**This document will encompass all HAPPINESS LIVES HERE has to offer!**

1. At the top is the shopping list for the G1221 Workshop Kit to create 10 beautiful pages.
  2. Shopping list #2 is if you love to create the CARDS. I used the Z3911 Cardmaking stamp set and thin cuts and X7264S paper pack and stickers to create 10+ cards. You can easily create 20+ cards by using some other sentiments, embellishments, stamps for all occasion.
  3. Shopping list #3 is for Perfect Match! Create 6 pages and heart shaker cards. Check out the artwork because these papers are pretty and the layouts offer a nice variety. Cards are pretty!
  4. **ONLINE CROP for Saturday January 30<sup>th</sup>!** This one will be a little different in the fact I will be doing all the videos ahead of time: Prep & Assembly. I am having a knee replacement on Jan. 22<sup>nd</sup> and will not be able to do a LIVE performance. However, I can prep ahead all the videos and you can JOIN in to recreate ALL the artwork. Registration is **\$25 and you can Paypal or Venmo** me at this time until we set something up on my blog.

**HAPPINESS LIVES HERE G1221 WORKSHOP: Create 10 Pages**

This collection of papers & exclusive die cuts are great! I absolutely LOVE the wood pieces; you'll **need two sets** (one comes in the workshop kit) to complete all the pages. The exclusive pattern is a 'brick' design and I was very careful in how I used this because I LOVED it too! Once again, I couldn't use them as base pages, so creative cutting is a must! Who would have thought Paprika would work so well with Blue Belle, Sage, Canary & Peach? But it does!
