Applications for Voluntary Pre-kindergarten were open from Friday, June 3<sup>rd</sup> through Friday, July 1<sup>st</sup>, 2016. In all, 234 school districts and charter schools began the application with 184 submitting a complete application. The 184 applications were inclusive of funding requests for approximately 230 sites throughout the state.

The Minnesota Department of Education supported School district and charter schools in applying for Voluntary Pre-kindergarten in the following ways:

- Provided an updated Questions and Answers document weekly on the Voluntary Prekindergarten webpage, inclusive of questions asked through email.
- Hosted three webinars which were publicly posted on MDE's calendar, the Voluntary Pre-kindergarten webpage, sent in the Superintendents mailing, notified stakeholders and noted within the application. Over 230 callers joined webinars.
- Responded to over 280 questions emailed to <u>MDE.VPK@state.mn.us</u> from 92 individuals. Individuals include community members, who are highlighted in yellow below.
- Provided detailed instructions within the application itself.

School district and charter schools will be notified of their funding status by August 1, 2016,
