How to find your Legislators:

1. Go to the Hawaii State Legislature website at www.capitol.hawaii.gov.
2. Type the name of your street into the search bar and hit "go." For example, if your address is 13 Dole Street you would type "Dole" into the search bar.
3. Once the results populate, you will find your Senator and Representative by scrolling down to your exact street number.

The screenshot shows the Hawaii State Legislature website. At the top, there is a navigation bar with "Sign In | Register | help" and a "Home" button. Below this is a search bar with the text "Find Your Legislator" and a "Go" button. The main content area is divided into several sections: "Search" with a "How to use the Searchboxes" link and input fields for "Bill Status/Measure Status", "Keywords", "Hearings by Date", "Hearings by Measure", "Order of the Day", and "Hawaii Revised Statutes"; "Recent Updates" with a "Aloha!" message and a list of news items; and a sidebar with "Senate", "House", "Archives", "Legislative Information", "Special Studies", and "Links". At the bottom, there are icons for "Submit Testimony", "Hearing Notification", "Measure Tracking", "Legislators", "Committees", and "Reports and Lists". A black arrow points from the text in step 3 to the search bar.
