- R 1. **Remington Model 1889 Grade 1.** Serial #57126. 12-gauge side-by-side shotgun with 30” barrels and external hammers. Bores are dirty and may clean up. Both barrels choked modified. Action works. Metal has turned to a brown patina and is average with a dent in the left barrel. No scrolling on receiver. Wood is good and has been refinished. Original butt plate. C&R.
- R 2. **Climax Model Side-by-Side.** Serial #1719. 12-gauge side-by-side shotgun with 30” Damascus barrels, made in Belgium. Bores are good. Action works. Metal is fair with scattered rust. Fine checkered stock and forearm are average to good with some scratches and missing finish. Forearm is missing a wedge of wood. What appears to be the original butt plate is in poor condition. C&R.
- R 3. **Stevens Model 311A.** Serial #UAA1. 12-gauge side-by-side shotgun with 28” barrels choked modified and full. Good bores and action. 2.75” chambers. Double triggers and extractor. Metal is average with scratches and scattered rust. Some case coloring remains on receiver. Wood is average with finish loss, marks and scratches. C&R.
- R 4. **Stevens Model 620.** Serial #27577. 20-gauge pump action shotgun with a 28” barrel and good bore. Action works but is stiff. This is a Browning patented shotgun made by Stevens. Choke is stamped “full” but there is an “M” stamped over the “full”. Metal is average with considerable fading and minor scattered rust spots. Wood is average and extra finish has been applied. LOP is 14”. C&R.
- R 5. **Arisaka Model Type 99 Short Rifle Last Ditch.** Serial #6413. 7.7mm bolt action rifle with a 25.25” barrel and very dirty bore. Action works. Metal is fair with heavy rust. Wood is average for age. Wooden butt plate. Adjustable rear sight. Mum has been ground off. It has the cleaning rod. C&R.
- R 6. **Ranger Model Over/Under 103.12.** Serial #R5575. 20-gauge over under shotgun with 28” barrels and very good bores. 3” chambers. Choked improved and modified. Double triggers and extractors. Action works. Metal is average with scattered rust and fading. Wood is fair with heavy scratches and finish loss. Rubber butt pad added. C&R.

- R 7. **Arisaka Model Type 38 Long Rifle.** Serial #538279. 6.5mm bolt action rifle with a 31" barrel and very dirty bore that may clean to good. Action works. Metal is fair with scattered rust. Mum has been ground off. Wood is average and has been refinished. Rear adjustable sight. Includes the cleaning rod. C&R.
- R 8. **Stevens Model 5100.** Serial #D7Q. 12-gauge side-by-side shotgun with 28" barrels and fair bores. Choked modified and improved. 2.75" chambers. Metal is fair with heavy finish loss. Wood is fair to average with heavy finish loss. Action works. Double triggers and extractor. C&R.
- R 9. **Turkish Mauser Model 1903/38 (?).** Serial #30637. 8mm bolt action rifle with a 29" barrel and dirty bore. Action works. Serial numbers do not match. Metal is fair with scattered rust and wear. Wood is average and has been refinished. Adjustable rear sight. Includes the cleaning rod. C&R.
10. **U.S. Springfield Armory Model 1896.** Serial #46526. .30-40 Krag bolt action rifle with a 30" barrel and fair bore. Action works. Metal is average with some scattered rust. Wood has been refinished and is in good condition. Cartouche is visible on stock. Adjustable rear sight. Antique Firearm.
- R 11. **Mauser Model 98.** Serial #3546. 8mm bolt action rifle with a 23.5" barrel and average bore. Action works. Gun has been refinished and sporterized. Metal is excellent. Custom stock is very good. Front ramp sight and rear Williams's peep sight. C&R.
- R 12. **Remington Model 31.** Serial #1128585. 12-gauge pump action shotgun with a 28" barrel and fair bore. Choked modified with 2.75" chamber. Action works fine. Metal is good with minor scattered rust. Wood is good with some scratches and extra finish. Original butt plate. LOP is 14". C&R.
- R 13. **Arisaka Model 38.** Serial #245. 6.5mm bolt action rifle with 31" barrel and poor bore. Metal is fair with scattered rust and scratches. Mum has been ground off. Wood has been refinished and is average. Numbers match. Includes the cleaning rod. C&R.
- R 14. **Arisaka Model Type 38.** Serial #69439. 6.5mm bolt action rifle with a 31" barrel and dirty bore. Action works. Metal is good with some fading. Bolt is tarnished. Wood has been refinished and is in generally good condition. Mum has been ground. Adjustable rear sight. Includes the cleaning rod. The number "570" and cartouche are visible on the stock. C&R.
- R 15. **Remington Model Sportsman 48.** Serial #3137374. 12-gauge semi auto shotgun with a 28" barrel and good bore. Choked modified with 2.75" chamber. Metal is average with rust and wear. Wood is average with a heavy ding in forearm as well as a crack. Action works OK. LOP is 14". C&R.

- R 16. **Remington Model Sportsman 48.** Serial #3507616. 16-gauge semi auto shotgun with a 28" barrel and good bore. Choked full with a 2.75" chamber. Action works. Metal is average with some scattered rust and scratches. Checkered stock and forearm are good. Rubber butt pad. LOP of 13.5". C&R.
- R 17. **Harrington & Richardson Model Topper 48.** Serial #NSN. .410 single break shotgun with a 28" barrel and good bore. Action works. Wood and metal are fair with heavy scratches and finish loss. Barrel has rust. LOP is 14". C&R.
- R 18. **J.C. Higgins Model 101.1.** Serial #NSN. 12-gauge single break shotgun with a 30" barrel and good bore. Choked full with a 2.75" chamber. Tenite stock is average with scratches. Butt plate is missing. Metal is average with scattered rust and fading. Action works OK. C&R.
- R 19. **Remington Model 11.** Serial #185232. 12-gauge semi auto shotgun with a 28" barrel and a good bore. Barrel marked "Full Choke" but it measures out as improved. Action works fine. Metal is average with scratches, scattered rust and wear. Plain wood stock and forearm are average with finish loss and wear. LOP is 14". C&R.
- R 20. **Eddystone Model U.S. Model of 1917.** Serial #764068. .30-06 bolt action rifle with a 25.5" barrel and average bore. Action works. Front and rear sights. Metal is average with scattered rust and scratches. Custom Monte Carlo style stock is average with some scratches and wear. Rubber butt pad had been added. Includes a leather sling. C&R.
- R 21. **Savage Model 755A.** Serial #575888. 16-gauge semi auto shotgun with 26" barrel and good bore. Improved choke with 2.75" chamber. Action works. Metal and wood are poor with rust, scratches and heavy finish loss. LOP is 13.75". C&R.
- R 22. **British Model No. 4 Mark I.** Serial #17973. .303 Brit bolt action Sporterized rifle. Most of the markings have been removed from this gun by refinishing. "England" is plainly visible, along with the serial number. What appears to be "No. 4 Mk I" is barely visible on the receiver. Barrel has been cut to 21" and a globe front sight added. The rear sight is a Redfield peep sight. Action works fine. Checkered, Monte Carlo style stock with holes for swivel studs. Metal and wood are good. Action works fine but is a little stiff. Bore is dirty but should clean to good or better. C&R.
- R 23. **Ithaca Model 37 Featherlight.** Serial #680830-2. 12-gauge pump shotgun with a 28" barrel and average bore. Action works. Choked modified with a 2.75" chamber. Metal is poor with heavy scattered rust and finish loss. Wood is good with scratches. LOP is 14". C&R.
- R 24. **Mossberg Model 146B-A.** Serial #NSN. .22RF bolt action rifle with a 25.5" barrel and good bore. Adjustable rear sight and front ramp sight. Tubular magazine. Metal is fair with scattered rust. Wood is good and appears to have had finish added. Action works fine. Includes swivels. C&R.

- R 25. **Arisaka Model Type 99 Short Rifle.** Serial #60834. 7.7mm bolt action rifle with a 25.25" barrel and good bore. Action works. Metal is fair with corrosion. Wood has been refinished and is average with dings and scratches. Adjustable rear sight. Includes the cleaning rod. Mum has been ground. C&R.
- R 26. **Arisaka Model Type 99 Last Ditch.** Serial #98052. 7.7mm bolt action rifle with a 25" barrel and dirty bore. Fixed front and rear sights. Metal is average and mum has been partially ground off. Wood has been refinished and is average. Wooden butt plate. C&R.
- R 27. **Winchester Model 69A.** Serial #NSN. .22RF bolt action rifle with a 25" barrel and average bore. Action works. Metal is average with scattered light rust, scratches and finish loss. Wood is fair with heavy scratches, gouges and finish loss. Original butt plate. Front and rear sights. Includes the detachable magazine. C&R.
- R 28. **Winchester Model 1890.** Serial #13802. .22 short pump action rifle with a 24" barrel and poor bore. Action works. Metal is average and has mostly turned to a silver patina. Wood has been refinished and is average with 2 hairline cracks at wrist. A clear plastic butt plate has been added. Tubular magazine. C&R.
- R 29. **Harrington & Richardson Model Topper 88.** Serial #AX495462. 12-gauge single break shotgun with a 27.5" barrel and dirty bore that should clean to good. Modified choke and 3" chamber. Action works fine. Metal and wood are both good with light scratches. Good case coloring on receiver. Oversized rubber butt pad. LOP is 14.5".
- R 30. **Winchester Model 37 Steelbilt.** Serial #NSN. .410 single break shotgun with a 26" barrel and good bore. Choked full. 3" chamber. Metal is good with some scattered rust. Wood is good with some darkening at heel of stock. Action works fine. C&R.
- R 31. **Mossberg Model 340K-A.** Serial #NSN. .22RF bolt action rifle with a 24" barrel and good bore. Action has an issue in that it does not appear to cock. Metal is very good as is the wood. Stock has cheek plate. Rear adjustable sight and front blade sight. Original butt plate. Includes the detachable magazine and swivels. C&R.
- R 32. **Winchester Model 190.** Serial #B1898169. .22RF semi auto rifle with a 20.5" barrel and fair bore. Metal is good with some scattered rust. Wood is good with minor scratches. Action seems to work. Tubular magazine. Front and rear sights. Includes a Kmart 4x15 scope.
- R 33. **Remington Model 550-1.** Serial #NSN. .22 RF semi auto rifle with a 24" barrel and average bore. Action works. Metal is fair with heavy scattered rust. Wood is fair with scratches and missing finish. Tubular magazine. Front and rear sights. Includes a Bushnell 3x7x20 scope. C&R.
- R 34. **Winchester Model 77.** Serial #NSN. .22RF semi auto rifle with a 22" barrel and decent bore. Action works. Tubular magazine. Front and rear sights. Grooved for scope. Metal is average with wear and scattered light rust. Wood is fair with finish loss, dings and scratches. Original butt plate. C&R.

- R 35. **Stevens Model 56.** Serial #NSN. .22RF bolt action rifle with a 24" barrel and good bore and action. Adjustable rear sight as well as a rear peep sight and front ramp sight. Metal is fair with scattered rust and finish loss. Wood is average and has turned dark in areas from handling. Includes the detachable magazine. C&R.
- R 36. **Remington Model 510 Targetmaster.** Serial #NSN. .22RF single shot bolt action rifle with a 25" barrel and good bore. Metal is poor to fair with corrosion and rust. Wood is average with heavy finish loss on stock. Original butt plate. Action works. Front and rear sights. C&R.
- R 37. **Oberndorf Mauser Model Sporting Carbine Type M.** Serial #NSN. .30-40 bolt action customized rifle with a 21" barrel and good bore. Action works fine. Metal has been refinished and is in overall good condition. Full length Mannlicher-style stock with owner's name plate on bottom. Wood has been ornately carved and is in generally good condition with a few missing chips. Metal butt plate appears to be original. No serial number visible and has probably been obliterated in the refinishing process. No sights but includes a Bushnell Sportview 3x9 scope. C&R.
- R 38. **J.C. Higgins Model 20.** Serial #NSN. 12-gauge pump shotgun with a 28" barrel and average bore. Full choke and 2.75" chamber. Metal is average with scattered rust and finish wear. Wood is fair with heavy finish loss. Original butt pad. LOP is 14". Action works. C&R.
- R 39. **Marlin Glenfield Model 50.** Serial #69362917. 12-gauge bolt action shotgun with a 28-inch barrel and average bore. Choke is full. 3" chamber. Metal and wood are both good with light scratches. Rubber butt pad. LOP of 13.75". Includes the detachable magazine.
- R 40. **Mossberg Model 195K-A.** Serial #NSN. 12-gauge bolt action shotgun with a 26" ported barrel and fair bore. Adjustable choke. Front and rear sights. Metal is fair with heavy finish loss. Wood is average with scratches and dings. Trigger guard is slightly warped. Rubber butt pad with LOP of 13.75". Includes the detachable magazine. C&R.
- R 41. **Winchester Model 12.** Serial #1551475. 12-gauge pump action shotgun with a 28" barrel and Poly-choke. 2.75" chamber. Metal is good showing light spotting. Wood is good. Gun appears to have been refinished. Rubber butt pad added. LOP is 14". C&R.
- R 42. **Winchester Model 12 Featherweight.** Serial #1816487F. 12-gauge pump shotgun with a 28" barrel and good bore. Full choke with 2.75" chamber. Action works but is a little sticky. Forearm is missing a screw. Metal is fair with corrosion and wear. Wood is average with finish loss and a chip out of the pistol grip. C&R.
- R 43. **Remington Model 870 Wingmaster.** Serial #51678X. 20-gauge pump shotgun with a 28" barrel and average bore. Action works fine. Modified choke and 2.75" chamber. Metal is average with scattered rust, especially on the receiver. Wood is fair with heavy scratches and finish loss. C&R.

- R 44. **Noble Model 60H.** Serial #12G66L. 12-gauge pump shotgun with a 28" barrel and average bore. Trigger is broken and doesn't function. Metal is average with scattered rust and finish loss. Wood is average with areas of finish loss and extra finish added.
- R 45. **Stevens Model 67L Series E.** Serial #E850792. 12-gauge pump shotgun with a 28" barrel and average bore. Action works but sticks. Metal is fair with considerable scattered rust. Wood has been refinished and is average with a split at the wrist.
- R 46. **Ranger Model Over and Under 103.1.** Serial #3216. 12-gauge over/under shotgun with 28" barrels and average bores. 3" chambers. Barrels are choked improved. Metal is fair with dings, scratches and rust. Wood is poor with a major split at wrist and considerable nicks and scratches. Double triggers and extractors. Action works. C&R.
- R 47. **J.C. Higgins Model 20.** Serial #NSN. 12-gauge pump shotgun with a 22.75" barrel and a J.C. Higgins "Long Range" compensator/choke attached. Bore is average. Chambered in 2.75". Ventilated rib. Metal is good with some scattered scratches. Wood is average with scratches and wear. Action works. Rubber butt pad. LOP is 14". C&R.
- R 48. **Remington 511 Scoremaster.** Serial #NSN. .22RF bolt action rifle with a 25" barrel and fair bore. Action works OK. Metal is average with scattered rust and finish loss. Wood is average with scratches and has had finish added. Original butt plate. Includes the detachable magazine. C&R.
- R 49. **Winchester Model 37 Steelbilt.** Serial #NSN. 12-gauge single break shotgun with a 28" barrel and average bore. Choked full. 2.75" chamber. Metal is fair with rust and finish loss. Wood is fair with finish loss and wear. External hammer. Original butt plate. C&R.
- R 50. **Remington Model 581.** Serial #1276272. .22 RF bolt action rifle with a 24" barrel and good bore. Action does not work properly. Metal is very good as is the wood. Original butt plate. Front and rear sights. Includes the detachable magazine.
- R 51. **Winchester Model 67.** Serial #NSN. .22 RF bolt action single shot manual cocking rifle with a 27" barrel and average bore. Action works fine. Metal is average and is turning to a patina. Wood is fair with scratches and dings. Original butt plate. Front and rear sights. C&R.
- R 52. **Stevens Model 940A.** Serial #NSN. 12-gauge single break shotgun with a 36" barrel and average bore. Action works. Metal is average with wear and scattered rust. Wood is fair with scratches and finish loss. C&R.
- R 53. **Remington Model 512-P Scoremaster.** Serial #NSN. .22RF bolt action rifle with a 25" barrel and slightly dirty bore that should clean to good. Front ramp sight and rear peep sight. Metal is fair with scattered rust and finish loss. Wood is fair with scratches and 2 areas of heavy finish loss. C&R.

- R 54. **Remington Model 241 Scoremaster.** Serial #23623. .22 short semi auto rifle with a 24" barrel and good bore. Painted metal is poor with heavy paint loss and scattered rust. Wood is average with wear and scratches. Action seems to work. Original metal butt plate. Tubular magazine in stock. Front and rear sights. C&R.
- R 55. **Mossberg Model 9200.** Serial #SK8967. 12-gauge semi auto shotgun with a 22" barrel and accu-choke tube. Chambered in 3". Ventilated rib. Metal and wood are both good to very good with 2 gouges in the wood. Rubber butt pad. LOP of 13".
- R 56. **Browning Model Auto 5.** Serial #129033. 12-gauge semi auto shotgun with a 31" barrel choked full. Good bore and action. Made by FN, Belgium. Metal is fair, turning to a silver patina and showing wear. Wood is average with a split in the forearm and heavy extra finish. LOP is 14". C&R.
- R 57. **Harrington & Richardson Model Topper 158.** Serial #AJ208317. 12-gauge single break shotgun with 36" barrel and dirty bore that should clean to good. Full choke and 3" chamber. Metal is average with scattered rust on barrel. Nice case coloring on receiver. Wood is fair with heavy finish loss.
- R 58. **Stevens/Springfield Model 5100.** Serial #DX2. 12-gauge double break side-by-side shotgun with 30" barrels and very good bores. Choked full and modified with 2.75" chambers. Double triggers and extractor. Metal is good with some scattered rust and case coloring remaining on the receiver. Action works fine. Rubber butt pad added. Wood is average with scratches and some wear. C&R.
- R 59. **Savage/Stevens Model 311A.** Serial #NSN. 12-gauge side-by-side shotgun with 28" barrels and good bores. Choked modified and full with 2.75" chambers. Metal is average with some scattered rust. Wood is average with scratches and finish loss. Double triggers and extractor. Action works OK. C&R.
- R 60. **Boito Model Champion Side-by-Side.** Serial #69178. 20-gauge side-by-side shotgun with 28" barrels. Good bores and action. Both barrels choked modified with 2.75" chambers. Metal is good with light rust spots. Wood is good with some minor wear. Beavertail forearm and some scrolling on receiver. Double triggers and extractor.
- R 61. **Universal/Ijevsk Model IJ-58M.** Serial #K27817. 20-gauge side-by-side shotgun with 28" barrels and good bores. Choked full and modified. 2.75" chambers. Metal is good with light scratches. Scrolling on receiver. Finely checkered stock and beavertail forearm are average with some heavy scratches. Double triggers and extractor. Original rubber butt pad.
- R 62. **Winchester Model 61.** Serial #83262. .22RF pump action rifle with a 23.5" barrel and very good bore. Action works fine. Tubular magazine. Metal is good showing some wear. Wood is good showing some wear and scratches. Original metal butt plate. Front and rear sights. Includes a Bushnell Sharpshooter scope and quick release swivels. C&R.

- R 63. **Western Field Model 880A-ECH.** Serial #NSN. .22 RF semi auto rifle with a 22” barrel and good bore. Action appears to work. Tubular magazine. Front and rear sights. Metal is good with some minor rust spots and scratches. Wood is fair with heavy finish loss. C&R.
64. **Unknown Maker Model (Partial) Black Powder Pistol.** Serial #NSN. .45 caliber. This appears to be a kit gun with a 6” barrel and good bore. Front and rear sights. Nice wood frame. Brass trigger guard but no lock. Includes the ramrod.
- R 65. **Smith & Wesson Model 32 Safety 2nd Model D.A. Revolver.** Serial #141346. .32 S&W 5-shot revolver with a 3” barrel and decent bore. Action works. Top break. Metal is poor with missing finish. Plastic Smith & Wesson grips are good. C&R.
66. **L.W. Pond Model Belt Revolver.** Serial #NSN. .32 6-shot spur trigger revolver with a 6” octagonal barrel and rusty bore. Action works. Metal is poor with heavy rust and corrosion. Wood grips are average with missing finish. Antique Firearm.
67. **Italian Model Percussion Revolver.** Serial #06998. .36 caliber 6-shot percussion revolver with a 7” barrel with a slightly rusty bore. Metal is average with wear. Wooded grips are good. Action works.
68. **E.I.G. Model Navy Revolver.** Serial #3554. .36 caliber 6-shot percussion revolver with a 7.5” barrel and good bore and action. Metal is average with some light rust. Wooden grips are good. Brass frame.
- R 69. **Hunter Arms/L.C. Smith Model Field Grade.** Serial #128327. 12-gauge side-by-side shotgun with 28” barrels and good bores. Action works. Original finish on metal is mostly gone. The stock is not original and is in good condition. Original forearm is average showing wear. Butt plate is not original. Double triggers and extractor. C&R.
- R 70. **Jager Model A.P. 15.** Serial #7075. .22RF semi auto tactical rifle with a 21” barrel and good bore. Action seems to work fine. Black painted metal is average with scratches. Plastic stock, pistol grip and forearm are average with scattered scratches. Carry handle with flip-up peep sight. Includes a nylon carry strap.
- R 71. **Remington Model 870 Magnum.** Serial #A037044M. 12-gauge pump action shotgun with an 18” police cylinder plain barrel and good bore. Matte finish on metal is average with scratches. Wood is good and may have been refinished. Rubber butt pad with LOP of 13.75” Front bead sight. Includes the original box and paperwork.

72. **French/Belgian Model 1853/67 Conversion.** Serial # 13C8C8. 12 Ga. single shot shotgun. 27½” barrel with a poor bore. This is a Snider style conversion of an 1853 French Military musket and often referred to as a “Zulu”. Originally a percussion muzzle loader, most were converted to breech loading about 1867 for use in the Franco-Prussian war (1870 to 1871). After the war, most of the converted muskets were sold to Belgian arms dealers who converted them to 12 gauge shotguns by boring out the barrels and sporterizing the stock. The finish on the metal is mostly a mottled brown patina with heavy rust. Missing the lock. Brass breech loading mechanism is heavily tarnished. Wood is average with a piece missing near the lock. Antique Firearm.
- R 73. **Remington Model 700BDL.** Serial #E6845911. .22-250 Rem bolt action rifle with a 23.5” barrel and very good bore and action. Metal is average with scattered rust. Finely checkered high gloss Monte Carlo stock is good with minor wear. Adjustable rear sight and white dot front hooded sight. Swivel studs. Action works fine.
- R 74. **Browning Model Gold Hunter.** Serial #F51NV06664. 12-gauge semi auto shotgun with a 28” barrel and excellent bore. 3” chamber. Invector-Plus choke tubes. Action works fine. Raised rib. Both the metal and high gloss stock and forearm are in excellent condition. Rubber butt pad with an LOP of 14.25”. Includes the box and extra choke tubes.
- R 75. **Churchill/Kassnar Model Regent Combination Gun.** Serial#128242. 12 gauge/.223 (?) combination gun with 25.5” barrels and excellent bores. Action works but needs a cleaning. Metal is fair with scattered rust that may clean up. Silver receiver is heavily scrolled. Flip-up rear sight with ramp front sight and scope mount. 3” chamber and full choke on shotgun barrel. Wood is average showing a fair amount of wear. Rubber butt pad. Sling swivels.
- R 76. **Mossberg Model 500A.** Serial #L446259. 12-gauge pump shotgun with a 24” rifled barrel and good bore. Chambered for 3” shells. No sights but includes a cantilever scope mount on barrel. Both the synthetic stock and metal are camouflaged and are in very good condition. Action works fine. Rubber butt pad with LOP of 14”.
- R 77. **E. James Model Side Lever Side-by-Side.** Serial #5746. 12-gauge side-by-side shotgun with external hammers and poor bores. Both bores choked improved. Side lever releases barrels. Metal is poor with finish loss and rust. Stock is average with a split near the hammer. Forearm is fair with some missing wood and is loose. Scrolled receiver. Original butt plate. Action works. C&R.
- R 78. **Browning Model Invector BPS.** Serial #50065PR162. 20-gauge pump shotgun with a 28” barrel and good bore. Action works. Invector choke system. Chambered in 3”. Raised rib. Metal is average with scattered rust and scratches. Checkered high gloss stock and forearm are good with some missing finish. LOP is 14”.

- R 79. **Stevens Model 34M.** Serial #A340021. .22 Win. Mag bolt action rifle with a 20” barrel and dirty bore that should clean to good. Action works but sticks. Missing the magazine. Metal is average with scattered rust. Wood is average with scattered scratches. Front and rear sights.
- R 80. **Colt Model Frontier Scout.** Serial#129460F. .22 Mag. 6-shot revolver with a 4.75” barrel and good bore. Single action works fine. Metal is good as are the wood grips.
- R 81. **Belgium Model Top Beak Revolver.** Serial #9187. .38WCF 6-shot revolver made in Belgium. It has a 6.25” barrel with average bore. Double action works. Most of the original finish is missing. One pistol grip is missing. The other pistol grip is a Smith & Wesson missing a chip. Includes a lanyard ring. C&R.
- R 82. **High Standard Model Sentinel Deluxe R-107.** Serial #1870207. .22RF 8-shot revolver with a swing out cylinder. 4” barrel with a good bore. Double action works. Metal is average with a heavy cylinder ring and some minor rust spots. Hardwood checkered grips are very good. C&R.
- R 83. **Astra Model 200 Firecat.** Serial# 501532. 6.35mm semi auto vest pocket style pistol with a 2.25” barrel and a decent bore. Action works. Metal is poor with rust and corrosion. Plastic grips are fair with pieces missing from the left grip. Includes a leather flap holster. C&R.
- R 84. **Smith & Wesson Model 4516-1.** Serial #TED3848. .45acp semi auto pistol with a 3.75” barrel and excellent bore and action. External hammer. Ambidextrous safety. 3 dot sight. Stainless steel metal is good with light scratches. Rubber Hogue grips are good. Double action works fine. Includes a leather belt holster.
- R 85. **Glock Model 21.** Serial #BNV549US. .45acp semi auto pistol with a 4.75” barrel and excellent bore. Black matte slide in good condition with light scratches. Black synthetic frame is good. Action works fine. Includes a red dot scope mounted on gun and one detachable magazine. Rear and front sights are missing. Also includes the original case.
- R 86. **Smith & Wesson Model 37.** Serial#AAR8238. .38 spl. 5-shot revolver with a swing-out cylinder. 2” barrel with dirty bore. Double action works but is stiff. Black finish on gun is average with scattered scratches. Hammer and trigger are rusty. Rubber grips are good.
- R 87. **Garate Anitua Model Unknown.** Serial #39369. .38 spl. 6-shot revolver with swing-out cylinder and dirty bore. Patterned after a S&W Model 10. Double action works. Metal is fair with scattered rust. Wooded grips are average with rough edges and wear. C&R.
- R 88. **Bryco Arms Model 38.** Serial #103557. .380 acp semi auto pistol with a 3” barrel and average bore. Action does not appear to work. Black finish on metal is average. Plastic grips are good. Includes one detachable magazine and a holster.

247. **Thompson Center Arms Model 50 Caliber In-Line.** Serial #39514. .50 caliber in-line black powder rifle with a 28" barrel and rusty bore. Falling block action with external hammer. Fiber-optic front and rear sights. Entire gun is finished in real tree camo. Action works fine. Rubber butt pad. Includes a TRUGLO red dot scope and the ramrod. Finish is in very good condition.
- R 248. **Ruger Model 10/22 (Quail Unlimited Edition).** Serial #248-37911. .22 LR semi auto carbine with an 18.5" barrel and very good bore. This is a Quail Unlimited Edition model missing the magazine. Flip up rear sight. Drilled for scope. Metal is average with scattered rust. Wood is good with quail etchings. Action works fine.
- R 249. **J.C. Higgins Model 101.1 (940).** Serial #NSN. 16-gauge single break shotgun with a 28" barrel and good bore and action. Metal is average with some scattered rust and scratches. Some case coloring remains on receiver. Choked full with 2.75" chamber. Wood has been refinished and is very good. LOP is 12". Stock may have been shortened. C&R.
- R 250. **Ithaca Model 600.** Serial #645563. 12-gauge over under shotgun with 30" barrels choked full. Fiber-optic front sight and mid-barrel bead sight. 3" chambers. Nicely scrolled receiver. Single trigger with extractors. Raised, ventilated rib. Made in Japan by SKB for Ithaca. Metal is average showing light scattered rust and muzzle wear. Checkered wood stock and forearm are average with some heavy scratches and finish loss. Rubber butt pad. LOP is 14".
- R 251. **L.C. Smith/Hunter Arms Model Field Grade.** Serial #52492. 12-gauge side-by-side shotgun with 30" barrels and dirty bores. Barrels are choked full and modified. Double triggers and extractor. Metal is average with scattered rust and wear and finish loss on receiver. Wood is good and may have had finish added but forearm is loose. Appears to be original butt plate. C&R.
- R 252. **Franchi Model Aristocrat Skeet.** Serial #4016762. 12-gauge over under shotgun with 26" barrels and excellent bores. Both barrels choked improved. Raised ventilated rib with 2 bead sights. Action works fine. Single trigger and ejectors. Silver finished receiver is heavily scrolled. Wood and metal are both very good. LOP is 14.25".
- R 253. **Remington Model 1100.** Serial #L826970V. 12-gauge semi auto shotgun with a 30" barrel and good bore. Choked modified with a 2.75" chamber. Action works fine. Raised ventilated rib. Metal is average with some heavy rust near muzzle. Wood is good with some scratches. LOP is 14". Includes 2 extra Hastings 24" rifled barrels in average condition, one with sight.

- R 254. **Smith & Wesson Model M&P45.** Serial #MRL3926. .45 ACP semi auto pistol that owner states has never been fired. 4.5" barrel and in overall excellent condition. 3 dot sight. Lower-rail. Includes two magazines, paperwork, a lock and other miscellaneous accessories and the factory hard case.
255. **Navy Arms Model 1862 Rebel Confederate Revolver.** Serial #46385. .36 caliber 6-shot percussion revolver with a 7.5" barrel and good bore. Action works fine. Metal is good except for a rough spot on the barrel and some spotting on the cylinder. Wooded grips are very good with a few dings. Includes a factory box.
- R 256. **Ruger Model No.3.** Serial #132-37412. .45-70 falling block rifle with a 22" barrel and excellent bore. Flip up rear sight and front blade sight. Scope mounts. Metal and wood are both good with some scratches. Action works fine.
- R 257. **Hi-Point Model 995.** Serial #E49020. 9x19mm semi auto tactical rifle with a 16.75" barrel and excellent bore and action. Owner states that it is brand new and never fired. Front and rear sights. Upper and lower rails. Folding pistol grip. Includes the detachable magazine and accessories in the factory box.
- R 258. **Savage Model 24C "Campers Companion".** Serial #D907344. .22RF/20-gauge over/under combination gun with 20" barrels and good bores. Shotgun barrel has a 3" chamber and is choked improved. Adjustable rear sight and front blade sight. Barrel selector on hammer. Metal and wood are average to good with light scratches. Shell storage in stock. Some case coloring on receiver. C&R.
259. **Unknown Maker Model Flintlock Long Rifle.** Serial #NSN. .50 caliber flintlock rifle with a London Warranted lock that is broken. 34.5" barrel that appears to be smooth bore. Finish on metal has been cleaned and is a spotted patina. Full length wood stock is average with dings, scratches and minor cracks. Non-original screws in lock plate area and butt plate. No front sight and rear sight has been removed. Includes a replacement ramrod.
- R 260. **Richards Model Hammered Underlever.** Serial #NSN. 12-gauge side-by-side shotgun with fair bores and external hammers. Action works but barrels are loose. Metal is average showing rust spots and wear. Checkered wooden stock and forearm are fair to poor with heavy scratches and finish loss. Original butt plate. C&R.
- R 261. **Lancaster Arms Model Hammered Side-by-Side.** Serial #16725. 12-gauge side-by-side shotgun with 29 5/8" barrels and poor bores. Missing the hammers. Double triggers and extractor. Metal is poor. Forearm is missing a sizeable piece of wood. Stock is average. Original metal butt plate. C&R.
- R 262a. **Remington Model 1885/1887 Shotgun.** Serial #211616. 12-gauge side-by-side shotgun with 28" barrels and poor bores. Missing the hammers and in overall poor condition. C&R.

- R 262b. **Manhattan Arms Model Hammered Side-by-Side.** Serial #30X7. 12-gauge hammered side-by-side shotgun with 28 5/8" barrels and fair bores, missing the stock (broken off). Action seems to work OK. C&R.
- R 263. **Richards Model Side-by-Side Hammered Coach Gun.** Serial #NSN. 12-gauge side-by-side hammered shotgun with sawed off barrels measuring 18.25". Poor bores. Only one hammer works. Metal is a silver patina in fair condition. Stock and forearm are poor to fair with heavy wear and some splits. Double triggers. No extractor. Lever is loose. C&R.
