## **PLANNING AHEAD**

Planning ahead and applying for financial aid programs can help you obtain an education that might otherwise be outside your financial reach.

Financial aid is available in the form of grants, loans, and scholarships. At National University, the purpose of financial aid is to bridge the gap between educational cost and a student's resources.

To help you begin the application process, a staff of professional student finance advisors (SFA) are ready to answer questions. For the convenience of our students, SFA's are located at many of the University's campuses. Advisors will be happy to meet with you on a walk-in basis or appointments may be scheduled.

This guide has been designed to help you understand any current changes and to help you identify which aid programs you may be eligible to receive. Topics discussed include: how to apply, financial aid qualifications, program descriptions (federal, state, and institutional), important dates, and how the student's contribution is determined. However, due to federal regulations, which govern the student financial aid programs, policy changes occur each year. Therefore, even continuing students should review this guide.

## STEPS TO FOLLOW TO APPLY FOR FINANCIAL AID

The process of “need analysis” is required to determine which financial aid program(s) will assist you in meeting your educational goals. To determine the award package, 2018 income (taxed and untaxed) and for some students, current assets (excluding home equity) will be analyzed. To expedite this process, please follow the steps below.

### Step 1 — Application

#### Free Application for Federal Student Aid (FAFSA)

- Complete the FAFSA at <https://studentaid.gov/h/apply-for-aid/fafsa> using your FSA ID and password or by downloading the **myStudentAid** app in the Apple App Store (iOS) or Google Play store (Android). If you are a dependent student, at least one parent is required to sign the FAFSA.
- Enter the school code: **011460**, National University, 11355 North Torrey Pines Rd., La Jolla, CA 92037-1013. Remember to also list your housing code.
- Sign the FAFSA Online using your FSA password, or mail in your signature page within 14 days, so your application may be processed.
- Application deadlines: The federal processor must receive the FAFSA by June 30, 2021 for the 2020-2021 school year.

If you need further assistance in completing your application, contact the Financial Aid Office at the campus you attend. An appointment may be required.

### Step 2 — What You Should Expect

After filing the FAFSA, you will receive the following responses:

**Federal Student Aid Center**

**Student Aid Report (SAR):**

A copy of your Student Aid Report (SAR) is available for download upon completion of the FAFSA. Please review the report for accuracy and make corrections as necessary. Please retain a copy of your SAR for your records.

*Note: If you do not enter National University's school code, it will be necessary for you to make that correction.*

**The University Financial Aid Office**

**Welcome Notice:**

You will receive an email from the Financial Aid Office acknowledging the receipt of your financial aid application (FAFSA).

**Verification Process:**

The Federal Government requires a percentage of financial aid applicants to complete a process called “Verification.” This is a process used by the U.S. Department of Education to check the accuracy of information you reported on the FAFSA. If selected for verification, you will receive notification with your confirmation email.

- **2018 Federal Income Tax Return** — You may qualify to import your 2018 tax information directly from the IRS through the IRS Data Retrieval Process on your 2020-2021 FAFSA at <https://studentaid.gov/h/apply-for-aid/fafsa>
- **Non-Filing Certification** — If you (or your spouse) are not required to file a Federal Income Tax Return (according to the IRS filing requirements) you must complete a Non-Filing Certification for the University.
- **IRS 1040 Tax Return**- Tax filers can submit a signed copy of the 2018 1040 tax return.
- **IRS Tax Return Transcript** — Tax filers can obtain a 2018 transcript free of charge directly from the IRS in one of two ways:
  - Online Request** — May also be available as a PDF on the IRS website at <https://www.irs.gov/individuals/get-transcript>
  - Telephone Request** — (800) 908-9946

**Student Loan Entrance Counseling —**

If you are a first-time WDF, Grad PLUS, and/or Parent PLUS student loan borrower at the University, you will be required to complete Student Loan Entrance Counseling online at <https://studentaid.gov>. The purpose of the entrance counseling is to give you an opportunity to review the disbursement policies, your borrowing limits, and to help you understand your repayment responsibilities as a student borrower. The Financial Aid Office will receive notification that you completed your entrance counseling electronically from the U.S. Department of Education.

**Master Promissory Note (MPN) —**

If you are a first-time William D. Ford (WDF) or Grad PLUS student loan borrower at the University, you will be required to complete an MPN at <https://studentaid.gov>. The MPN is required before you receive your first disbursement of your subsidized, unsubsidized, and/or PLUS loan(s). An individual MPN is required for WDF and/or PLUS loans. The MPN is a legal document in which you promise to repay your loan(s) and any accrued interest and fees to the U.S. Department of Education. It also explains the terms and conditions of your loan(s); for instance, it will include information on how interest is calculated and what deferment and cancellation provisions are available to you. The Financial Aid Office will receive an electronic notification that you completed your MPN.

*Note: We strongly encourage you to consider the total amount of funds you borrow during your college career.*

- California Student Aid Commission —** Students selected for Cal Grant A or B will receive notification from the Commission. New awards for Cal Grants A and B will be announced during the months of May through June 2020. Funding for these programs will begin October 2020.

### Step 3 — Financial Aid Process

**Academic Program Evaluation**

Program evaluation is the official determination that you have been formally accepted in the degree program you selected. This process will be completed once all your official academic transcripts and individual program requirements are received by in the Registrar's Office. A notice of evaluation will be sent to you from the Registrar's Office after this process is complete.

*Note: Financial aid awards will be processed after the evaluation process is complete. Students enrolled under conditional status are not eligible for financial aid until officially accepted into their program. Tuition is due in full prior to the start of each course.*

**Eligibility for Financial Aid is Determined**

Applications/documents submitted to the Financial Aid Office will be reviewed for accuracy and completeness, and your enrollment will be verified. A financial aid counselor will calculate your aid package based on a Student Aid Report (SAR) prepared by the Federal Student Aid Center.

#### **Federal Grant and Campus-Based Applicants**

If you are eligible to receive Federal/State grants, and/or Campus-Based aid, you will receive an electronic notification. These funds will be applied to your NU student account after the Add/Drop deadline.

#### **Student Loan Applicants (WDF and/or PLUS)**

If you are eligible for a loan, the Financial Aid Office will certify your loans and transmit the award to the WDF Federal Direct Loan Program. Upon transmittal of your request, a notice will be sent to you explaining your award package (type of loan and amount). At that time you will have the opportunity to accept or deny all or part of your loans via the student portal. Once the U.S. Department of Education (ED) approves the request, you will then be notified through email once your funds have disbursed.

#### **Additional Loans**

You may apply for additional loans (WDF, PLUS) upon satisfactory completion of an Academic year, which is a minimum of 36 units and 32 weeks of instruction (excluding failed/incomplete grades and units earned from accelerated studies or repeated coursework).

#### **Disbursements**

Students must be in current attendance (in class) to receive disbursements, which will be authorized and disbursed after the Drop/Add deadline (Ninth night of class). A student has up to 14 days, from the date of disbursement to cancel all or part of the aid. This request needs to be submitted in writing.

*Note: The disbursement dates on the student portal are estimates and maybe adjusted due to schedule changes and unit completion.*

## GENERAL INFORMATION

Students that are in the process of applying for financial aid are eligible under the tuition postponement agreement to defer tuition payments until financial aid is awarded. (For terms of this policy please refer to your signed tuition postponement agreement.)

If you are scheduled to complete your program during a school year, you must submit all required documents to the Financial Aid Processing Center, 90 days prior to your last date of attendance. Financial aid awards will be processed only for those students (first time or returning) who are currently enrolled at the University.

Eligibility for financial aid is based on your academic program, units, and weeks of instruction at the time of application. If your schedule changes after the award is processed, your financial aid will be subject to delays and/or cancellation. Please speak to your NU Student Finance Advisor prior to making any schedule or program change.

*Student refunds will be issued within 10 business days of disbursement to the student account. Students must be in current attendance at the time of disbursement to qualify for the payment. In the event of schedule changes, funds may be rescheduled for the next available term of attendance.*

## VERIFICATION PROCESS

The U.S. Department of Education (ED) requires a percentage of financial aid applicants to complete a process called "Verification." **Reminder: Changing your schedule may affect your financial aid disbursements.**

## ENROLLMENT STATUS

Students enrolled at the University may attend courses any month of the year, creating a different academic year for each student. To evaluate a student's enrollment status at the University, each student's individual enrollment period will be reviewed and their status determined using the following charts.

### Undergraduate & Credential Students — Unit Requirements

Number of Months	Half	Three-Quarter	Full
1	—	—	—
2	6.0	9.0	—
3	6.0	9.0	12.0
4	9.0	13.5	18.0
5	9.0	13.5	18.0
6	9.0	13.5	18.0

**Note:**

A course will be included in the enrollment period if the start and end date of the course occurs during the measured enrollment period. The student cannot be considered withdrawn in the period that is being evaluated.

### Graduate Students — Unit Requirements

Number of Months	Half	Three-Quarter	Full
1	4.5	—	—
2	4.5	6.5	9.0
3	4.5	6.5	9.0
4	7.0	10.0	13.5
5	7.0	10.0	13.5
6	7.0	10.0	13.5

A student's enrollment status will be determined based upon their course schedule, with measures based upon the above charts. This enrollment period will be determined according to the number of months the student is attending, providing the student is not considered withdrawn.

## **SATISFACTORY ACADEMIC PROGRESS (SAP)**

The Higher Education Act of 1965, as amended, requires National University to develop and enforce standards of satisfactory academic progress (SAP) prior to awarding any federal financial aid funds to students. Standards of satisfactory academic progress were established to encourage students to successfully complete courses for which federal financial aid is received, and to progress satisfactorily toward degree completion. Successful completion of a course for undergraduates is defined as receiving one of the following grades: A, A-, B+, B, B-, C+, C, C-, D+, D or S. Successful completion of a course for graduate students is defined as receiving one of the following grades: A, A-, B+, B or S.

The standards apply to state and federal financial aid programs, including Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (SEOG), Federal Work Study, Federal Direct Stafford Loan, Federal Direct Parent Loan for Undergraduate Students (PLUS), Graduate PLUS Loans, and Federal TEACH Grant.

These financial aid standards of academic progress are separate from, and in addition to, academic standards required by the University for continued enrollment. The criteria used to determine academic progress are cumulative grade point average, cumulative completion rate (or pace), and maximum time frame to complete the degree.

SAP is evaluated annually, at the completion of an academic year. All periods of enrollment are reviewed, including periods during which no financial aid was received. The student will be notified if they are not meeting SAP. Students have the right to appeal and will be provided the necessary steps that must be followed.

### **Qualitative Requirement (GPA)**

The qualitative aspect of academic progress is the student's overall grade point average. Students must maintain a cumulative GPA of 2.0 for undergraduate students and a cumulative GPA of 3.0 for graduate students. All coursework attempted at National University must meet the graduation requirements and the qualitative component.

*Note: Students who fall below these requirements will be placed on academic probation by the Registrar's Office. Students may continue to receive financial aid during this probationary period, assuming all other satisfactory requirements are met. Students academically suspended from attendance will not receive financial aid for the period of time they are withdrawn.*

### **Quantitative Requirements (Pace)**

Students must successfully complete a minimum of 67% (two-thirds) of cumulative units attempted (attempted units are units for which a tuition charge was incurred). This is measured annually and on a cumulative basis. Transfer hours accepted by the University toward the student's degree requirements are included as credits attempted/earned but not in the GPA according to NU Academic Standards Policy.

### **Maximum Time Frame for Completion of Educational Objective**

As a Federal Requirement a students must complete their degree program within 150% of the published length of their degree program to remaining eligible for Title IV funding. The following standards of attempted units are applied to determine when a student has exceeded the maximum time frame for completion of their degree program.

#### **Incomplete Courses**

Incomplete grades are not included in the calculation of units completed but are include in units attempted for the quantitative requirement .

Multiple Retakes – Repeated courses affect academic progress as follows:

Cumulative Grade Point Average – Only the most recent grade counts in the student's cumulative GPA.

Cumulative Completion Rate and Maximum Time Frame – When a course is repeated, each course attempt will be counted as attempted hours.

#### **Transfer Hours**

Transfer hours that are accepted toward the student's academic program count in the overall maximum time frame calculation and in the cumulative completion (pace) calculation. Transfer hours have no effect upon the cumulative grade point average.

**SAP AT-A-GLANCE CHART** (Unit Completion Requirements (SAP))**Graduate/Undergraduate calculation:**

	<b>Total Units</b>	<b>Minimum Units Earned to Meet SAP</b>
Year 1	36	24
Year 2	72	48
Year 3	108	72
Year 4	144	96
Year 5	180	120

*Note: The above is calculated at 67%. Students who do not meet the unit requirements as stated above will be ineligible to receive federal student aid.*

**SAP APPEAL PROCESS**

An appeal is a process by which a student who is not meeting the institution's satisfactory academic progress (SAP) standards, petitions the institution for reconsideration of the student's eligibility for Title IV, HEA program assistance. Students on financial aid suspension may appeal the loss of aid if extenuating circumstances prevented the students from making satisfactory progress. Circumstances which are considered extenuating are those which are unusual and/or unforeseen at the beginning of the enrollment period, such as: injury or illness of the student, death of a close relative, or other situations which were unexpected and beyond the student's control. Allowances may also be made for students who have a documented disability or other adjustment difficulties. The appeal must include what has changed that will allow the student to make SAP at the next evaluation period. Appeals must be made in writing to the Financial Aid Office. Students are notified in writing of the results of their appeal. The possible appeal results are listed below.

**Approved Appeals and Probationary Status –**

Students who appeal and are approved will be placed on an academic plan in order to re-establish financial aid eligibility. The Department of Education required that the student be placed on an academic plan to ensure the student will be able to successfully complete their academic program. The academic plan is an agreement on the specific steps and performance that the student will be required to meet, in order to complete their degree and meet the SAP standards. At the end of a probationary period, students must be meeting the satisfactory academic progress requirements or must be successfully meeting requirements of an academic plan in order to continue to receive financial assistance.

**Denied Appeals –**

Students who choose to attend National University while on suspension, at their own expense, will not be automatically eligible for financial aid upon seeking reinstatement. Students must be meeting the academic progress standards in order to regain eligibility for subsequent enrollment periods. A minimum of six units earned at National University must be completed in order to be considered for reinstatement.

**LEAVE OF ABSENCE POLICY (LOA)**

The National University LOA policy is mandated by federal regulation for federal student aid recipients. This impacts students who receive Title IV federal financial aid (Federal Grants and Loans) or who want to have a federal student loan deferred for payment while in school. A student on an approved LOA will be considered enrolled at National University and would be eligible for an in-school deferment for their student loans. Students will not receive disbursements of federal financial aid during an approved LOA. It is important to note that federal financial aid and in-school deferment may be negatively impacted if a student fails to apply for the LOA within the guidelines stipulated or if the application is denied. A student must return within 180 days from an approved leave of absence. A student who fails to return from an approved LOA may be subject to impacts on both student loan repayment terms, as well as the grace period of any aid. If a student does not return from an approved LOA the student will be treated as a withdrawn student effective the first day of the leave and a return calculation of federal student aid will be performed.

**All LOA approvals must be submitted via e-form on the student portal to the Registrar's Office, prior to the last date of attendance. There are additional rules and requirements for a LOA – please refer to the LOA policy in the NU Catalog.**

**Students who officially withdraw from the University, or for whom a break in attendance of 45 consecutive days occurs in their course schedule during the academic year, will be considered withdrawn and the following will occur:**

**Recipients of Federal Grants, Campus-Based, and/or State Aid:**

All future aid will be canceled. Students who resume their coursework during the school year will be reprocessed for eligible aid.

*\* National University's winter break between December and January is excluded when determining withdrawn status.*

**Student Loan Recipients**

**Loan Disbursements**

The University will return student loan funds to the lender if the funds arrive after or during a break in which the student is considered withdrawn. The University will also cancel any future scheduled disbursements.

**Request for Refund**

The University will return funds held on account (credit balance) to the lender in accordance with Federal Regulation if a student:

- Is considered withdrawn
- Has not completed the number of units/weeks as certified in the original payment period

**Repayment**

The University will report the student's last date of attendance if the student is considered withdrawn. This notification will initiate student loan repayment. The grace period or the actual payments will begin on any outstanding student loan(s) from the student's last date of attendance.

**Federal Return of Title IV Aid (R2T4) Refund Policy**

If a student is considered withdrawn from the University, federal regulations require a calculation be performed according to a specific formula that identifies the total scheduled financial assistance the student earned and is therefore entitled to receive. If a student is considered withdrawn from the University before completing 60 percent of a payment period, the student may have to repay unearned federal monies that were already disbursed at the beginning of the payment period. For additional information regarding this policy, please refer to the University catalog.

**Deferments**

The University will process a deferment for a period of one term (a six-month period); however, the deferment period ends when the student is withdrawn. Also, if a student changes their schedule and is considered withdrawn after a deferment is processed, the lender will be notified and repayment on the loan will be initiated.

**Accelerated Studies**

Students may apply for financial aid to cover educational expenses for an academic year. Students who enroll in accelerated studies will be required to pay for those units (any units above 4.5) at their own expense.

**Funding Requirements**

Students receiving financial aid at the University will be awarded based on an academic year of 32 weeks of in-class instruction and a minimum of 36 units. Students receiving campus-based aid, state aid, and institutional aid will receive funds for up to 12 months when aid is available. Student loan recipients (WDF, PLUS, and Grad PLUS) may qualify for an additional loan upon successful completion of all courses in the prior loan period. All grades must be posted from the student's prior academic year and any accelerated coursework taken will not be counted towards the completion of the student's academic year. In addition, 32 weeks of in-class instruction (eight months) must be completed.

**Unsatisfactory and Repeated course work**

Unsatisfactory grades will not be counted toward completion of the payment period. These courses will be paid at the students expense. If a student wishes to repeat a course of which a satisfactory grade was already received this will also be paid at the students expense.
