WHO I AM

I am a solutions-based, multi-disciplined, counsel poised to work cross-functionally to deliver legal insight and business analysis in areas centered on healthcare compliance & privacy, with a strong focus on business improvement initiatives, strategic planning, and excellent implementation proficiencies. I would describe myself as a high energy, down to earth, glass is half full type person who thoroughly enjoys helping others and is everything but the stereotypical stuffy lawyer.

MY PHILOSOPHY

I believe in approaching compliance from a solution oriented perspective, working with people within the organization to help them accomplish the goals of the business while operating within the confines of the law. I believe when compliance is approached in a positive fashion, you are more likely to have employees come to you with issues, embrace compliance and achieve overall better results for the organization.

WHAT I DO

I am a forward-thinking professional who implements governance and public affairs policies by interpreting new regulations and laws while liaising with management, recommending strategies and leading teams.

HIGHLIGHTS:

High-energy attorney, board certified in healthcare compliance and healthcare privacy with 16 years of compliance experience and proven track record of being approachable leader with business insight

Proven team player able to support other attorneys and business professionals in cross-functional settings

Clearly communicate ideas and thoughts so that all engaged parties are capable of understanding and implementing a plan of action

MY CORE SKILLS

Compliance & Privacy Law | HIPAA & HITECH | Information Security | Risk Management | Creative Thinking | FDCPA | Business Intelligence | Business Process Innovation | Negotiation & Contract Review | Transactional Legal Skills | Internal & External Reporting | Communication Skills
