### TERMS AND CONDITIONS

- All sale cattle have been DNA tested for IE status by Dr. Jon Beever of University of Illinois-Urbana and are guaranteed to have tested IE free. All sale cattle have also been tested negative for BVD PI.
- Each animal will be sold to the highest bidder without reservation.
- The auctioneer will settle any disputes as to bidding and his decision will be final.
- Terms of all sales will be cash unless arrangements are made between purchaser and seller prior to sale.
- Individual health papers will be furnished with each animal permitting shipment to any state.
- In case an adjustment is required, it will be made with a replacement animal of equal value to the animal in question or credit on the purchase of another animal.

No adjustments will be made after nine (9) months of sale day on any animals.

- The animal becomes the property of the purchaser as soon as sold but it shall be the responsibility of the seller to see that animals are properly cared for until delivered to the purchaser.
- Any death or injury after the animal is sold is at the buyer's risk.
- Anyone attending this sale attends at their own risk and without liability on the part of the owners or their employees.
- Corrections or additions of any information contained in the sale catalog will be announced from the auction stand and will take precedence over any printed material.

# VIEW HOLDEN HEREFORDS SALE LIVE ON SATELLITE TV WITH SUPERIOR

## HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We prefer for each of you to be in attendance on sale day. Realistically, we know there will be some scheduling conflicts and distance limitations. In these cases, we have arranged for you to be able to participate in the sale on an absentee basis.

If possible, you can come by and evaluate the animals prior to sale day. If distance is a problem, we can also provide you with a DVD of all the cattle for home viewing. All of the lots in the sale will be available for viewing online prior to sale day at [www.superiorlivestock.com](http://www.superiorlivestock.com) as well.

Customers tell us that the video does a good job of showing conformation, structural correctness, and how the cattle travel, etc. Our sale book, with complete data on each animal, is very helpful. Please feel free to call us with questions. In addition, there will be qualified persons on hand sale day to evaluate the bulls and answer any questions you might have.

## HERE'S HOW IT WORKS

Please call Superior Productions at **1-800-431-4452** and **pre-register for your buyer's number**. At that time they will give you the bid line number that you will use on sale day to place bids over the phone.

The sale will be broadcast via satellite. Also, Superior Productions now offers the convenience of participating on sale day by following the auction on the internet at [www.superiorlivestock.com](http://www.superiorlivestock.com). Regardless of internet connection, you will be able to view the

same video feed as seen on the satellite. The bidding process is the same – follow the auction on the internet and call the bid line number to place your bids.

Bidders who are successful in making purchases via satellite or internet will be contacted by Holden Herefords after the sale to settle payment and shipping arrangements.

# VIEW AND BID HOLDEN HEREFORDS SALE LIVE ON THE INTERNET

Real-time bidding is available via the internet for this sale. Live audio and live video will allow buyers to bid on animals just as if they were present at the sale. Buyers must create an account prior to the sale. Please visit <http://www.LiveAuctions.tv> to create an account and request a buyer number. Instructions are available at <http://www.LiveAuctions.tv> to walk you through the account setup process.

Web Address:

<http://www.LiveAuctions.tv>

LiveAuctions.tv, e-mail address:

[brad@LiveAuctions.tv](mailto:brad@LiveAuctions.tv)

**Buyers who would like to bid via the internet must register with LiveAuctions.tv two days prior to the sale.**

# LiveAuctions.TV

# Welcome to Holden Herefords

This is our invitation to you to attend our 42<sup>nd</sup> annual production sale.

Once again, we are pleased to offer an outstanding set of bulls that are uniform and predictable in quality, type, and breeding. This group represents the top 70% of our 2007 calf crop. They are a balanced trait set of bulls that combine thickness, performance, pigment, maternal, fleshing ability, carcass, disposition and moderate birthweight. Their average EPD's are BW +2.9 WW +50 YW +81 Milk +20 M&G +45. They will sell with complete performance and ultrasound data and have all been DNA tested IE free and tested negative for BVD PI. As always, all sale cattle sell fully guaranteed.

Our cow herd is Line One in breeding. We purchased our first Line One cattle over 50 years ago. Since then we have purchased and used many top sires from the Miles City Research Station. We have also exchanged and purchased top herd sires from Cooper Herefords. We have also selected top herd sire prospects from our own herd every year.

We were one of the first members of the Montana Beef Performance Association when it was organized in 1956 and were very active in it until it was dissolved. We have been involved with the TPR program of the American Hereford Association and are active participants in the Whole Herd Reporting Program. These records have been very important in selecting and maintaining the performance and quality of our cattle.

We have a severe culling program for our mother cows. We cull on performance, fertility, soundness, udder quality, and milk. Our cattle are the product of many years of selection for these traits. Our cowherd is our pride and many of the top cows in the breed have come from our ranch.

We have stayed with a strong performance, multi-trait line breeding program to enhance the predictability of our cattle for our customers. Our focus has always been on stacking generation after generation of the traits that add value to our customer's bottom line. A line breeding program can only succeed if you continually add cattle with superior genetics to it. The advantage of our program is the uniformity and predictability it provides along with the heterosis that can be generated by an

outcross within the breed or between breeds. These bulls have generations of bred in performance and will pass these traits on to their progeny consistently.

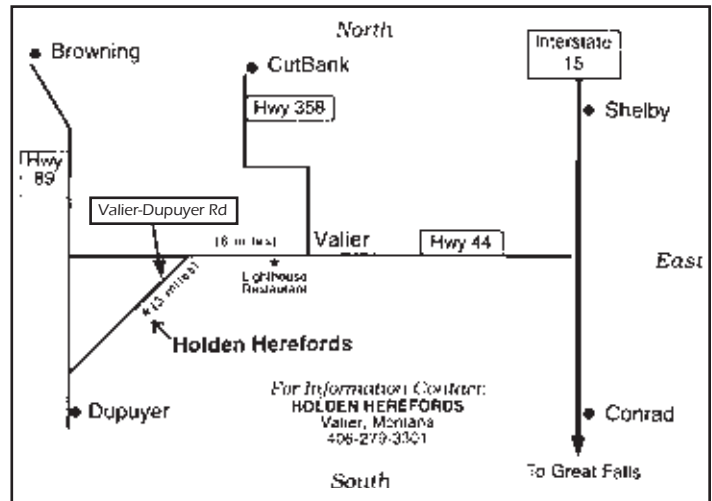

The sale bulls and heifers and the cowherd will be on display March 8<sup>th</sup>, 9<sup>th</sup>, and 10<sup>th</sup> for your inspection. Lunch and snacks will be provided on both March 9<sup>th</sup> and sale day. There will be a social hour and dinner at the Lighthouse Restaurant on March 9<sup>th</sup> from 6:30 to 8:00 p.m. Please come and be our guests.

**We are excited to again be broadcasting our sale live on Superior Productions on RFD-TV on DirecTV Channel 379 and Dish Network Channel 231. We will start selling cattle promptly at 12:30 p.m. to try and get all the lots through in our allotted time. DVD's of the sale cattle will be available through us or Superior. Please contact either one of us and we will be happy to send one out to you. This year we have also added live sale viewing and bidding on the internet with LiveAuctions.tv. Details on how to participate with either Superior Productions or Live Auctions can be found on the inside front cover of our catalog.**

Thank you for your interest in our program. Please feel free to stop by and inspect the cattle at any time, and if we can help you out in any way, please give us a call.

Jack & Tresha Holden  
Jay D. Evans

## SALE LOCATION

**Holden Herefords** is 9 miles west of Valier on the cutoff road to Dupuyer. Take Highway 44 for 6 miles and then the left-hand fork off high-

## TRAVEL AND ACCOMMODATIONS

## DELIVERY

We are offering free delivery to central points within  
1,000 mile radius of our ranch on all purchases totaling  
\$4000 or more.

## ABSENTEE BIDDING

Anybody wishing to bid that cannot attend the sale or participate on the phone with Superior Livestock may place a phone bid by contacting any listed sale representative, Jack Holden, or Jay D. Evans. DVD's of the sale cattle will be available. Please contact us for more information.

In the 1st year of a controlled study at Harris Ranch Beef Co. and Lacey Livestock in California that measured the impacts of crossbreeding, Hereford influenced steers and heifers showed a \$78 advantage over their straight Angus counterparts from birth to slaughter. With input costs continuing to rise and producer margins narrowing, can you afford not to use a Hereford bull on your Angus cows?

♦“5212” was the high selling bull in our 2006 sale at \$27,500 for ½ interest. He exhibits tremendous length of body, muscle expression, and eye appeal and combines it with a powerful set of EPD's that rank him in the top 20% of the breed or better on 7 different traits. His dam is one of our premier donor cows and has already produced over \$100,000 worth of progeny. Owned with Nunnally Farms, GA. 4 powerful sons sell!

## Sale Bulls

This group of sale bulls are the top 80 head out of 115 bull calves born in 2007. They are an outstanding group combining tremendous individual performance with powerful EPD's and phenotype. They are extremely uniform in type and kind and the depth of quality throughout the whole group is outstanding. The average EPD's on this group of bulls is BW +2.9 WW +50 YW +81 MM +20 M&G +45. Breed average is BW +3.6 WW +40 YW +67 Milk +16 M&G +36. 85% of the sale bulls are breed average or below for BW EPD with no bull being above a +4.5 BW EPD and well over 92% of the sale bulls are breed average or above for WW and YW EPD's. 95% of the sale bulls are breed average or above for M&G EPD's. The bulls were again developed out on the CHS Feeds ration called Bull Challenger. It is a low energy, high fiber pellet that we have used for the last 14 years. The bulls gained 3.46 lbs. a day on a 125 day gain test and have an average adj. 365 day weight of over 1300 lbs. They had an average actual weaning weight of 712 lbs. on August 14, 2007.

♦ "7026" is one of the top herd bull prospects in the sale. He is a 3/4 brother to last year's high selling bull and a maternal brother to our 4140 herd sire. He is out of the 5161 bull that sold for \$17,500 to Nunnaly Farms and James Thompson in our 2006 sale. He has great EPD's across the board and backs it up with powerful individual performance. He is a well marked bull with extra volume, length, and eye appeal. His dam has produced over \$100,000 worth of progeny in just 3 years.
