

The **GeT** Everything Library

Learn the skills you want, when you want, how you want, so you can do what matters most.

The Global eTraining 'GeT Everything' library provides learners with access to a robust and ever-expanding course catalog of skills and software training for the Architecture, Engineering, Construction (AEC) and Manufacturing industries.

Building Information Modeling Courses

Learn **YOUR** Way

Global eTraining course content is developed by Autodesk professionals and industry experts and designed to combine multiple learning styles (Visual, Auditory, Read/Write, and Kinesthetic), which enables you to engage with the material at your own pace and according to the way you learn best.

- Follow course outlines for step-by-step instruction
- Challenge exams to build custom learning paths
- Navigate course content as a searchable reference tool
- Install the 'Get Know-How' Intuitive Autodesk Plugin for on-demand training

You can also filter content by media type and choose your preferred course layout.

The screenshot shows the GeT Interactive interface. At the top left is a 'Table of Content Dropdown Menu' icon. The main header is 'GeT Interactive' with the 'Global eTraining' logo on the right. The central content area is divided into several sections: a large dark blue text block with 'Course Narration' on the left; a blue 'eDemo' section with 'Video Tutorials' on the right; a green 'eTips' section with 'Tips & Tricks' on the right; a blue 'Let Me Try' section with 'Practical Exercises' on the left; a green 'View Image' section with 'Visual Association' below it; and a purple 'Learn More' section with 'Engagement Content' on the right. At the bottom is a black navigation bar with 'Helpdesk' (question mark), 'Certification Objectives' (star), 'Recently Added Indicator' (green dot), 'Play and Audio Controls' (play and speaker icons), and 'Next Topic' (arrow icon). The footer text reads 'Powered by 'The Generator''.

Ask us about:

- Hosting content on your own LMS
- Customizing Global eTraining content
- Building your own courses
- Multi-Language Translation

Health & Safety Courses

Healthcare Training & Certification

- Healthcare GHS Hazard Communication (Right to Know)
- HIPAA Privacy and Security Training
- OSHA Dental & Medical Office Hazards

OSHA Training Certification

- Aerial Boom Lift Safety
- Ammonia Refrigeration Safety
- Arc Flash Safety
- Bloodborne Pathogens & Needlestick Prevention
- Confined Space Competent Person & Supervisor
- Confined Space Entry – Permit Required & Non-permit
- Construction Asbestos Awareness
- Construction Confined Space Competent Person/ Supervisor
- Construction Confined Space Entry (Permit Required/ Non-permit)
- Construction Electrical Safety
- Construction Fall Protection
- Construction Hot Work
- Construction Lead Awareness
- Construction Lockout Tagout
- Construction Roadway Temporary Traffic Control Safety
- Construction Scaffolding
- Construction Silica Safety
- Construction Steel Erection Safety
- Electrical Safety
- Exit Routes, Emergency Action Plans, Fire Prevention Plans, and Fire Protection Certification
- Fire Extinguishers
- Forklift Safety
- GHS Hazard Communication (Worker Right to Know)
- Hand and Power Tool Safety
- Hazardous Waste Safety
- Hearing Conservation & Protection
- Heat Stress, Illness & Injury Safety
- Ionizing Radiation Safety
- Ladder and Stairway
- Laser Safety
- Lockout Tagout
- Mold Prevention & Mold Remediation
- Office Ergonomics
- Personal Protective Equipment
- Respiratory Protection
- Scissor Lift Safety
- Trenching and Excavation Safety
- Walking-Working Surfaces and Personal Fall Protection Systems
- Workplace First Aid

OHS Canada Training Certification

- Aerial Lift Safety
- Arc Flash Safety
- Confined Space Entry
- Construction Asbestos Awareness
- Construction Fall Protection
- Construction Lead Awareness
- CSA Electrical Safety
- Forklift Safety
- Lockout Tagout
- Scaffolding Safety
- Scissor Lift Safety

Cal/OSHA Training Certification

- Asbestos Awareness
- Benzene Awareness
- Bloodborne Pathogens
- Cadmium Safety
- Construction Confined Space Entry
- Construction Fall Protection
- Construction Lead Exposure Awareness
- Cotton Dust Safety Awareness
- Electrical Hi/Lo Voltage Safety
- Heat Stress & Illness Prevention
- Industrial Equipment, Lift Trucks and Tractors
- Lockout Tagout
- Permit Required & Non-permit Confined Space Entry
- Process Safety Management
- Respiratory Protection (General Industry)
- Respiratory Protection (Healthcare Industry)
- Trenching and Excavating Safety

MSHA Training Certification

- Mining Electrical Safety
- Part 46 New Miner & Newly Hired Experienced Miner
- Part 46 Surface Mining Refresher Overview
- Part 48 New Miner & Newly Hired Experienced Miner
- Part 48 Subpart B Surface Mining Initial
- Part 48 Underground Mining Refresher Overview
- Surface Mining Confined Spaces
- Surface Mining Hazards Overview
- Surface Mining Personal Protective Equipment

EEOC Training Certification

- Workplace Bullying & Violence Prevention
- Workplace Sexual Harassment Awareness
