HEMA MALINI

YOUR NATURE [LAGN FALA]

You are an **CANCER** Ascendant Person.

Because of being in Cancer horoscope Ascendant you will be beautiful and attractive as the moon. Your body parts, structure will be attractive. Your voice will be sweet; eyes will be consciousness of your face. Through your personality you will increase your friends rapidly but, a not so strong moon will result in unstable mind. You will be gullible and a lazy listener. Amount of emotion will be abundant in you. Your mind might be persuaded by anyone and be far away from reality. And when he/she faces failure they do nothing but this is a very pity situation for that person. Your heart will be very tender; you don't waste time in crying. Either you are a poet yourself or poetry affects you a lot. Your emotion can turn even a rock solid person into an emotional one. Because of your emotions and kind heartedness, you welcome unwanted problems.

For public welfare, you are willing to do anything you can. So people think you as a trust worthy and consider you a politician and sympathetic of everyone you are with. You might get angry when someone tries to crush your emotions and because of that you become hostile. Even in that situation, you battle with others with a sense of your ideals in your mind and in the end, the victory will be yours. You love your mother more than you love your father. You can attract females because of being an emotional person. You will be content with a sense of humor, sensitivity, mercy, wit, purity and forgiveness. You also will be philanthropic, friendly scholar, complaisant, cheerful, spiritual traveler, important work doer, non-angry and a devotee. You like talking, and will like water, will be theist, temple or water shelter's construction will follow the decree or order or will oppose the cunning. Your shape of hand will be flat. Palms will be soft and highlights of your palm will be progressive. You will be a foodie, will be worried because of relatives and will remain in tension because of your safety. It will be easy for you to read other's thoughts.

There is a constant battle between your responsibilities and your inner feelings. You should accept the gratitude of your relatives from far and not the imaginary and self-made facts. Your relatives from far do not deserve your affection. Fulfillment of desire is something that worries you every time. You are of introvert nature and you don't present your complete feelings and wealth. You believe in saving money for the troublesome times and that is why you can flourish in a business or profession. You will be a good and reliable life partner. But some 'Cancer' people cry a lot and feel persuaded when food is offered to them. You should not gamble because you will always loose and will pay a hefty price for it. You always try to be a good person, and try to settle every type of quarrel outside of the court. For free advice you can spend a lot of money. People receiving gift should assume you would want something precious in return. The main characteristic of a 'Cancer-ian' will be the feeling of insecurity and saving wealth.

HEMA MALINI

YOUR CHARACTER AND BEHAVIOR

You like talking about family topics, behavior of parents and children will seem interesting to you. Security, time and food are of utmost importance to you. Cancer people are always seen successful in either business or profession. The horoscope having a relation with moon will result in people being joyous of wealth. Their state of mind changes time to time. According to your hobby, you are willing to change your personality by dropping old thinking and beliefs. You will always neglect that friend or partner whose image is not good in your mind. Your birth horoscope ascendant is related to water element, the moon is thus horoscope's parent or master. The moon is considered the master of mind. So you can always read and understand the feelings of others without telling them. You can be the center of attention to your customers by using the same in your business. Majority of 'Cancerian' are seen into business.

You respect responsibilities and will adhere them, you will remain in tension because of your wealth and insecurity of future in which you can draw yourself on. If you can get an assurance that nothing will happen to your wealth and future then you can do the work of biggest of types. In the field of business you can generate success. You want to display your nobleness and kindness on your own terms you have to change this because it is not a good thing. You will be both strong and weak. Your state of mind will be ready to change. You will respect responsibility and will drown yourself in the worry of your wealth. You will be imaginative, romantic and emotional; and want to connect with the life of others, want to collect information about the incidents in their lives and emotions of unknown people. You are paradoxical personality. You are extremely cruel and extremely polite, extremely strong and extremely weak. You should not display your nobleness on your terms but become a skillful person in behavior. You should stay away from the behavior of ownership. You will love your birth place, but the moon will make you change that perception.

You want respect for your family and loved ones, you can scarify everything, but your sacrifices can result in favor. You should respect others according to need and should not impose yourself onto others. You are emotional, sensitive and will be affected by the state of mind. Old pictures, books and the things that are forgotten will garner your attention. You will be clenched by persons, things and situations. No matter how much have you travelled, you always want to return to your birthplace. You won't give up until you have completed a task. You always desire security and completion but what you desire you can't get. You can't be fooled easily, but you can make a fool out of yourself. You will have some unattainable desires. Your feelings will be like a child that can get hurt easily. You are always affected by appraisal.

LIFE PARTNER AND ROMANTIC RELATION

Men of this horoscope will have a loyal wife, spiritual, genius and blessed and children will be literature learner, fearful of animals and will oppose the eon. These people earn money from females, animals, noble people and elder brothers. They will spend their money on women, addiction, self-work, immorality and in contact with immoral people. People of this horoscope die from ulcer disease, aquatic disorder, decay or from any other mode that can harm you. You will be one sided lover because you always weigh on your responsibilities but not of others. If you can learn to take as well as give them the result will be beneficial. Physical relations for you will not be primary or important but will be like an ordinary fact.

You might harm personal relationship because of problems like security, self doubt surprise and household problems. Scorpio (Vrishchik) and Gemini (Mithun) people will be good companion. You want a partner of equal level. Opposing persons might also attract you. Your physical relations though will be based on household and children. Food and sex will be equal to you. In both you will like mystery. You don't have to pre arrange anything so you find success in this area. You will not accept any restriction in love. You should not consider love and favors as displaying possession. You can always think that you are capable directing someone but you should give freedom to your partner for their self dependence. Your satisfaction in love can only be attained by working hard. You should not be inactive; otherwise you will miss great opportunities.

You will like seriousness in love. You don't like cheap relationships. Considering love, you want security, continuity, spontaneity. If you ever encounter a cheap relationship, you might pay price for it. You should consider love very carefully and should stay away from emotions. You should keep your physical relation natural and balancing. Before making a promise, consider all the pros and cons of it. Person attracted to you will be a mix of truth and idealism. You should pick your best friends from the pack of crowd. In brief, you should stay alert from physical relations and love. There is a chance of getting property from in-laws but in order to acquire it, you might have to go through litigation (court case).
