D Conditions of Enrollment/Signatures

I, the undersigned, apply for enrollment with Premera Blue Cross (Premera). I represent that all statements and answers on this application are complete and true.

1. I am an eligible member of the group.
2. I have **both** Medicare Parts A and B in force today.
3. I understand that my coverage does not start until Premera accepts this application and assigns an effective date.
4. I authorize Premera, at its option, to pay doctors and other providers directly for health care I receive.
5. I understand that it is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits.
6. I also understand and agree that Premera may cancel this coverage back to its start date as if I never had coverage at all, if it is found that I have supplied false information, or any information was omitted by me or for me, on this application, and that information is material enough to affect my eligibility for coverage. (Please note: After coverage has been in force for two years, coverage may no longer be canceled for this reason.)
7. I understand that Premera may collect, use, and disclose personal information about me as required or permitted by law or to perform routine business functions. Examples are to determine my eligibility for enrollment or to pay claims. If Premera discloses my personal information for any other reason, Premera will first take out any data that can be used to easily identify me, or will get my signed permission.

Be sure to sign and date this application, include all pages of the application and provide any proof required for "yes" answers in section C, when submitting to Premera for processing.

Please Note: If you have a Medicare supplement or Medicare Advantage policy today (including a Medicare HMO or PPO), you cannot be enrolled unless you intend to replace your current coverage. Please complete the "Notice to Applicant Regarding Replacement of Medicare Supplement or Medicare Advantage Coverage" form.

If you have any questions, please contact your benefit department or Premera at 1-800-817-3049 or TDD for the Deaf or Hard of Hearing at 1-800-842-5357.

Important Notes

1. You do not need more than one Medicare Supplement policy. If you currently have a Medicare Supplement policy or Medicare Advantage policy (including a Medicare HMO or PPO), you cannot be enrolled unless you intend to replace your current coverage. Please complete a replacement form. If you purchase this contract, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
2. You may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy. Medicaid is a public aid program for people with low income. It is not the same as Medicare.
3. If, after purchasing this plan, you become entitled to Medicaid, the benefits and subscription charges under your Medicare Supplement contract can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare Supplement plan (or, if that is no longer available, a substantially equivalent plan) will be re-instituted if requested within 90 days of losing Medicaid eligibility.
4. Counseling services may be available in your state to provide advice concerning your purchase of Medicare Supplement coverage and concerning medical assistance through the state Medicaid program, including benefits as a “Qualified Medicare Beneficiary” (QMB) or a “Specified Low-Income Medicare Beneficiary” (SLMB).
5. If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted, if requested within 90 days of losing your employer or union based group health plan.
