PREFACE

FOREWORD

Rockschool's Guitar Syllabus 2018 has been designed to build upon the ever-popular 2012 qualification, expanding upon the original compositions with arrangements of six new 'hit tunes' at each grade. This has resulted in an even broader scope for learners at all levels to engage with repertoire which has been rigorously benchmarked against academic and industry standards. Furthermore, students can gauge their progress via commensurate levels of technical exercises, prepared and unseen skills tests and questions relating to their studies at each grade.

This specification guide serves three purposes:

- To provide regulatory information surrounding the qualification
- To provide an overview of examination structure and content
- To provide content and assessment specification relevant to each graded examination

Rockschool's graded exams continue to provide a progressive mastery approach to music and an enjoyable experience for all learners.

INTRODUCTION

Welcome to the Rockscool 2018–2024 syllabus for Guitar. This syllabus guide is designed to give teachers, learners and candidates practical information on the graded examinations run by Rockscool.

The Rockscool website www.rslawards.com has detailed information on all aspects of our examinations, including examination regulations, detailed marking schemes and assessment criteria as well as notated and audio examples to help you prepare for the examination.

This Syllabus Guide covers the following examinations:

- Graded Examinations Debut – Grade 8
- Performance Certificates Debut – Grade 8

The Value Of RSL Qualifications

RSL advocates an open access approach to qualifications, providing a range of syllabi, designed to accommodate a wide variety of candidates of different ages, experience and levels of achievement. RSL qualifications are regulated in England and Northern Ireland by the Office of Qualifications and Examinations Regulation (Ofqual), in Wales by Qualifications Wales and accredited in Scotland by the Scottish Qualifications Authority. RSL is committed to maintaining and improving its reputation for excellence by providing high quality education and training through its syllabi, examinations, music and resources.

RSL & UCAS

For students applying for work or University, many potential employers see graded music exams in a very positive way. Recognised qualifications demonstrate an ability to dedicate commitment to extra-curricular activities, providing evidence of versatility which many students find beneficial within UCAS (Universities & Colleges Admissions Service) applications and for University entrance interviews.

Our qualifications at Level 3 (Grades 6–8) carry allocated points on the UCAS tariff.

For full details relating to the allocation of UCAS points please see: www.rslawards.com/about-us/ucas-points

Assessment Overview

ASSESSMENT	
Form of Assessment	All assessments are carried out by external examiners. Candidates are required to carry out a combination of practical tasks and underpinning theoretical assessment.
Unit Format	Unit specifications contain the title, unit code, credit level, credit value, learning outcomes, assessment criteria, grade descriptor, and types of evidence required for the unit.
Bands of Assessment	There are four bands of assessment (distinction, merit, pass and unclassified) for the qualification as a whole.
Quality Assurance	Quality Assurance ensures that all assessments are carried out to the same standard by objective sampling and re-assessment of candidates' work. A team of external examiners is appointed, trained and standardised by RSL.

QUALIFICATION SUMMARY

Aims & Broad Objectives

The aim of popular music performance qualifications is to provide a flexible, progressive mastery approach to the knowledge, skills and understanding required for popular music performance.

RSL's graded qualifications motivate and encourage candidates of all ages and levels through a system of progressive mastery, enabling candidates to develop and enhance skills, knowledge and understanding in a safe and consistent way. The qualifications are beneficial for candidates wishing to progress at their own pace through smaller steps of achievement.

These qualifications are suitable for candidates in the Under 16, 16+, 16–18, 19+ age groups.

Progression

Graded qualifications provide a flexible progression route for candidates. They are a positive means of determining progress and enable candidates to learn the necessary techniques to gain entry to FE and HE courses. Graded qualifications operate according to a well-established methodology of 'progressive mastery'. They allow candidates to be tested in discrete stages in the development of a wide range of skills. They tend to be more rigorous than other types of exams and for that reason industry is confident that achievement at the highest level gained by candidates of graded qualifications will have the skills necessary to work in other areas of the business.

Qualification Structure

A graded qualification consists of a range of both practical and knowledge-based elements which are based on detailed requirements outlined in the relevant syllabus. Therefore, requirements for each grade will be set out in detail in the Unit Specifications below (page 17 and onwards) and the learning outcomes and assessment criteria for each unit will require knowledge, skills and understanding of these syllabus requirements to be demonstrated at the grade entered.

Entry Requirements

There are no entry requirements for these qualifications. However, candidates should be aware that the content at the higher grades will require a level of knowledge and understanding covered in previous qualifications.

For further details on exam dates and fees and to apply for your music performance grades please visit the RSL website at www.rslawards.com

Examination Structure

The examination structure for the grade examinations is shown below:

1. Pieces or technical exercises
2. Technical exercises or pieces
3. Sight Reading or Improvisation & Interpretation (Debut – Grade 5); Quick Study Piece (Grades 6–8)
4. Ear Tests
5. General Musicianship Questions

General Notes

At the beginning of a Grade Examination, the Examiner will ask the candidate if they wish to begin with Performance Pieces or Technical Exercises. In a Performance Certificate, candidates may present their Performance Pieces in any order of their choice.

Prior to the start of the Performance Pieces, the Examiner will conduct a sound check by asking the candidate to play the first few bars of the first chosen piece. This will set the levels for the exam and will take place alongside the backing track. Once the level has been established, the Examiner will then commence with the first piece in full. Note: the sound check is undertaken for the first Performance Piece only.

Candidates may perform any or all of their pieces from memory. This is not compulsory at any level and no additional marks are given for this. With the exception of certain Technical Exercises where memory requirements apply, it is permitted to use grade books which contain notes made during the course of a candidate's study.

Note: It is not permitted to make any notes at any time during the exam.

For General Musicianship Questions, the Examiner may use his or her version of the selected piece as the basis to ask the questions if such notes contained on the candidate's version are deemed sufficiently extensive or might assist the candidate when answering the questions.

The Examiner will not facilitate page turning for candidates. Candidates are allowed to photocopy relevant sheet music as necessary to alleviate page turns but all copied materials must be handed into the Examiner at the end of the examination.

All tempo markings are to be observed unless otherwise stated. Each piece is designed carefully to achieve a number of outcomes appropriate for the grade.

Expectations of Knowledge, Skills and Understanding

The graded examination system is one based on the principle of 'progressive mastery': each step in the exam chain demonstrates learning, progression and skills in incremental steps. Successful learning is characterised by a mastery of the fundamentals of the skills demanded in each grade.

Learners will be able to complete a set of practical tasks and be tested on their underpinning knowledge (the complexity and variety of tasks are determined by which qualification is being attempted). This allows them to demonstrate popular music performance knowledge, skills and understanding relevant to the grade. These technical skills set a firm platform for further technical and creative development by the learner.

Quality Assurance

All RSL examinations and graded qualifications are standardised according to the processes and procedures laid down by RSL.

CANDIDATE ACCESS AND REGISTRATION

Access and Registration

The qualifications will:

- be available to everyone who is capable of reaching the required standards
- be free from any barriers that restrict access and progression
- offer equal opportunities for all wishing to access the qualifications

At the point of application, RSL will ensure that all candidates are fully informed about the requirements and demands of the qualification.

Candidates may enter online for any of the qualifications at various points in the calendar year in territories throughout the world. Dates will be published on the website at www.rslawards.com

Recommended Prior Learning

Learners are not required to have any prior learning for these qualifications. However, learners should ensure that they are aware of the requirements and expectations of each grade prior to entering for an assessment.

FURTHER INFORMATION & CONTACT

Guidance on Free Choice Pieces

For all examinations, candidates are able to play a number of free choice pieces:

- **Grade Examinations:** Two free choice pieces (a minimum of one piece must be from the Guitar grade book)
- **Performance Certificates:** Three free choice pieces (a minimum of two pieces must be from the Guitar grade book)

Free choice pieces must demonstrate a comparable level of technical and musical demand to the pieces given in the set selections in the grade books which can be referred to as an indication of appropriate level.

Free choice pieces must be in a modern popular genre such as:

- Pop
- Rock
- Jazz
- Country
- Blues
- Soul
- Reggae
- Film and Musical Theatre

Own compositions are also acceptable. Pieces should be selected carefully to ensure that they provide suitable opportunity for candidates to demonstrate the relevant assessment criteria. Candidates are reminded that if a chosen Free Choice Piece does not meet these requirements this may impact on the level of achievement possible within the examination.

All pieces must be performed to a backing track (without the examined part on the track) except in cases where a piece has been selected from previous Rockschoo syllabi and does not have a backing track or has been specifically arranged by Rockschoo as a solo piece.

GRADE EXAM

PREPARED WORK

Candidates play 3 pieces that last a maximum of 1 minute and Technical Exercises covering the preliminary areas.

UNPREPARED WORK

Candidates are required to use their guitar for a simple sight-reading test, which is rhythmic reading and two ear tests that begin to develop melodic recall and rhythmic sense. The final part of the exam is a set of 5 simple questions based on the candidate's choice of piece. These are designed to explore simple theory and instrument knowledge

EXAM STRUCTURE

The Debut exam lasts 15 minutes and will be taken in the following structure:

1. Pieces
or Technical Exercises: The candidate chooses to play either their pieces or their technical exercises first.
2. Technical Exercises or Pieces: The candidate will perform the element not chosen above
3. Sight Reading: The candidate is given a simple and previously unseen test to practice and play
4. Ear Tests: The candidate responds to two simple tests. One is melodic and one is rhythmic
5. General Musicianship Questions: The candidate answers 5 questions related to a piece of their choice

PIECES

At Debut the pieces last up to a maximum of 1 minute. This is so the candidate can remain focused and concentrate on the basic requirements of notation, values, sound, control and sync. The pieces contain simple position work. Movement across strings is simple and paced accordingly.

SETTING THE LEVEL OF THE BACKING TRACK

Before playing the first piece all the way through, the examiner will make sure the volume of the backing track is correct for the candidate by asking them to play along to the backing track for the first few bars. Once the correct level has been agreed, the examiner will begin again and conduct all three pieces. Note that this is only done for the first piece.

TECHNICAL WORK

At Debut there are three groups of technical work. The examiner will ask a selection from each group and before you start the section you will be asked whether you would like to play the exercises along with the click or hear a single bar of click before you commence the test.

GROUP A: SCALES

Tempo: 70 bpm

- Major: C
- Minor pentatonic: A, E

GROUP B: CHORDS

Open position chords. Individual chords will be strummed once as directed by the examiner

- Major: A, D, C, G
- Minor: A, E

GROUP C: RIFF

In the exam you will be asked to play the riff from the Grade Debut book to a backing track. The riff shown in bar 1 should be played in the same shape in bars 2–4. The root note of the pattern to be played is shown in the music in each of the subsequent three bars

UNSEEN TESTS

SIGHT READING

Tempo: 70 bpm

At Debut you will be offered a previously unseen sight reading test that is in the form of a four bar rhythm played on the lowest-sounding E string. An example is shown in the Debut grade book.

The test is made up of half and quarter notes, and will be in 4/4. The examiner will allow 90 seconds preparation and practice time and will offer the option of practising with or without a metronome. The candidate will then perform the test for the examination.

EAR TESTS

There are two tests:

- Melodic Recall
- Rhythmic Recall.

Melodic Recall

Tempo: 85bpm

The examiner will play you two half notes one after the other. You will tell the examiner whether the second note is higher or lower in pitch than the first note. You will hear the test twice. Each time the test is played it is preceded by a one bar vocal count-in. Answers can be 'higher/lower' or 'up/down'.

Rhythmic Recall

Tempo: 80 bpm

Key: Low E string

The examiner will play you a two-bar rhythm played to a drum backing on the lowest-sounding E string. You will hear the test twice. You will be asked to play the rhythm back. You will then be asked to identify the rhythm from two printed examples shown to you. Each time the test is played it is preceded by a one bar count-in. There will be a short gap for you to practise. Next you will hear a vocal count-in and you will then play the rhythm to the drum backing.

GENERAL MUSICIANSHIP QUESTIONS

In this part of the exam you will be asked five questions. Four of these questions will be about general music knowledge and the fifth question will be asked about your instrument. For this section of the exam the candidate chooses the piece on which to be tested.

MUSIC KNOWLEDGE:

In Debut you will be asked to identify:

- The music stave and the TAB
- The treble clef
- Half and quarter note values

INSTRUMENT KNOWLEDGE:

In Debut you will be asked to identify:

- One of the following parts of your guitar: neck, body, tuning-pegs or bridge

PERFORMANCE CERTIFICATE

EXAM STRUCTURE

The candidate chooses to play 5 pieces lasting a maximum of 1 minute each. There are no other elements in the Performance Certificate examination.

FREE CHOICE PIECES

There is an option of playing free choice pieces in the examination.

- **Grade Exam:** 2 free choice pieces
- **Performance Certificate:** 3 free choice pieces

Criteria for own free choice pieces can be found by visiting the website:

www.rslawards.com

If there is any doubt or questions about the appropriateness of the chosen piece, you can email it to info@rslawards.com and a member of the Rockscool team will advise you.

Candidates are required to play either a 4-bar sight reading test, or a 4-bar Improvisation and Interpretation test. There are also two ear tests that continue to develop melodic recall and rhythmic sense and the final part of the exam is a set of 5 simple questions based on the candidate's choice of piece. These are designed to explore theory and instrument knowledge.

EXAM STRUCTURE

The Grade 1 exam lasts 20 minutes and will be taken in the following structure:

1. Pieces or Technical Exercises: The candidate chooses to play either their pieces or their technical exercises first
2. Technical Exercises or Pieces: The candidate will perform the element not chosen above
3. Sight Reading or Improvisation and Interpretation: The candidate is given a simple and previously unseen test to practice and play
4. Ear Tests: The candidate responds to two simple tests. One is melodic and one is rhythmic
5. General Musicianship Questions: The candidate answers 5 questions related to a piece of their choice

PIECES

At Grade 1 the pieces last up to a maximum of 1 minute 15 seconds. The length of piece is designed so the candidate can remain focused and concentrate on the requirements of notation, values, evenness of sound, technical control and sync.

SETTING THE LEVEL OF THE BACKING TRACK

Before playing the first piece all the way through, the examiner will make sure the volume of the backing track is correct for the candidate by asking them to play along to the backing track for the first few bars. Once the correct level has been agreed, the examiner will begin again and conduct all three pieces. Note that this is only done for the first piece.

TECHNICAL WORK

At Grade 1 there are three groups of technical work. The examiner will ask a selection from each group and before you start the section you will be asked whether you would like to play the exercises along with the click or hear a single bar of click before you commence the test.

GROUP A: SCALES

Tempo: 70 bpm

- Major: C
- Natural minor: A
- Minor pentatonic: A, E
- Major pentatonic: G

GROUP B: CHORDS

- Powerchords: two-note chords to be played in a continuous sequence.
- Major: A, D, E, C, G: individual chords will be strummed once as directed by the examiner.
- Minor: A, D, E individual chords will be strummed once as directed by the examiner.

GROUP C: RIFF

Tempo: 70 bpm

In the exam you will be asked to play the riff from the Grade 1 book to a backing track. The riff shown in bar 1 should be played in the same shape in bars 2–4. The root note of the pattern to be played is shown in the music in each of the subsequent three bars.

UNSEEN TESTS

SIGHT READING OR IMPROVISATION & INTERPRETATION

At Grade 1 you will be offered the choice between Sight Reading or Improvisation & Interpretation. This is a previously unseen test. An example is shown in the Grade 1 book.

SIGHT READING

Key: A minor

Tempo: 70 bpm

At Grade 1 the sight reading test is in the form of a melody consisting of half and quarter notes in 4/4. The test is 4 bars long. The examiner will allow 90 seconds preparation and practice time and will offer the option of practising with or without a metronome. The candidate will then perform the test for the examination.

IMPROVISATION & INTERPRETATION

Key: C major or A minor

Tempo: 70–80 bpm

At Grade 1 the candidate has the choice of playing a lead line or rhythm (chord) line. The test is 4 bars long and the candidate will have 30 seconds preparation time. The examiner will offer the metronome as a guide throughout this time. The candidate will then have a complete practice run through with the backing track and then on the repeat, the test will be examined.

EAR TESTS

There are two tests: Melodic Recall and Rhythmic Recall.

Melodic Recall

Tempo: 85 bpm

The examiner will play you three notes in sequence. You will tell the examiner whether the second note is higher or lower in pitch than the first note and whether the third note is higher or lower than the second. You will hear the test twice. Each time the test is played it is preceded by a one bar vocal count-in. Answers can be 'higher then lower' or 'up then down' (as appropriate).

Rhythmic Recall

Key: Low E string

Tempo: 90 bpm

The examiner will play you a two bar rhythm played to a drum backing on the lowest-sounding E string. You will hear the test twice. You will be asked to play the rhythm back. You will then be asked to identify the rhythm from two printed examples shown to you. The test is made up of quarter and eighth notes and quarter note rests. Each time the test is played it is preceded by a one bar count-in. There will be a short gap for you to practise. Next you will hear a vocal count-in and you will then play the rhythm to the drum backing.

GENERAL MUSICIANSHIP QUESTIONS

In this part of the exam you will be asked five questions. Four of these questions will be about general music knowledge and the fifth question will be asked about your instrument. For this section of the exam the candidate chooses the piece to answer 5 questions on. The examiner will ask you four music knowledge questions and one instrument knowledge question.

MUSIC KNOWLEDGE

In Grade 1 you will be asked to identify:

- The treble clef
- The time signature
- Whole, half, quarter and eighth note values
- The difference between a major and minor chord

INSTRUMENT KNOWLEDGE

In Grade 1 you will be asked to identify:

- One of the following parts of your guitar: neck, fretboard, body, tuning-pegs, nut pickups or bridge
- One main guitar brand other than the brand you are playing
- Names of the open strings

PERFORMANCE CERTIFICATE

EXAM STRUCTURE

The candidate chooses to play 5 pieces lasting a maximum of 1 minute 15 seconds each. There are no other elements in the Performance Certificate examination.

FREE CHOICE PIECES

There is an option of playing free choice pieces in the examination.

- **Grade Exam:** 2 free choice pieces

Once the correct level has been agreed, the examiner will begin again and conduct all three pieces. Note that this is only done for the first piece.

TECHNICAL WORK

At Grade 4 level there are four groups of technical work. The examiner will ask a selection from each group and before you start the section you will be asked whether you would like to play the exercises along with the click or hear a single bar of click before you commence the test.

GROUP A: SCALES

(two octaves in eighth notes)

Tempo: 80 bpm

Prepared in two fingerings from the 6th string. The examiner will ask for the same scale in the two fingerings.

- **Major:** A, B, C, D
- **Natural minor:** A, B, C, D
- **Minor pentatonic:** A, B, C, D
- **Major pentatonic:** A, B, C, D
- **Blues:** A, B, C, D

GROUP B: ARPEGGIOS

(one octave in eighth notes)

Tempo: 80 bpm

- **Major 7th:** A, B, C, D
- **Minor 7th:** A, B, C, D
- **Dominant 7th:** A, B, C, D

GROUP C:

CHORDS TO BE PREPARED ON BOTH E AND A STRINGS

Individual chords will be strummed once and then picked (arpeggiated).

- **Major 7th:** B, C, D
- **Minor 7th:** B, C, D
- **Dominant 7th:** B, C, D

GROUP D: RIFF

Tempo: 100 bpm

In the exam you will be asked to play the riff from the Grade 4 book to a backing track. The riff shown in bars 1 and 2 should be played in the same shape in bars 3–8. The root note of the pattern to be played is shown in the music in each of the subsequent bars.

UNSEEN TESTS

SIGHT READING OR IMPROVISATION & INTERPRETATION

At Grade 4 you will be offered a choice between Sight Reading or Improvisation & Interpretation. This is a previously unseen test and an example is shown in the Grade 4 book.

SIGHT READING

Tempo: 80–90 bpm

Key: D and G major, D and A minor

At Grade 4 there is an element of improvisation. This is in the form of a two bar ending. The piece will be composed in the style of rock, funk or blues and will have chord symbols throughout. At Grade 4 the notation consists of half, quarter eighth notes and quarter and eighth note rests in 4/4. The test is 8 bars long. The examiner will allow 90 seconds preparation and practice time and will offer the option of practising with or without a metronome. The candidate will then perform the test for the examination.

IMPROVISATION & INTERPRETATION

Tempo: 90–100 bpm

Key: D or G major, D or A minor

In Grade 4, the Improvisation & Interpretation test contains a small amount of sight reading. This consists of a two-bar section of rhythm (chord) notation at the beginning of the test. You will be asked to play the chords in the rhythms indicated and complete the test using an improvised line made up of chords and lead lines where indicated. This is played to a backing track of eight bars.

The candidate will have 30 seconds preparation time and the examiner will offer the metronome as a guide throughout this time. The candidate will then have a complete practice run through with the backing track and then on the repeat, the test will be examined.

EAR TESTS

There are two tests

- Melodic Recall
- Rhythmic Recall.

Melodic Recall

Tempo: 90 bpm

Key: C Major pentatonic or B Minor pentatonic

The examiner will play you a two bar melody with a drum backing. The first note of the melody will be the root note and the first interval will be descending. You will play the melody back on your instrument. You will hear the test twice. Each time the test is played it is preceded by a one bar count-in. There will be a short gap for you to practise after you have heard the test for the second time. Next you will hear a vocal count-in and you will then play the melody to the drum backing.

Harmonic Recall

Tempo: 90 bpm

Key: C major

The examiner will play you a tonic chord followed by a two-bar chord sequence in the key of C major played to a bass and drum backing. The sequence will be drawn from I, IV and V chords and may occur in any combination. You will be asked to play the chord sequence to the drum backing in the rhythm shown in the Grade 4 book. This rhythm will be used in all examples of this test given in the exam. You will then be asked to identify the chord sequence you have played to the examiner. You will hear the test twice. Each time the test is played the sequence is: count-in, tonic, count-in, chords. There will be a short gap for you to practise after you have heard the test for the second time. You will hear the count-in and tonic for the third time followed by a vocal count-in then you will play the chords to the drum backing.

GENERAL MUSICIANSHIP QUESTIONS

For this section of the exam the candidate chooses the piece to answer 5 questions on. The examiner will ask you four music knowledge questions and one instrument knowledge question.

MUSIC KNOWLEDGE

In Grade 4 you will be asked to identify:

- The pitch name of notes
- The meaning of the time signature and key signature marking
- Repeat marks, first and second time bars, D.C., D.S., al Coda and al Fine markings

- Whole, half, quarter, eighth note and 16th note rests and rest combinations
- The construction of major, minor or dominant 7 chords
- One type of scale that can be used appropriately in the solo section of the piece you have played

INSTRUMENT KNOWLEDGE

In Grade 4 you will be asked to identify:

- Any part or control on your guitar
- The function of the volume and tone controls on your guitar

FREE CHOICE PIECES

There is an option of playing free choice pieces in the examination.

- **Grade Exam:** 2 free choice pieces

There are also two ear tests that continue to develop descending melodic recall and rhythmic sense and the final part of the exam is a set of 5 questions based on the candidate's choice of piece. These explore theory and instrument knowledge.

EXAM STRUCTURE

The Grade 5 exam lasts 26 minutes and will be taken in the following structure.

1. Pieces or Technical Exercises. The candidate chooses to play either their pieces or their technical exercises first.
2. Technical Exercises or Pieces. The candidate will perform the element not chosen above.

Once the correct level has been agreed, the examiner will begin again and conduct all three pieces. Note that this is only done for the first piece.

TECHNICAL WORK

At Grade 5 level there are four groups of technical work. The examiner will ask a selection from each group and before you start the section you will be asked whether you would like to play the exercises along with the click or hear a single bar of click before you commence the test.

UNPREPARED WORK:

Candidates are required to play a 12 bar Quick Study Piece. There are also two ear tests that develop more complex melodic recall and rhythmic sense and the final part of the exam is a set of 5 questions based on the candidate's choice of piece. These explore and demonstrate theory and instrument knowledge.

EXAM STRUCTURE

The Grade 6 exam lasts 30 minutes and will be taken in the following structure

1. Pieces or Technical Exercises: The candidate chooses to play either their pieces or their technical exercises first

5. General Musicianship Questions: The candidate answers 5 questions related to a piece of their choice.

PIECES

At Grade 6 the pieces last up to a maximum of 2 minutes 45 seconds. Emphasis is on notation accuracy, confident execution of stylistic techniques, secure technical control, maturing solo and improvisation elements and a clear sense of ownership and communication of the music.

SETTING THE LEVEL OF THE BACKING TRACK

Before playing the first piece all the way through, the examiner will make sure the volume of the backing track is correct for the candidate by asking them to play along to the backing track for the first few bars. Once the correct level has been agreed, the examiner will begin again and conduct all three pieces. Note that this is only done for the first piece.

TECHNICAL WORK

At Grade 6 level there are four groups of technical work. The examiner will ask a selection from each group and before you start the section you will be asked whether you would like to play the exercises along with the click or hear a single bar of click before you commence the test.

GROUP A: SCALES/MODES

(two octaves in eighth notes)

Tempo: 100 bpm

Minor pentatonic:

- G, B. All 5 positions to be prepared and played.

- Major 7th
- Minor 7th
- Dominant 7th

GROUP C: CHORDS

Two positions. The first position is to be prepared on the E string from the starting notes of G–B chromatically. The second position is to be prepared on the A string from the starting notes of C–E chromatically. Chords should be strummed and then picked (arpeggiated).

- Minor 7^b5
- Diminished

GROUP D: STYLISTIC STUDY

You will prepare a technical study from one group of styles from the list below. Your choice of style will determine the style of the Quick Study Piece. Each study concentrates on two stylistic techniques.

- **Rock/Metal:** tapping and legato
- **Funk:** *staccato* phrasing and 16th-note strumming
- **Jazz/Latin/Blues:** string bends and double-stops

UNSEEN TESTS

QUICK STUDY PIECE

At Grade 6 you will be asked to prepare and play a short Quick Study Piece. The style of your QSP is determined by the stylistic study you selected in the technical exercise section. You will be shown the test and played the track with the notated parts played. Any bars that require improvisation will not be demonstrated. You will then have three minutes to study the test. The backing track will be played twice more. You are allowed to practise during the first run through of the backing track, with the notated parts now absent, before playing it to the examiner on the second playing of the backing track. The QSP is in the form of a lead sheet and it is up to you to create your own interpretation of the music in the parts marked for improvisation.

EAR TESTS

There are two tests:

- Melodic Recall
- Harmonic Recall.

Melodic Recall

Tempo: 90 bpm

Key: D major pentatonic or D minor pentatonic or G natural minor

The first note of the melody will be either the root note or fifth and the first interval will be either ascending or descending. You will play the melody back on your instrument. You will hear the test twice. Each time the test is played the sequence is: count-in, root note, count-in, melody. There will be a short gap for you to practise after you have heard the test for the second time. You will hear the count-in and root note for the third time followed by a vocal count-in and you will then play the melody to the bass and drum backing.

Harmonic Recall

Tempo: 90 bpm

Key: D major

The examiner will play you a tonic chord followed by a four bar chord sequence in the key of D major played to a bass and drum backing. The sequence will be drawn from the I, ii, iii, IV, V and vi chords and may occur in any combination. The test will also contain V7. You will be asked to play the root notes of the chord sequence to the drum backing in the rhythm shown in the Grade 6 book. This rhythm will be used in all examples of this test given in the exam. You will then be asked to identify the chord sequence you have played to the examiner. You will hear the test twice. Each time the test is played the sequence is: count-in, tonic, count-in, chords. There will be a short gap for you to practise after you have heard the test for the second time. You will hear the count-in and tonic for the third time followed by a vocal count-in then you will play the chords to the drum backing.

GENERAL MUSICIANSHIP QUESTIONS

In this part of the exam you will be asked five questions. Four of these questions will be about general music knowledge and the fifth question will be asked about your instrument.

MUSIC KNOWLEDGE

In Grade 6 you will be asked to identify:

- The names of pitches
- Any expressive musical marking found in the piece such as palm muting, accents, *staccato*, *legato*, *vibrato*
- Any dynamic marking found in the piece
- One type of scale that can be used appropriately in the solo section of the piece you have played and its relation to the underlying harmony of the piece

INSTRUMENT KNOWLEDGE

The examiner will also ask you one question regarding your instrument.

In Grade 6 you will be asked to explain and demonstrate:

- Where to find the same pitch on two different strings
- The function of the volume and tone controls on your guitar
- The set up for the tone required for the piece you have played on the amp
- How to achieve changes in tone in a song

PERFORMANCE CERTIFICATE

The candidate chooses to play 5 pieces lasting a maximum of 2 minutes 45 seconds each. There are no other elements in the Performance Certificate examination.

FREE CHOICE PIECES

There is an option of playing free choice pieces in the examination.

- **Grade Exam:** 2 free choice pieces
- **Performance Certificate:** 3 free choice pieces

Candidates also have the option of playing material from the Grade 6 pieces in the Rockschoo! Classics compendium.

Criteria for own free choice pieces can be found by visiting the website:

GRADE EXAM

PREPARED WORK:

Candidates perform 3 pieces that last a maximum of 3 minutes 10 seconds and demonstrate a selection of Technical Exercises.

UNPREPARED WORK:

Candidates are required to play a 12 bar Quick Study Piece. There are also two ear tests that develop complex melodic recall and rhythmic sense and the final part of the exam is a set of 5 questions based on the candidate's choice of piece. These explore and demonstrate theory and instrument knowledge.

EXAM STRUCTURE

The Grade 7 exam lasts 33 minutes and will be taken in the following structure:

1. Pieces or Technical Exercises: The candidate chooses to play either their pieces or their technical exercises first
2. Technical Exercises or Pieces: The candidate will perform the element not chosen above
3. Quick Study Piece: The candidate is given a previously unseen test to practice and play
4. Ear Tests: The candidate responds to two tests. One is melodic and one is harmonic
5. General Musicianship Questions: The candidate answers 5 questions related to a piece of their choice

PIECES

At Grade 7 the pieces last up to a maximum of 3 minutes 10 seconds. Emphasis is on notation accuracy, commanding execution of stylistic techniques and technical control, mature and creative solo and improvisation elements and a clear sense of ownership and communication of the music through performance.

SETTING THE LEVEL OF THE BACKING TRACK

Before playing the first piece all the way through, the examiner will make sure the volume of the backing track is correct for the candidate by asking them to play along to the backing track for the first few bars. Once the correct level has been agreed, the examiner will begin again and conduct all three pieces. Note that this is only done for the first piece.

TECHNICAL WORK

At Grade 7 level there are four groups of technical work. The examiner will ask a selection from each group and before you start the section you will be asked whether you would like to play the exercises along with the click or hear a single bar of click before you commence the test.

GROUP A: SCALES/MODES (TWO OCTAVES IN EIGHTH NOTES)

Tempo: 100BPM

To be prepared in two positions. The first position is to be prepared on the E string from the starting notes of G-B chromatically. The second position is to be prepared on the A string from the starting notes of C-E chromatically.

- Lydian
- Phrygian
- Jazz Melodic Minor

GROUP B: ARPEGGIOS (ONE OCTAVE IN EIGHTH NOTES)

Tempo: 100BPM

To be prepared in two positions. The first position is to be prepared on the E string from the starting notes of G-B chromatically. The second position is to be prepared on the A string from the starting notes of C-E chromatically.

- Major 9th
- Minor 9th
- Dominant 9th

GROUP C: CHORDS

To be prepared in two positions. The first position is to be prepared on the E string from the starting notes of G-B chromatically. The second position is to be prepared on the A string from the starting notes of C-E chromatically. Chords should be strummed and then picked (arpeggiated).

- Major 9th
- Minor 9th
- Dominant 9th

GROUP D: STYLISTIC STUDY

You will prepare a technical study from one group of styles from the list below. Your choice of style will determine the style of the Quick Study Piece. Each study concentrates on two stylistic techniques.

- Rock/Metal: pinch harmonics and natural harmonics
- Funk: chord embellishments and double-stops
- Jazz/Latin/Blues: crossing strings and octaves

UNSEEN TESTS

QUICK STUDY PIECE

At Grade 7 you will be asked to prepare and play a Quick Study Piece. The style of your QSP is determined by the stylistic study you selected in the technical exercise section. You will be shown the test and played the track with the notated parts played. Any bars that require improvisation will not be demonstrated. You will then have three minutes to study the test. The backing track will be played twice more. You are allowed to practise during the first run through of the backing track, with the notated parts now absent, before playing it to the examiner on the second playing of the backing track. The QSP is in the form of a lead sheet and it is up to you to create your own interpretation of the music in the parts marked for improvisation.

EAR TESTS

There are two tests

- Melodic Recall
- Harmonic Recall.

Melodic Recall

Tempo: 90 bpm

Key: A major pentatonic or C minor pentatonic or A natural minor

The first note of the melody will be either the root note or fifth and the first interval will be either ascending or descending. You will play the melody back on your instrument. You will hear the test twice.

Each time the test is played the sequence is: count-in, root note, count-in, melody. There will be a short gap for you to practise after you have heard the test for the second time. You will hear the count-in and root note for the third time followed by a vocal count-in and you will then play the melody to the bass and drum backing.

Harmonic Recall

Tempo: 90 bpm

Key: A major

The examiner will play you a tonic chord followed by a four bar chord sequence in the key of A major played to a bass and drum backing. The sequence will be drawn from the I, ii, iii, IV, V and vi chords and may occur in any combination. The test may also contain iim7, iiim7 and vim7. You will be asked to play the chord sequence to the drum backing in the rhythm shown in the Grade 7 book. This rhythm will be used in all examples of this test given in the exam. You will then be asked to identify the chord sequence you have played to the examiner. You will hear the test twice.

Each time the test is played the sequence is: count-in, tonic, count-in, chords. There will be a short gap for you to practise after you have heard the test for the second time. You will hear the count-in and tonic for the third time followed by a vocal count-in then you will play the chords to the drum backing.

GENERAL MUSICIANSHIP QUESTIONS

In this part of the exam you will be asked five questions. Four of these questions will be about general music knowledge and the fifth question will be asked about your instrument.

MUSIC KNOWLEDGE

In Grade 7 you will be asked to identify:

- The names of pitches
- Any expressive musical marking found in the piece such as palm muting, accents, *staccato*, *legato*, *vibrato*
- Any dynamic marking found in the piece
- One type of scale that can be used appropriately in the solo section of the piece you have played and its relation to the underlying harmony of the piece

INSTRUMENT KNOWLEDGE

The examiner will also ask you one question regarding your instrument. In Grade 7 you will be asked to explain and demonstrate:

- Where to find the same pitch on two different strings
- The function of the volume and tone controls on your guitar
- The set up for the tone required for the piece you have played on the amp
- How to achieve changes in tone in a song

PERFORMANCE CERTIFICATE

The candidate chooses to play 5 pieces lasting a maximum of 3 minutes 10 seconds each. There are no other elements in the Performance Certificate examination.

FREE CHOICE PIECES

There is an option of playing free choice pieces in the examination.

- **Grade Exam:** 2 free choice pieces
- **Performance Certificate:** 3 free choice pieces

Candidates also have the option of playing material from the Grade 7 pieces in the Rockschoo! Classics compendium.

Criteria for own free choice pieces can be found by visiting the website:
