Special Guest Speaker

Chairman's Club I Brazil

Pedro Cardoso

“ I learnt that if I seriously dedicated myself, with hard work and a positive attitude, I could become healthier and wealthier!

Juliane & Pedro Cardoso
Chairman's Club

Pedro started his activity in Herbalife in 1992 when he was a logistics supervisor in a multinational cosmetics company.

He quickly qualified as a Supervisor and President's Team by the end of his first year, but took him 12 years to get to the prestigious Chairman's Club, On 1st January 2005.

“I started the business just to get an extra income, but at an event with the founder of Herbalife, MARK HUGHES, I learnt that if I seriously dedicated myself, with hard work and a positive attitude, I could become healthier and wealthier! And, BECAUSE I BELIEVED, Today I have a fantastic life, with my wonderful family”

Today, Pedro & Juliane live on an island in Brazil and enjoy all the benefits only Wealthy people can; they travel all over the world spreading the word of good nutrition!

Special Speaker

John Agwunobi

Chairman and CEO

Herbalife Nutrition

John Agwunobi is CEO and Chairman of the Board of Herbalife Nutrition, a premier global nutrition company that serves customers in 94 countries. Agwunobi is a passionate proponent of Herbalife Nutrition's mission to improve the nutrition habits of people worldwide, strengthening our communities and providing independent distributors a business opportunity to earn supplemental income. As Chief Executive Officer, he sets the strategy for Herbalife Nutrition, overseeing all aspects of the company's growth and ensuring that the company continues to be recognized worldwide as a leading nutrition company, with a keen focus on initiatives that can positively impact issues affecting global society, including overweight and obesity, healthy aging, and a business opportunity.

Agwunobi previously served as Co-president and Chief Health and Nutrition Officer, directing the company's nutrition philosophy. Since joining the company in 2016, Agwunobi has worked closely with Herbalife Nutrition independent distributors and customers, ensuring that the company continuously innovates in the areas of product development, technology, marketing and distributor sales. He also led the Herbalife Nutrition Institute, the Herbalife Nutrition Advisory Board, and the Herbalife Dietetic Advisory Board, and worked with the company's Ph.D.s and scientists to integrate nutrition science into Herbalife Nutrition products.

Agwunobi brings a wealth of experience from both the public and private sectors to his role. Most notably, in the private sector, he served as Senior Vice President and President of Health and Wellness for the world's largest retailer, Walmart, where he led a team of over 65,000 and grew the business from \$25 billion to over \$30 billion. In the public sector, Agwunobi served as Florida's Secretary of Health and later as Admiral, U.S. Public Health Services Commissioned Corps and the Assistant Secretary of Health for the U.S. Department of Health and Human Services. In these roles, he was responsible for disease prevention and health promotion. He oversaw the Centers for Disease Control, National Institutes of Health, the Food and Drug Administration, the office of the U.S. Surgeon General, and numerous other public health offices and programs.

Agwunobi has a broad educational background that includes a Master's in Public Health from Johns Hopkins University and a Master's in Business Administration from Georgetown University. He completed his pediatric residency at Howard University and is currently a licensed physician in Florida and Maryland. He serves on numerous boards including the U.S. African Development Foundation and Bluebird Bio.

Special Speaker

Kent Bradley

M.D., MBA, MPH – Chief Health and
Nutrition Officer

Chairman, Nutrition Advisory Board

Kent Bradley, M.D., MPH, MBA, is Herbalife Nutrition's Chief Health and Nutrition Officer and is responsible for directing the Company's nutrition philosophy; leading nutrition and product education; global consumer safety, as well as leading the Herbalife Nutrition Institute and the Herbalife Nutrition Advisory Boards (Nutrition, Dietetic, Fitness, and Outer Nutrition).

Dr. Bradley works with Herbalife Nutrition's Ph.D.s and scientists to integrate nutrition science into the Company's products; and with the Company's experts to develop training and learning platforms for distributors to ensure they receive ongoing training to deliver a best-in-class customer experience tailored to each individual's needs.

Prior to joining Herbalife Nutrition in 2018, Dr. Bradley held senior executive roles in the public and private sectors. He is the former President of Safeway Health, a health technology solution and service provider supporting total worker health strategies for large commercial clients. He also served as the Senior Vice President and Chief Medical Officer for Safeway, a company with \$44 billion in annual revenue and 185,000 employees.

Dr. Bradley serves on numerous boards, including the Board of Directors for CommonSpirit Health – one of the largest healthcare systems in the United States with revenue of over \$29 billion, and the Board of Directors of Concentra Health – the largest occupational health provider in the U.S. with over 400 clinics. He is actively involved in multiple community health and wellbeing initiatives and founded Core Communities, a nonprofit supporting healthy communities, by creating compelling content that encourages conversations on important issues. He has served as a strategic advisor to multiple health technology companies with a special focus on consumer engagement.

Dr. Bradley is a retired Army Colonel, graduate of the United States Military Academy and has a master's in public health from the University of Minnesota, an executive master's in business administration from the University of Denver, and his medical degree from the Uniformed Services University of Health Sciences, Bethesda, Maryland. He is board certified in Public Health and Preventive Medicine and holds a certificate in Corporate Governance from INSEAD.

Special Speaker

Samantha Clayton

OLY, ISSA-CPT - Vice President,
Sports Performance and Fitness

Samantha Clayton is responsible for all activities relating to exercise and fitness education for Independent Herbalife Members and employees. Through in-person training sessions, educational tools and materials, and her blog (www.discovergoodfitness.com), she ensures that the important role of exercise as part of a healthy, active life is understood by all. She also helps create, organize and promote employee fitness programs and activities as an integral part of the company's corporate wellness program.

A native of Liverpool, England, Samantha initially worked as a consultant for Herbalife for two years and led the Herbalife24-Fit program, the company's first comprehensive fitness training program and DVD series.

Before joining the corporate ranks, Samantha was a professional athlete. She represented Great Britain in the 2000 Sydney Olympics in both the 200m and the 4x100m relay events. Prior to the Olympics, she won two medals in the Olympic AAA trials – a silver medal for the 200m and a bronze for the 100m – as well as a silver medal in the 4x100m relay during the European Junior Championships in 1997. Her personal records include 11.40 seconds in the 100m and 23.02 seconds in the 200m.

Samantha is a personal trainer and group exercise coach through the American Fitness and Aerobics Association (AFAA) and International Sports Science Association (ISSA).

WHAT YOU NEED TO KNOW

Presentations and Directions for Use*

Presentations of Herbalife Nutrition products must be complete and truthful and consistent with information on product labels and accompanying literature.

When selling or providing samples, an Associate must explain the directions for use and cautions, if any, specified on product labels. Associates should recommend that customers with medical conditions or who are under current medical treatment seek the advice of a physician before changing their diet.

Herbalife Nutrition products are designed for use by healthy adults as a part of healthy well-balanced diet. Herbalife Nutrition products are formulated for adults and are not intended for pregnant, nursing & lactating women or infants, children, adolescents (except their specific products range) and elderly, unless medically advised.

Disclaimer: Not recommended for children. Not to exceed the stated recommended daily usage. This product is not intended to diagnose, treat, cure or prevent any disease. Pregnant or lactating woman should consult their physician prior to use of this product. Please see individual product label for detailed information.

Kindly refer recommended usage on the product labels before consuming the products. Not to exceed the stated recommended daily usage mentioned on the product labels.

Example 1: Recommended usage of Niteworks.

Gently shake the canister prior to each use as contents may settle. Mix 1 scoop (10g) of Niteworks with 240 ml of water or juice. Consume any time during the day or night. Take 1 serving per day. Not to exceed the stated recommended daily usage.

Example 2: Herbalife Nutrition products are formulated for adults and are not intended for pregnant, nursing & lactating women or infants, children, adolescents (except their products range) and elderly, unless medically advised. Kindly note, good practices generate good results and following the rule will help you in upholding the brand.

Requalification PLUS Report

Use the Requalification PLUS report on BizWorks to see your status and your downline Supervisors' progress.

- **Track your progress.** Identify your current requalification status and keep track of which of the three methods works best for you.
- **Customize your report.** Generate a report to track your downline Supervisors' requalification progress with just one click. Filter and sort the data to view only the information you need.
- **Stay connected.** Support and congratulate your downline throughout their requalification progress directly from your report.

How to use:

1. Log in to MyHerbalife.com, navigate to **BizWorks > BizWorks PLUS** and click on Requalification PLUS report.
2. Select your level and click on the **Refresh** button. You will see the My Requalification and Downline Requalification sections.
3. In the **Downline Requalification** section, click on the blue number to display your downline report (as shown below). This will show the volume* required by your downline Supervisors to requalify.

*For the U.S. & U.S. Territories: References to Volume mean Documented Volume (i.e., profitable retail and Nutrition Club sales to customers both in the U.S. and worldwide for which complete and accurate receipts have been accepted). Only Documented Volume will count towards Supervisor requalification requirements. This also applies to any non-U.S. Herbalife Nutrition Independent Associate who conducts business in the U.S.

Supervisor Requalification

February 1st 2021 – January 31st 2022

Keep Your Benefits

Continue with your **50% earn-based discount** on all product orders

Remain eligible to earn **commissions, Volume Rebate** and incentives

Remain eligible to attend **Supervisor-level trainings**

Three Methods

ONE or TWO MONTH 4K

Achieve 4,000 Volume Points* in one or two consecutive Volume Months with a required minimum 1,000 Unencumbered# Volume Points

ONE YEAR 2K

Accumulate 2,000 Unencumbered# Total Volume Points* over the 12-month requalification period.

IMPORTANT NOTE: The ONE YEAR 2K method will allow you to retain your Supervisor Discount and other privileges, but you will not retain your downline lineage that includes Supervisors. If you have a downline lineage that includes Supervisors, or plan to later, they are the basis for earning your Volume Rebate and other income levels. To retain them, use the ONE or TWO MONTH 4K or ONE YEAR 10K method.

ONE YEAR 10K

Accumulate 10,000 Unencumbered† Total Volume Points* over the 12-month requalification period.

Linking Aadhaar with PAN Extension

Dear Associates,

Further to the announcement on linking of Aadhaar with PAN by 30th June 2021 we wish to update you that the date has been extended to 30th September 2021

The extension has been provided in view of the difficulties being faced by people out of the Covid 19 pandemic

For the Associates whose PAN is not linked with Aadhaar, their PAN will become inoperative and it shall be deemed that the PAN is not submitted by yourself with Herbalife Nutrition. We will have to deduct taxes (at higher rate of 20% and will not be able to furnish the TDS certificate

Thus, to ensure non deduction of TDS at higher rate, we request you to link your Aadhaar with your PAN at the earliest

Please contact our Associate Services Department for any assistance: Monday-Friday: 10:00am-6:00pm, Saturday: 10:00am-2:00pm.

Process to link Aadhaar with PAN

- a. Open the new Income Tax e filing portal
<https://www.incometax.gov.in/>
- b. Scroll down on the homepage to “Our Services” tab. Click on the option “Link Aadhaar”
- c. A new screen will appear. Fill in the required details i.e. PAN, Aadhaar Number, Name as per Aadhaar (Please note that name as per PAN and Aadhaar should match) and Mobile Number and select the applicable check box.
- d. After filling all the details click on “Link Aadhaar”.
- e. A validation code will be received on the mobile number as provided in the steps earlier. Enter the validation code on the next screen and click on “Validate”.
- f. Once you validate the OTP, a pop up will appear on the screen to notify you that a request to link your PAN to your Aadhaar has been submitted.
