7) Red And Green Christmas Holiday Hair Bow

Using the Mini Bowdabra and Hair Bow Tool & Ruler design a red and green Christmas loopy holiday hair bow. Follow our Bowdabra step-by-step instructions to make your own matching hair bows.

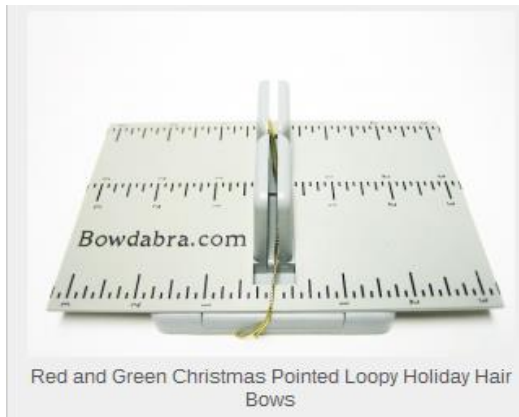

Materials Needed:

- Mini Bowdabra
- Bowdabra Bow Wire
- Hair Bow Tool and Ruler
- 25" of 7/8" wide Green Grosgrain
- 17" of 7/8" wide Red Grosgrain
- 16" of 3/8" wide Red Grosgrain
- 5" of 3/8" wide Red Grosgrain (finishing knot)
- 5" of 3/8" wide Red Grosgrain (finishing ribbon for alligator clip)
- Alligator Clip
- Lighter to keep ribbon from fraying
- Glue Dots or Hot Glue Gun

Instructions:

1. Begin by gathering your materials. You will need a Mini Bowdabra, Bowdabra Hair Bow Tool and Ruler, and Bowdabra Bow Wire. Place the Bowdabra® Hair Bow Tool and Ruler onto the Mini Bowdabra, leaving a space at the bottom for the Mini Bowdabra tower to move. Cut an 18" piece of Bowdabra Bow Wire and fold it in half. Lay it into the Mini Bowdabra. You'll have a loop at one end and two loose pieces at the opposite end.

2. To make the pointed loops cut the ribbon 25" long. Cut each end of the ribbon with a reversed dovetail cut. Seal each end with a lighter. Fold the ribbon in half to find the center. Make a crease at the center point. Place the ribbon at the crease mark down into the center of the Mini Bowdabra.

3. To make your first loop turn the ribbon at an angle place the bottom of the ribbon up, fold, crease the ribbon, and press into the Mini Bowdabra at the 2" mark. Tail should be facing down. Next fold the other side making a loop at the same width. Tail should be facing down.

4. To make the bottom loops. Make another loop the same width as the others with the tail in the center. Fold and crease the ribbon and press into the Mini Bowdabra. Make the last loop with the other tail on the opposite side in the center.

5. To make the inside larger points cut a 17" strand of red grosgrain 7/8" wide. Seal the ends of the ribbon and then press the end of the strand into the center of the Mini Bowdabra.

6. To make your first loop turn the ribbon at an angle place the bottom of the ribbon up, fold, crease the ribbon, and press into the Mini Bowdabra at the 1.5" mark.

7. Make another loop the same size on the either side.

8. Make your last loops the same width as the others, fold, crease the ribbon, and press into the Mini Bowdabra.

9. To make the smaller points of the bow cut a strand of 16" red grosgrain 3/8" wide. Cut each end of the ribbon with a reversed dovetail cut. Seal each end with clear nail polish. Fold the ribbon in half to find the center. Make a crease at the center point. Place the ribbon at the crease mark down into the center of the Mini Bowdabra.

10. To make your first loop turn the ribbon at an angle place the bottom of the ribbon up, fold, crease the ribbon, and press into the Mini Bowdabra at the 1.25" mark. Tail should be facing down.

11. Next, fold the other side making a loop at the same width. Tail should be facing down.

12. Make another loop the same width as the others with the tail in the center. Fold and crease the ribbon and press into the Mini Bowdabra. Make the last loop with the other tail on the opposite side in the center.

13. Scrunch down with Mini Bowdabra Wand.

14. While the bow is still in the Mini Bowdabra, thread the two loose ends of the Mini Bowdabra Bow Wire through the loop at the other end.

15. Pull the Bowdabra Bow Wire tightly while the bow is still in the Mini Bowdabra.

16. Gently pull the bow out of the Mini Bowdabra. Separate the two loose ends of the Bowdabra Bow Wire and bring them around to the back of the bow and knot.

17. Optional: Line an alligator clip with 3/8" ribbon.

18. Attach the Bowdabra Bow Wire to the alligator clip. Bring the wire back around to the front of the bow, knot and trim wire.

19. Attach a finishing knot to the center of the bow.

20. Make two matching Christmas hair bows for perfect pig-tails.

8) Twisted Boutique Hair Bow

Learn how to make the twisted boutique hair bow using our easy to follow Bowdabra tutorial. The twisted boutique bow looks amazing by its self or stacked on top of other hair bows.

Materials Needed:

- Mini Bowdabra
- Hair Bow Tool & Ruler
- Bowdabra Bow Wire
- Hair Clips
- 23" of 5/8" wide One-Sided Printed Ribbon
- Thin Width Finishing Ribbon
- Hot Glue

Instructions:

1. Begin by placing the Hair Bow Tool & Ruler on top of the Mini Bowdabra. Cut 18" of Bowdabra Bow Wire and fold it in half. Place the wire into the Mini Bowdabra.

2. Next, cut 23" of one-sided printed ribbon. Fold the ribbon in half to create a crease. At the crease mark press the ribbon into the Mini Bowdabra (print side down).

3. Fold the ribbon loop over the Mini Bowdabra towers and press the end of the ribbon in.

4. Fold the other end of the ribbon over and press it into the Mini Bowdabra. It will form an "X" above the Mini Bowdabra.

5. Fold the bottom ribbon loop away from you and twist it twice. Press it into the Mini Bowdabra.

6. Fix the twisted loop so it looks like the below picture.

7. Twist the top loop away from you twice.

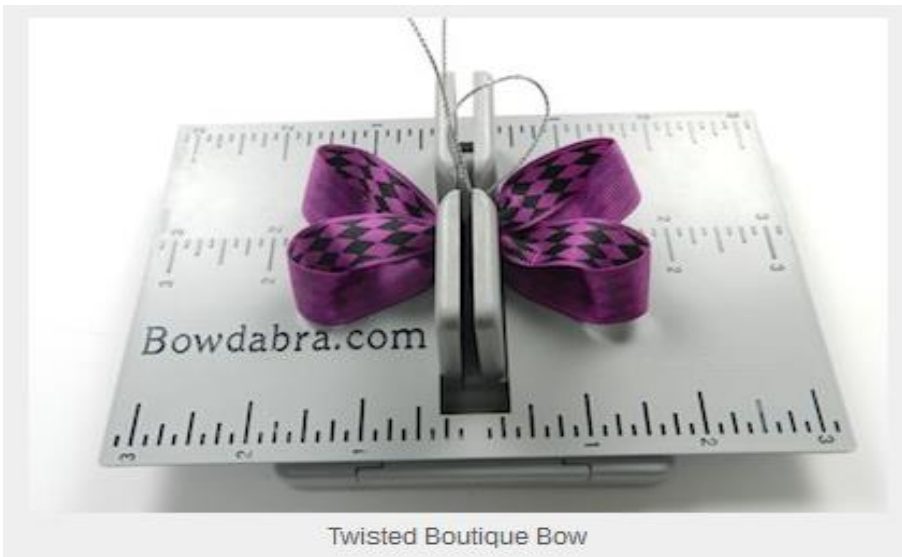

8. Arrange the loop so that it looks like the below picture.

9. Scrunch down with the Mini Bowdabra Bow Wand.

10. Thread the two tail ends of the wire through the loop.

11. Pull the wire tightly.

12. Remove the bow from the Mini Bowdabra and bring the wire around the back of the bow and knot.

13. Fluff the bow and trim away excess wire.

14. Knot a finishing ribbon and glue it onto the bow. Glue the bow onto a hair clip.

15. Follow the instructions to make a matching pair.

9) Red Hat Society Hair band

What if you belong to the Red Hat Society but you are not a hat person? What would work instead of a hat? A headband, of course!

Materials Needed:

- Cute little purple and red pieces
- Wire Cutters
- Red and Purple Silk Flowers
- Red boa
- Hot Glue

Instructions:

1. Using a thin headband braid purple satin ribbon around the headband.

2. Next, to make the headband's bow place the Hair Bow Tool & Ruler on top of the Mini Bowdabra. The Hair Bow Tool & Ruler allows measuring bows easily and exacting. Then, cut a piece of Bowdabra Bow Wire 18" long fold it in half and place it into the Mini Bowdabra.

3. Place the red boa into the Mini Bowdabra. Make 3" boa loops on one side and 1.5" boa loops on the other.

4. Place the larger floral pick pieces first into the Mini Bowdabra and stack one on top of the other.

5. Place the larger floral pick pieces first into the Mini Bowdabra and stack one on top of the other.

6. While the bow was still in the Mini Bowdabra, thread the two loose ends of the Bowdabra Bow Wire through the loop at the other end. Pull the Bowdabra Bow Wire tightly while the bow was still in the Mini Bowdabra.

7. Gently pull the bow out of the Mini Bowdabra. Separate the two loose ends of the Bowdabra Bow Wire and bring them around to the back of the bow. To tie off the bow, pinch the Bowdabra Bow Wire securely against the bow. Twist the bow 4 to 6 times in a clockwise direction. Then fluff the bow.

8. Lastly, using the Bowdabra Bow Wire attach the bow to the side of braided ribbon headband. Trim away the Bowdabra Bow Wire and use the remaining strands to also tie the headband to the bow so that it wouldn't move around on the headband.

9. The Red Hat Society Headband is now ready to be worn! This headband is a great alternative to wearing a hat and it was made from items you may already have around the house.

10) Button Headband with a Mini Bow

Headbands are not just for little girls they are great for all ages and hair styles. I will wear a headband not only when I am dressed up but also in the gym to keep my hair out of my face. Headband are so versatile; add some buttons and a bow to a headband and I am completely sold!

Material Needed:

- Mini Bowdabra
- Hair Bow Tool & Ruler
- Bowdabra Bow Wire
- Sheer Ribbon
- 3/8" Grosgrain Ribbon
- Assorted Buttons
- Headband
- Hot Glue Gun

Instructions:

1. Start by hot gluing buttons onto a headband. I used a thin width headband that I covered with white 3/8" grosgrain ribbon. Leave a space between buttons to attach your bow.

2. Next, place the Hair Bow Tool & Ruler on top of the Mini Bowdabra. Cut a piece of 18" Bowdabra Bow Wire, fold it in half and place it into the Bowdabra.

3. Then following the instructions on the Interactive CD that comes with the Hair Bow Tool & Ruler make two 4" wide Boutique Bows with 2" tails.

4. Add a 3" wide Boutique Bow using 3/8" white grosgrain.

5. Next, scrunch the bow down with the Mini Bowdabra Wand.

6. While the bow is still in the Mini Bowdabra, thread the two loose ends of the Bowdabra Bow Wire through the loop at the other end. Pull the Bowdabra Bow Wire tightly while the bow is still in the Mini Bowdabra.

7. Gently pull the bow out of the Mini Bowdabra. Separate the two loose ends of the Bowdabra Bow Wire and bring them around to the back of the bow. To tie off the bow, pinch the Bowdabra Bow Wire securely against the bow. Twist the bow 4 to 6 times in a clockwise direction.

8. Fluff bow and attach a button to the front of the bow using the Bowdabra Bow Wire.

9. Bring the Bowdabra Bow Wire back around to the back of the bow and tie it onto the headband. Trim away the excess wire.

10. Your headband is ready to wear! This style headband is perfect for both a mom and a daughter.

11) Ponytail Bow

A *ponytails bow* is perfect for older teens and women. This tutorial is to help you make a pony-o or *ponytail streamer bow*. Make a bow and attach it to a ponytail all in one easy step!

Material Needed:

- Mini Bowdabra
- Hair Bow Tool & Ruler
- Bowdabra Bow Wire
- Elastic Hair Bow
- Rubber Band

Instructions:

1. To create a hair bow with elastic attached, begin with the rubber-band in the Mini Bowdabra. No extra tying the bow to the ponytail you finish the bow with everything completely done!
2. To begin place the Hair Bow Tool & Ruler over the Mini Bowdabra. The Hair Bow Tool & Ruler will help you to measure you hair bow loops exactly. The Hair Bow Tool & Ruler also come with an interactive that gives you step-by-step instructions on how to make 70 different hair bows.
3. Next, cut a piece of 18" Bowdabra Bow Wire and fold it in half and lay it into the Mini Bowdabra.

4. Lay elastic into the Mini Bowdabra and place the Bowdabra Bow Wire strands over one end.
5. Fold the wire underneath the Mini Bowdabra to keep it from getting in your way.

6. Next, using the Ribbon Length Cutting Chart (found on the Hair Bow Tool & Ruler's interactive CD) cut the ribbon to make a 3" Basic Bow with 8 loops and 2" tails. Next, follow the CD's step-by-step instructions to create each loop.

7. Once, you have created 8 Loops scrunch the hair bow down with the Mini Bowdabra Wand.

8. While the bow is still in the Mini Bowdabra, thread the two loose ends of the Bowdabra Bow Wire through the loop at the other end.
9. Pull the Bowdabra Bow Wire tightly while the bow is still in the Mini Bowdabra.

10. Gently pull the bow out of the Mini Bowdabra. Separate the two loose ends of the Bowdabra Bow Wire and bring them around to the back of the bow. To tie off the bow, pinch the Bowdabra Bow Wire securely against the bow. Twist the bow 4 to 6 times in a clockwise direction. Fluff Bow.

11. Optional: Bring the Bowdabra Bow Wire around to the front and attach a button and trim away wire.

This style ponytail bow is perfect for all ages. Give as a gift to mom for Mother's Day or create cheerleader and soccer bows with the elastic already attached!

12) How To Make A Bunny Hair Bow

Have you seen Bowdabra's newest product? We are so proud of the Hair Bow Tool & Ruler. The Hair Bow Tool and Ruler fits over the Mini Bowdabra and allows you to measure your hair bow loops evenly. The ruler comes with an interactive CD with step-by-step instructions on how to make 70 different hair bows. In addition, to the all the informative hair bow making resources you receive when you purchase the Hair Bow Tool & Ruler, Bowdabra's Design Team will also be providing frequent hair bow tutorials.

Material Needed:

- Mini Bowdabra
- Hair Bow Tool & Ruler
- Bowdabra Bow Wire
- 3/8 white grosgrain
- Pink Gingham Ribbon
- Hair Bow Hardware (we used a double prong alligator clip)
- Glue Gun or Glue Dots
- Lighter to seal ribbon or Clear Nail Polish
- Pink Rhinestone & 2 Pearls
- Floral Pearl Stamens

Instructions:

1. Begin by placing the Hair Bow Tool & Ruler on top of the Mini Bowdabra (inches side up). Next, cut a piece of 18" Bowdabra Bow Wire, place the wire inside of the Mini Bowdabra.

2. Using 3/8" white grosgrain and pink gingham place them on top of each other. Insert the ends into the Mini Bowdabra. Form your first bunny ear by making a loop at the 2.5" mark, then bring the ribbon back through the towers inserting it with the pink gingham on top.

3. Then make a very small loop on the other side with the pink gingham facing up. Form your next bunny ear at the 2.5" mark. Bring the ribbon back to the other side and trim away, only the pink gingham.

4. Now that the pink gingham is trimmed away your are left with only the white grosgrain, the white will be used for the bunny's body and head. Loop the bottom at the 2.25" mark and bring it back through to the top, make a loop at the 1.5" mark, make a final loop at the 1.5" mark, and

Hair Bows Made Easy

Step by Step Instructions for 12 Different Hair Bows

then cut the ribbon from the spool leaving a small little tail about .5" inches.

5. Now that the bow is made place the Bowdabra Bow Wire through the loop that you formed when you folded it in half.

6. Next, pull the Bowdabra Bow wire tightly.

7. Lift the bunny bow from the Mini Bowdabra and bring the wire around to the back of the bow and tie it tightly.

8. Trim the little loops that are in the back, close to the wire so that the bow doesn't stick up too far from the clip when it is attached.

9. Attach the bunny to a lined alligator clip using the Bowdabra Bow Wire. Add finishing ribbon around the Bowdabra Bow Wire to cover it. To form the face glue or glue dot the white top loop along the sides. Fold the small .5" tail over some floral pearl stamens for whiskers. Attach a nose and eyes. We used a pink rhinestone for the nose and little pearls with black paint for the eyes. **Additional questions about finishing hair bows can be found in the Interactive CD that accompanies the Hair Bow Tool and Ruler.**
