Booth Number: 2

Baker Forestry Services Nursery and Consulting

Baker Forestry Services, Nursery and Consulting is family run, owned and operated. We specialize in growing native seed zone specific trees and shrubs, providing rehabilitation planting services and tree & forest consulting. Bob Baker began his company 17 years ago and has been growing steadily. Bob has been awarded the Queens Jubilee Medallion for his efforts in local land stewardship and reforestation, planting over 4 million trees from 1976 to 2000 during his work with Credit Valley Conservation Authority. Baker Forestry Services is committed to producing quality nursery products and providing exceptional services.

Nursery: We produce 30,000 plugs varying in species per year. 125,000+ containerized trees and shrubs per year. We also replant (transplant) around 30,000 units into our fields on the farm each year.

Planting Contracts: Our planting sites bring us throughout the GTA, and rural areas around the farm (farm location is 6km south of the Town of Erin).

Positions Available:

General Farm Labourer/Off-site Crew (April to August) - 10 seasonal positions with 2 positions to carry on through the fall and possibly year-round with seniority.

Starting at \$14.00/hr.

Website: www.bakerforestryservices.com

Booth Number: 14

Bonanza Garden Centre

Bonanza Gardens is a horticulture live goods supplier who manages and services major retail customers throughout Ontario. We are dedicated and committed to providing only the most premium quality annuals, perennials, trees and shrubs to our customers; we service over 30 retail locations during the month of April through to early June.

We are looking for dedicated and self-motivated individuals who can assist us with merchandising restocking and servicing the garden centres we manage. Applicants in this support role are required to be able to work flexible hours including evenings and weekends.

Seasonal Employment Types: Full time and part time

Cowbell Brewing Co.

Blyth Cowbell Brewing Co. is a unique Canadian destination craft brewery that features a state-of-the-art brewing facility, restaurant with indoor and outdoor seating, retail store, and entertainment spaces. Cowbell's accessible, family friendly farm is located on 111-acres south of the historic village of Blyth, and we are committed to providing you with a one-of-a-kind experience, highlighted by delicious craft beer.

Cowbell will be hiring for several opportunities for the summer season of May - August. We are recruiting for positions within our restaurant, events, brewing, and administrative teams.

Website: <https://cowbellbrewing.com/careers>

Booth Number: 10

Ecolab

Around the world, businesses in the foodservice, food processing, hospitality, healthcare, industrial, and oil and gas markets choose Ecolab products and services to keep their environments clean and safe, operate efficiently and achieve sustainability goals. We have been in business for nearly 90 years, working behind the scenes to keep food safe, prevent the spread of infection and protect vital resources.

Ecolab's Pest Elimination Division is seeking full-time candidates for a sales and service position as a Service Specialist who will provide timely and cost-effective brand protection, pest detection, elimination and preventative solutions to an established route. Assuming responsibility for a territory of restaurant, lodging, food service, food retail and food processing customers, you will receive leading edge training to support your career development and ensure customer satisfaction. Key to your success will be your ability to partner with your customers to provide a solutions-oriented approach to resolving their pest challenges, sanitation and structural concerns. Additionally, you will service and merchandise prevention solutions with ideas to create customer satisfaction. With your dedicated focus on using integrated pest management techniques, you strive to exceed customers' needs and challenges.

Website: www.ecolab.com

Booth Number: 39

EMCO Corporation

EMCO Corporation is one of Canada's largest integrated distributors of products for the construction industry. EMCO offers products in the distinct categories of plumbing, HVAC, waterworks and industrial. EMCO strives to satisfy the needs of its customers with a focused product assortment, transported and sold through an extensive network of profit centres, distribution warehouses and showrooms across Canada.

We have a network of over 200 Profit Centres thanks to the entrepreneurial spirit of our people. Our Profit Centres are strategically located and represent the top product lines in our industry. They are set up to ensure we always provide excellent service to our customer.

Today, we have openings for the Sales Development Trainee position at our new HVAC McKeough Supply location in Guelph (opportunities in other areas are available as well). Chosen candidates will work through our Sales Development Program which offers a holistic approach to a career while learning our industry and business from the ground up. Please visit careers.emco.ca for more information and openings.

We are a team of approximately 18,500 police officers who, along with civilian employees, make up Canada's national police service. We are unique in that we provide policing services at the international, federal, provincial and municipal levels. We know that diversity in our workforce is a strength and we are committed to building a police service that reflects the communities we serve.

As an RCMP police officer, you will help ensure public safety and security, investigate crimes and enforce the law.

With over 150 different types of operational and administrative opportunities to choose from, our police officers have enough variety to ensure a career full of growth and adventure. Here are just a few of the specializations we offer: General Duty Policing, Forensic Identification, Drugs and Organized Crime Investigation, Financial Crime, Emergency Response Team, Integrated Border Enforcement Team, National Security, VIP Protective Service, Police Dog Services, Marine Services, International Peace Operations, Explosives Disposal and dozens more.

Some of the duties of a police officer:

- Enforce the law
- Conduct investigations
- Ensure the safety and security of the public
- Community awareness and relations

Sleeman Breweries Limited

Since its reopening in 1988, Sleeman Breweries has grown to become the third-largest brewer in Canada. Formed by merging three of Canada's best craft breweries and acquired in 2006 by Sapporo Breweries, we've built an incredible portfolio of beer brands in Canada; great Canadian brands such as Sleeman, Okanagan Spring and Unibroue, combined with world-class beers such as Sapporo, Old Milwaukee and Pabst Blue Ribbon. After all, we believe Canadians deserve better beer.

We are currently looking for summer seasonal employees in our Operations and Warehouse departments. Please visit our website for current available positions at:
