## GDA STAYS IN STEP WITH 3<sup>RD</sup> ANNUAL PARADE OF PARTNERS

**FRIENDS OF GDA ARE THE FEATURE STORY IN THIS SPECIAL ISSUE OF *PARTNERS***

Throughout the year in our newsletter we often mention how it would not be possible for GDA to carry out its mission without the dedication and generosity of our many volunteers and supporters. And, as you will read in the pages of this very special issue of *Partners* honoring the friends of GDA, their numbers are many. In fact, we wish that we could name them all. In addition to the names listed here, we would also like to thank the numerous families, individuals, and organizations that have volunteered their time, made monetary donations, or designated GDA in charitable giving programs.

In our 3<sup>rd</sup> Annual Parade of Partners we again honor those whose commitment during the past fiscal year (July 1, 2006 - June 30, 2007) has helped support GDA in many ways. There are those of you we see regularly at GDA and our events whom we have the opportunity to thank in person; and others who keep us close in their hearts even though they live far away. This edition of the newsletter is our way of expressing our deep appreciation to each and every one of you.

"Without your generous donations of time, sharing of resources, and decisions to choose GDA as the recipient of your financial contributions, the school could not

exist," said GDA President Jay Bormann. "Every year we graduate between 40 and 50 guide dog teams at an approximate cost of \$40,000 per team. We do this without any government support and at no cost to our graduates. It is an achievement of which I am both very proud and very grateful."

For many of you this newsletter may be the only regular contact you have with GDA. Therefore, with each issue, it is our goal to bring the spirit of the school to you through feature articles, profiles, and updates that we hope you find informative, educational, and interesting.

When we updated the look of our newsletter last Fall, "[Parade of Partners](#)" continued on the next page >

*The Kovaric Pavilion, built in loving memory of the work of Puppy Raiser Brian Kovaric, is just one example of how GDA benefits from the generosity of our extended family. The new facility was dedicated at our Open House on June 9. See the story on page 2.*

# LAND HO! GDA DROPS ANCHOR FOR PIRATES AND PUPPIES AT 20<sup>TH</sup> ANNUAL OPEN HOUSE

With All Hands (and Paws) On Deck It Was Smooth Sailing at the Day-long Event

Nearly one thousand guests, more than 140 puppies and puppy raisers, and our many wonderful volunteers set sail on a fun-filled day of "Puppies & Pirates" — the theme of this year's Open House, which was held on June 9.

Puppies-in-training navigated a treacherous sea of distractions in the puppy trials. Landlubbers sought treasure at the silent auction. And several brave souls climbed aboard the "ARRRF," a pirate ship that had run aground on the GDA campus, to have their photo taken.

By day's end there was a new captain at the helm of the ARRRF, which was part of the silent auction. Mark New and his wife Tammy were named Captain and First Mate, respectively, and took home the ultimate Pirate's "boat" as the successful bidders. The couple, who also are puppy raisers for GDA, should have no problem keeping the ARRRF ship-shape as they are certainly accustomed to swabbing the poop deck.

During the day, a "paws" was taken from the festivities to dedicate a new structure on the GDA campus — The Kovaric Pavilion. Built in loving memory of the work of Puppy Raiser Brian Kovaric by his parents, The Kovaric Pavilion fills a great need on our campus. The beautiful new Pavilion provides a covered, outdoor area for our students to enjoy while in class and also serves as an additional area to use during GDA on-campus events.

Open House is an adventure every year and this year was no different. We hope to see you all again next year when GDA celebrates its 60th anniversary! 🐾

PARADE OF PARTNERS continued from pg. 1...

we also looked at ways to give you a greater understanding of how much your support means to our school and, ultimately, to our graduates. Now, as we begin to plan each issue we pose a question to the graduates, giving them the opportunity to tell you in their own words what having a guide dog means to them. In preparing this issue, we invited our graduates to help us honor you and encouraged them to take this opportunity to share with all those who support GDA something special he or she would like to tell you by answering the following, "I would like you all to know that..." Some of their heartfelt responses appear throughout this newsletter.

It is with great pride and sincere gratitude that we present our 3<sup>rd</sup> Annual Parade of Partners to express how thankful we are to our many friends.

If we have inadvertently left off your name from any of the lists or you would like to know how to be included in next year's Parade of Partners issue, contact Lorri Bernson at (818) 833-6431 or e-mail [lmbernson@guidedogsofamerica.org](mailto:lmbernson@guidedogsofamerica.org).

## IF YOU WOULD LIKE TO LEND A PAW...

This issue of the GDA newsletter is dedicated to thanking our "Partners" for their generous donations of time, energy, and resources. Without receiving government funding, it is your gifts that support and enable the fulfillment of our mission to provide loyal and loving guide dogs free-of-charge to blind and visually impaired individuals to help them live more independently.

To learn how you can become involved in our mission, please visit the "How to Help" section of the GDA homepage, [www.guidedogsofamerica.org](http://www.guidedogsofamerica.org), send an e-mail to [mail@guidedogsofamerica.org](mailto:mail@guidedogsofamerica.org), or contact GDA at (818) 362-5834 for more information.

A percentage of your purchase will automatically be donated to GDA.

# TAKING A PAWS FOR THANKS.

While much of the work that goes into the making of a guide dog team takes place at the GDA campus, our work would not be possible without the many individuals and organizations that generously support the school as well as the continuous support of the IAM&AW and its dedicated members. Every donation we receive — whether it's a payroll deduction, regular contribution, or fundraising event — helps to fund the costs associated with the day-to-day operation of the school. We are exceptionally grateful to all of you.

**SPECIAL EVENTS** Fundraising events from which all proceeds are donated to GDA are held throughout the year and around the country. We extend a very special thank you to all those who organized these events as well as to those who contributed to the events' success as volunteers or participants.

## PUPPY RAISERS

### *Pawsitive Praise!*

Even though our puppy raisers don't think of what they do as a job, we recognize that raising a puppy is a lot of work. It takes tremendous dedication to the program, a commitment of their time, and can be a test of patience and perseverance. Finally, puppy raisers exhibit an enormous amount of selflessness that can only be attributed to loving what they do and knowing they are making a difference. Opening their homes and their lives for a year-and-a-half to our puppies-in-training, our puppy raisers know that the dog they have been committed to and grown to love will return to GDA to begin formal training for the job it was born to do. We would like to take this opportunity to acknowledge our puppy raisers and extend our most sincere gratitude to the many individuals and families who take our puppies into their homes and their hearts.

For information about becoming a puppy raiser, visit the GDA web site, [www.guidedogsofamerica.org](http://www.guidedogsofamerica.org), and click on "Puppy Raising" or call Louise Henderson at (818) 833-6441.

*Please note: The names that appear on this list include only those puppy raisers with whom a puppy-in-training was placed in their home during this past GDA fiscal year (July 1, 2006 - June 30, 2007).*
