Section 1 – Introduction

This directory provides a list of Health Net Vision network providers. Eyewear benefits for eyeglasses and contact lenses are available through participating providers of Health Net Vision.

Not all Health Net members have the supplemental benefit that includes additional eyewear benefits. To get detailed information about your health care coverage, please see your Evidence of Coverage.

Obtaining Eyewear Benefits

For Health Net Seniority Plus (HMO)*, Health Net Healthy Heart (HMO), Health Net Ruby Select (HMO), Health Net Gold Select (HMO), Health Net Jade (HMO SNP), and Health Net Seniority Plus (Employer HMO) members.

Following your exam, obtain your current lens prescription, then have the vision prescription filled at any Health Net Vision participating provider. You may receive your eyewear from your Health Net Vision optometrist or ophthalmologist only if he or she is a participating provider of Health Net Vision.

To get detailed information about whether out-of-network providers should bill you directly or about your health care coverage, please refer to your *Evidence of Coverage*.

The “network providers” listed in this directory have agreed to provide you with your Vision coverage. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider.

Some of your Health Net Vision plan services are covered only if your network provider gets approval in advance (sometimes called “prior authorization”) from us. Please refer to your Health Net plan *Evidence of Coverage* for more information.
