Welcome to MORE THAN Home Choice Insurance

Thank you for taking out a policy with MORE THAN and for choosing us for your home insurance.

Our Home Choice Insurance policy takes care of many of the things life can throw at you. For example, if you have our Primary Contents or Buildings cover, you will be covered for fire, storm, flood, theft, escape of water and other similar causes. If you chose our Upgraded or Accidental Damage cover you have wider protection to cover the contents in your garden up to £2,000 or accidental damage to your contents, and accidental damage to your buildings including underground pipes or cables.

As a home owner, it is important that you regularly maintain your property keeping it in good condition and in good repair. And if you're planning on making any home improvements such as a loft conversion or adding any room space, let us know so we can ensure you're properly covered.

Of course, we hope you don't ever need to make a claim. But, if you do, you can rest assured that you will enjoy an excellent service from our team of claims specialists.

Then, if an emergency occurs and you need urgent repairs, you have access to our extensive list of emergency repairers – plumbers, carpenters, locksmiths and more. They're all available 24 hours a day to deal with emergency repairs.

But first things first – we want to help you understand your home insurance policy. Legally we need to make sure you're aware that the information you've given us is part of your insurance contract with us. Your Policy and Schedule and additional Policy Wordings provided with Legal Services and/or Home Emergency cover are evidence of that contract, so please read them carefully to ensure that your cover is exactly what you need, and keep them in a safe place.

To help you understand everything you need to know about the protection your policy offers and the extent of your cover, you'll see these headings appear on many of the pages:

WHAT IS COVERED	WHAT IS NOT COVERED	Primary Contents/ Buildings Cover	Upgraded Contents/ Buildings Cover (optional)	Accidental Damage Cover (optional)	Upgraded Contents/ Buildings Cover with Accidental Damage
These sections give detailed information on the insurance cover provided. You need to read it with 'What is not covered' at all times.	These sections will make it clear what is not covered under your policy.				

Six steps to a more secure home

Follow the tips in this security guide to help make your home as secure as possible.

Some of our customers are required to meet all six security precautions shown below. If this includes you and you don't take these precautions, there is a risk you may not be insured against theft.

Important information for new customers

If you live in an area where the number of burglaries is higher than average, if you have recently been burgled or if the value of contents in your home is high, you will need to take all six security measures shown below.

The letter you received with this document tells you more about this, but the most important thing to remember, is you must take all six precautions within 45 days of the start of your policy.

Important information for existing customers

If you move home, add contents cover, increase the value of contents in your home, or you make a theft claim, you too may need to take all six security measures shown.

The letter accompanying your schedule at this time will clarify any security actions you need to take. You will have 45 days from the date in which your circumstances change or from your renewal date if you have made a claim, to put these measures in place.

You must make sure all doors and windows are locked when you leave your home and when you go to bed – any one of the locks shown will do. There's no need to lock the windows of the rooms you sleep in.

Even if these security precautions are not a requirement of your policy, we would still recommend you take these measures to improve the security of your home.

For more information on any of the locks mentioned, speak to your locksmith, a member of the Master Locksmith's Association, or visit www.locksmiths.co.uk.

Your policy

We know insurance policies can be difficult, so below you will find some information to help you understand and use your policy.

We have tried to make this booklet easy to read. However, we have still had to use some words that have a special meaning. These are listed and explained on page 7 'Definitions'. From now on wherever a word with a definition is used it will be printed in **bold** type.

The basics

Your Policy is in two parts – this booklet and the Schedule.

This booklet tells **you**:

- Exactly what is covered and what isn't
- How to make a claim and how **we** will settle that claim
- **Our** obligations to **you**
- The terms and conditions **you** must comply with.

Your Schedule shows:

- The sections of the policy that apply to **you** and the dates from which cover is in force
- The various limits and sums insured that apply to **your** cover
- Any special terms that apply to **your** policy
- **Your** premium
- **Your** name and the address of the **home** to be insured
- **Your** policy number.

We want **you** to understand and be satisfied with **your** insurance policy, so please take a careful look through both this booklet and Schedule to make sure you're familiar with all the help we can offer. Then keep them together in a safe place.

We will send **you** a new Schedule whenever you or we make a change to this insurance and each year shortly before your policy is due for renewal so **you** can check the cover still meets **your** needs.

Simply check **your** Schedule to see which sections of this booklet apply – the 'Contents' page on page 2 will then direct **you** to the relevant pages.

What is covered by your policy is shown on the left-hand side of the page in the white column. What is not covered by **your** policy is shown in the green-tinted column on the right.

Page 7 tells **you** how to make a claim, and **you** should also read the general conditions and exclusions on pages 23–25.

If you have any questions, please call the Customer Service Line 0330 102 3627.

Guidance when making a claim

Claim notification

Conditions that apply to the policy and in the event of a claim are set out in **your** policy booklet. It is important that the **insured** complies with all policy conditions and **you** should familiarise yourself with any requirements.

Directions for claim notification are included under claims conditions. Please be aware that events that may give rise to a claim under the insurance must be notified as soon as possible although there are some situations where immediate notice is required. Further guidance is contained in the policy booklet.

Claims conditions require **you** to provide **us** with any assistance and evidence that **we** require concerning the cause and value of any claim. Ideally, as part of the initial notification, **you** will provide:

- **Your** name, address, and **your home** and mobile telephone numbers
- Personal details necessary to confirm **your** identity
- Policy number
- The date of the incident
- The cause of the loss or damage
- Details of the loss or damage together with claim value if known
- Police details where applicable
- Names and addresses of any other parties involved or responsible for the incident (including details of injuries) and addresses of any witnesses.

This information will enable **us** to make an initial evaluation on policy liability and claim value. **We** may, however, request additional information depending upon circumstances and value which may include the following:

- Original purchase receipts, invoices, instruction booklets or photographs, bank or **credit card** statements, utility bills, pre-purchase surveys, or plans or deeds of **your** property
- Purchase dates and location of lost or damaged property
- For damaged property, confirmation from a suitably qualified expert that the item **you** are claiming for is beyond repair

Where **we** have asked **you** for specific information relevant to **your** claim **we** will pay for any reasonable expenses **you** incur in providing **us** with the above information.

Sometimes **we**, or someone acting on **our** behalf, may wish to meet with **you** to discuss the circumstances of the claim, to inspect the damage, or to undertake further investigations.

Preferred suppliers

We take pride in the claims service **we** offer to **our** customers. **Our** philosophy is to repair or replace lost or damaged property, where **we** consider it appropriate, and **we** have developed a network of contractors, repairers and product suppliers dedicated to providing claim solutions.

Where **we** can offer repair or replacement through a preferred supplier but **we** agree to pay **our** customer a cash settlement, then payment will normally not exceed the amount **we** would have paid **our** preferred supplier.

Here's what you should do in an emergency

- First of all, take any immediate action necessary to protect **your** property from further damage, such as switching off the gas, electricity or water.
- Then call our 24 hour Emergency Repair Helpline. **We** have a team of Emergency repairers on hand to rush round and make urgent repairs. Even on Christmas Day, if **you** need an emergency plumber, **we'll** make sure **you** get one.
- Check that **your** claim is covered by your policy. Each section of **your** policy booklet contains details of what is insured, what is excluded and how claims are settled. **You'll** also find Conditions and Exclusions on pages 23–25. **Your** policy does not cover **you** for maintenance of **your** property or damage caused by wear and tear.
- Call the Claims Helpline to let **us** know about **your** claim. If more major work is needed, and is covered by **your** policy, **we'll** then meet **your** claim in the usual way.
- Please don't throw away any damaged items involved in **your** claim before **we've** had a chance to inspect them.

If you have any questions, please call the emergency repair helpline 0800 300 684 (Lines are open 24 hours, 7 days a week).

If **your** call relates to a claim under **our** Home Emergency cover policy, please call the helpline number shown on the back of **your** MORE THAN Home Emergency cover policy booklet.

Important Information

The insurance contract

This policy is a legal contract between **you** and **us**. The policy wording and schedule make one document and must be read together. Please keep them together.

The contract is based on the information **you** gave **us** when **you** applied for the insurance.

Our part of the contract is that **we** will provide the cover set out in this policy wording:

- for those sections which are shown on **your** policy schedule;
- for the **insurance period** set out on the same schedule.

Your part of the contract is:

- **you** must pay the premium as shown on **your** schedule for each **insurance period**;
- **you** must comply with all the terms and conditions set out in this policy.

If **you** do not meet **your** part of the contract, **we** may turn down a claim, increase the premium or **you** may find that **you** do not have any cover.

There are conditions of the insurance that **you** or **your** family will need to meet as **your** part of this contract on pages 29–31. The conditions set out the changes in circumstances that could affect **your** cover and when **we** would cancel **your** policy. Please take the opportunity to read the Policy Conditions.

Home Emergency Assistance Part 1

This section explains the protection provided by Home Emergency Assistance subject to any limits shown in this booklet and on **your** schedule. This section is automatically included in **your** policy.

Home Emergency Assistance does not cover everything which **you** might regard as an emergency. It does not cover

normal day to day household maintenance or repairs which need to be carried out periodically, such as descaling water pipes or curing leaking taps.

The most **we** will pay for any one claim including the cost of the repair, parts, call out charges, alternative accommodation and VAT is £200.

WHAT IS COVERED

Home Emergency Assistance only covers **you** against the costs of certain household situations, which **you** will find described in covers 1-5.

We will pay the cost of the repair, parts and call out charges for work undertaken at the address shown on the schedule by a tradesman authorised by **us** to carry out temporary or permanent repairs for covers 1-4, which if not dealt with immediately upon discovery will make the **home** unsafe or insecure for **you**, cause damage to the **home** or its contents, or result in the **home** losing its main source of electricity, lighting or water (hot or cold).

If a permanent repair is necessary, the authorised tradesman will carry it out provided the cost of the permanent repair is within the Home Emergency Assistance limit. This cover may not provide the cost of full repair or replacement.

An authorised tradesman is approved and instructed by **us** and is competent to provide domestic repair services appropriate to the situation. Payments will be made directly to **our** contractor.

WHAT IS NOT COVERED

- Any incident not reported to **us** within 48 hours of discovery.
- Any incident which occurs during the first 7 days following the start of your Home Emergency Assistance cover.
- Garages (unless integral or attached to the **home**), sheds, greenhouses, any other outbuilding which is not designed to be permanently lived in.
- Land belonging to the **home**.
- Gas leaks.
- Any subsequent repairs for the same damage or system.
- Permanently replacing or removing paths or driveways in order to deal with the emergency.
- Any repair arising from circumstances known to **you** before **you** asked **us** to provide cover.
- Any system, equipment or facility having reached the end of its expected working life.
- Damage caused as a result of any system equipment or facility having reached the end of its expected working life.

 - a. Where the damage can be economically repaired **we** will pay the cost of repair.
 - b. Where the damage cannot be economically repaired and the damaged or lost item can be replaced, **we** will replace it. If a replacement is not available **we** will replace it with an item of similar quality.
 - c. Where **we** are unable economically to repair or to replace an item with an item of similar quality, **we** will agree a cash payment with you based on the replacement value.
 - d. Where **we** can offer repair or replacement through a preferred supplier, but instead **you** request and **we** agree to pay a cash settlement, then the amount will not normally exceed what **we** would have paid **our** preferred supplier.
2. For clothing, a deduction for wear and tear may be made.
3. If at the time of any loss or damage the sum insured on **contents** is less than the cost of replacing all the **contents** as new (less an allowance for wear and tear on clothing) and items cannot be economically repaired, **we** will pay the cost of replacement as new less a deduction for wear and tear.
4. **We** will not pay for the cost of replacing or repairing any undamaged part of the **contents** which forms part of a suite or part of a common design or function when the damage is restricted to a clearly definable area or to a specific part.

How we settle claims

1. **We** will pay for the cost of work carried out in repairing or replacing the damaged parts of **your** buildings and agreed fees and related costs.

Fees and related costs mean:

- Architects', Engineer's, Surveyors' and Legal fees incurred in the repair or replacement (but excluding fees incurred in preparing or furthering any claim under this policy),
- The cost of removing debris, demolition, shoring-up or propping necessarily incurred in repair or replacement.
- The cost of meeting current building regulations, local authority or other statutory requirements or conditions provided that the damaged parts of **your** buildings are repaired or replaced.

The amount **we** will pay where repairs are carried out will not exceed the lesser of:

- The cost of the work had it been completed by **our** nominated contractor or
- The cost of the work based upon the most competitive estimate or tender from **your** nominated contractors.

If the repair or replacement is not carried out, **we** will pay the lesser of:

- The decrease in market value of **your** buildings due to the damage
- The cost of the work had it been completed by **our** nominated contractor if the repair work had been carried out without delay
- The cost of the work based upon the most competitive estimate or tender from **your** nominated contractors if the repair work had been carried out without delay.

All building repairs carried out by **our** preferred suppliers and insured under the Buildings section of this policy are guaranteed for 12 months in respect of quality of workmanship.

No allowance will be made for VAT when a cash settlement is made.

2. Where an **excess** applies, this will be taken off the amount of **your** claim.

3. If **your** buildings have not been kept in a good state of repair or if the sum insured at the time of the loss or damage is less than the cost of rebuilding all **your** buildings in the same way, size, style and appearance as when they were new, including fees and related costs, **we** will pay the cost of repairing or replacing the damaged parts of **your** buildings and **we** will, where appropriate, take off an amount for wear and tear.

4. The most **we** will pay for any one claim, including fees and related costs, is the amount it will cost **us** to repair the damage to **your** buildings in the same way, size, style and appearance as when they were new, but not more than the sum insured or any limits shown on **your** schedule.

We will not pay for:

- Loss of value resulting from repairs to or replacement of damage to **your** buildings;
- Replacing or changing undamaged parts of **your** buildings which belong to a set or suite or which have a common design or use, such as a bathroom suite or fitted kitchen units, when the damage is restricted to a specific part or clearly defined area.

The maximum amount payable in respect of any one claim under paragraphs 1-10 or 12-14 is the sum insured (less any excess) shown on **your** schedule.

Sale of the home

If **you** enter into a contract to sell **your** interest in any **home** insured by this policy and, between exchange of contracts and completion of the sale, the **home** is damaged by any cause insured by paragraphs 1-10 or 12-14 (if the level of cover shown on **your** schedule for Buildings is with Accidental Damage), the purchaser shall be entitled to the benefit of this cover when the sale is completed provided the **home** is not otherwise insured by or on the purchaser's behalf.

Inflation protection

The following paragraphs do not apply where the sum insured on buildings is shown on **your** schedule as 'up to a maximum of'.

The sum insured on the buildings is the amount shown on **your** schedule adjusted in line with a recognised index. No extra charge will be made for any increase until the renewal of **your** policy, when the renewal premium will be based on the new sum insured shown on **your** schedule.

Index linking of the sum insured will continue during repair or replacement following loss or damage provided the **sum**

insured at the time of loss or damage represents the full rebuilding cost and **you** ensure that the work is carried out without undue delay.

For **your** protection, **we** will not reduce **your** sum insured if the index moves down unless **you** ask **us** to.

Please note: **You** must ensure **your** sum insured is kept up to date. If **you** extend or make improvements to **your home** – installing double glazing or adding a fitted kitchen, for example – **you** will increase its rebuilding costs, so remember to increase **your** sum insured.

How we use your Information

Your privacy is important to us and we are committed to keeping it protected. We have created this Customer Privacy Notice which will explain how we use the information we collect about you and how you can exercise your data protection rights. This Privacy Notice will help you understand the following:

Who are we?

We are Royal & Sun Alliance Insurance Ltd (RSA), we provide commercial and consumer insurance products and services under a number of brands, such as MORE THAN. We also provide insurance services in partnership with other companies.

Why do we collect and use your personal information?

As an insurer, we need your personal information to understand the level of insurance cover you require. We'll use this information (e.g. your name, address, telephone number and email address) to communicate with you and if you have agreed, to send you news and offers related to our products and services.

We need to use your information to create a quote for you, allowing you to buy insurance products from us. When buying a product from us, you'll also need to provide us with details about the items you wish to be covered by the insurance (e.g. car make and model, your home).

We may need to check information you have submitted with external companies/organisations (e.g. the DVLA, the Motor Insurance Database, credit reference agencies and criminal conviction checks.) When buying certain products, sometimes we will ask for special categories of personal data (e.g. driving offences for motor insurance, medical records in case of injury).

Once you become a customer, we'll need to take your payment details to set up your cover. This could be direct debit, credit or debit card information. To service your policy, we might contact you via our website, emails, telephone calls or post. When using these services we might record additional information, such as passwords, online identifiers and call recordings.

For some of our products, we may collect information through smart sensors to assess your insurance needs (e.g. a black box installed in your vehicle when you buy a telematics driving product, which collects and uses geo-location and driving behaviour data).

If you need to claim against your insurance policy, we will need to collect information about the incident and this may be shared with other selected companies to help process the claim. If other people are involved in the incident, we may also need to collect additional information about them which can include special categories of personal data (e.g. injury and health data).

In submitting an application to us, you may provide us with equivalent or substantially similar information relating to other proposed beneficiaries under the policy. You agree that you will bring this Privacy Notice to the attention of each beneficiary at the earliest possible opportunity.

Data protection laws require us to meet certain conditions before we are allowed to use your personal information in the manner described in this Privacy Notice. To use your personal information, we will rely on one or more of the following grounds:

- **Performance of contract:** We need to use your personal information in order to provide you with the policy (which is a contract of insurance between you and us), and perform our obligations under it (such as making payments to you in respect of a claim made under the policy).
- **Consent:** In certain circumstances, we may need your consent unless authorised by law in order to use personal information about you which is classed as "special categories of personal data".

For marketing, you will always be given a choice over the use of your data.

- **Necessity to establish, exercise or defend legal claim:** If you, or we, bring a legal claim (e.g. a court action) against the other, we may use your information in either establishing our position, or defending ourselves in relation to that legal claim.
- **Compliance with a legal obligation:** Where laws or regulations may require us to use your personal information in certain ways.
- **Legitimate Interests:** We will also process your personal information where this processing is in our "legitimate interests". When relying on this condition, we are required to carry out a balancing test of our interests in using your personal information (for example, carrying out market research), against the interests you have as a citizen and the rights you have under data protection laws. The outcome of this balancing test will determine whether we can use your personal information in the ways described in this Privacy Notice. We will always act reasonably and give full and proper consideration to your interests in carrying out this balancing test.

Where else do we collect information about you?

Where possible, we'll collect your personal information directly from you. However, on occasion we may receive details about you from other people or companies. For example, this might happen if:

- It was given to us by someone who applied for an insurance product on your behalf (e.g. an insurance broker, a family member) where you have given them the permission to do so; or
- It was supplied to us when you purchased an insurance product or service that is provided by us in partnership with other companies; or
- It was lawfully collected from other sources (e.g. Motor Insurance Database, Claims and Underwriting Exchange or fraud prevention databases) to validate the information you have provided to us.

We request those third parties to comply with data protection laws and to be transparent about any such disclosures. If you would like some further information, please contact us.

Will we share your personal information with anyone else?

We do not disclose your information outside of RSA except:

- Where we need to check the information you gave to us before we can offer you an insurance product (e.g. reference agencies);
- Where we are required or permitted to do so by law or relevant regulatory authority (e.g. financial crime screening, fraud detection/prevention);
- Where we provide insurance services in partnership with other companies (e.g. building societies, large retailers);
- In the event that we are bought or we sell any business or assets, in which case we will disclose your personal information to the prospective buyer of such business or assets;
- As required to enforce or apply this Privacy Notice, or the contract of insurance itself;
- Within our group for administrative purposes;
- As required in order to give effect to contractual arrangements we have in place with any insurance broker and/or intermediary through which you have arranged this policy;
- With healthcare providers in the context of any relevant claim being made against your policy;
- If we appoint a third party to process and settle claims under the policy on our behalf, in which case we will make your personal information available to them for the purposes of processing and settling such claims;
- With our third party service providers (including hosting/storage providers, research agencies, technology suppliers etc.);
- With our reinsurers (and brokers of reinsurers) in connection with the normal operation of our business;

Sometimes your personal information may be sent to other parties outside of the European Economic Area (EEA) in connection with the purposes set out above. We will take all reasonable steps to ensure that your personal information is treated securely and in accordance with this Privacy Notice, and in doing so may rely on certain "transfer mechanisms" such as the EU-US Privacy Shield, and the standard contractual clauses approved by the European Commission. If you would like further information please contact us.

Which decisions made about you will be automated?

Before we can offer you an insurance product or service, we may need to conduct the following activities, which involve automated (computer based) decision-making:

- **Pricing and Underwriting** – this process calculates the insurance risks based on the information that you have supplied. This will be used to calculate the premium you will have to pay.
- **Credit Referencing** – using the information given, calculations are performed to evaluate your credit rating. This rating will help us to evaluate your ability to pay for the quoted products and services.
- **Smart Sensor Data Analytics** – an insurance product that collects your information using smart sensors (e.g. in car black box) to calculate your insurance risk (e.g. driving score). This may then be used to determine your policy rewards (e.g. cash back for safe driving) and to calculate your policy renewal premium.
- **Automated Claims** – some small claims may qualify for automated processing, which will check the information you provide, resulting in a settlement or rejection of your claim.

The results of these automated decision-making processes may limit the products and services we can offer you. If you do not agree with the result, you have the right to request that we perform a manual reassessment using the same information that you originally provided. If you wish to do so please contact us.

For how long will we keep your information?

Your personal information will be retained under one or more of the following criteria:

- Where the personal information is used to provide you with the correct insurance cover, which will be kept as long as it is required to fulfil the conditions of the insurance contract.
- Where the use of your personal information for a specific purpose is based on your consent, it will be kept for as long as we continue to have your consent (e.g. we would stop contacting you for marketing purposes once you have asked us to).
- Where, for a limited period of time, we are using some of your information to improve the products or services we provide.
- For as long as your information is required to allow us to conduct fraud and/or criminal checks and investigations.

Will you be contacted for marketing purposes?

If you have agreed, we might contact you by post, email, phone and text message to let you know about offers and services we think you'll like. The messages may be personalised using information you have previously provided us.

You can ask us to stop contacting you for marketing purposes at any point.

We will only contact you for marketing purposes if we collected your information directly, except when authorised and instructed by the third-party acting on your behalf.

We may use the information which we collect about you to show you relevant advertising on third-party websites (e.g. Facebook, and Google). This could involve showing you an advertising message where through the use of cookies, we know you have browsed our products and services. If you don't want to be shown targeted advertising messages from us, you can change the advertising setting on some third-party sites and some browsers to block our adverts.

Your information is incorrect what should you do?

If you hold a product or service with us and think that the information we hold about you is incorrect or incomplete, please contact us and we will be happy to update it for you.

In each case under section 5 above, we will stop using your information unless we can reasonably demonstrate legitimate grounds for continuing to use it in the manner you are objecting to.

If you would like to request any of the above, please contact us and submit a written request, including the request reference (e.g. DSR 1), as this will speed up your request. To ensure that we do not disclose your personal information to someone who is not entitled to it, when you are making the request we may ask you to provide us with:

- Your name;
- Address(es);
- Date of birth;
- Any policy IDs or reference numbers that you have along with a copy of your photo identification.

All requests are free of charge, although for requests for the provision of personal information we hold about you (DSR1) we reserve the right to charge a reasonable administrative fee where, we believe an excessive number of requests are being made. Wherever possible, we will respond within one month from receipt of the request, but if we don't, we will notify you of anticipated timelines ahead of the one month deadline.

Please note that simply submitting a request doesn't necessarily mean we will be able to fulfil it in full on every occasion – we are sometimes bound by law which can prevent us fulfilling some requests in their entirety, but when this is the case we will explain this to you in our response.
