## ZUHAUSE FÜHLEN KANN MAN SICH ÜBERALL. ABER NICHT ÜBERALL WÄHREND DEN FERIEEN.

80% Sonnentage, 100% schneesicher und bis zu 4545 m über dem Alltag: So schön wie im Saastal sind Ihre Ferien nirgends. Darum haben wir unsere Unabhängigkeit von gewöhnlichen Ferienregionen erklärt und stolz die Freie Ferienrepublik Saas-Fee ausgerufen: eine einzigartige Berg- und Gletscherwelt, in der Sie sich im Winter genau so nachhaltig erholen wie im Sommer oder Herbst. Es würde uns sehr freuen, Sie bald als neuen Bürger zu begrüßen!

## ON PEUT SE SENTIR PARTOUT COMME CHEZ SOI. MAIS PAS PARTOUT PENDANT LES VACANCES!

80 % de jours ensoleillés, de la neige garantie à 100 % et jusqu'à 4545 m au-dessus du quotidien: vos vacances ne seront nulle part ailleurs aussi belles que dans la Vallée de Saas! C'est pour cette raison que nous avons déclaré notre indépendance des régions de vacances communes et proclamé avec fierté la République Libre des Vacances de Saas-Fee: un univers unique de montagnes et de glaciers, dans lequel vous vous reposerez aussi bien en hiver qu'en été ou à l'automne. Nous serions très heureux de vous accueillir bientôt comme nouveau citoyen!

## IT'S POSSIBLE TO FEEL AT HOME EVERYWHERE. BUT NOT EVERYWHERE WHEN YOU ARE ON HOLIDAY.

80% sunny days, 100% reliable snow conditions and up to 4,545 m above everyday life: nowhere are holidays as beautiful as in the Saastal. That's why we have declared our independence from the usual holiday regions and proudly announced the Free Holiday Republic of Saas-Fee: a unique world of mountains and glaciers, where you can recuperate just as easily in winter as in summer or autumn. We would be delighted to welcome you soon as a new citizen!
