How the District 23 Committee Meeting Operates

(Adapted from HOW THE CONFERENCE OPERATES)

Generally speaking, we loosely follow Robert's Rules of Order and, with any luck, the whole meeting proceeds on as informal a basis as possible.

General Rules of Debate:

- People who wish to speak raise their hand to be recognized by the stack keeper*.
- Voting is by a show of hands for or against a motion.

Examples of the Process:

- Motion made >> Motion seconded >> Discussion >> Vote >> Motion passes >> Minority opinion requested
- Motion made >> Motion seconded >> Discussion >> Vote >> Motion fails >> Minority opinion requested >> Request to reconsider motion made >> Request to reconsider seconded >> Vote >> Reconsider gets greater than 50% >> Discussion resumes >> Vote >> Motion passes or fails (no further reconsideration)

Substantial Unanimity:

- All matters of policy require substantial unanimity - or a two-thirds vote.

Minority Opinion:

- After the establishment of rejection of any matter of policy by a two-thirds vote, the non-prevailing side will always be given the opportunity to speak to its opposition. There is no rebuttal.

Request to Reconsider:

- Must be made in the form of a motion by someone who had voted with the prevailing side and now, after further consideration, wishes to change their vote.
- Requires a second from any voting member.
- Requires only a simple majority to cause reconsideration. If passed, full debate, pro and con, is resumed on the action.
- No action may be reconsidered twice.

“Why Do We Need a Conference?” from p. S20 *The A.A. Service Manual*

The late Bernard B. Smith, nonalcoholic, then chairman of our board of trustees, and one of the architects of the Conference structure, answered that question superbly in his opening talk at the 1954 meeting: "We may not need a General Service Conference to insure our own recovery. We do need it to insure the recovery of the alcoholic who still stumbles in the darkness one short block from this room. We need it to insure recovery of a child being born tonight, destined to alcoholism. We need it to provide, in keeping with our Twelfth Step, a permanent haven for all alcoholics who, in the ages ahead, can find in A.A. that rebirth which brought us back to life. "We need it because we, more than all others, are conscious of the devastating effects of the human urge for power and prestige which we must insure can never invade A.A. We need it to insure A.A. against government, while insulating it against anarchy; we need it to protect A.A. against disintegration while preventing overintegration. We need it so that Alcoholics Anonymous, and Alcoholics Anonymous alone, is the ultimate repository of its Twelve Steps, its Twelve Traditions, and all of its services. "We need it to insure that changes within A.A. come only as a response to the needs and wants of all A.A., and not of any few. We need it to insure that the doors of the halls of A.A. never have locks on them, so that all people for all time who have an alcoholic problem may enter these halls unasked and feel welcome. We need it to insure that Alcoholics Anonymous never asks of anyone who needs us what his or her race is, what his or her creed is, what his or her social position is."

TFC: We are continuing with Friday night 8pm meetings for now. The meetings have been going very well with no issues in finding people wanting service work. As of this week, Cone is not comfortable with any additional meetings. We will continue to touch base every week on the progress of the Friday meetings and on any further opportunities.

We have established a connection with the Area 51 TFC chair and hope to engage in future opportunities across the area. There is a Bridging the Gap conference on Saturday, May 15th 12-5pm.

BELOW ARE THE MAIN MOTIONS FROM THE AREA COMMITTEE FOR THE 2021 SPRING ASSEMBLY PRESENTED WITH BACKGROUND INFORMATION:

Agenda Item #1

Retain the Site Investigation Subcommittee as presently composed and configured, but change the subcommittee schedule to allow site recommendations for Winter and Summer Committee meetings to be made no later than two years prior to the year of the event.

Background Information: Site Investigation is responsible for soliciting and evaluating bid proposals from hotels interested in hosting Area 51 events.

Process for Site Selection and Contract Signing: During even numbered years, the Site Investigation standing subcommittee sends requests for proposals (RFPs) to appropriate sites able to host any of the 10 events for the two-year time period that is roughly three years out. For example, in 2018 the site subcommittee sent out RFPs to venues capable of hosting any of the four assemblies, eight committee meetings (four in conjunction with assemblies), and two state conventions in the time span from August 2021-July 2023. In 2020, the subcommittee sent out RFPs for events from August 2023-July 2025.

The site investigation subcommittee then spends the end of the even-numbered year (as in 2020) and part of the odd-numbered year (as in 2021) narrowing down the search, keeping in mind several variables such as cost to the area, cost to the membership (DCMs and GSRs who attend), location rotation, and site suitability for meeting space (breakout rooms, AV needs, etc.). Once they have determined the sites for the 10 events, then they bring forth a motion at the Summer Committee in the odd-numbered years (typically in August) and following Area Committee approval, the motion is brought forth for Assembly Approval in the Fall of odd-numbered years. Once the Assembly approves, the Area Chair reviews the contracts and negotiates final terms. Typically, the site subcommittee has already worked to get costs down and has narrowed the date ranges to match the appropriate windows for the events. The Area Chair makes sure the details are correct and signs the contracts for the 2-year period.

The Site Investigation Subcommittee has difficulty booking the Summer and Winter Committee events as hotels do not want to bid on smaller events (100 rooms or less) 3-4 years out. This change would allow the Site Investigation Subcommittee flexibility to procure additional bids 2-3 years out, leading to potential savings and expanding our geographical selection.

In Love and Service,

Denise M., Area 51 Chair

Beth R., Area 51 Secretary

All the 2021 and 2022 Officers and Coordinators and 2021 Standing Work Group and Subcommittee Chairs are grateful for the opportunity to be of service. Please contact us if we can be of assistance to you.
