The lightly raced **Now a Victor** (Yankee Victor), who won three out of his first four starts, including the 2007 GIII Discovery H., returned from a 12-month layoff to annex a \$75,000 optional claimer at Aqueduct Nov. 27. Local hope **Finallymadeit** (Concerto), fresh off a wire-to-wire score in the GIII Fred W. Hooper H. Dec. 13, rides a two-race winning streak. **Bribon (Fr)** (Mark of Esteem {Ire}) posted one of the highest Beyers of 2008 when earning a 118 in a \$75,000 optional claimer at Belmont in June. The six-year-old rallied from far back to complete the trifecta in the GI Hill 'n' Dale Cigar Mile H. Nov. 29.

VACARE RETIRED

Vacare (Lear Fan--Appealing Storm, by Valid Appeal), who was under consideration for Sunday's GII San Gorgonio H. at Santa Anita, has been retired. The six-year-old mare began her career with four straight victories for owner/breeder Lothenbach Stables and trainer Chris Block, including the GI Queen Elizabeth II Invitational Challenge Cup S., before selling to Jon Kelly for \$2.8 million at the 2006 FTKNOV sale. Transferred to Christophe Clement, the GII First Lady S. at Keeneland was among two of four starts that she annexed for her new connections in 2007. Kept in training for her five-year-old season, the bay added victories in the GII Palomar H. at Del Mar and the GII Dahlia H. at Hollywood as well as a second-place finish in the GI Yellow Ribbon S. Vacare will be sent to Pivotal (GB). She retires with a record of 14-8-2-1 and \$1,213,706 in earnings.

DARLEY TO RELOCATE STALLIONS DOWN

UNDER Officials at Darley Australia have announced that the location of their stallions will be reorganized in 2009. Its horses will be divided between its purpose-built farm in Aberdeen, New South Wales, and at Seymour in the state of Victoria. At this point, it is estimated that two-thirds of the stallions will reside at Aberdeen and the other third at Seymour. The Denman property, also located in New South Wales, will become home to Sheikh Mohammed bin Rashid al Maktoum's private breeding operation, while the stud at Cootamundra will continue to stand a few stallions. "We have decided to relocate the Woodlands stallions, chiefly those that have stood at Denman, to our studs at Aberdeen and

Henry Plumptre

Seymour with the aim of streamlining our commercial stallion operation," Darley Australia Managing Director Henry Plumptre said in a release. "Foremost in our minds is our desire to continue to provide the simplest breeding options for our clients so standing our stallions at two main farms instead of four is ideal. Our stallions received tremendous support from Australasian breeders in 2008 and while the season was progressing we were also busy planning for 2009." A list of where each stallion will stand will be announced over the coming months. Additionally, Darley plans on phasing out third-party mares currently residing at the Denman property. "During recent years there has been an emergence in the Hunter Valley of a number of very professional boutique broodmare farms that offer a quality and complete mare service which have more than satisfied demand," Plumptre explained. "We also discovered that the numbers of third-party mares residing at Woodlands has been exponentially declining and with Darley's broodmare band in Australia now numbering approximately 450, Denman will focus in future on Sheikh Mohammed's private breeding concern." With the announcement comes a leadership change. Stud manager Peter Flynn will step down from the day-to-day management at Denman and Cootamundra and will take on the role of stud consultant in 2009. The new stud manager at Denman is John Sunderland, while Barley Ward-Thomas will fill the same role at Aberdeen.

TAKE THREE FOR A.P. INDY COLT MATCH UP

Leading sire A.P. Indy is likely to be represented by two contenders for the GIII Lecomte S. at Fair Grounds Jan. 10. **Friesan Fire** (A.P. Indy), third in the GII Futurity S. Sept. 13, and ☆ **"TDN Rising Star"** ☆ **Indygo Mountain** (A.P. Indy) were scheduled to meet in a Dec. 11 Fair Grounds allowance, but snow forced the track to cancel that day's races. Both colts were entered back when the race was rescheduled for Dec. 18, but Indygo Mountain was scratched. Friesan Fire, who entered off a fourth-place finish in the GIII Nashua S. Nov. 2, took the lead entering the far turn, but could not hold off Uno Mas (Macho Uno), and settled for second as the 2-5 favorite. Owned by Vinery Stables and Fox Hill Farm, Friesan Fire is trained by Larry Jones. Indygo Mountain placed second traveling seven furlongs over Polytrack at Keeneland Oct. 15, before romping by 6 1/4 lengths in a one-mile Churchill Downs maiden Nov. 19. The Bret Calhoun trainee, owned by Clarence Scharbauer Jr., has not raced since earning his diploma. The aforementioned duo is expected to be joined by **Au Moon** (Malibu Moon), who ran away with a 5 3/4-length victory in a 1 1/8-mile Churchill maiden Nov. 29 in his second start, and **Patena** (Seeking the Gold), hero of the 1 1/16-mile Display S. over Woodbine's Polytrack Dec. 6.

Victorina, heroine of the 2006 GIII Azalea BC S. at Calder, won three of six starts last year, including the Marina S. at Golden Gate Oct. 26. The bay entered this off a second-place finish in a grassy allowance at Golden Gate Nov. 21. Settled in fourth for most of the way here, Victorina awaited racing room at the top of the stretch, was swung to the outside nearing the quarter pole, and exploded down the lane to win going away. Favored Double Trouble (Brz) (Wild Event) was a well-beaten fourth. [Video, sponsored by Taylor Made.](#)

SHAFTED (c, 3, Mineshaft--Twist Afleet {GISW, \$659,568}, by Afleet), a \$150,000 KEESEP yearling, came from off the pace to score by a half-length in his debut, a two-turn Woodbine maiden Oct. 16. Making his second start in the 1 1/16-mile Display S. Dec. 6, the chestnut was caught six wide on the turn and was blocked at the top of the stretch, but eventually got racing room and made a mild rally to finish sixth. Competing away from Woodbine's Polytrack for the first time here, the Woodford colorbearer was squeezed at the start and raced towards the rear early. After commencing a four-wide bid entering the lane, Shafted took the lead midstretch and pulled clear to a 2 1/2-length victory as the 2-1 favorite over Massone (Menifee). The winner is half to A New Twist (Storm Cat), MSW & MGSP, \$284,415; and Awesome Twist (Awesome Again), MGSP, \$319,139. [Video, sponsored by Taylor Made. Apr. 25. Working well for his return to the races, the 6-1 chance battled through a half mile in :45.79 before powering clear to take it by 1 1/2 lengths. Cat Brulay (Storm Cat), favored at 8-5, completed the exacta. The victor, a \$20,000 FTKOCT yearling and a \$140,000 BESMAY juvenile, is a half to Shytoe Lafet (King Of Kings {Ire}), SW, \$313,123. SoCal Jocks Contribute to Winners Foundation:

A group of Southern California-based riders, including leading jockey Garrett Gomez, will contribute \$16,500 to the Winners Foundation at Santa Anita Park Saturday. The Winners Foundation, based at Santa Anita, helps those in the racing industry with alcohol and substance abuse problems. "Without the Winners Foundation, I wouldn't be riding today," Gomez said. "I owe a deep debt of gratitude to Bob Fletcher and everyone involved with the Winners Foundation. They have provided me strength and have helped me maintain my focus during my period of recovery. My family and I could never thank them enough and I'm honored to be able to give back to the Winners Foundation in this way. They help people throughout racing, on the backside, frontside, everywhere. I can't think of a more deserving organization, and I know I speak for hundreds of other people."

TARGET TO PASS ON NEW ZEALAND TRIP

Globetrotting sprinter **Takeover Target (Aus)** (Celtic Swing {GB}) will not get the chance to add another stamp to his passport, as trainer Joe Janiak has pulled the plug on a trip to New Zealand for the G1 Telegraph H. Jan. 17. "I understand [Janiak] was worried about his horse and the distance he would have to travel, from Auckland to Wellington," Wellington Racing Club General Manager Davif Jewell told NZPA. "It would have been great to have him here and it's a huge blow for the club." The journey appeared on earlier in the week after the conditioner assessed the 135-pound impost as "fair," but decided to abort the idea. The nine-year-old is likely to have his next start in the G1 T.J. Smith S. at Randwick in April prior to a defense of his title in the KrisFlyer International Sprint at Kranji in Singapore the following month. Tentative plans call for Takeover Target to make a return trip to Europe thereafter to test the waters at Royal Ascot.

A + will first-time starters, an (S) will be used for state-bred races, a (C) will be used for maiden-claiming.
