BALL BRIEF

OLD BRIGHTON GRAMMARIAN JOINS 200 CLUB

Today, Old Brighton's Barry Hamilton will take with him the congratulations and best wishes of everyone connected with the Club when he runs onto the ground for his 200th Game of Amateur Football.

This achievement, in itself a remarkable testimony to his fitness, his enjoyment of the game and his loyalty to the Club, is all the more noteworthy as he is only the Fourth Old Brighton Grammarian to have reached the 200 Club.

'Bud's' career began in 1969 when he played his first game with the U/19's and

in the 12 years since he has been a regular and valuable member of the Senior Side, playing in various positions on the Forward and Centre Lines (the closer to the goals, the better he likes it!)

However, Bud's activities have not been restricted to the playing field and he served as Club Secretary from 1976 to 1978, a job which requires much hard work and which few are prepared to take on.

So congratulations Barry on today's marvellous achievement and on behalf of the O.B.G.F.C., thank you for 12 years of distinguished service.

PREVIEWING TODAY'S GAMES

A SECTION

St. Bernard's O.C. venture out to De La Salle O.C. this afternoon. De La continued on their winning way last week by beating Ormond. They have many avenues of attack, as all the forwards are capable of kicking goals, including Murphy, Ruffolo and P. Greene — and as they are "backing up" well I can't see them being beaten. St. Bernard's, after a tardy start, are now playing with a bit more consistency. They'll be out to prove that they can be up with the leaders. Grbac, Sullivan and Nadzielski have shown the way, but this week I think that the Saints may have a setback in their conquests. De La Salle to win.

North Old Boys are at home to University Blacks. North were very disappointing last week after playing well the week before. They seem to get tied up against small, running sides. This week, however, they play a side that is similar to themselves and they will have to create their own running if they are to win. Blacks seem to have lost a bit of tenacity and they let me down last week. They are better than they have produced so far this season, but their backline will have to tighten up so that the opposition is not let in for easy goals. In a close game, I will give the visiting side one more chance. Blacks to get up.

Ormond play host to Marcellin Old Collegians today. Ormond had a "knock" by A Section leaders last week, but before that they had taken all before them. With Dove getting kicks around the ground and Pearce starting to get amongst the goals, Ormond will rebound full of vigour. Marcellin have found this Section a little difficult this year, but they have not been disgraced. They may have been a little unlucky previously, but with Dillon playing well around the packs and Cooper getting many speedy kicks they will certainly be due for a win. I think that Marcellin will give Ormond a real run for their money, but owing to the definite home ground advantage I can't pass up Ormond.

University Blues are enjoying a good season and today take on Ivanhoe. Blues have the strongest defence in the competition and with their power up in front of goals — through Karvelis and Sleeman — will be a force. Ivanhoe have shown that they can do well but unfortunately let the opposition get away from them in one quarter. Provided they don't let slip, this will be pretty close. Blues to hold too many trumps and win.

Old Melburnians travel down to Albert Park to play AJAX. AJAX accounted for North Old Boys last week very easily, who had taken care of O.M.'s a week earlier. This makes AJAX a goals better side and through their speedy small men, Mike and Henry Ritterman, and with Ray Lisner taking the marks, will be very hard to beat on their home ground. The Old Melburnians have played with a lot of inconsistency this year. Rohan Brown, in

the ruck, has shown the way in each game, and with Rick and Andy Cameron displaying good form, their side may be too tall for the fast-moving AJAX boys. In a very close game, disregarding the previous two week's statistics, I think the O.M.'s will sneak in.

Selections: De La Salle O.C., University Blacks, Ormond, University Blues, Old Melburnians. — PETER ROBERSON.

B SECTION

Three right last week means your tipster still faces relegation. Where to really is the question? Like my learned colleague Ron Hancox, I too am finding Old Paradians my jinx side.

Monash Blues hit top form last week and today they will be confident against leaders, Collegians. The Lion's coach, Bruce Ferguson, has his charges doing everything right. The side has blended youth with experience, which is being supplied by Rice and Etherington. Hibbins, who has been a top player each week, has scored goals each game, as have Parsons, Baum, Bennett, Lausson and Rice. This varied attack is a Collegians stronghold. Steady improvement has been a Monash feature, with Olds starring weekly. However, as Rodger has proved the only reliable Monash avenue to goal, they could be in trouble trying to match the Collegians' score today. Collegians are my selection.

Kew, whose big win over Scotch regained them second place, await the disappointing Old Paradians, whose sojourn in B Section could well be of minimum duration. Kew have had five reliable weekly avenues to goal via Haralambopoulos, Burden, Bruce Smith and interstaters Blay and Fletcher. Conversely, Parade has had only Nick Hughes as a reliable goal-getter. Indicative of the Parade forward problem has been the fact that twenty-two players shared sixty-one goals in the first four rounds. For Paradians, defender Peter Symes has proved the most consistent player. Far Kew, Bruce Smith and ruckman Walker have given great service. On form, everything points to a Kew victory today.

At Headquarters, Caulfield Grammarians meet disappointing Parkside. If Caulfield hope to stay within reach of the four they must win well today. Their reliable players, veteran Tootell, Kanis, Matthews and Fletcher, should generate sufficient drive to defeat Parkside, whose 1980 form so far has not been up to B Section standard. Chilcott, Jones and Chenhall have tried hard to lift their side, but the depth of talent has not been there to provide a Parkside victory.

Fawkner, now in the top four, make the long journey to Murrumbidgee. Dennis Groves has the Blues well motivated and in top gear, although playing well away from home has been their 1980 Achilles heel. As C.B.C. St. Kilda hasn't a good home record this season, how does one forecast the result of this

game? For the Saints, **Kay, Crottie** and **Delaney** are giving consistent performances, while **Fawkner's** best players have varied weekly. A team could be chosen from those listed over the first four weeks. The determined St. Kilda defenders plus the north winds may upset **Chard**, and so allow the home side to snatch a narrow victory.

Near neighbours and long-standing rivals, **Old Scotch** and **Old Xaverians** meet today for the first time in a decade (B Section, 1970). As both sides lost last week, **coaches Aghan** and **Green** will be all out to restore lost prestige. For **Scotch**, Xaverian ruckmen **Noonan** and **Brimacombe** pose a big problem. Veteran **Sierakowski, Curtain** and **Vale** all will need close checking by the Cardinals, who in turn will again rely on **Meadows, Mason, Marx** and **Morgan**. Because **Old Xaverians** will not place **Scotch** under the same pressure as **Kew** did, I believe their running game interspersed with judicious handball and penetrating kicks, will see **Scotch** take the points.

Selections: Collegians, Kew, Caulfield Grammarians, C.B.C. St. Kilda, Old Scotch. — NORM NUGENT.

C SECTION

With the **Geelong** bubble bursting last week there are some real problems in picking winners for today. The sides in the four are already two games clear from the rest of the field, which will make entry into this area even harder.

Hampton Rovers have won their last four games, but none of these have really been a test. They failed in their game against **Old Brighton** and their supporters will be waiting to see if they can handle the big guns from **Geelong**, who also failed against **Old Brighton**. However, **Geelong** survived the test against **Bulleen-Templestowe**. Nevertheless I am going to jump on the **Roverland** band-waggon and pick them at home.

Coburg also let me down last week, and although they are at home today I cannot imagine **Old Brighton Grammarians** having any trouble providing forgetful **John Priestley** does not forget where the ground is or arrive at the ground and find that he has forgotten his gear.

Old Camberwell Grammarians seem to be going up and down the ladder like a yo-yo, and after four losses they will be anxious to start the climb back at the expense of visitors **Bulleen-Templestowe**. Although **Bulleen** are the form side in that they have beaten **Old Brighton**, they only just fell in against **M.H.S.O.B.** last week. I fancy the home side to cause an upset.

St. Kevin's O.B. will be happy with their 32-point victory over **Camberwell** last week, and will be confident when they travel to **Yarra Bend** to meet **Old Trinity Grammarians**. To be consistent I should jump on **St. Kevin's** band-waggon but I cannot accept that **Trinity** are as bad as the scores over recent weeks indicate, and I am giving them another chance.

Both **M.H.S.O.B.** and **Old Haileyburians** have won two games each. The **Haileybury** victory over **Coburg** last week is probably the best

indicator of form, although they had the home ground advantage. On the other hand, **M.H.S.** kicked the game away against the **B.-T.'s** at the **B.-T.'s** ground. I have now changed from my original selection and the nod goes to **M.H.S.** at home.

Selections: Old Camberwell, Old Trinity, M.H.S., Old Brighton, Hampton Rovers. — PETER NATHAN.

D SECTION

Last Saturday's highlights were **Beverley Hills'** victory over **Heatherton**, and the narrow wins recorded by **Alphington**, **Power House** and **St. Bede's**.

Alphington regained the top spot on the ladder by defeating **Old Carey** last week, and today they make the journey down to **Mordialloc** to try and retain that position against the in-form **St. Bede's O.C.** This is going to be a very tight game, with the only apparent difference between the sides being the home ground advantage, which I think will be enough to give **St. Bede's** their fifth consecutive win.

Beverley Hills gave **Heatherton's** final four hopes a jolt last week, and they are to be congratulated on their win after showing very indifferent form previously. Their opponents today, **Old Ivanhoe Grammarians**, will not be taking any chances today, for they have won their last two games and are just out of the four on percentage. Even though **Beverley Hills** will be very determined to record another win, I cannot see them doing so today.

State Bank's inaccuracy proved costly last week against **St. Bede's**, but the previous week their kicking for goal was a major factor in their defeating **Alphington**. Today they meet **Heatherton**, who last week lost their second away game to a side lower on the ladder, and they will be happy to be playing on their home ground in this vital game. Despite this advantage, **State Bank** has shown the better form this year, and I think they will take out the four points.

Power House came home strongly last week to snatch a win from **Country Colleges**, and they have the chance to move up the ladder a couple of spots with a win over **A.M.P. Society** today. Though **A.M.P.'s** performances have been very disappointing this year, they showed signs of improvement in their game against **Old Ivanhoe** last week. If they can put four quarters together they may trouble **Power House** today, but I cannot see them winning this game.

Old Carey Grammarians were only a kick away from victory against **Alphington** last week, and they pay **Country Colleges** a visit today, who suffered a similar fate against **Power House**. **Old Carey** have recorded good wins this year due to their ability to produce a burst of goals, which gives them a match-winning break in otherwise tight games. **Country Colleges**, on the other hand, have been doing the opposite, but my spies tell me they are about to show their true form, so on their advice I will tip them to produce an upset win.

Selections: St. Bede's O.C., Old Ivanhoe Gr., State Bank, Power House, Country Colleges. — WILLY PICKHAM.

PREVIEWS (cont.)

E SECTION

A.N.Z. Bank blew their big chance to open the account last week and will today find the opposition harder. **North Brunswick** have not yet recaptured their form of last year, but will still be too strong for the home team.

About all that can be said for **Old Geelong** at the moment is that they are playing reasonably well at home — so they're fortunate that's where today's game takes place. **Uni. High Old Boys'** performances have fluctuated greatly, and last week they went badly. I can't see them taking the points, particularly if it's dry.

La Trobe Uni. have slumped after their good start, and the vacation won't be helping things at the moment. For all that, I don't believe **Thornbury** will be able to handle the big **La Trobe** ground adequately, and for that reason alone I'm going for the home team.

Bulleen United will have got a lift from their opening win last week, and with their home-ground advantage will be looking for a repeat today. **West Brunswick**, on the other hand, are big improvers and, now that they've moved up to second spot, will not be lulled into throwing this one away.

Mentone are not as bad as their results indicate — they've lost a number of close ones, and today's game against **Princes Hill** could be a cliff-hanger. After much indecision I'm picking the visitors, who put in a good one last week.

La Trobe Uni. have slumped after their good start, and the vacation won't be helping things at the moment. For all that, I don't believe **Thornbury** will be able to handle the big **La Trobe** ground adequately, and for that reason alone I'm going for the home team.

Selections: North Brunswick, Old Geelong, La Trobe Univ., West Brunswick, Princes Hill, St. Pius. — PETER LEMON.

F SECTION

Uni. Reds at home to **Brunswick** should see the **Reds** gain another victory. Nothing like a good spearhead who can convert the team's efforts into goals. **Reds** can win this despite **Brunswick's** improving form.

St. John's O.C. v. **Clayton**. **Clayton** lost to the **Reds** but were not disgraced, so I do not fancy **St. John's** for this week, even at home.

Commonwealth Bank v. **Monash Whites**. The **Bankers** kicked away their chances against **Therry**, and need a big win today to maintain reasonable proximity to the four. **Whites** are finding it a hard and unrewarding task again this season, so perhaps football is not their caper.

Peninsula O.B. v. **Footscray I.T.** **Footscray** come home well against **Coolaroo**, whilst the **P.O.B.'s** had a bit of a picnic out at **Monash**. I fancy **Peninsula** for this, and **Footscray** may find the drive around the bay the best part of the afternoon.

Banyule v. **Therry C.C.O.B.** **Banyule** showed some get-up-and-go against **Brunswick**, whilst **Therry** were just a little straighter than the **Bankers**, but I am loath to go for the home side yet. **Therry** should just get home again.

Thomastown v. **Coolaroo Rovers**. As near as one can be to being neighbours (like **Clayton** and **St. John's**) won't help **Coolaroo**. They got close to **Footscray** last week but couldn't press it home, so they will have to be satisfied with a place again this week.

Selections: Reds, Clayton, Commonwealth Bank, Peninsula, Therry, Thomastown. — SYD WHITFIELD.

JUNIOR SECTION 1.

The upset of the season so far was caused by **Coburg** last week when they toppled **Section** leaders **St. Bernard's**. **De La Salle** maintained form, whilst **Hampton Rovers** produced their second successive win, **Old Haileyburians** remain undefeated and **North Old Boys** proved too strong for **Ivanhoe**.

This week's round should produce some interesting clashes, as the competition appears to be evening up.

St. Bernard's meet **Ormond** at home. The **Saints** will be smarting from their first defeat and will need to show a lot more fire and endeavour if they are to prove they are a top side. I'm tipping them to win at home.

Ivanhoe clash with **Coburg** on the **Ivanhoe** ground. **Ivanhoe**, yet to win a game, face a **Coburg** who will be confident after their defeat of **St. Bernard's**. I'm sure **Ivanhoe** will give a bold showing but I fancy **Coburg** will be too strong.

The main game of the day is the contest between **De La Salle** and **Old Haileyburians**. **De La Salle's** form is improving all the time and they have a real chance to defeat "Old Hails" this week. However, I think the top team will be desperate to retain that spot, and I believe they will win.

Melbourne University face **Kew** at the **University** ground. **Kew** continue to show endeavour but cannot crack it for a win. The **University** side will be weakened by the absence of some of their regular players but will still be too strong for the **Kew** side.

Hampton Rovers, the big improvers, meet **North Old Boys** in their first real test since their new-found form. They will be intent upon maintaining their momentum but I feel that **North Old Boys** will have too many big guns on the day.

Selections: St. Bernard's, Coburg, Old Haileyburians, Melbourne University, and North Old Boys. — MICHAEL ARNOLD.

JUNIOR SECTION 2

Due to the late advice of the new fixture for this Section, **Ron Hancox** only had time to phone in his revised selections for this week. (Likely winners in bold type):

Monash Blues v. **M.H.S. Old Boys**.
Fawkner v. **Marcellin O.C.**
Bulleen-Templestowe v. **West Brunswick**.
Therry C.C.O.B. v. **Old Paradians**.
Old Scotch College v. **Caulfield Grammar**.

JUNIOR SECTION 3

Both **Parkside** and **Heatherton** were defeated last week — the former more severely than the latter. I feel that **Heatherton** will bounce back more determined than ever and will stay with the leaders by virtue of a big win — even away from home — today.

PREVIEWS (cont.)

Undefeated **Old Brighton Grammar** are host to once defeated **St. Kilda C.B.O.C.** Both teams had big wins last Saturday just to make judging their chances a little more difficult. It should be a very tight match but I fancy that **Old Brighton** will have the edge at the final siren. The **Brighton Beach Oval** is never easy to play — and particularly not on the first encounter.

Old Ivanhoe Grammar will be seeking their third consecutive win when they visit **St. Bernard's (B)** at Essendon today, and their search should pay dividends.

Neither **Clayton** nor **Power House** have opened their account as yet, so today's encounter takes on even greater significance. I feel that the visitors will be the better pleased come 5.00 p.m.

Both **St. Kevin's Old Boys** and **Banyule** have the chance to move up the ladder if they win today. Both won last week, though **St. Kevin's** were the more tested of the two, and they should be able to use this to advantage this week.

St. Pius were not allowed to repeat their form of two weeks ago last Saturday against **Old Brighton**, and will meet a similar fate when they welcome **Thomastown** today.

Selections: Heatherton, Old Brighton Gram., Old Ivanhoe Gram., Power House, St. Kevin's O.B., Thomastown. — RAY IRVING.

BALL BRIEFS

"150 TO DE LA HIGH FLYER"

Alan Groves of **De La Salle Old Collegians** played his 150th game against **Ormond** last week. Alan is well known for his many high flying marks above the crowded packs, and he is remembered for his match winning goal to clinch the Club's first A Grade Flag against **North Old Boys** in 1977. Alan was elected Vice Captain in both 1979 and 1980, but moved up to the Captaincy when **Chris Loft** broke down with injury. Alan led the side to last year's A Grade Flag against **University Blues**, and hopes to add another Flag this year.

BANKER'S 100

All players and supporters at **A.N.Z. Bank** join in offering congratulations to **Alan "Butch" Gale** who plays his 100th game today. "Butch's" pace and long kicking are a feature of his game and have resulted in his finishing runner-up in the Club's Best and Fairest Award twice. Good Luck "Butch" and we hope to see another 100 games as good as the last.

NOTE

The phone number at **Elsternwick Park** has been altered.

It is now **531-6491**.

Club secretaries are asked to be sure and note this new number. This will save considerable time should you need to ring for an emergency umpire.

"SCORES"

Phone Number

The only number for the phoning of scores for the remainder of the season is

379 8171

Please follow "pattern" given below when calling and please do not ask for other match results. The number of calls to be handled on one line makes it impossible for the "scribe" to waste time on unnecessarily long calls.

Make your call early — the phone is manned from 1.30 p.m. So save your own time by calling as soon as the match is over — especially Reserve Section sides.

RESERVE SECTION RESULTS —

These must be phoned to the above number before 3.00 p.m.

SENIOR AND JUNIOR SECTION RESULTS —

These must be phoned to above number before 5.00 p.m. A fine will be incurred after this time. If results are not received by 5.30 p.m., a further fine will be imposed.

When phoning scores, please follow this pattern:—

- the Section concerned
- teams playing
- winning team
- actual scores — winner first.

Check with **BOTH** goal umpires before ringing. Incorrect scores equal a fine!

The phoning of all scores is the responsibility of the **HOME CLUB**.

A AND B SECTION CLUBS

Clubs in A and B Sections are still required to phone Goal-kickers and Best Players to the Press Correspondent, **George McTaggart**, on 528 3319, as previously — A SECTION before 6 p.m. and B SECTION between 6 p.m. and 7 p.m.

IT IS ESSENTIAL FOR "A" SECTION CLUBS TO SUPPLY THE CHRISTIAN NAMES OF BEST PLAYERS AND POSITION PLAYED.

BALL BRIEF

OLD GEELONG CENTURY
 Old Geelong's back-pocket player John Mollard to-day plays his one hundredth game for the Club. John started with the Club as a Fringe Reserve Player, and with great tenacity worked his way up to eventually become Captain of that team. On the skill side, there has been the occasional adverse comment about his kicking (he was French all the man who introduced the but any cut into Australian Rules Football, has off-set by the tremendous effort he has put into the Club both on and off the field. Congratulations, John, here's hoping you and the Team mark your 100th with a big win to-day.

LOOKING BACK

by Noel Rundle

5 years ago — 1975

Caulfield Grammarians (B) stopped Old Carey's run with a jolt winning by 10 goals. Best were Griffiths, Morphet, Tootell (C.G.) and Yeo, Kelaher, Thomas (Old Carey).

Commonwealth Bank (D) opened their account with a win at the expense of National Bank. Reid (6 gls.), Eales and Petrynik were best for C'wealth Bank.

After 5 games U. Blues (B), St. Kilda C.B.C. (C), Hampton Rovers (D), E'wick (E) and Monash Whites (F) were undefeated.

Beverly Hills (F) had an easy 79 point win over F.I.T. Allan, Mark, Browning, and Discombe (6) were stars for Beverly Hills.

10 years ago — 1970

Coburg jumped into top place in 'A' Section with a 63 point win over Melbourne High. It was High's first defeat. McFarlane (9 goals) Norm Beattie (3), and King were Coburg's best.

The Umpires' Association officials were proud to announce that with one week to go the total money donated to the Alan Thorpe Appeal was \$2,470.

Leigh ('Curly') Grant came out of retirement — after 7 years — to kick 4 goals for Power House Reserves against National Bank.

Boom recruit, Des 'Friar' Tuck, turned it on in his first game for Assumption to kick 5 goals against Hampton Rovers and be best afield.

St. Kilda C.B.O.C.'s veteran Warren Pipkorn had been transferred to Sydney and announced his retirement after 206 games, spanning the 13 years the club had been in existence.

St. Kilda has had no finer clubman than 'Pippy' who has been a member of premiership teams and has taken the field injured when the Reserves were struggling to field a team.

20 years ago — 1960

Bad conditions for fifth week in a row and Old Paradians (A) (3.10.28) went down to U. Blacks (5.6.36) to record their first loss.

All at Parkside congratulated Brian Lauder on reaching his century and on his captaincy. Brian was the sixth member of the unbeaten 1954 premiership side to notch the 100.

Other 'C' Section captains were Geoff Paul (M.H.S.O.B.), Bill Keenan (F.T.S.O.B.), Alan Dick (National Bank), David Merkel (Ajax). Who captained Brunswick?

200 games to Alan (Walta) Kirby. Graham Rowe was the star at Ormond's monster tennis day.

100 games to Dave Moran (Old Scotch) and 50 games to John Tindley and Toby Pearson, both of De La Salle.

30 years ago — 1950

Kew coach, Alf Perrin, scored a double — the team had a good win over Glenhuntingly and Alf announced his engagement.

Walker (Ormond) 35, Backhouse (Univ. Blacks) 24, and Anderson (Univ. Blues) 24 were leading 'A' Section goalkickers after 5 games.

Old Melburnians had a 19 goal win over Old Xaverians with Ken Levy (8 goals), Jim Hannan and Murray Mitchell best.

BALL BRIEFS

Tim Johnson played his 50th game for Old Melburnians against Ivanhoe last week. Tim joined the Club from Monash Juniors, and has been a consistent member of the Firsts during this season and last season. He has the honour of being Best and Fairest player in the Reserves for 1978, and since then he has been a regular member of the Firsts. Tim is a prolific kick-getter has the ability to kick with both feet, and delivers the ball (most times) accurately to a teammate. If his "hammies" last he may play another 50 with the O.M's.

Best of luck, Tim.

M.H.S.O.B.'s lightly built utility player Nick Taylor reached his first milestone with our club when he played his 50th game against Hampton Rovers on the 26th April.

Nick has made an enormous impression in our Senior side since graduating from the Juniors in 1979 and he has already established himself as a courageous, speedy Team Player with all the attributes that the club needs as its foundation for future success. Quietly spoken and popular, Nick is assured of many more football milestones in the years ahead and all at M.H.S.O.B. wish him the success he deserves.

Well done Nick.

Thornbury would like to congratulate Paul "Bubbles" Whitaker on reaching his 50th game last week. Paul would be the strongest mark in our side. He puts his body in front and makes his opponent's job very tiring. Indeed, he is also a great clubman who fronts up to every club function. Best of luck today "Bub" and may we see many more goals come from your ever reliable boot.

Congratulations from everyone at Power House to our first rover, Ronnie Demir who played his 50th game with the club last week. Although the smallest player in the club, Ronnie shows the way to bigger team mates and opposition alike with his "guts and determination" to win the hard ball. His dedication and enthusiasm were rewarded this season when he was appointed as Captain of the Club. Always keen to advise umpires on how they are going and a great character around the Club, we wish we had more like him. Congratulations Ronnie and best wishes.
