Act I

Expanse of scorched grass rising centre to low mound. Gentle slopes down to front and either side of stage. Back an abrupt fall to stage level. Maximum of simplicity and symmetry.

Blazing light.

Very pompier trompe-l'oeil backcloth to represent unbroken plain and sky receding to meet in far distance.

Imbedded up to above her waist in exact centre of mound, WINNIE. About fifty, well preserved, blond for preference, plump, arms and shoulders bare, low bodice, big bosom, pearl necklet. She is discovered sleeping, her arms on the ground before her, her head on her arms. Beside her on ground to her left a capacious black bag, shopping variety, and to her right a collapsible collapsed parasol, beak

of handle emerging from sheath.

To her right and rear, lying asleep on ground,
hidden by mound, WILLIE.

Long pause. A bell rings piercingly, say ten
seconds, stops. She does not move. Pause. Bell
more piercingly, say five seconds. She wakes.
Bell stops. She raises her head, gazes front.
Long pause. She straightens up, lays her hands
flat on ground, throws back her head and
gazes at zenith. Long pause.

WINNIE

prays

(gazing at zenith). Another heavenly day.
(Pause. Head back level, eyes front, pause.
She clasps hands to breast, closes eyes. Lips
move in inaudible prayer, say ten seconds.
Lips still. Hands remain clasped. Low.) For
Jesus Christ sake Amen. (Eyes open, hands
unclasp, return to mound. Pause. She clasps
hands to breast again, closes eyes, lips move
again in inaudible addendum, say five seconds.
Low.) World without end Amen. (Eyes open,
hands unclasp, return to mound. Pause.)
Begin, Winnie. (Pause.) Begin your day,
Winnie. (Pause. She turns to bag, rummages
in it without moving it from its place, brings
out toothbrush, rummages again, brings out

assured she's praying
and to whom

To her right - not stage right

Not Willie's Bell -
told...

flat tube of toothpaste, turns back front, unscrews cap of tube, lays cap on ground, squeezes with difficulty small blob of paste on brush, holds tube in one hand and brushes teeth with other. She turns modestly aside and back to her right to spit out behind mound. In this position her eyes rest on WILLIE. She spits out. She cranes a little further back and down. Loud.) Hoo-oo! (Pause. Louder.) Hoo-oo! (Pause. Tender smile as she turns back front, lays down brush.) Poor Willie — (examines tube, smile off) — running out — (looks for cap) — ah well — (finds cap) — can't be helped — (screws on cap) — just one of those old things — (lays down tube) — another of those old things — (turns towards bag) — just can't be cured — (rummages in bag) — cannot be cured — (brings out small mirror, turns back front) — ah yes — (inspects teeth in mirror) — poor dear Willie — (testing upper front teeth with thumb, indistinctly) — good Lord! — (pulling back upper lip to inspect gums, do.) — good God! — (pulling back corner of mouth, mouth open, do.) — ah well — (other corner, do.) — no worse — (abandons inspection, normal speech) — no better, no worse — (lays down mirror) — no change — (wipes fingers on

grass) — *no pain* — (*looks for toothbrush*) —
hardly any — (*takes up toothbrush*) — *great*
thing that — (*examines handle of brush*) —
nothing like it — (*examines handle, reads*) —
pure . . . what? — (*pause*) — *what?* — (*lays*
down brush) — *ah yes* — (*turns towards bag*)
— *poor Willie* — (*rummages in bag*) — *no zest*
— (*rummages*) — *for anything* — (*brings out*
spectacles in case) — *no interest* — (*turns back*
front) — *in life* — (*takes spectacles from case*)
— *poor dear Willie* — (*lays down case*) — *sleep*
for ever — (*opens spectacles*) — *marvellous gift*
— (*puts on spectacles*) — *nothing to touch it* —
(*looks for toothbrush*) — *in my opinion* —
(*takes up toothbrush*) — *always said so* —
(*examines handle of brush*) — *wish I had it*
— (*examines handle, reads*) — *genuine . . .*
pure . . . what? — (*lays down brush*) — *blind*
next — (*takes off spectacles*) — *ah well* — (*lays*
down spectacles) — *seen enough* — (*feels in*
bodice for handkerchief) — *I suppose* — (*takes*
out folded handkerchief) — *by now* — (*shakes*
out handkerchief) — *what are those wonderful*
lines — (*wipes one eye*) — *woe woe is me* —
◀ (*wipes the other*) — *to see what I see* — (*looks*
for spectacles) — *ah yes* — (*takes up spectacles*)

that is what I find so wonderful, all comes back. (Pause.) All? (Pause.) No, not all. (Smile.) No no. (Smile off.) Not quite. (Pause.) A part. (Pause.) Floats up, one fine day, out of the blue. (Pause.) That is what I find so wonderful. (Pause. *She turns towards bag. Hand and card disappear. She makes to rummage in bag, arrests gesture.*) No. (*She turns back front. Smile.*) No no. (Smile off.) Gently Winnie. (*She gazes front. WILLIE's hand reappears, takes off hat, disappears with hat.*) What then? (*Hand reappears, takes handkerchief from skull, disappears with handkerchief. Sharply, as to one not paying attention.*) Winnie! (*WILLIE bows head out of sight.*) What is the alternative? (Pause.) What is the al — (*WILLIE blows nose loud and long, head and hands invisible. She turns to look at him. Pause. Head reappears. Pause. Hand reappears with handkerchief, spreads it on skull, disappears. Pause. Hand reappears with boater, settles it on head, rakish angle, disappears. Pause.*) Would I had let you sleep on. (*She turns back front. Intermittent plucking at grass, head up and down, to animate following.*) Ah yes, if only I could bear to be alone, I mean prattle away

the hand open to take back, and remains in this position till card is returned. WINNIE turns back front and examines card.) Heavens what are they up to! *(She looks for spectacles, puts them on and examines card.)* No but this is just genuine pure filth! *(Examines card.)* Make any nice-minded person want to vomit! *(Impatience of WILLIE's fingers. She looks for glass, takes it up and examines card through glass. Long pause.)* What does that creature in the background think he's doing? *(Looks closer.)* Oh no really! *(Impatience of fingers. Last long look. She lays down glass, takes edge of card between right forefinger and thumb, averts head, takes nose between left forefinger and thumb.)* Pah! *(Drops card.)* Take it away! *(WILLIE's arm disappears. His hand reappears immediately, holding card. WINNIE takes off spectacles, lays them down, gazes before her. During what follows WILLIE continues to relish card, varying angles and distance from his eyes.)* Hog's setae. *(Puzzled expression.)* What exactly is a hog? *(Pause. Do.)* A sow of course I know, but a hog . . . *(Puzzled expression off.)* Oh well what does it matter, that is what I always say, it will come back,

(*pause, WILLIE resumes fanning*) . . . hog's
 (*WILLIE stops fanning, pause*) . . . setae.
 (*Pause. WINNIE lays down glass and brush,
 paper disappears, WINNIE takes off
 spectacles, lays them down, gazes front.*) Hog's
 setae. (*Pause.*) That is what I find so wonder-
 ful, that not a day goes by — (*smile*) — to speak
 in the old style — (*smile off*) — hardly a day,
 without some addition to one's knowledge
 however trifling, the addition I mean, provided
 one takes the pains. (*WILLIE's hand reappears
 with a postcard which he examines close to
 eyes.*) And if for some strange reason no
 further pains are possible, why then just close
 the eyes — (*she does so*) — and wait for the
 day to come — (*opens eyes*) — the happy day
to come when flesh melts at so many degrees
and the night of the moon has so many hundred
hours. (*Pause.*) That is what I find so com-
 forting when I lose heart and envy the brute
 beast. (*Turning towards WILLIE.*) I hope
 you are taking in — (*She sees postcard, bends
 lower.*) What is that you have there, Willie,
 may I see? (*She reaches down with hand and
 WILLIE hands her card. The hairy forearm
 appears above slope, raised in gesture of giving,*

WILLIE Wanted bright boy.

Pause. WINNIE puts on hat hurriedly, looks for mirror. WILLIE turns page. WINNIE takes up mirror, inspects hat, lays down mirror, turns towards bag. Paper disappears. WINNIE rummages in bag, brings out magnifying-glass, turns back front, looks for toothbrush. Paper reappears, folded, and begins to fan WILLIE's face, hand invisible. WINNIE takes up toothbrush and examines handle through glass.

WINNIE Fully guaranteed . . . (WILLIE stops fanning) . . . genuine pure . . . (Pause. WILLIE resumes fanning. WINNIE looks closer, reads.) Fully guaranteed . . . (WILLIE stops fanning) . . . genuine pure . . . (Pause. WILLIE resumes fanning. WINNIE lays down glass and brush, takes handkerchief from bodice, takes off and polishes spectacles, puts on spectacles, looks for glass, takes up and polishes glass, lays down glass, looks for brush, takes up brush and wipes handle, lays down brush, puts handkerchief back in bodice, looks for glass, takes up glass, looks for brush, takes up brush and examines handle through glass.) Fully guaranteed . . . (WILLIE stops fanning) . . . genuine pure . . .

Green, under the horse-beech. (*Pause. She opens eyes, puts on spectacles, fiddles with hat.*) Oh the happy memories!

Pause. She raises hat towards head, arrests gesture as WILLIE reads.

WILLIE Opening for smart youth.

Pause. She raises hat towards head, arrests gesture, takes off spectacles, gazes front, hat in one hand, spectacles in other.

WINNIE My first ball! (*Long pause.*) My second ball! (*Long pause. Closes eyes.*) My first kiss! (*Pause. WILLIE turns page. WINNIE opens eyes.*) A Mr Johnson, or Johnston, or perhaps I should say Johnstone. Very bushy moustache, very tawny. (*Reverently.*) Almost ginger! (*Pause.*) Within a toolshed, though whose I cannot conceive. We had no toolshed and he most certainly had no toolshed. (*Closes eyes.*) I see the piles of pots. (*Pause.*) The tangles of bast. (*Pause.*) The shadows deepening among the rafters.

Pause. She opens eyes, puts on spectacles, raises hat towards head, arrests gesture as WILLIE reads.

before her. Happy expression.) Oh this is going to be another happy day! (Pause. Happy expression off. She pulls down spectacles and resumes lips. WILLIE opens newspaper, hands invisible. Tops of yellow sheets appear on either side of his head. WINNIE finishes lips, inspects them in mirror held a little further away.) Ensign crimson. (WILLIE turns page. WINNIE lays down lipstick and mirror, turns towards bag.) Pale flag.

WILLIE turns page. WINNIE rummages in bag, brings out small ornate brimless hat with crumpled feather, turns back front, straightens hat, smooths feather, raises it towards head, arrests gesture as WILLIE reads.

WILLIE His Grace and Most Reverend Father in God
Dr Carolus Hunter dead in tub.

Pause.

WINNIE (*gazing front, hat in hand, tone of fervent reminiscence*). Charlie Hunter! (*Pause.*) I close my eyes — (*she takes off spectacles and does so, hat in one hand, spectacles in other, WILLIE turns page*) — and am sitting on his knees again, in the back garden at Borough

*Accepts
what's been given*

cap and bottle away in WILLIE's direction.

Sound of breaking glass.) Ah that's better!

(Turns to bag, rummages in it, brings out lipstick, turns back front, examines lipstick.)

Running out. (Looks for spectacles.) Ah well.

(Puts on spectacles, looks for mirror.)

Musn't complain. (Takes up mirror, starts doing lips.) What is that wonderful line?

(Lips.) Oh fleeting joys — (lips) — oh

something lasting woe. (Lips. She is interrupted by disturbance from WILLIE.

He is sitting up. She lowers lipstick and mirror and cranes back and down to look at him.

Pause. Top back of WILLIE's bald head, trickling blood, rises to view above slope,

comes to rest. WINNIE pushes up her

spectacles. Pause. His hand appears with handkerchief, spreads it on skull, disappears. Pause.

The hand appears with boater, club ribbon, settles it on head, rakish angle, disappears.

Pause. WINNIE cranes a little further back

and down.) Slip on your drawers, dear, before you get singed. (Pause.) No? (Pause.) Oh I

see, you still have some of that stuff left.

(Pause.) Work it well in, dear. (Pause.) Now the other. (Pause. She turns back front, gazes

back front and examines right palm.) Damp.

(Returns parasol to right hand, examines left palm.) Ah well, no worse. (Head up,

cheerfully.) No better, no worse, no change.

(Pause. Do.) No pain. (Cranes back to look down at WILLIE, holding parasol by butt as before.) Don't go off on me again now dear will you please, I may need you. (Pause.)

No hurry, no hurry, just don't curl up on me again. (Turns back front, lays down parasol, examines palms together, wipes them on grass.)

Perhaps a shade off colour just the same.

(Turns to bag, rummages in it, brings out revolver, holds it up, kisses it rapidly, puts it back, rummages, brings out almost empty bottle of red medicine, turns back front, looks for spectacles, puts them on, reads label.) Loss of spirits . . . lack of keenness . . . want of appetite . . . infants . . . children . . . adults . . . six level . . . tablespoonfuls daily — (head up, smile) — the old style! — (smile off, head down, reads) — daily . . . before and after . . . meals . . . instantaneous . . . (looks closer) . . . improvement. (Takes off spectacles, lays them down, holds up bottle at arm's length to see level, unscrews cap, swigs it off head well back, tosses

handle of brush — it comes — (wipes) — then goes — (wiping mechanically) — ah yes — (wiping) — many mercies — (wiping) — great mercies — (stops wiping, fixed lost gaze, brokenly) — prayers perhaps not for naught — (pause, do.) — first thing — (pause, do.) — last thing — (head down, resumes wiping, stops wiping, head up, calmed, wipes eyes, folds handkerchief, puts it back in bodice, examines handle of brush, reads) — fully guaranteed . . . genuine pure . . . — (looks closer) — genuine pure . . . (Takes off spectacles, lays them and brush down, gazes before her.) Old things.

Old eyes can't
see what they
need to see —

(Pause.) Old eyes. (Long pause.) On, Winnie. (She casts about her, sees parasol, considers it at length, takes it up and develops from sheath a handle of surprising length. Holding butt of parasol in right hand she cranes back and down to her right to hang over WILLIE.) Hoo-oo! (Pause.) Willie! (Pause.) Wonderful gift. (She strikes down at him with beak of parasol.) Wish I had it. (She strikes again. The parasol slips from her grasp and falls behind mound. It is immediately restored to her by WILLIE's invisible hand.) Thank you, dear. (She transfers parasol to left hand, turns

— wouldn't miss it — (*starts polishing spectacles, breathing on lenses*) — or would I?
 — (*polishes*) — holy light — (*polishes*) — bob
 up out of dark — (*polishes*) — blaze of hellish
 light. (*Stops polishing, raises face to sky, pause,*
head back level, resumes polishing, stops
polishing, cranes back to her right and down.)

Hoo-oo! (*Pause. Tender smile as she turns
 back front and resumes polishing. Smile off.*)

Marvellous gift — (*stops polishing, lays down* ^{*Stops after statement*}
spectacles) — wish I had it — (*folds hand-* ^{*glorifying seeing*}
kerchief) — ah well — (*puts handkerchief back*
in bodice) — can't complain — (*looks for*
spectacles) — no no — (*takes up spectacles*) —
 mustn't complain — (*holds up spectacles, looks*
through lens) — so much to be thankful for —
 (*looks through other lens*) — no pain — (*puts*
on spectacles) — hardly any — (*looks for*
toothbrush) — wonderful thing that — (*takes*
up toothbrush) — nothing like it — (*examines*
handle of brush) — slight headache sometimes
 — (*examines handle, reads*) — guaranteed ...
 genuine ... pure ... what? — (*looks closer*) —
 genuine pure ... — (*takes handkerchief from*
bodice) — ah yes — (*shakes out handkerchief*)
 — occasional mild migraine — (*starts wiping*

Marvellous gift - to see!

*Only she can't really see, just her
 limited view...*

in. (Continues a moment to gaze at spot through glass, then slowly straightens up, lays down glass, takes off spectacles and gazes before her, spectacles in hand. Finally.) Like a little white ball.

Long pause. Gesture to lay down spectacles.

WILLIE Eggs.

WINNIE *(arresting gesture)*. What?

Pause.

WILLIE Eggs. *(Pause. Gesture to lay down glasses.)*
Formication.

WINNIE *(arresting gesture)*. What?

Pause.

WILLIE Formication.

Pause. She lays down spectacles, gazes before her. Finally.

WINNIE *(murmur)*. God. *(Pause. WILLIE laughs quietly. After a moment she joins in. They laugh quietly together. WILLIE stops. She laughs on a moment alone. WILLIE joins in. They laugh together. She stops. WILLIE laughs on a moment alone. He stops. Pause.*

some more than others. (*Pause. Patting and stroking.*) Some less. (*Pause. Do.*) Oh I can well imagine what is passing through your mind, it is not enough to have to listen to the woman, now I must look at her as well. (*Pause. Do.*) Well it is very understandable. (*Pause. Do.*) Most understandable. (*Pause. Do.*) One does not appear to be asking a great deal, indeed at times it would seem hardly possible — (*voice breaks, falls to a murmur*) — to ask less — of a fellow-creature — to put it mildly — whereas actually — when you think about it — look into your heart — see the other — what he needs — peace — to be left in peace — then perhaps the moon — all this time — asking for the moon. (*Pause. Stroking hand suddenly still. Lively.*) Oh I say, what have we here? (*Bending head to ground, incredulous.*) Looks like life of some kind! (*Looks for spectacles, puts them on, bends closer. Pause.*) An emmet! (*Recoils. Shriell.*) Willie, an emmet, a live emmet! (*Seizes magnifying-glass, bends to ground again, inspects through glass.*) Where's it gone? (*Inspects.*) Ah! (*Follows its progress through grass.*) Has like a little white ball in its arms. (*Follows progress. Hand still. Pause.*) It's gone

you? (*Pause. Louder.*) You *will* be going soon, Willie, won't you? (*Pause. Louder.*) Willie! (*Pause. She cranes back and down to look at him.*) So you have taken off your straw, that is wise. (*Pause.*) You do look snug, I must say, with your chin on your hands and the old blue eyes like saucers in the shadows. (*Pause.*) Can you see me from there I wonder, I still wonder. (*Pause.*) No? (*Back front.*) Oh I know it does not follow when two are gathered together — (*faltering*) — in this way — (*normal*) — that because one sees the other the other sees the one, life has taught me that . . . too. (*Pause.*) Yes, life I suppose, there is no other word. (*She turns a little towards him.*) Could you see me, Willie, do you think, from where you are, if you were to raise your eyes in my direction? (*Turns a little further.*) Lift up your eyes to me, Willie, and tell me can you see me, do that for me, I'll lean back as far as I can. (*Does so. Pause.*) No? (*Pause.*) Well never mind. (*Turns back painfully front.*) The earth is very tight today, can it be I have put on flesh, I trust not. (*Pause. Absently, eyes lowered.*) The great heat possibly. (*Starts to pat and stroke ground.*) All things expanding,

that I mean unless I come to the end of my own resources which is most unlikely, just to know that in theory you can hear me even though in fact you don't is all I need, just to feel you there within earshot and conceivably on the qui vive is all I ask, not to say anything I would not wish you to hear or liable to cause you pain, not to be just babbling away on trust as it is were not knowing and something gnawing at me. (*Pause for breath.*) Doubt. (*Places index and second finger on heart area, moves them about, brings them to rest.*) Here. (*Moves them slightly.*) Abouts. (*Hand away.*) Oh no doubt the time will come when before I can utter a word I must make sure you heard the one that went before and then no doubt another come another time when I must learn to talk to myself a thing I could never bear to do such wilderness. (*Pause.*) Or gaze before me with compressed lips. (*She does so.*) All day long. (*Gaze and lips again.*) No. (*Smile.*) No no. (*Smile off.*) There is of course the bag. (*Turns towards it.*) There will always be the bag. (*Back front.*) Yes, I suppose so. (*Pause.*) Even when you are gone, Willie. (*She turns a little towards him.*) You are going, Willie, aren't

WINNIE (*turning front, same voice*). And now?

WILLIE (*irritated*). Yes.

WINNIE (*less loud*). And now?

WILLIE (*more irritated*). Yes.

WINNIE (*still less loud*). And now? (*A little louder.*)
And now?

WILLIE (*violently*). Yes!

WINNIE (*same voice*). Fear no more the heat o' the sun.
(*Pause.*) Did you hear that?

WILLIE (*irritated*). Yes.

WINNIE (*same voice*). What? (*Pause.*) What?

WILLIE (*more irritated*). Fear no more.

Pause.

WINNIE (*same voice*). No more what? (*Pause.*) Fear
no more what?

WILLIE (*violently*). Fear no more!

WINNIE (*normal voice, gabbled*). Bless you Willie I do
appreciate your goodness I know what an
effort it costs you, now you may relax I shall
not trouble you again unless I am obliged to, by

back and down.) Go back into your hole now, Willie, you've exposed yourself enough.

(Pause.) Do as I say, Willie, don't lie sprawling there in this hellish sun, go back into your hole. *(Pause.)* Go on now, Willie. (*WILLIE invisible starts crawling left towards hole.*)

That's the man. *(She follows his progress with her eyes.)* Not head first, stupid, how are you going to turn? *(Pause.)* That's it . . . right round . . . now . . . back in. *(Pause.)* Oh I know it is not easy, dear, crawling backwards, but it is rewarding in the end. *(Pause.)* You have left your vaseline behind. *(She watches as he crawls back for vaseline.)* The lid! *(She watches as he crawls back towards hole. Irritated.)* Not head first, I tell you! *(Pause.)* More to the right. *(Pause.)* The right, I said. *(Pause. Irritated.)* Keep your tail down, can't you! *(Pause.)* Now. *(Pause.)* There! *(All these directions loud. Now in her normal voice, still turned towards him.)* Can you hear me? *(Pause.)* I beseech you, Willie, just yes or no, can you hear me, just yes or nothing.

Pause.

WILLIE Yes.

and did not. (*Pause.*) Could not. (*Pause. She raises hand, frees a strand of hair from under hat, draws it towards eye, squints at it, lets it go, hand down.*) Golden you called it, that day, when the last guest was gone — (*hand up in gesture of raising a glass*) — to your golden . . . may it never . . . (*voice breaks*) . . . may it never . . . (*Hand down. Head down. Pause. Low.*) That day. (*Pause. Do.*) What day? (*Pause. Head up. Normal voice.*) What now? (*Pause.*) Words fail, there are times when even they fail. (*Turning a little towards WILLIE.*) Is that not so, Willie? (*Pause. Turning a little further.*) Is not that so, Willie, that even words fail, at times? (*Pause. Back front.*) What is one to do then, until they come again? Brush and comb the hair, if it has not been done, or if there is some doubt, trim the nails if they are in need of trimming, these things tide one over. (*Pause.*) That is what I mean. (*Pause.*) That is all I mean. (*Pause.*) That is what I find so wonderful, that not a day goes by — (*smile*) — to speak in the old style — (*smile off*) — without some blessing — (*WILLIE collapses behind slope, his head disappears, WINNIE turns towards event*) — in disguise. (*She cranes*

Or it? (*Pause.*) *Brush and comb it?* (*Pause.*) Sounds improper somehow. (*Pause. Turning a little towards WILLIE.*) What would you say, Willie? (*Pause. Turning a little further.*) What would you say, Willie, speaking of your hair, them or it? (*Pause.*) The hair on your head, I mean. (*Pause. Turning a little further.*) The hair on your head, Willie, what would you say speaking of the hair on your head, them or it?

Long pause.

WILLIE It.

WINNIE (*turning back front, joyful*). Oh you are going to talk to me today, this is going to be a happy day! (*Pause. Joy off.*) Another happy day. (*Pause.*) Ah well, where was I, my hair, yes, later on, I shall be thankful for it later on. (*Pause.*) I have my — (*raises hands to hat*) — yes, on, my hat on — (*lowers hands*) — I cannot take it off now. (*Pause.*) To think there are times one cannot take off one's hat, not if one's life were at stake. Times one cannot put it on, times one cannot take it off. (*Pause.*) How often I have said, Put on your hat now, Winnie, there is nothing else for it, take off your hat now, Winnie, like a good girl, it will do you good,

replaced by expression of anxiety.) My hair!
(Pause.) Did I brush and comb my hair?
(Pause.) I may have done. *(Pause.)* Normally
 I do. *(Pause.)* There is so little one *can* do.
(Pause.) One does it all. *(Pause.)* All one can.
(Pause.) Tis only human. *(Pause.)* Human
 nature. *(She begins to inspect mound, looks*
up.) Human weakness. *(She resumes inspection*
of mound, looks up.) Natural weakness. *(She*
resumes inspection of mound.) I see no comb.
(Inspects.) Nor any hairbrush. *(Looks up.*
Puzzled expression. She turns to bag, rummages
in it.) The comb is here. *(Back front. Puzzled*
expression. Back to bag. Rummages.) The
 brush is here. *(Back front. Puzzled expression.)*
 Perhaps I put them back, after use. *(Pause.*
Do.) But normally I do not put things back,
 after use, no, I leave them lying about and put
 them back all together, at the end of the day.
(Smile.) To speak in the old style. *(Pause.)*
 The sweet old style. *(Smile off.)* And yet
 . . . I seem . . . to remember . . . *(Suddenly*
careless.) Oh well, what does it matter, that
 is what I always say, I shall simply brush and
 comb them later on, purely and simply, I have
 the whole — *(Pause. Puzzled.)* Them? *(Pause.)*

with not a soul to hear. (*Pause.*) Not that I flatter myself you hear much, no Willie, God forbid. (*Pause.*) Days perhaps when you hear nothing. (*Pause.*) But days too when you answer. (*Pause.*) So that I may say at all times, even when you do not answer and perhaps hear nothing, Something of this is being heard, I am not merely talking to myself, that is in the wilderness, a thing I could never bear to do — for any length of time. (*Pause.*) That is what enables me to go on, go on talking that is. (*Pause.*) Whereas if you were to die — (*smile*) — to speak in the old style — (*smile off*) — or go away and leave me, then what would I do, what *could* I do, all day long, I mean between the bell for waking and the bell for sleep? (*Pause.*) Simply gaze before me with compressed lips. (*Long pause while she does so. No more plucking.*) Not another word as long as I drew breath, nothing to break the silence of this place. (*Pause.*) Save possibly, now and then, every now and then, a sigh into my looking-glass. (*Pause.*) Or a brief . . . gale of laughter, should I happen to see the old joke again. (*Pause. Smile appears, broadens and seems about to culminate in laugh when suddenly*

Normal voice.) Ah well what a joy in any case to hear you laugh again, Willie, I was convinced I never would, you never would. (*Pause.*) I suppose some people might think us a trifle irreverent, but I doubt it. (*Pause.*) How can one better magnify the Almighty than by sniggering with him at his little jokes, particularly the poorer ones? (*Pause.*) I think you would back me up there, Willie. (*Pause.*) Or were we perhaps diverted by two quite different things? (*Pause.*) Oh well, what does it matter, that is what I always say, so long as one . . . you know . . . what is that wonderful line . . . laughing wild . . . something something laughing wild amid severest woe. (*Pause.*) And now? (*Long pause.*) Was I lovable once, Willie? (*Pause.*) Was I ever lovable? (*Pause.*) Do not misunderstand my question, I am not asking you if you loved me, we know all about that, I am asking you if you found me lovable — at one stage. (*Pause.*) No? (*Pause.*) You can't? (*Pause.*) Well I admit it is a teaser. And you have done more than your bit already, for the time being, just lie back now and relax, I shall not trouble you again unless I am compelled to, just to know you are there within hearing and

conceivably on the semi-alert is . . . er . . .
 paradise enow. (*Pause.*) The day is now well
 advanced. (*Smile.*) To speak in the old style.
 (*Smile off.*) And yet it is perhaps a little soon
 for my song. (*Pause.*) To sing too soon is a
 great mistake, I find. (*Turning towards bag.*)
 There is of course the bag. (*Looking at bag.*)
 The bag. (*Back front.*) Could I enumerate
 its contents? (*Pause.*) No. (*Pause.*) Could
 I, if some kind person were to come along and
 ask, What all have you got in that big black bag,
 Winnie? give an exhaustive answer? (*Pause.*)
 No. (*Pause.*) The depths in particular, who
 knows what treasures. (*Pause.*) What comforts.
 (*Turns to look at bag.*) Yes, there is the bag.
 (*Back front.*) But something tells me, Do not
 overdo the bag, Winnie, make use of it of
 course, let it help you . . . along, when stuck,
 by all means, but cast your mind forward,
 something tells me, cast your mind forward,
 Winnie, to the time when words must fail —
 (*she closes eyes, pause, opens eyes*) — and do
 not overdo the bag. (*Pause. She turns to look*
at bag.) Perhaps just one quick dip. (*She turns*
back front, closes eyes, throws out left arm,
plunges hand in bag and brings out revolver.

Disgusted.) You again! (*She opens eyes, brings revolver front and contemplates it. She weighs it in her palm.*) You'd think the weight of this thing would bring it down among the . . . last rounds. But no. It doesn't. Ever uppermost, like Browning. (*Pause.*) Brownie . . . (*Turning a little towards WILLIE.*) Remember Brownie, Willie? (*Pause.*) Remember how you used to keep on at me to take it away from you? Take it away, Winnie, take it away, before I put myself out of my misery. (*Back front. Derisive.*) Your misery! (*To revolver.*) Oh I suppose it's a comfort to know you're there, but I'm tired of you. (*Pause.*) I'll leave you out, that's what I'll do. (*She lays revolver on ground to her right.*) There, that's your home from this day out. (*Smile.*) The old style! (*Smile off.*) And now? (*Long pause.*) Is gravity what it was, Willie, I fancy not. (*Pause.*) Yes, the feeling more and more that if I were not held — (*gesture*) — in this way, I would simply float up into the blue. (*Pause.*) And that perhaps some day the earth will yield and let me go, the pull is so great, yes, crack all round me and let me out. (*Pause.*) Don't you ever have that feeling, Willie, of being sucked

up? (*Pause.*) Don't you have to cling on sometimes, Willie? (*Pause. She turns a little towards him.*) Willie.

Pause.

WILLIE *Sucked up?*

WINNIE Yes love, up into the blue, like gossamer.
 (*Pause.*) No? (*Pause.*) You don't? (*Pause.*)
 Ah well, natural laws, natural laws, I suppose
 it's like everything else, it all depends on the
 creature you happen to be. All I can say is for
 my part is that for me they are not what they
 were when I was young and . . . foolish and
 . . . (*faltering, head down*) . . . beautiful . . .
 possibly . . . lovely . . . in a way . . . to look at.
 (*Pause. Head up.*) Forgive me, Willie, sorrow
 keeps breaking in. (*Normal voice.*) Ah well
 what a joy in any case to know you are there,
 as usual, and perhaps awake, and perhaps taking
 all this in, some of all this, what a happy day
 for me . . . it will have been. (*Pause.*) So far.
 (*Pause.*) What a blessing nothing grows,
 imagine if all this stuff were to start growing.
 (*Pause.*) Imagine. (*Pause.*) Ah yes, great
 mercies. (*Long pause.*) I can say no more.
 (*Pause.*) For the moment. (*Pause. Turns to*

look at bag. Back front. Smile.) No no. (Smile off. Looks at parasol.) I suppose I might — (*takes up parasol*) — yes, I suppose I might . . . hoist this thing now. (*Begins to unfurl it. Following punctuated by mechanical difficulties overcome.*) One keeps putting off — putting up — for fear of putting up — too soon — and the day goes by — quite by — without one's having put up — at all. (*Parasol now fully open. Turned to her right she twirls it idly this way and that.*) Ah yes, so little to say, so little to do, and the fear so great, certain days, of finding oneself . . . left, with hours still to run, before the bell for sleep, and nothing more to say, nothing more to do, that the days go by, certain days go by, quite by, the bell goes, and little or nothing said, little or nothing done. (*Raising parasol.*) That is the danger. (*Turning front.*) To be guarded against. (*She gazes front, holding up parasol with right hand. Maximum pause.*) I used to perspire freely. (*Pause.*) Now hardly at all. (*Pause.*) The heat is much greater. (*Pause.*) The perspiration much less. (*Pause.*) That is what I find so wonderful. (*Pause.*) The way man adapts himself. (*Pause.*) To changing conditions. (*She transfers parasol to*

left hand. Long pause.) Holding up wearies the arm. *(Pause.)* Not if one is going along. *(Pause.)* Only if one is at rest. *(Pause.)* That is a curious observation. *(Pause.)* I hope you heard that, Willie, I should be grieved to think you had not heard that. *(She takes parasol in both hands. Long pause.)* I am weary, holding it up, and I cannot put it down. *(Pause.)* I am worse off with it up than with it down, and I cannot put it down. *(Pause.)* Reason says, Put it down, Winnie, it is not helping you, put the thing down and get on with something else. *(Pause.)* I cannot. *(Pause.)* I cannot move. *(Pause.)* No, something must happen, in the world, take place, some change, I cannot, if I am to move again. *(Pause.)* Willie. *(Mildly.)* Help. *(Pause.)* No? *(Pause.)* Bid me put this thing down, Willie, I would obey you instantly, as I have always done, honoured and obeyed. *(Pause.)* Please, Willie. *(Mildly.)* For pity's sake. *(Pause.)* No? *(Pause.)* You can't? *(Pause.)* Well I don't blame you, no, it would ill become me, who cannot move, to blame my Willie because he cannot speak. *(Pause.)* Fortunately I am in tongue again. *(Pause.)* That is what I find so wonderful, my two

lamps, when one goes out the other burns brighter. (*Pause.*) Oh yes, great mercies. (*Maximum pause. The parasol goes on fire. Smoke, flames if feasible. She sniffs, looks up, throws parasol to her right behind mound, cranes back to watch it burning. Pause.*) Ah earth you old extinguisher. (*Back front.*) I presume this has occurred before, though I cannot recall it. (*Pause.*) Can you, Willie? (*Turns a little towards him.*) Can you recall this having occurred before? (*Pause. Cranes back to look at him.*) Do you know what has occurred, Willie? (*Pause.*) Have you gone off on me again? (*Pause.*) I do not ask if you are alive to all that is going on, I merely ask if you have not gone off on me again. (*Pause.*) Your eyes appear to be closed, but that has no particular significance we know. (*Pause.*) Raise a finger, dear, will you please, if you are not quite senseless. (*Pause.*) Do that for me, Willie please, just the little finger, if you are still conscious. (*Pause. Joyful.*) Oh all five, you are a darling today, now I may continue with an easy mind. (*Back front.*) Yes, what ever occurred that did not occur before and yet . . . I wonder, yes, I confess I wonder. (*Pause.*)

With the sun blazing so much fiercer down,
and hourly fiercer, is it not natural things
should go on fire never known to do so, in this
way I mean, spontaneous like. (*Pause.*) Shall I
myself not melt perhaps in the end, or burn, oh
I do not mean necessarily burst into flames, no,
just little by little be charred to a black cinder,
all this — (*ample gesture of arms*) — visible
flesh. (*Pause.*) On the other hand, did I ever
know a temperate time? (*Pause.*) No. (*Pause.*)
I speak of temperate times and torrid times,
they are empty words. (*Pause.*) I speak of
when I was not yet caught — in this way —
and had my legs and had the use of my legs,
and could seek out a shady place, like you,
when I was tired of the sun, or a sunny place
when I was tired of the shade, like you, and
they are all empty words. (*Pause.*) It is no
hotter today than yesterday, it will be no hotter
tomorrow than today, how could it, and so on
back into the far past, forward into the far
future. (*Pause.*) And should one day the earth
cover my breasts, then I shall never have seen
my breasts, no one ever seen my breasts.
(*Pause.*) I hope you caught something of that,
Willie, I should be sorry to think you had

caught nothing of all that, it is not every day I
 rise to such heights. (*Pause.*) Yes, something
 seems to have occurred, something has seemed
 to occur, and nothing has occurred, nothing at
 all, you are quite right, Willie. (*Pause.*) The
 sunshade will be there again tomorrow, beside
 me on this mound, to help me through the day.
 (*Pause. She takes up mirror.*) I take up this
 little glass, I shiver it on a stone — (*does so*) —
 I throw it away — (*does so far behind her*) — it
 will be in the bag again tomorrow, without a
 scratch, to help me through the day. (*Pause.*)
 No, one can do nothing. (*Pause.*) That is what
 I find so wonderful, the way things . . . (*voice*
breaks, head down) . . . things . . . so
 wonderful. (*Long pause, head down. Finally*
turns, still bowed, to bag, brings out
unidentifiable odds and ends, stuffs them back,
fumbles deeper, brings out finally musical-box,
winds it up, turns it on, listens for a moment
holding it in both hands, huddled over it, turns
back front, straightens up and listens to tune,
holding box to breast with both hands. It plays
the Waltz Duet "I love you so" from The
Merry Widow. Gradually happy expression.
She sways to the rhythm. Music stops. Pause.

Brief burst of hoarse song without words — musical-box tune — from WILLIE. Increase of happy expression. She lays down box.) Oh this will have been a happy day! *(She claps hands.)* Again, Willie, again! *(Claps.)* Encore, Willie, please! *(Pause. Happy expression off.)* No? You won't do that for me? *(Pause.)* Well it is very understandable, very understandable. One cannot sing just to please someone, however much one loves them, no, song must come from the heart, that is what I always say, pour out from the inmost, like a thrush. *(Pause.)* How often I have said, in evil hours, Sing now, Winnie, sing your song, there is nothing else for it, and did not. *(Pause.)* Could not. *(Pause.)* No, like the thrush, or the bird of dawning, with no thought of benefit, to oneself or anyone else. *(Pause.)* And now? *(Long pause. Low.)* Strange feeling. *(Pause. Do.)* Strange feeling that someone is looking at me. I am clear, then dim, then gone, then dim again, then clear again, and so on, back and forth, in and out of someone's eye. *(Pause. Do.)* Strange? *(Pause. Do.)* No, here all is strange. *(Pause. Normal voice.)* Something says, Stop talking now, Winnie, for

a minute, don't squander all your words for the day, stop talking and do something for a change, will you? (*She raises hands and holds them open before her eyes. Apostrophic.*) Do something! (*She closes hands.*) What claws! (*She turns to bag, rummages in it, brings out finally a nailfile, turns back front and begins to file nails. Files for a time in silence, then the following punctuated by filing.*) There floats up — into my thoughts — a Mr Shower — a Mr and perhaps a Mrs Shower — no — they are holding hands — his fiancée then more likely — or just some — loved one. (*Looks closer at nails.*) Very brittle today. (*Resumes filing.*) Shower — Shower — does the name mean anything — to you, Willie — evoke any reality, I mean — for you, Willie — don't answer if you don't — feel up to it — you have done more — than your bit — already — Shower — Shower. (*Inspects filed nails.*) Bit more like it. (*Raises head, gazes front.*) Keep yourself nice, Winnie, that's what I always say, come what may, keep yourself nice. (*Pause. Resumes filing.*) Yes — Shower — Shower — (*stops filing, raises head, gazes front, pause*) — or Cooker, perhaps I should say Cooker. (*Turning a little towards*

WILLIE.) Cooker, Willie, does Cooker strike a chord? (*Pause. Turns a little further. Louder.*) Cooker, Willie, does Cooker ring a bell, the name Cooker? (*Pause. She cranes back to look at him. Pause.*) Oh really! (*Pause.*) Have you no handkerchief, darling? (*Pause.*) Have you no delicacy? (*Pause.*) Oh, Willie, you're not eating it! Spit it out, dear, spit it out! (*Pause. Back front.*) Ah well, I suppose it's only natural. (*Break in voice.*) Human. (*Pause. Do.*) What is one to do? (*Head down. Do.*) All day long. (*Pause. Do.*) Day after day. (*Pause. Head up. Smile. Calm.*) The old style! (*Smile off. Resumes nails.*) No, done him. (*Passes on to next.*) Should have put on my glasses. (*Pause.*) Too late now. (*Finishes left hand, inspects it.*) Bit more human. (*Starts right hand. Following punctuated as before.*) Well anyway — this man Shower — or Cooker — no matter — and the woman — hand in hand — in the other hands bags — kind of big brown grips — standing there gaping at me — and at last this man Shower — or Cooker — ends in er anyway — stake my life on that — What's she doing? he says — What's the idea? he says — stuck up to her diddies in

the bleeding ground — coarse fellow — What does it mean? he says — What's it meant to mean? — and so on — lot more stuff like that — usual drivel — Do you hear me? he says — I do, she says, God help me — What do you mean, he says, God help you? (*Stops filing, raises head, gazes front.*) And you, she says, what's the idea of you, she says, what are you meant to mean? It is because you're still on your two flat feet, with your old ditty full of tinned muck and changes of underwear, dragging me up and down this fornicating wilderness, coarse creature, fit mate — (*with sudden violence*) — let go of my hand and drop for God's sake, she says, drop! (*Pause. Resumes filing.*) Why doesn't he dig her out? he says — referring to you, my dear — What good is she to him like that? — What good is he to her like that? — and so on — usual tosh — Good! she says, have a heart for God's sake — Dig her out, he says, dig her out, no sense in her like that — Dig her out with what? she says — I'd dig her out with my bare hands, he says — must have been man and — wife. (*Files in silence.*) Next thing they're away — hand in hand — and the bags — dim — then gone — last human kind —

to stray this way. (*Finishes right hand, inspects it, lays down file, gazes front.*) Strange thing, time like this, drift up into the mind. (*Pause.*) Strange? (*Pause.*) No, here all is strange. (*Pause.*) Thankful for it in any case. (*Voice breaks.*) Most thankful. (*Head down. Pause. Head up. Calm.*) Bow and raise the head, bow and raise, always that. (*Pause.*) And now? (*Long pause. Starts putting things back in bag, toothbrush last. This operation, interrupted by pauses as indicated, punctuates following.*) It is perhaps a little soon — to make ready — for the night — (*stops tidying, head up, smile*) — the old style! — (*smile off, resumes tidying*) — and yet I do — make ready for the night — feeling it at hand — the bell for sleep — saying to myself — Winnie — it will not be long now, Winnie — until the bell for sleep. (*Stops tidying, head up.*) Sometimes I am wrong. (*Smile.*) But not often. (*Smile off.*) Sometimes all is over, for the day, all done, all said, all ready for the night, and the day not over, far from over, the night not ready, far, far from ready. (*Smile.*) But not often. (*Smile off.*) Yes, the bell for sleep, when I feel it at hand, and so make ready for the night — (*gesture*) — in this

way, sometimes I am wrong — (*smile*) — but not often. (*Smile off. Resumes tidying.*) I used to think — I say I used to think — that all these things — put back into the bag — if too soon — put back too soon — could be taken out again — if necessary — if needed — and so on — indefinitely — back into the bag — back out of the bag — until the bell — went. (*Stops tidying, head up, smile.*) But no. (*Smile broader.*) No no. (*Smile off. Resumes tidying.*) I suppose this — might seem strange — this — what shall I say — this what I have said — yes — (*she takes up revolver*) — strange — (*she turns to put revolver in bag*) — were it not — (*about to put revolver in bag she arrests gesture and turns back front*) — were it not — (*she lays down revolver to her right, stops tidying, head up*) — that all seems strange. (*Pause.*) Most strange. (*Pause.*) Never any change. (*Pause.*) And more and more strange. (*Pause. She bends to mound again, takes up last object, i.e. toothbrush, and turns to put it in bag when her attention is drawn to disturbance from WILLIE. She cranes back and to her right to see. Pause.*) Weary of your hole, dear? (*Pause.*) Well I

can understand that. (*Pause.*) Don't forget your straw. (*Pause.*) Not the crawler you were, poor darling. (*Pause.*) No, not the crawler I gave my heart to. (*Pause.*) The hands and knees, love, try the hands and knees. (*Pause.*) The knees! The knees! (*Pause.*) What a curse, mobility! (*She follows with eyes his progress towards her behind mound, i.e. towards place he occupied at beginning of act.*) Another foot, Willie, and you're home. (*Pause as she observes last foot.*) Ah! (*Turns back front laboriously, rubs neck.*) Crick in my neck admiring you. (*Rubs neck.*) But it's worth it, well worth it. (*Turning slightly towards him.*) Do you know what I dream sometimes? (*Pause.*) What I dream sometimes, Willie. (*Pause.*) That you'll come round and live this side where I could see you. (*Pause. Back front.*) I'd be a different woman. (*Pause.*) Unrecognizable. (*Turning slightly towards him.*) Or just now and then, come round this side just every now and then and let me feast on you. (*Back front.*) But you can't, I know. (*Head down.*) I know. (*Pause. Head up.*) Well anyway — (*looks at toothbrush in her hand*) — can't be long now — (*looks at brush*) — until the bell. (*Top back of*

WILLIE's head appears above slope. WINNIE looks closer at brush.) Fully guaranteed . . . (head up) . . . what's this it was? (WILLIE's hand appears with handkerchief, spreads it on skull, disappears.) Genuine pure . . . fully guaranteed . . . (WILLIE's hand appears with boater, settles it on head, rakish angle, disappears) . . . genuine pure . . . ah! hog's setae. (Pause.) What is a hog exactly? (Pause. Turns slightly towards WILLIE.) What exactly is a hog, Willie, do you know, I can't remember. (Pause. Turning a little further, pleading.) What is a hog, Willie, please!

Pause.

WILLIE *Castrated male swine. (Happy expression appears on WINNIE's face.) Reared for slaughter.*

Happy expression increases. WILLIE opens newspaper, hands invisible. Tops of yellow sheets appear on either side of his head. WINNIE gazes before her with happy expression.

WINNIE *Oh this is a happy day! This will have been*

another happy day! (*Pause.*) After all.
(*Pause.*) So far.

*Pause. Happy expression off. WILLIE
turns page. Pause. He turns another page.
Pause.*

WILLIE Opening for smart youth.

*Pause. WINNIE takes off hat, turns to put it
in bag, arrests gesture, turns back front. Smile.*

WINNIE No. (*Smile broader.*) No no. (*Smile off. Puts
on hat again, gazes front, pause.*) And now?
(*Pause.*) Sing. (*Pause.*) Sing your song,
Winnie. (*Pause.*) No? (*Pause.*) Then pray.
(*Pause.*) Pray your prayer, Winnie.

Pause. WILLIE turns page. Pause.

WILLIE Wanted bright boy.

*Pause. WINNIE gazes before her. WILLIE
turns page. Pause. Newspaper disappears.
Long pause.*

WINNIE Pray your old prayer, Winnie.

Long pause.

CURTAIN

Act II

Scene as before.

WINNIE imbedded up to neck, hat on head, eyes closed. Her head, which she can no longer turn, nor bow, nor raise, faces front motionless throughout act. Movements of eyes as indicated.

Bag and parasol as before. Revolver conspicuous to her right on mound.

Long pause.

Bell rings loudly. She opens eyes at once. Bell stops. She gazes front. Long pause.

WINNIE

Hail, holy light. (Long pause. She closes her eyes. Bell rings loudly. She opens eyes at once. Bell stops. She gazes front. Long smile. Smile off. Long pause.) Someone is looking at me still. (Pause.) Caring for me still. (Pause.) That is what I find so wonderful. (Pause.)

Eyes on my eyes. (*Pause.*) What is that unforgettable line? (*Pause. Eyes right.*) Willie. (*Pause. Louder.*) Willie. (*Pause. Eyes front.*) May one still speak of time? (*Pause.*) Say it is a long time now, Willie, since I saw you. (*Pause.*) Since I heard you. (*Pause.*) May one? (*Pause.*) One does. (*Smile.*) The old style! (*Smile off.*) There is so little one can speak of. (*Pause.*) One speaks of it all. (*Pause.*) All one can. (*Pause.*) I used to think . . . (*pause*) . . . I say I used to think that I would learn to talk alone. (*Pause.*) By that I mean to myself, the wilderness. (*Smile.*) But no. (*Smile broader.*) No no. (*Smile off.*) Ergo you are there. (*Pause.*) Oh no doubt you are dead, like the others, no doubt you have died, or gone away and left me, like the others, it doesn't matter, you are there. (*Pause. Eyes left.*) The bag too is there, the same as ever, I can see it. (*Pause. Eyes right. Louder.*) The bag is there, Willie, as good as ever, the one you gave me that day . . . to go to market. (*Pause. Eyes front.*) That day. (*Pause.*) What day? (*Pause.*) I used to pray. (*Pause.*) I say I used to pray. (*Pause.*) Yes, I must confess I did. (*Smile.*) Not now. (*Smile broader.*) No no. (*Smile off. Pause.*) Then . . . now . . . what

difficulties here, for the mind. (*Pause.*) To have been always what I am — and so changed from what I was. (*Pause.*) I am the one, I say the one, then the other. (*Pause.*) Now the one, then the other. (*Pause.*) There is so little one can say, one says it all. (*Pause.*) All one can. (*Pause.*) And no truth in it anywhere. (*Pause.*) My arms. (*Pause.*) My breasts. (*Pause.*) What arms? (*Pause.*) What breasts? (*Pause.*) Willie. (*Pause.*) What Willie? (*Sudden vehement affirmation.*) My Willie! (*Eyes right, calling.*) Willie! (*Pause. Louder.*) Willie! (*Pause. Eyes front.*) Ah well, not to know, not to know for sure, great mercy, all I ask. (*Pause.*) Ah yes . . . then . . . now . . . beechen green . . . this . . . Charlie . . . kisses . . . this . . . all that . . . deep trouble for the mind. (*Pause.*) But it does not trouble mine. (*Smile.*) Not now. (*Smile broader.*) No no. (*Smile off. Long pause. She closes eyes. Bell rings loudly. She opens eyes. Pause.*) Eyes float up that seem to close in peace . . . to see . . . in peace. (*Pause.*) Not mine. (*Smile.*) Not now. (*Smile broader.*) No no. (*Smile off. Long pause.*) Willie. (*Pause.*) Do you think the earth has lost its atmosphere, Willie? (*Pause.*) Do you, Willie? (*Pause.*) You have no opinion? (*Pause.*) Well

that is like you, you never had any opinion about anything. *(Pause.)* It's understandable. *(Pause.)* Most. *(Pause.)* The earthball. *(Pause.)* I sometimes wonder. *(Pause.)* Perhaps not quite all. *(Pause.)* There always remains something. *(Pause.)* Of everything. *(Pause.)* Some remains. *(Pause.)* If the mind were to go. *(Pause.)* It won't of course. *(Pause.)* Not quite. *(Pause.)* Not mine. *(Smile)* Not now. *(Smile broader.)* No no. *(Smile off. Long pause.)* It might be the eternal cold. *(Pause.)* Everlasting perishing cold. *(Pause.)* Just chance, I take it, happy chance. *(Pause.)* Oh yes, great mercies, great mercies. *(Pause.)* And now? *(Long pause.)* The face. *(Pause.)* The nose. *(She squints down.)* I can see it . . . *(squinting down)* . . . the tip . . . the nostrils . . . breath of life . . . that curve you so admired . . . *(pouts)* . . . a hint of lip . . . *(pouts again)* . . . if I pout them out . . . *(sticks out tongue)* . . . the tongue of course . . . you so admired . . . if I stick it out . . . *(sticks it out again)* . . . the tip . . . *(eyes up)* . . . suspicion of brow . . . eyebrow . . . imagination possibly . . . *(eyes left)* . . . cheek . . . no . . . *(eyes right)* . . . no . . . *(distends cheeks)* . . . even if I puff them out . . . *(eyes left, distends cheeks again)* . . . no . . . no

damask. (*Eyes front.*) That is all. (*Pause.*) The bag of course . . . (*eyes left*) . . . a little blurred perhaps . . . but the bag. (*Eyes front. Offhand.*) The earth of course and sky. (*Eyes right.*) The sunshade you gave me . . . that day . . . (*pause*) . . . that day . . . the lake . . . the reeds. (*Eyes front. Pause.*) What day? (*Pause.*) What reeds? (*Long pause. Eyes close. Bell rings loudly. Eyes open. Pause. Eyes right.*) Brownie of course. (*Pause.*) You remember Brownie, Willie, I can see him. (*Pause.*) Brownie is there, Willie, beside me. (*Pause. Loud.*) Brownie is there, Willie. (*Pause. Eyes front.*) That is all. (*Pause.*) What would I do without them? (*Pause.*) What would I do without them, when words fail? (*Pause.*) Gaze before me, with compressed lips. (*Long pause while she does so.*) I cannot. (*Pause.*) Ah yes, great mercies, great mercies. (*Long pause. Low.*) Sometimes I hear sounds. (*Listening expression. Normal voice.*) But not often. (*Pause.*) They are a boon, sounds are a boon, they help me . . . through the day. (*Smile*) The old style! (*Smile off.*) Yes, those are happy days, when there are sounds. (*Pause.*) When I hear sounds. (*Pause.*) I used to think . . . (*pause*) . . . I say I used to think they were in

my head. (*Smile.*) But no. (*Smile broader.*)
 No no. (*Smile off.*) That was just logic.
 (*Pause.*) Reason. (*Pause.*) I have not lost my
 reason. (*Pause.*) Not yet. (*Pause.*)
 Not all. (*Pause.*) Some remains. (*Pause.*)
 Sounds. (*Pause.*) Like little . . . sunderings,
 little falls . . . apart. (*Pause. Low.*) It's things,
 Willie. (*Pause. Normal voice.*) In the bag,
 outside the bag. (*Pause.*) Ah yes, things
 have their life, that is what I always say,
things have a life. (*Pause.*) Take my
 looking-glass, it doesn't need me. (*Pause.*)
 The bell. (*Pause.*) It hurts like a knife.
 (*Pause.*) A gouge. (*Pause.*) One cannot ignore
 it. (*Pause.*) How often . . . (*pause*) . . . I say
 how often I have said, Ignore it, Winnie, ignore
 the bell, pay no heed, just sleep and wake, sleep
 and wake, as you please, open and close the
 eyes, as you please, or in the way you find most
 helpful. (*Pause.*) Open and close the eyes,
 Winnie, open and close, always that. (*Pause.*)
 But no. (*Smile.*) Not now. (*Smile broader.*)
 No no. (*Smile off. Pause.*) What now?
 (*Pause.*) What now, Willie? (*Long pause.*)
 There is my story of course, when all else fails.
 (*Pause.*) A life. (*Smile*) A long life. (*Smile
 off.*) Beginning in the womb, where life used to

begin, Mildred has memories, she will have memories, of the womb, before she dies, the mother's womb. (*Pause.*) She is now four or five already and has recently been given a big waxen dolly. (*Pause.*) Fully clothed, complete outfit. (*Pause.*) Shoes, socks, undies, complete set, frilly frock, gloves. (*Pause.*) White mesh. (*Pause.*) A little white straw hat with a chin elastic. (*Pause.*) Pearly necklet. (*Pause.*) A little picture-book with legends in real print to go under her arm when she takes her walk. (*Pause.*) China blue eyes that open and shut. (*Pause. Narrative.*) The sun was not well up when Milly rose, descended the steep . . . (*pause*) . . . slipped on her nightgown, descended all alone the steep wooden stairs, backwards on all fours, though she had been forbidden to do so, entered the . . . (*pause*) . . . tiptoed down the silent passage, entered the nursery and began to undress Dolly. (*Pause.*) Crept under the table and began to undress Dolly. (*Pause.*) Scolding her . . . the while. (*Pause.*) Suddenly a mouse — (*Long pause.*) Gently, Winnie. (*Long pause. Calling.*) Willie! (*Pause. Louder.*) Willie! (*Pause. Mild reproach.*) I sometimes find your attitude a little strange, Willie, all this time, it is not like

you to be wantonly cruel. (*Pause.*) Strange?
 (*Pause.*) No. (*Smile.*) Not here. (*Smile*
broader.) Not now. (*Smile off.*) And yet . . .
 (*Suddenly anxious.*) I do hope nothing is amiss.
 (*Eyes right, loud.*) Is all well, dear? (*Pause.*
Eyes front. To herself.) God grant he did not
 go in head foremost! (*Eyes right, loud.*)
 You're not stuck, Willie? (*Pause. Do.*) You're
 not jammed, Willie? (*Eyes front, distressed.*)
 Perhaps he is crying out for help all this time
 and I do not hear him! (*Pause.*) I do of course
 hear cries. (*Pause.*) But they are in my head
 surely. (*Pause.*) Is it possible that . . . (*Pause.*
With finality.) No no, my head was always
 full of cries. (*Pause.*) Faint confused cries.
 (*Pause.*) They come. (*Pause.*) Then go.
 (*Pause.*) As on a wind. (*Pause.*) That is what
 I find so wonderful. (*Pause.*) They cease.
 (*Pause.*) Ah yes, great mercies, great
 mercies. (*Pause.*) The day is now well
 advanced. (*Smile. Smile off.*) And yet it
 is perhaps a little soon for my song. (*Pause.*)
 To sing too soon is fatal, I always
 find. (*Pause.*) On the other hand it is
 possible to leave it too late. (*Pause.*) The bell
 goes for sleep and one has not sung. (*Pause.*)
 The whole day has flown — (*smile, smile off*)

— flown by, quite by, and no song of
 any class, kind or description. (*Pause.*)
 There is a problem here. (*Pause.*) One
 cannot sing . . . just like that, no. (*Pause.*)
 It bubbles up, for some unknown reason, the
 time is ill chosen, one chokes it back. (*Pause.*)
 One says, Now is the time, it is now or never,
 and one cannot. (*Pause.*) Simply cannot sing.
 (*Pause.*) Not a note. (*Pause.*) Another thing,
 Willie, while we are on this subject. (*Pause.*)
 The sadness after song. (*Pause.*) Have you
 run across that, Willie? (*Pause.*) In the course
 of your experience. (*Pause.*) No? (*Pause.*)
 Sadness after intimate sexual intercourse one is
 familiar with of course. (*Pause.*) You would
 concur with Aristotle there, Willie, I fancy.
 (*Pause.*) Yes, that one knows and is prepared
 to face. (*Pause.*) But after song . . . (*Pause.*) It
 does not last of course. (*Pause.*) That is what I
 find so wonderful. (*Pause.*) It wears away.
 (*Pause.*) What are those exquisite lines?
 (*Pause.*) Go forget me why should something
 o'er that something shadow fling . . . go forget
 me . . . why should sorrow . . . brightly
 smile . . . go forget me . . . never hear me . . .
 sweetly smile . . . brightly sing . . . (*Pause.*
With a sigh.) One loses one's classics. (*Pause.*)

Oh not all. (*Pause.*) A part. (*Pause.*) A part remains. (*Pause.*) That is what I find so wonderful, a part remains, of one's classics, to help one through the day. (*Pause.*) Oh yes, many mercies, many mercies. (*Pause.*) And now? (*Pause.*) And now, Willie? (*Long pause.*) I call to the eye of the mind . . . Mr. Shower — or Cooker. (*She closes her eyes. Bell rings loudly. She opens her eyes. Pause.*) Hand in hand, in the other hands bags. (*Pause.*) Getting on . . . in life. (*Pause.*) No longer young, not yet old. (*Pause.*) Standing there gaping at me. (*Pause.*) Can't have been a bad bosom, he says, in its day. (*Pause.*) Seen worse shoulders, he says, in my time. (*Pause.*) Does she feel her legs? he says. (*Pause.*) Is there any life in her legs? he says. (*Pause.*) Has she anything on underneath? he says. (*Pause.*) Ask her, he says, I'm shy. (*Pause.*) Ask her what? she says. (*Pause.*) Is there any life in her legs. (*Pause.*) Has she anything on underneath. (*Pause.*) Ask her yourself, she says. (*Pause. With sudden violence.*) Let go of me for Christ sake and drop! (*Pause. Do.*) Drop dead! (*Smile.*) But no. (*Smile broader.*) No no. (*Smile off.*) I watch them recede. (*Pause.*) Hand in hand —

and the bags. (*Pause.*) Dim. (*Pause.*) Then gone. (*Pause.*) Last human kind — to stray this way. (*Pause.*) Up to date. (*Pause.*) And now? (*Pause. Low.*) Help. (*Pause. Do.*) Help, Willie. (*Pause. Do.*) No? (*Long pause. Narrative.*) Suddenly a mouse . . . (*Pause.*) Suddenly a mouse ran up her little thigh and Mildred, dropping Dolly in her fright, began to scream — (*WINNIE gives a sudden piercing scream*) — and screamed and screamed — (*WINNIE screams twice*) — screamed and screamed and screamed and screamed till all came running, in their night attire, papa, mamma, Bibby and . . . old Annie, to see what was the matter . . . (*pause*) . . . what on earth could possibly be the matter. (*Pause.*) Too late. (*Pause.*) Too late. (*Long pause. Just audible.*) Willie. (*Pause. Normal voice.*) Ah well, not long now, Winnie, can't be long now, until the bell for sleep. (*Pause.*) Then you may close your eyes, then you *must* close your eyes — and keep them closed. (*Pause.*) Why say that again? (*Pause.*) I used to think . . . (*pause.*) . . . I say I used to think there was no difference between one fraction of a second and the next. (*Pause.*) I used to say . . .

(*pause*) . . . I say I used to say, Winnie, you are changeless, there is never any difference between one fraction of a second and the next. (*Pause.*) Why bring that up again? (*Pause.*) There is so little one can bring up, one brings up all. (*Pause.*) All one can. (*Pause.*) My neck is hurting me. (*Pause. With sudden violence.*) My neck is hurting me! (*Pause.*) Ah that's better. (*With mild irritation.*) Everything within reason. (*Long pause.*) I can do no more. (*Pause.*) Say no more. (*Pause.*) But I must say more. (*Pause.*) Problem here. (*Pause.*) No, something must move, in the world, I can't any more. (*Pause.*) A zephyr. (*Pause.*) A breath. (*Pause.*) What are those immortal lines? (*Pause.*) It might be the eternal dark. (*Pause.*) Black night without end. (*Pause.*) Just chance, I take it, happy chance. (*Pause.*) Oh yes, abounding mercies. (*Long pause.*) And now? (*Pause.*) And now, Willie? (*Long pause.*) That day. (*Pause.*) The pink fizz. (*Pause.*) The flute glasses. (*Pause.*) The last guest gone. (*Pause.*) The last bumper with the bodies nearly touching. (*Pause.*) The look. (*Long pause.*) What day? (*Long pause.*) What look? (*Long pause.*) I hear cries. (*Pause.*) Sing. (*Pause.*) Sing your old song, Winnie.

Long pause. Suddenly alert expression. Eyes switch right. WILLIE's head appears to her right round corner of mound. He is on all fours, dressed to kill — top hat, morning coat, striped trousers, etc., white gloves in hand. Very long bushy white Battle of Britain moustache. He halts, gazes front, smooths moustache. He emerges completely from behind mound, turns to his left, halts, looks up at WINNIE. He advances on all fours towards centre, halts, turns head front, gazes front, strokes moustache, straightens tie, adjusts hat, advances a little further, halts, takes off hat and looks up at WINNIE. He is now not far from centre and within her field of vision. Unable to sustain effort of looking up he sinks head to ground.

WINNIE *(mondaine).* Well this is an unexpected pleasure! *(Pause.)* Reminds me of the day you came whining for my hand. *(Pause.)* I worship you, Winnie, be mine. *(He looks up.)* Life a mockery without Win. *(She goes off into a giggle.)* What a get up, you do look a sight! *(Giggles.)* Where are the flowers? *(Pause.)* That smile today. *(WILLIE sinks head.)* What's that on your neck, an anthrax?

(*Pause.*) Want to watch that, Willie, before it gets a hold on you. (*Pause.*) Where were you all this time? (*Pause.*) What were you doing all this time? (*Pause.*) Changing? (*Pause.*) Did you not hear me screaming for you? (*Pause.*) Did you get stuck in your hole? (*Pause. He looks up.*) That's right, Willie, look at me. (*Pause.*) Feast your old eyes, Willie. (*Pause.*) Does anything remain? (*Pause.*) Any remains? (*Pause.*) No? (*Pause.*) I haven't been able to look after it, you know. (*He sinks his head.*) You are still recognizable, in a way. (*Pause.*) Are you thinking of coming to live this side now . . . for a bit maybe? (*Pause.*) No? (*Pause.*) Just a brief call? (*Pause.*) Have you gone deaf, Willie? (*Pause.*) Dumb? (*Pause.*) Oh I know you were never one to talk, I worship you Winnie be mine and then nothing from that day forth only titbits from Reynolds' News. (*Eyes front. Pause.*) Ah well, what matter, that's what I always say, it will have been a happy day, after all, another happy day. (*Pause.*) Not long now, Winnie. (*Pause.*) I hear cries. (*Pause.*) Do you ever hear cries, Willie? (*Pause.*) No? (*Eyes back on WILLIE.*) Willie. (*Pause.*) Look at me again, Willie. (*Pause.*) Once more, Willie. (*He looks*

up. Happily.) Ah! (*Pause. Shocked.*) What ails you, Willie, I never saw such an expression! (*Pause.*) Put on your hat, dear, it's the sun, don't stand on ceremony, I won't mind. (*He drops hat and gloves and starts to crawl up mound towards her. Gleeeful.*) Oh I say, this is terrific! (*He halts, clinging to mound with one hand, reaching up with the other.*) Come on, dear, put a bit of jizz into it, I'll cheer you on. (*Pause.*) Is it me you're after, Willie . . . or is it something else? (*Pause.*) Do you want to touch my face . . . again? (*Pause.*) Is it a kiss you're after, Willie . . . or is it something else? (*Pause.*) There was a time when I could have given you a hand. (*Pause.*) And then a time before that again when I did give you a hand. (*Pause.*) You were always in dire need of a hand, Willie. (*He slithers back to foot of mound and lies with face to ground.*) Brrum! (*Pause. He rises to hands and knees, raises his face towards her.*) Have another go, Willie, I'll cheer you on. (*Pause.*) Don't look at me like that! (*Pause. Vehement.*) Don't look at me like that! (*Pause. Low.*) Have you gone off your head, Willie? (*Pause. Do.*) Out of your poor old wits, Willie?

Pause.

WILLIE *(just audible)*. Win.

Pause. WINNIE's eyes front. Happy expression appears, grows.

WINNIE Win! *(Pause.)* Oh this is a happy day, this will have been another happy day! *(Pause.)* After all. *(Pause.)* So far.

Pause. She hums tentatively beginning of song, then sings softly, musical-box tune.

Though I say not
What I may not
Let you hear,
Yet the swaying
Dance is saying,
Love me dear!
Every touch of fingers
Tells me what I know,
Says for you,
It's true, it's true,
You love me so!

Pause. Happy expression off. She closes her eyes. Bell rings loudly. She opens her eyes. She smiles, gazing front. She turns her eyes, smiling, to WILLIE, still on his hands and knees looking up at her. Smile off. They look at each other. Long pause.

HAPPY DAYS

A PLAY BY SAMUEL BECKETT

Ever since *Waiting For Godot* marked Samuel Beckett as one of the most important, and certainly the most controversial, playwright of the postwar period, each of his new plays has been eagerly awaited. He has infuriated the philistines, been condemned by those who refuse his seemingly somber dialectic; and yet he has been judged by many of the more thoughtful critics, and by an increasingly large public, as the most profound and provocative dramatist of our era.

In *Happy Days*, Beckett's first full-length play since *Endgame*, he pursues his relentless search for the meaning of existence, probing the tenuous relationships that bind one person to another, and each to the universe, to time past and time present. Once again stripping theater to its barest essentials, *Happy Days* offers only two characters: Winnie, a woman of about fifty, and Willie, a man of about sixty. In the first act Winnie is buried up to her waist in a mound of earth, but still has the use of her arms and a few earthly possessions—toothbrush, tube of tooth paste, small mirror, revolver, handkerchief, spectacles; in the second act she is imbedded up to her neck and can move only her eyes. Willie lives and moves—on all fours—behind the mound, appearing intermittently and replying only occasionally to Winnie's long monologue, but the knowledge of his presence is a source of comfort and inspiration to her, and doubtless the prerequisite for all her "happy days."

A veritable tour de force, *Happy Days* is as rich in language as in thought—for Beckett is above all a poet—and a worthy successor to the author's earlier dramatic works, *Waiting for Godot*, *Endgame*, and *Krapp's Last Tape*.
