June 2020

## CELEBRATING OUR GRADUATES

Congratulations to members of our church family who have officially graduated from High School and College during the 2019-2020 school year! We celebrate with each of you this accomplishment. And we recognize the usual traditions that cannot take place this year for the Class of 2020 -- in-person graduations, large graduation celebrations with family and friends, and the special Graduate Recognition service held at Grossnickle Church to honor the accomplishments of our graduates. With creativity, these traditions are happening in a different way – possibly creating new traditions.

In honor and celebration of the accomplishments of the Class of 2020, we congratulate these graduates for their hard work and achievements and pray God's blessings upon them as each one begins a new chapter of their life.

## HIGH SCHOOL REFLECTIONS & A LOOK AHEAD

**JONATHAN DAVID CORNELL . . .** Jon is the son of Angi and Russ Cornell and the grandson of Fred and Wanda Rudman, Jimi Cupino and Carol Cornell. Jon spent two of his four years at MHS at the Frederick County Public Schools Career and Technology Center. While there he learned the trade of HVAC/Plumbing. The experience was by far his favorite. Jon is currently employed as a Plumber Apprentice at Art's Plumbing. Jon plans to continue on this course. He also continues to

work for Rudman's Landscaping. Jon would like to thank his church family for all the support over the years. His favorite moments were the many years he spent in Kids Klub with Lois Ann Glessner.

**CARSON DAVID CLAROS LEVITT . . .** Carson is the son of Suzanne and Cary Levitt and the grandson of Gene and Marilyn Gaver and Neil and Carol Levitt of Frederick, MD. His favorite subject in high school was art where he learned to use clay and different art materials. Mr. Bean, who teaches science, was Carson's favorite teacher. Carson also enjoyed playing on the Unified Sports teams for Tennis, Bocce, and Track for his entire time at MHS. The MHS teams won several titles and medals during these years. Carson's future plans are as yet undecided. He would like to work as an artist drawing comics and graphic novels. In the immediate future he is considering the Sterilization Tech program at FCC or a position working in a library. Carson would like to thank his aides throughout school especially Miss Tari Malifew at Myersville Elementary and Mrs. Valerie Whye and Ms. Angelica Whye at MHS for believing in him. He would also like to thank his Sunday school teachers Danny and Kelly Rumpf and Scott and Doris Grossnickle for their dedication. He will always be grateful for the opportunity to go to work camps and National Youth Conference and especially wants to thank Doris for guiding him through these experiences.

## PASTORAL TRANSITION NEWS

---

*“To everything there is a season, and a time for every purpose under heaven.” Ecclesiastes 3:1.*

### PASTORAL SEARCH UPDATE –

I wanted to provide a brief update to the congregation on our pastoral search. While ongoing impacts of COVID-19 have affected many areas of our lives, I have had further phone conversations with our District Executive Gene Hagenberger regarding our search. As I noted in a prior update, there are still several potential candidates to provide pastoral leadership in the interim role. Gene

has informed me that a candidate would be interested in serving our congregation. We are making plans for an interview of the interim candidate by the church board in June.

The church board will also nominate members of our congregation to serve on the pastoral search committee at our next meeting in June.

## UPDATE FROM THE FINANCE COMMITTEE

---

The finance committee hopes everyone is staying safe and sane during these unprecedented times. We are looking forward to seeing everyone in person at the appropriate time. We have seen quite an uptick in our online giving since we have entered the lockdown period and we are grateful for those using this option. We also appreciate those members who continue to mail in their donations.

We understand that during these uncertain times, money may be tight for some members of the church, and as we have expected, contributions from January 2020 - April 2020 have declined slightly compared to the same timeframe last year. We expect that trend to continue at least through May. As a result of this trend, the finance committee recommended to the board, and the board approved, applying for the Paycheck Protection Program loan established by the CARES Act. We have received \$32,200 from the program, and we expect to be able to use all of these funds for qualified purposes to allow for the loan to be forgiven at the end of the program. At the conclusion of the program, we will post another update in the newsletter.

## MEET OUR NEWEST MEMBERS

---

*Eight youth were received into membership through creek baptism on August 25, 2019. These youth were interviewed for the New Members Dinner held in November 2019. Interviews will be shared in The Dunker throughout the year. In this issue we get to know a little more about the sixth of these eight newest members.*

**MACKENZIE GROSSNICKLE** . . . Mackenzie is the daughter of Amy and Jon Grossnickle. She lives with her parents and siblings Weston and Alexa on Highland School Road. She enjoys playing soccer for St. James. In addition to playing soccer, she also enjoys seeking adventures on her dirt bike and utility vehicle ranger. Her favorite food is Sushi from Flaming Grill, but she also loves Taco Bell. Her favorite movie is Grown-Ups 2. When asked who she would like to meet, she said singer Ariana Grande because, "She has been my favorite since I was in 2nd grade." One place that Mackenzie would like to visit is Germany because she is German.

Mackenzie's favorite church memory is being baptized. Her favorite Bible story is Jacob and Esau because she remembers Esau being described as being hairy. Being baptized as a member of Grossnickle is important to her because it is the same church that her family has been a part of for many years and she is glad to carry on that tradition.

Mackenzie became a member of the church on August 25, when she was baptized in Middle Creek. Mackenzie, we welcome you into our church family and we look forward to serving Christ with you as part of the Grossnickle Church of the Brethren.

## FINDING A "SILVER LINING"

---

In difficult times, it is always good to look for the "silver linings." Parish Hall Custodian Gene Delauter took advantage of this time, when there were no activities in the Parish Hall, to do major cleaning. Gene reported a list of projects he worked on which includes:

Week 1: washed, waxed, buffed floor of "big room"

Week 2: dusted the dust created from buffing, clean-mopped the floor and wiped down walls, woodwork, windowsills

Week 3: Kitchen - wiped down walls, fans, polished cabinets, cleaned stovetop, waxed and buffed floor

Week 4: Restrooms - wiped down walls, toilet partitions, fixtures, waxed & buffed floors; Boiler room - cleaned cobwebs, wiped down walls, dusted, "swept behind stuff," polished wall cabinets

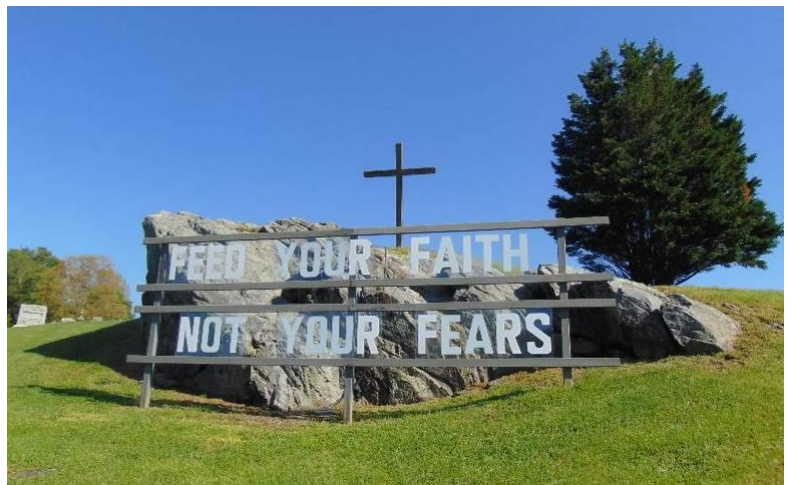

Gene has been caring for the Parish Hall since November 2018. Under Gene's tenure, we have heard many comments like, "The Parish Hall has never looked so clean." This is especially true now. Still, we look forward to the time when we can meet back together in the Parish Hall -- and give Gene more work to do!
