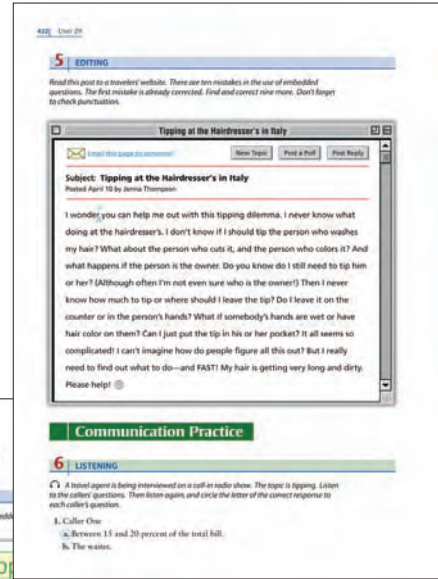

NEW! Full-color layout and richer content.

Communication Practice

Students practice each target structure in creative and interactive ways.

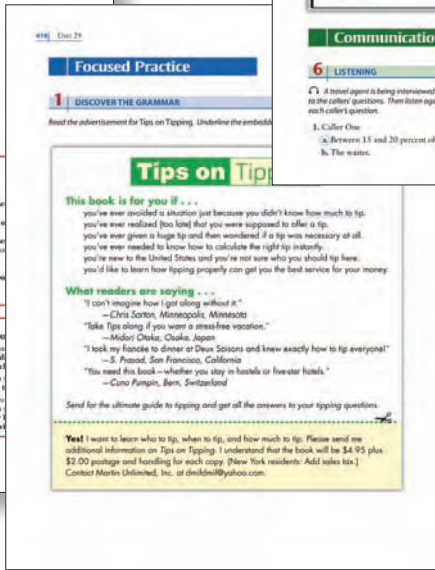

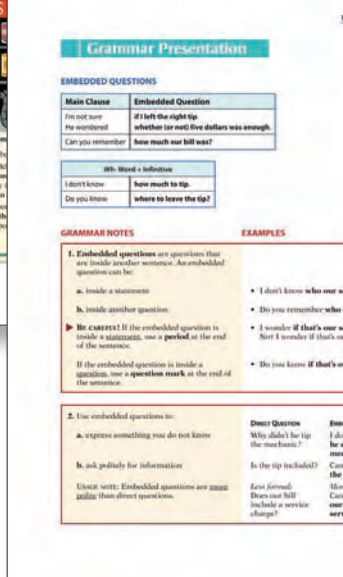

NEW! Internet activities for individual, pair, or group work.

Grammar Presentation

Clear, accessible grammar charts are easy to use.

NEW! Streamlined and simplified Notes and Examples.

Focused Practice

Students discover the grammar themselves through focused practice.

NEW! Expanded practice sections in every unit.

Grammar Express Series

Marjorie Fuchs and Margaret Bonner

Beginning – High-Intermediate

www.longman.com/grammarexpress

This two-volume series combines a concise, easy-to-follow format — two pages of presentation followed by two pages of practice — to quickly bring English language learners up to speed.

Each book features:

- Lively content to motivate students.
- Thematic units that present and allow students to practice grammar points in context.
- Clear grammar charts, explanations, and examples that illustrate how English speakers use each grammar point.
- Self-contained units that may be used in any order, as a classroom text, or as a self-study handbook.

Grammar Express Basic

Beginning – Low-Intermediate

- Variety of contextualized exercises progress from simple to more challenging.
- Cartoons or realia present the target grammar in a meaningful context.
- Frequent opportunities for assessment keep learners on track.
- Additional support includes Appendices with helpful lists and information, an Answer Key, and a Glossary of grammar terms.
- **Workbook** provides two full pages of practice exercises for every unit.
- **Interactive CD-ROM** includes hundreds of exercises to reinforce each grammar point in the *Student Book* through four language skills. Ideal for self-study and/or use in a language lab program.

Grammar Express Intermediate

Intermediate – High-Intermediate

- Cartoons or realia present the target grammar in a meaningful context.
- Frequent opportunities for assessment keep learners on track.
- Fifteen Self-Tests offer opportunities for review and practice.
- **Editing CD-ROM** (for PC and Macintosh) contains additional editing practice for in-class or self-study. Exercises include error correction correlated to every grammar point in the *Student Book*.

LONGMAN ACADEMIC PREP

Focus on Vocabulary

Mastering the Academic Word List

Diane Schmitt and Norbert Schmitt

High-Intermediate – Advanced

Let *Focus on Vocabulary* give your students a head start to academic and test-taking success. *Focus on Vocabulary* introduces students to the Academic Word List, the most frequently used words in academic texts.

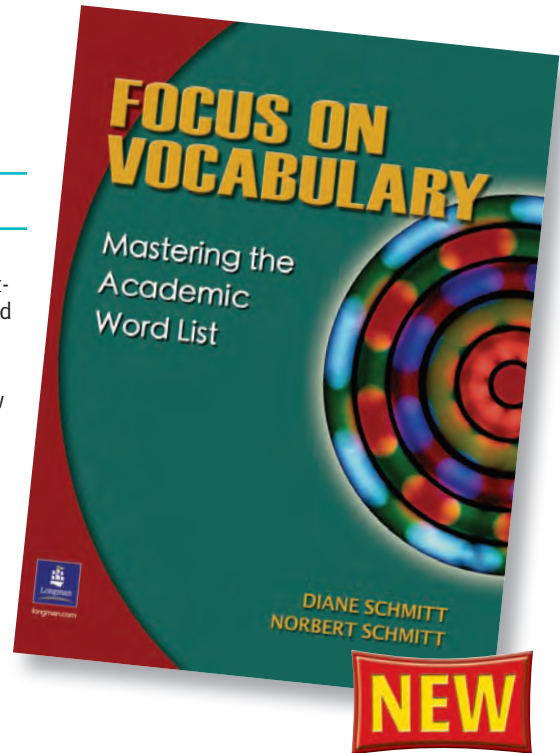

With its thorough recycling of academic words and well-crafted exercises, *Focus on Vocabulary* brings students closer to a full understanding of the new vocabulary while teaching them useful strategies for succeeding in any academic situation, from writing a paper to participating in class discussions.

Features:

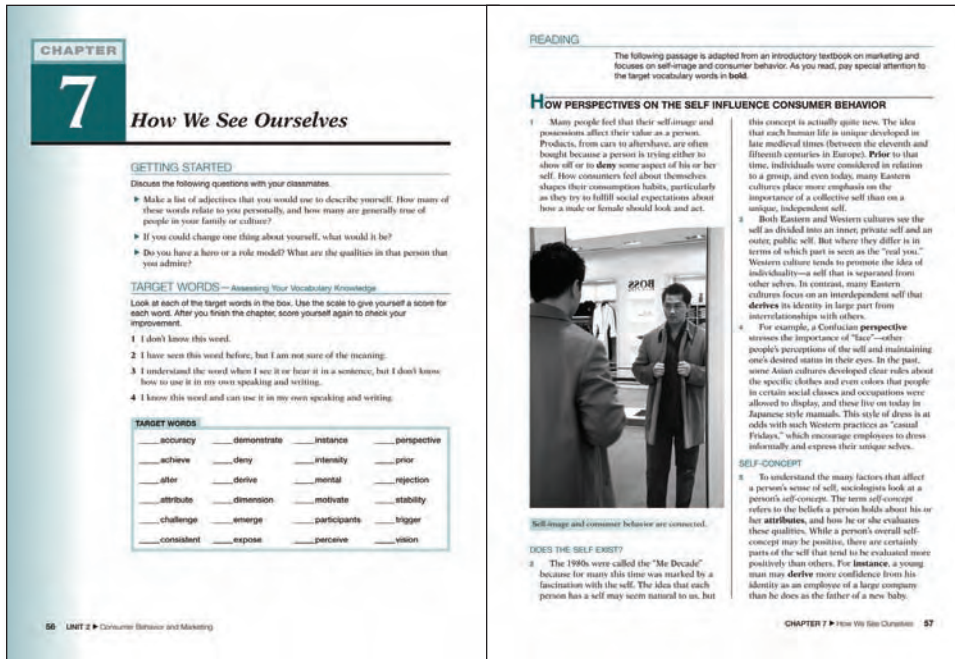

- Each chapter presents 24 target words, featured first in an academic reading passage, then in a variety of exercises to reinforce meaning, usage, form, and collocation.
- Collocation exercises — based on the 179 million-word new Longman Corpus — reflect how academic words are used in real contexts.
- Review and Strategy Practice — including tips for dictionary usage, information about word parts and affixes, and methods for expanding word knowledge — is provided at the end of each unit.
