Number of Projects You Can Take

Guidelines were established in 2001 to help members be more successful with 4-H projects. The 4-H Committee would like to encourage members to spend more time with fewer projects and achieve a higher level, rather than being overloaded with too many projects.

- 4-H age 8-10: max of 2 projects
- 4-H age 11-13: max of 4 projects
- 4-H age 14 & older: max of 6 projects

New 4-H Advisor Training

ALL FIRST YEAR NEW advisors are required to attend this meeting to complete their advisor requirements.

Tuesday, April 23 7 -9 p.m. at the Monroe County
Library Meeting Room

New Volunteer Applications

Any new volunteer advisors that will be helping with your club must complete the volunteer application and selection process before they can volunteer. Applicants must call the Extension Office at 472-0810 and speak with Cheryl.

NEW Dairy Heifer Lease Program

Have you ever wanted to take a calf to the fair but don't live on a farm? If so then leasing a Dairy Heifer may be an option for you! Members will be required to enroll in the 4-H Dairy Heifer project and complete livestock judging and skillathons. For more information, contact the Extension Office at 472-0810.

Fundraiser For Camp Registration Fees

For 2019 we will be participating in a fundraising event to help our youth attend 4-H camp. We will be using the Savory Sweets Fundraising Company this year. Items for sale include 15 varieties of cookies, 3 kinds of gourmet popcorn, 1 flavor of Lava-licious Fudge Cakes and chocolate covered pretzels. Brochures will be mailed with the April newsletter. Orders will be due back to our office on April 24th. The **tentative** pick-up date for the items will be around May 23rd at the Coulson Building on the fairgrounds. More information will come with your brochure in the April newsletter.

Ohio Beef Expo Youth Events

The Ohio Beef Expo will host some fun activities for the youth on March 15. They will have the judging contest, a pizza party, fitting demonstration hosted by Weaver Leather and also the chance to complete your Beef Quality Assurance. Information for the events can be found at www://ohiobeefexpo.com/schedule-events/youth-events.

Quality Assurance Trainings

4-H members exhibiting feeder calf heifers, feeder calf steers, market steers, dairy feeders, market hogs, market lambs, market rabbits, market fryers, market goats, market turkeys, market ducks, lactating cows, or lactating goats must attend a quality assurance training in order to participate in the Monroe County Fair. If a child is under the age of 16 they must attend with a parent. The following dates will be held in Monroe County. Training dates from neighboring counties are available upon request.

- * Saturday, April 6, 9:00 a.m. at Henri Coulson Building
- * Monday, April 15, 7:00 p.m. at Henri Coulson Building
- * Monday, May 13, 7:00 p.m. at Henri Coulson Building
- * Thursday, May 23, 7 p.m. at Henri Coulson Building

Blue Tagged Lambs & Goats – BEWARE!

Lambs and goats tagged with blue scrapie tags are confined to slaughter-only channels and cannot be used as 4-H project animals or exhibited at the fair. Do NOT purchase sheep and goats with the blue slaughter-only/meat scrapie tags as potential 4-H projects. Be aware that, in order to exhibit ewes or wethers (lambs and adults) purchased at a livestock market, the animals must have arrived with an owner statement and official ID other than a blue “slaughter-only”/“meat” scrapie tag. Blue tagged animals CANNOT be used as projects or exhibited at the Fair! And, remember: it is unlawful to remove or tam-per with official identification.

Required Scrapie Tag for Lambs & Goats

Scrapies is a fatal degenerative disease affecting the central nervous system of sheep and goats. The United States Department of Agriculture’s goal is to eradicate this fatal disease by tracking infected animals back to their flocks of origin of birth. An USDA scrapie ID tag will provide the information needed to track an infected animal. All lambs and goats attending the 2018 Monroe County Junior Fair will be required to have a USDA scrapie ID tag or tattoo. If you are planning to purchase lambs or goats from a producer make sure the producer’s USDA scrapie ID tag has been placed in the animal’s ear before you leave their facility. It is the breeders’ responsibility to make sure the USDA scrapie ID tags are in the animal. It is your responsibility as an exhibitor to make sure they already have a scrapies tag. ** If a breeder needs information about how to get scrapies tags, they can contact the Extension Office for the information.**

4-H Week Tab

Thank you everyone that provided articles for the annual 4-H tab printed by the *Monroe County Beacon*. Also, special thanks to the advertisers that made the Tab possible.

Club Meetings

You should have your first face-to-face club meeting by March 15. The deadline for 4-H enrollments is April 1.

Animal Clinics Planned

Plan to attend 4-H Animal Clinics at the fairgrounds. Topics will include showing, showmanship, grooming and fair preparation. The tentative date is June 29 but more complete details to be announced later.

Host a Japanese Student!

Did you know that the Ohio 4-H International Program brings people from around the world into Ohio's living rooms? And sends 4-H'ers out into the world to gain the skills they will need in the classrooms, work-places and communities of the 21st century? A variety of exchange programs with many different countries, ranging from 2 weeks to 1 year, are available to Ohio host families and youth travelers. Right now, Ohio

4-H is looking for host families for 100 Japanese youth ages 12-16, who will visit Ohio for 4 weeks this summer (July 22 to August 18). It's educational and lots of fun! Find out more at : www.ohio4h.org/youth/international.

4-H Dog Program Updates

- **Ohio 4-H Dog Program on Facebook** - A group called the Ohio 4-H Dog Program is on Facebook for anyone to join. Updates and events are posted there. Please encourage your advisors and youth involved in 4-H dog projects to become members of this group to get the latest information.
- **4-H Dog Rules and Other Info Posted** - 2019 State Fair 4-H Dog Rules, Score Sheets, Judging Guidelines, Obedience and Showmanship Regulations, Showmanship and You and Your Dog Interview Study Questions, State Fair Entry Forms, and other information is updated and posted at: <http://www.ohio4h.org/statewide-programs/animal-sciences/dog/dog-resources>

Trip Award Deadline - April 1

Please take time to consider attending one of our 4-H trips. You can apply for several experiences including State Leadership Camp, Space Camp, or Ohio 4-H Senior Shooting Sports Camp. Youth in 5th – 7th grade can apply for Ohio 4-H Junior Shooting Sports Camp. These trips are great opportunities! All trip award applications are due **April 1**.

2019 Farm Bureau Scholarships

Farm Bureau of Monroe County is offering 3-\$500.00 scholarships to current high school seniors and college undergrad students. Only full time students (minimum of 12 hours) will be considered. These scholarships are named for three long-time members and supports of Farm Bureau. Your application must be typed or it will be disqualified. All applications must be received by March 22, 2019 at the Farm Bureau office in Barnesville. Applications are available at our office or you can download it from the county website: <https://monroe.osu.edu/program-areas/4-h-youth-development/4-h-forms-applications>. If you have any questions call 740-425-3681.

Cloverbot Challenge for Cloverbuds

The 4-H Cloverbot Challenge will be on June 29. This is a unique opportunity for Ohio 4-H Cloverbud members to be involved in a 4-H program beyond the club. Gather a team of 2-8 Cloverbud members. Create a team poster that illustrates your team's overall experience. Present the model and poster to professional reviewers and take part in an exciting, fun statewide challenge event that includes an awards ceremony where each child and team is recognized. This program fits easily into your existing Cloverbud club and introduces youth to technology in a fun, interactive, kid-friendly way. Any type of interlocking block (LEGO, Mega Bloks, etc.) can be used. Team registrations are due by May 1, 2019. The Extension Office has 2 Lego kits that may be borrowed by clubs if you want to practice.

So get started now! All of the challenge information is posted at <https://ohio4h.org/families/cloverbuds/cloverbot-challenge>. The 2019 theme is: "When I Grow Up".

Come to the Open House March 7

Come on out on March 7 from 6 – 7:30 pm for a fun night of games, food, and prizes. The 4-H Open House is for all Monroe County youth who would like to learn more about 4-H and explore different projects and opportunities. There will be project stations where you can try different activities. One activity will be sewing a pillow using different fleece 4-H fabrics. There will be stations for Finding a 4-H Club, Cloverbuds, 4-H Camp, and Project Central.

Many different prizes will be given out throughout the evening. Snacks will be provided for all who attend. Mark your calendar and bring your friends!

Cloverbud Project Book Available

Available for 2019 is a project book just for the 4-H Cloverbuds. It is titled "My 4-H Cloverbud Year". One of the books authors is Bruce Zimmer, our past 4-H Educator. Cheryl Goodrich, our present 4-H Educator was a contributor. The main goal of this book is for the Cloverbuds to learn the basics of 4-H and keep track of their activities and events. These books are not mandatory for your club but are available if you wish to purchase them. They are \$3.50 per book and you can just add them on to your 4-H book order form under project number 715.

9th Annual Noble County Spring Classic

This Open Steer & Heifer Show will held at the Noble County Fairgrounds on April 27. Weigh-in is 7:30-10:30 am and show begins at noon. Entry fee is \$30 and showmanship fee is \$5. Livestock can begin arriving after 6 pm on April 26. Grand Champion will receive \$300, Reserve Champion \$200, 3rd place overall \$100, 4th place overall \$75, and 5th place overall \$50. Class winner payouts will be \$30, \$20, \$10 plus awards. Health papers are required for any out of state cattle. All proceeds go to the NCCA Scholarship Fund and other community events. Call Sarah Reed 740-509-2238 or Pernell Saling 740-509-0716 for more information.

County Showmanship Will Continue to Enforce Last Years' Change

For 2019 we will continue the change in how County Showmanship for ALL species will be conducted. Immediately following Beginner Showmanship, an elimination round will be held for any previous winners of County or Senior Showmanship. The top showman from this round will compete against this year's Showmanship Class winners in County Showmanship. More information will be explained at all the Quality Assurance Meetings.

Changes for Horse Registrations

A quick reminder for any 4-H'er that is taking a horse project and will participate in the Junior Fair Horse Show during the fair, they **must** turn in their Horse Registration papers by the same deadline as the animal projects; **May 6, 2019** by 4:00 p.m. In July you will receive an additional paper to allow you to sign up for only the classes that you wish to participate in at the fair. Please pay attention to the deadline date.

OSU Junior Swine Day

Saturday, March 30 at the Animal Sciences Building in Columbus or at ATI in Wooster. Registration will begin at 8:00 a.m. and the day will end around 3:00 p.m. There will be many topics covered and great speakers available. Lunch will be provided. \$10 per person registration fee is due by March 22, 2019. Brochures with registration forms will be available at the OSU Extension Office.

Quality Assurance Test-out Option

Monroe County will offer the test-out option again this year provided by Ohio Department of Agriculture. 4-H members can "test-out" of their annual QA session and be exempt from QA training for the up-coming years. Youth ages 12 and up (as of Jan.1) can opt to take a test rather than going through the QA session.

Two versions are available: a large animal (including beef, sheep, swine, dairy and goats) and a small animal (including poultry and rabbits) as well as for two age groups: 12-14 yrs old and 15-18 yrs old. You will need to have knowledge of QA principles and general animal sciences. If a 12-14 yr. old takes the test and passes, they are exempt from QA until they are 15 yrs. old. If a 15-18 yr. old takes the test and passes, they no longer have to attend a QA session each year.

Youth interested in the "test-out" option will take a 50 question, multiple-choice test. The passing grade is 70% (35 out of 50 correct answers). If a youth fails the test, then the youth must attend a regular QA program and return next year to try the test again.
