In partnership with WSEE-CBS in Erie, PA, SEE-CBS (Puerto Rico TV) is the only recourse for CBS Network programming in the Caribbean. According to Director of Sales, Douglas Beers, the station "reaches" a population of 25,390,079. Although Nielsen identifies televisions household (TVHH) "reach" as 2.5 people per household, Mr. Beers utilizes a conservative number of 4 people per household for advertising purposes.

Even when you compare 4 people per household to Nielsen's *current local television market universe*, this exposure, per airing still equals 6.347.520 TVHH or 5.481%!
