Dear friends,

I would like to welcome you to the 35th Annual Kentucky Farm Bureau Beef Expo. After a crazy 2020 that saw many events disrupted, I am grateful for the opportunity to participate once again in this staple of Kentucky's agriculture calendar.

Every year at the Beef Expo, Kentucky cattlemen show and sell some of the best cattle in the country to buyers looking to upgrade their herd genetics or take home a show project. This event is truly the place for the beef industry on the first weekend in March.

Over the years, we've seen ups and downs in the beef cattle market and 2020 was no exception. The coronavirus brought incredible pressures on our food and agriculture sectors and had negative effects on market prices. In many ways, we are still fighting with some of the effects of those pressures, including long waitlists and backlogs at meat processors across the country. For our part in Kentucky, we worked quickly through the Kentucky Agricultural Development Fund (KADF) to develop a meat processing expansion program that has dedicated more than \$3.5 million of tobacco settlement and CARES Act dollars. While a lot of work remains, I believe that these investments are critical to the future of Kentucky, the largest beef cattle state east of the Mississippi River.

In addition to our work to support our cattle industry during the pandemic, the Kentucky Department of Agriculture (KDA)'s Office of State Veterinarian continued working with USDA, Kentucky's two veterinary diagnostic laboratories, and private veterinary practice to protect Kentucky livestock and poultry from foreign animal diseases and eradicate disease outbreaks. We also welcomed a new state veterinarian in Dr. Katie Flynn and a new deputy state veterinarian in Dr. Alex Hagan. Odds are you may see them here at the Beef Expo and I hope you will make them feel welcome in their new roles. And critically, our Division of Shows and Fairs continued supporting shows like this one all through the pandemic. Please join me in thanking them.

More so than usual, a lot of work went into making this event possible in this year. Be sure to thank the hardworking Kentucky Venues staff when you see them. However, the best way you show your gratitude is by following public health guidelines while at the Exposition Center. We appreciate you helping us make the Beef Expo safe.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo. If I or any of my staff can be of service to you, please don't hesitate to ask.

Sincerely,

Dr. Ryan F. Quarles

Welcome to the 2021 Kentucky Farm Bureau Beef Expo

As we celebrate the 35th year of the Kentucky Farm Bureau Beef Expo, we pause to remember all our farm families who have been affected by the COVID-19 pandemic over the past year.

It has been a tough one for many of us in the agriculture industry. But it has also been a time to seek new opportunities and be reminded of the blessings we still enjoy. One of those many blessings includes the wonderful cattle industry we have in this state.

Because of the hard work and dedication shown to this sector by producers throughout the Commonwealth, we are proud to know Kentucky has become one of the top beef cattle producing states in the country, and certainly the largest east of the Mississippi.

The Kentucky Farm Bureau Beef Expo is a premiere showcase of some of the best beef cattle anywhere, and an indicator of the quality cattle being produced in this state; a sector which represents 12 percent of the state's overall farm cash receipts of \$5.5 billion.

We hope your time spent at this year's Beef Expo is productive whether you have come to show, sell, or spectate, and we look forward to another great year as one of the premiere beef cattle marketing events in this region of the country.

Sincerely,

Mark Haney, President
Kentucky Farm Bureau

- Don't miss this show prospect. Harmony combines it all: stylish profile, deep-sided, structurally sound, goggle-eyed and a phenomenal set of EPDs. This is the first female progeny of TF Home Lady 846 361 that we have offered for sale. The females in this family are easy fleshing and have perfect udders as cows. They consistently produce the best calves year after year.

- Hennessy has show cow written all over her. Long-necked, huge middle and sound-made that will be competitive this summer. Her mother is moving her way up in the donor pen extremely fast and we should be keeping her first heifer, but we wanted to offer our best. Stay tuned to the Rockin C Facebook page a few weeks before the sale for an updated photo and video.

- Hattie is a neat-marked, stout-made heifer out of a Cash flow daughter. We think H27 will have a lot of success in the show ring and make an even better cow. Her sire, Mighty 7850, is doing great things for the Upstream program and think he will have a huge impact on the Hereford breed. - Her Majesty is a dark cherry red, goggle-eyed looker straight out of the replacement pen. She is marked just like her maternal grandsire, TwentyTwelve, who topped Ned and Jan Ward's bull sale in 2014. Her demanding presence will make her the princess of your show barn and the queen of the pasture when you put her into production. She is powerful from the ground up and big-hipped just like her sire, Captain Call, who was the Champion Hereford Bull at the 2016 State Fair and has sired several high producing females for us.

- Heart of Gold is sure to catch your attention and melt your heart; she is a fun combination of pigmented eyes and a touch of chrome. She is a maternal sister to the \$17,000 Brogan Brunt in the Show Time spring 2019 sale. We only bring you this opportunity to acquire a direct daughter for the stand-out donor, GEF Golden Lady 2558, because we already have her flush mate in production. - Womack Southern Lady 0215 is an October heifer calf with many attributes. She is very complete, big-boned, square-hipped, nice-bodied and structurally correct. As a fall heifer calf she has an extra year of eligibility in the show ring. She is from the same cow family as the many-time champion, Womack Lady 8401, who recently won Champion Cow/ Calf at the 2020 Kentucky State Hereford Show. Also, Womack Lady Rita 9247 was Grand Champion Female at the Kentucky State Hereford Show. With this maternal influence through PGD R Sweet Red Wine and her dam being out of Remitall Online/ P606, this heifer is the complete package.

- For someone looking for a heifer that is going to add bone and length to their herd, this heifer will do the job. We have kept a lot of these heifers out of our herd bull and have been completely satisfied with the outcome. Will have breeding information by sale day or feel free to give a call and ask for more information.

- This is a tough one to see leave the farm! Since birth she has been a favorite but you can't keep them all. We got blessed with two Dante heifers and my son chose the other one to keep so this one is up for grabs for a junior to take out and have some fun! She is deep-bodied, dark red, pigmented and just altogether a nice lady! Out of a great uddered mother. Make a point to bring your young showman by to look at her!

- This heifer needs to be in the hands of a beginner showman this summer for the show season. Best temperament in the barn by far! Gave me no trouble from day one as to getting halter broke and ready for showing. She's got plenty of length to her and carries herself very well. Any junior would have a blast with this girl.

- We decided this year that we wanted to put something in the Kentucky Beef Expo and what a better way to offer our first heifer at live auction than this one here. She's a UPS Sensation 2296 out of a cow I purchased a few years back from the Cottage Hill program that was very successful in the ring from the local to national level. The true dimension, foot shape and mass this heifer possesses, she will certainly dominate in the show ring and in the pasture field.

- Pageant is an elegant female bred for maternal excellence, yet possesses all of the bells and whistles to be a star on the tanbark. She is beautifully fronted, square-hipped and structurally sound. She is one with loads of charisma that grabs your attention. The Boyd Next One daughters have gone on to be highly maternal cows, so she should develop into a front pasture cow when her show career is over.

- Alexandra was the calf at side of the Keystone National Champion Cow/Calf Pair for us in 2019. Individually, she was second in a large, competitive class at that same show. She has developed into an outstanding female ready to follow in her mother's footsteps. She is moderate framed, nicely fronted and structurally sound from the ground up.
- Sells safe in calf to UHF 8Y Home Boy U14G, with a due date of April 22. An outstanding set of EPDs complement her phenotype and eye appeal. Visit www.ullmanherefords.com and follow us on Facebook.

- Arthur 0202 is the first fall bull calf we have offered at this sale and he is a herd bull in the making. His carcass data coupled with his style makes him a home run hitter. Arthur is stout-made with plenty of middle. He is out of our famed 95Z donor cow. A really bright future comes with this young bull.

56 Two Polled Hereford Plates

- Proceeds from the sale of their lot go to the Kentucky Junior Hereford Association

Terms and Conditions

- Terms:** Terms of the sale are cash. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids.
- Purchase:** Each animal will be at the purchaser's risk as soon as sold and can be moved after settlement has been made. The animal can be left in the West Wing for 24 hours at the purchaser's risk of loss or injury.
- Health:** All cattle will have health certificates that will enable them to be shipped to any state.
- Consignor's Responsibility:** The seller is the responsible party for all representations made about his cattle. The management of the sale assumes no liability, legal or otherwise, but will endeavor to protect the interest of both the buyer and the seller.
- Changes:** Changes in these conditions will be binding only when reduced to writing and signed by the seller, buyer or clerk of the sale. Verbal agreements result in misunderstanding and the above rule is made to avoid such. Any changes in breeding dates will be announced sale day. Announcements from the sale box take precedence over anything printed in this catalog.
- Papers:** The certificates will be transferred to the buyer at the seller's expense. All calves born after the sale are to be registered by the purchaser. No AI certificates are furnished.
- Note:** As the sale manager, Kentucky Hereford Association is only an agent for the seller and has no responsibilities other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the owners of the consigned cattle nor the Kentucky Hereford Association assumes liability, legal or otherwise, for any accidents which may occur.

GRASSROOTS INSURANCE EDUCATION ADVOCACY LEADERSHIP SERVICE

**Advocating for farmers,
because they bring more to
the table than food.**

Since 1919, Kentucky Farm Bureau has been a steadfast advocate for farm families and rural communities across the Commonwealth who are the backbone of our economy and our way of life. As we move forward into our second century of service, we will continue to ensure the challenges and issues facing Kentucky agriculture are addressed by our leaders in Frankfort and Washington, DC. Why Farm Bureau? Because Kentucky farmers deserve a strong and unified voice.
