EST. 1993

Healthcare Networks of America

"We present you with the 2020 health plan and fee schedules for your health care network. Everything you need is just a few pages away!"

The Health Plan List: This booklet contains a current Health Plan List and Fee Schedule of payers that Healthcare Networks of America (HNA) contracts with on behalf of its members. Changes in payer contracts are mailed out annually with membership renewals. **Within this document the contract is listed within the grey bar with the Fee Schedule indicated directly under each contract heading.** Specialties, coverage, states applicable, reimbursement, claims submission and patient identification are also listed. The payers the contract represents are then listed for a complete plan overview.

Regarding the HNA Network: HNA is not an insurance company, we are a provider network. The Health Plan List and Fee Schedule contain the current list of payers. HNA contracts its network of doctors directly with the PPO's named in the grey bars. You will notice that there are thousands of payers, including insurance companies, self-funded employers, unions, and TPAs within each PPO contract. You will be listed in the Preferred Provider Directory with each of these 4600+ payers upon completion of the credentialing process.

Regarding future contracts: HNA continues to research and find new patient contracts, both nationally and locally for our members, and negotiates the highest possible rate of reimbursement available. When new contracts are secured:

1. HNA then releases the contracts to our providers, our providers then have the right to opt-out of any contracts or components they do not wish to participate in.
2. HNA updates your information to the payers monthly via electronic file to ensure that patients have your most current information.
3. Changes that are made to the payer contracts are also passed on to the participating providers as they become available.

Regarding patient identification: Patients sent to you from HNA client payers are not identified as "HNA" patients on the patient ID card. Unless otherwise noted, the patient ID card will identify the insurance carrier or PPO. This will be the PPO listed in the grey bar as well as any of the thousands of payers they service to which HNA has contracted and listed you as a preferred provider. The following list provides you with the names of payers through HNA's contracting efforts. You may opt out of any component of any contract at any time by advising HNA in writing naming the specific component. If you are already listed with any of the contracts or payers, that agreement will supersede your HNA agreement.

Regarding Claims Submission: All claims must be forwarded to the payer and address indicated on the patient ID card, if applicable.

Much more than your ordinary provider network!

Healthcare Networks of America's mission is to drive more high paying fee for service patients to its members and provide the latest resources for managing and promoting a successful practice.

Sponsors and Networks:

Healthcare Networks of America

THREE RIVERS PROVIDER NETWORK (TRPN) - PPO

Fee Schedule: 125% of the existing Medicare fee schedule as total reimbursement for covered services less applicable co-payments, co-insurance or deductibles.

Patients enrolled: 200 Million

States applicable: All States

Specialties applicable: All specialties

Reimbursement: Fee for Service. Service's less any applicable co-payments, co-insurance, or deductible's.

Claims Submission: Submit claim to address on back of patient ID card

Patient Identification: Three Rivers Provider Network (TRPN) will appear on patient ID card.

Payer Clients: The following is a partial listing. For the complete list, please visit: www.trpnppo.com
