Tea Break				
17:00 ~ 18:30	Campus Tour			Wendy Leung
Free				
<p>Notes: This is the first day of the two-day Summit. The idea of the Summit is a roundtable discussion among the Resource Persons, so as to help us develop insights on issues in our own respective systems. Jamil Salmi, with his broad experience with the World Bank, will present the picture he has observed as the future directions of higher education. This will be followed by a plenary discussion which extends Jamil's messages to the situations in different systems of higher education. Jouko Sarvi of Asian Development Bank will speak to the audience after Jamil's session. The afternoon session will be devoted to a two particular issues - technologies and sustainability - which pertains to dimensions which are seen as new in the realm of higher education. There will be two presentations on the global scene, and a case study in South Korea. To end the day, a campus tour is arranged.</p>
