2016 LCMS National Youth Gathering

July 14-21, 2016 New Orleans, LA.

In Christ Alone
LCMS YOUTH GATHERING

**Thank you to
our NYG Adult
Leader Team.
You made this
event great!**

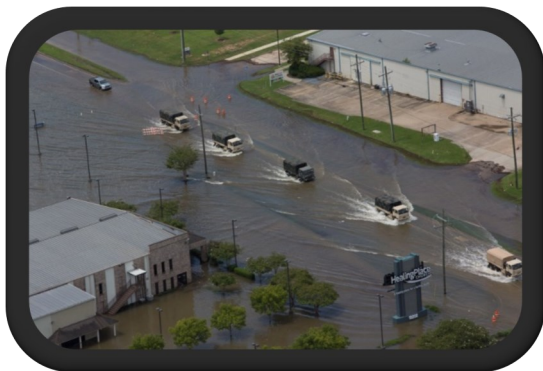

My favorite part of the National Youth Gathering was the mass events. It was so inspiring to worship with 25,000 other youth my age. It was so cool to see all of us worshipping the Lord together. –Carrie Thomas

“An incredibly touching moment for me was during the first mass event. The last song that we sang was “In Christ Alone”, and it was so touching to hear 29,000 other voices praising God, without any shame or embarrassment. It was so empowering and encouraging.” –Anna Fiegenbaum

"Operation Restoring Hope"

The United States government declared a major disaster for the state of Louisiana on Aug. 14 after days of rain caused massive flooding that killed at least 13 people and damaged about 40,000 homes.

October 15-16, 2016
2PM Sat. to 1PM Sun.

Disaster Response for Louisiana flooding is on going within the Lutheran Church Missouri Synod.

Please join us to support these fundraising efforts.

An informational meeting will be held September 25th at 7 pm.

NEW SPONSOR CHILD, LUCIA!

We are excited to announce that our Youth Ministry offerings from Wednesday night Bible study and Sunday morning Bible Class will now go to support Lucia, from Palencia, Guatemala!

Lucia lives with her parents, 1 sister, and 1 brother. Her parents struggle to provide for the family. Her father is a construction worker. Despite their efforts, it is difficult to meet the family's needs. Lucia is growing up in a poor community in the Latin American country of Guatemala. Homes may be made of clay bricks with tin sheets or of bamboo cane with straw roofs, depending on what is available. Families survive on corn, beans, eggs and milk or whatever homegrown food is available. Our sponsorship commitment will help provide Lucia and her community with better health thanks to clean water, vitamins, and education in disease prevention. Families will benefit from nutritious food as farmers are trained how to produce improved crops and keep their livestock healthy. Youth will receive vocational training, and hygiene education

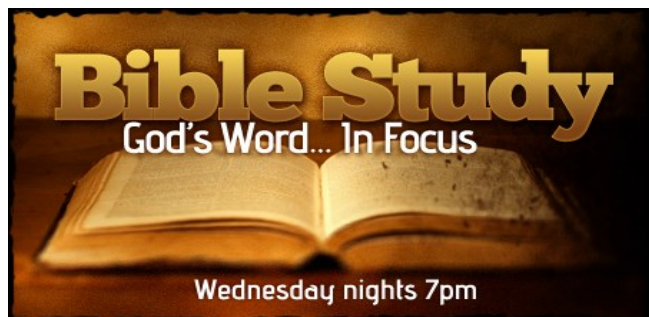

Thank You to all those who helped staff the stand this year. Despite the rain, we raised \$7834. The funds from this event help subsidize fees for youth activities. We hope to see you there again next

Wednesday Night Bible Study

On Wednesday nights from 7-8:30pm our Senior Youth will spend time in praise and worship, prayer, study, and fellowship. This fall we will study the book of Exodus and see how God's powerful and protective hand was with His people. Then as we look at the climax of events in Exodus we will relate them to the climatic

Sunday Morning Bible Class

"New Rules for Love, Sex and Dating"
On Sundays at 9:45am our high school youth meet together in "The Lighthouse" to set aside part of our week to focus on Christ's love and His impact in our lives. This fall we will look at the challenges, assumptions, and land mines associated with dating in the twenty-first century. This study will involve a four-part video series by Andy Stanley and a number of important, but at times difficult, discussions about what God

2016 Kansas District Summer Camp

Trevor Shreve: This year marked my fourth year going to LVR, and each year I develop new relationships with people. One of my favorite parts is reconnecting with people I met from previous years and making new friends.

Austin Boles: LVR is probably my favorite part of my year. I have gone the last four summers, and every year I grow more. LVR is a great opportunity to meet other Christian youth who live throughout Kansas, while being in the beautiful atmosphere of Colorado.

Summer Safari 2016

Be Transformed
Summer Safari 2016
Romans 12:2

We were transformed through the fun week with Bible studies, exciting summer games, crafts that will last for years, and servant events that impacted the community.

Thank you to all the High School youth that helped make this event a success!

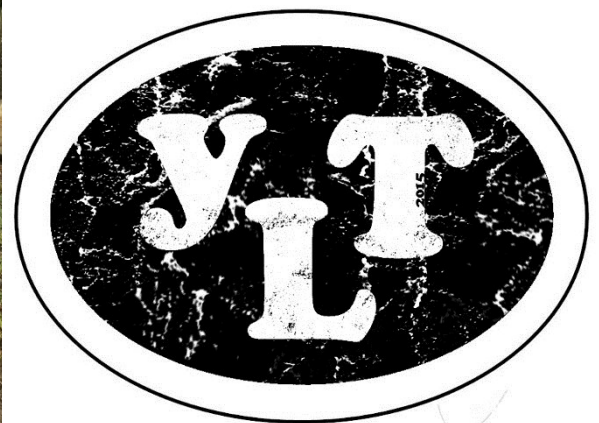

Kevin 2.0 Mathison

Welcoming, loving, and built on Christ are the things that come to mind when thinking of y'all. The love that was shown to me during my time here really did make me feel at home in Wichita. I am beyond grateful for the opportunity at growth which I was given this summer. The opportunity included leading Bible studies, attending summer camps, staying up all night at lock-ins, doing awesome science experiments at Summer Safari, & even some occasional office work! This summer was nothing short of amazing. God sure is the best travel planner! God's blessings to all of you as you continue your mission

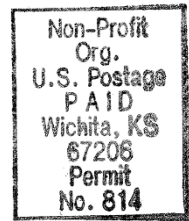

The Youth Leadership Team, or YLT, had an awesome start to the new year with their training. That training took place at the Middle School Retreat earlier in August and the 9 members did a great job preparing to work with the Middle School Youth.
