

Handmade from the Heart

OCCASIONS CATALOGUE · 5 JANUARY 2016 - 31 MAY 2016

Shelli's MESSAGE

I never get over the excitement of looking at a brand-new Stampin' Up!® catalogue, fresh from the printer. And this year's occasions catalogue has so many fun, new products that it's hard to know where to look first!

The great birthday selection really caught my eye. Some of you may know that thanks to

my grandmother I'm a birthday person. She used to say: "Forget Mother's Day, forget my Christmas present—but never forget my birthday!" So maybe that's why birthday cards and gift boxes are so important to me. In her own way, my grandmother taught me that everyone wants to be remembered on their special day. And what better way to do that than by making something handmade from the heart?

When you create something and give it away, it's like giving a little of yourself. Emerson said: "The only true gift is a portion of thyself." That's why handmade cards and notes are deeply appreciated, are often saved and can even become keepsakes.

I think you're going to find a lot of inspiration in the pages of this catalogue for finding ways to share your heart with others—whether it's through sending happy birthday wishes or just letting someone know that you're thinking about them. I certainly have and I can't wait to start stamping!

Enjoy!

OUR PRODUCTS

Our stamps come in different styles. Classic red rubber stamps are available for permanent mounting on wood blocks or unmounted to use with reusable clear blocks. Or use transparent photopolymer stamps with clear blocks for easy image placement. See p. 2 of the annual catalogue for more information.

You can also find products by visiting www.stampinup.com/shop-au or www.stampinup.com/shop-nz and searching by item number.

All stamps are shown at full size unless otherwise noted. Clear blocks are sold separately; see p. 176 of the annual catalogue.

Page numbers refer to this catalogue unless otherwise noted. The abbreviation AC refers to the 2015–2016 annual catalogue.
