### Small Slide and Non-Slide Travel Trailers for Half-Ton Trucks

Aerodynamic and easy to tow, Dutchmen Lite features non-slide and small slide floorplans ranging from 18' to 31'. Base weights start at 4,200 pounds! Unlike the competition's stripped-down models, Dutchmen Lite is loaded with all the standard features and equipment you will find in the rest of the Dutchmen product line. With many great floorplans available in a variety of sizes to meet your family's needs, Dutchmen Lite is your best choice for affordable, lightweight, and easy to tow travel trailers.

### FIBERGLASS SIDEWALL PACKAGE

Dutchmen Lite shown with optional fiberglass sidewall package

A new fiberglass sidewall upgrade package is now available on all Dutchmen travel trailers and fifth wheels.

This option package enhances the appearance of the trailer and protects it from hazards of the road. The option replaces the standard corrugated aluminum exterior siding.

Fiberglass sidewalls, normally available only in higher priced trailers, are now available from Dutchmen. Another great feature at value prices!

\*See vehicle owner's manual for towing capacity. Vehicle loading - Every effort has been made to provide the greatest number of options for the recreational vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle. Dry weight is the weight of the unit with standard run features. Some optional equipment not included. Net carrying capacity (NCC) is determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only. Warning - This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions.

More headroom, increased storage and more living space -  
**A DUTCHMEN ADVANTAGE!**

Dutchmen Large Slide Travel Trailers (DSL models) feature an impressive 82" interior height! The added four inches of headroom makes Dutchmen one of the most spacious units in the industry. Plus, our slide rooms are a full 6' tall! That is 4" taller than most competitors.

**Spacious Kitchens**

Large kitchens with an abundance of countertop and storage space are found on all Dutchmen floorplans. Countertop extensions are standard on most models.

Plus, a large double door refrigerator, large kitchen window, double bowl sink and high-rise galley faucet are just some of the standard features you get with Dutchmen.
