

# How to Register, Start, and Access a Cisco Online Exam

## Lifecycle Services and SMB Exams

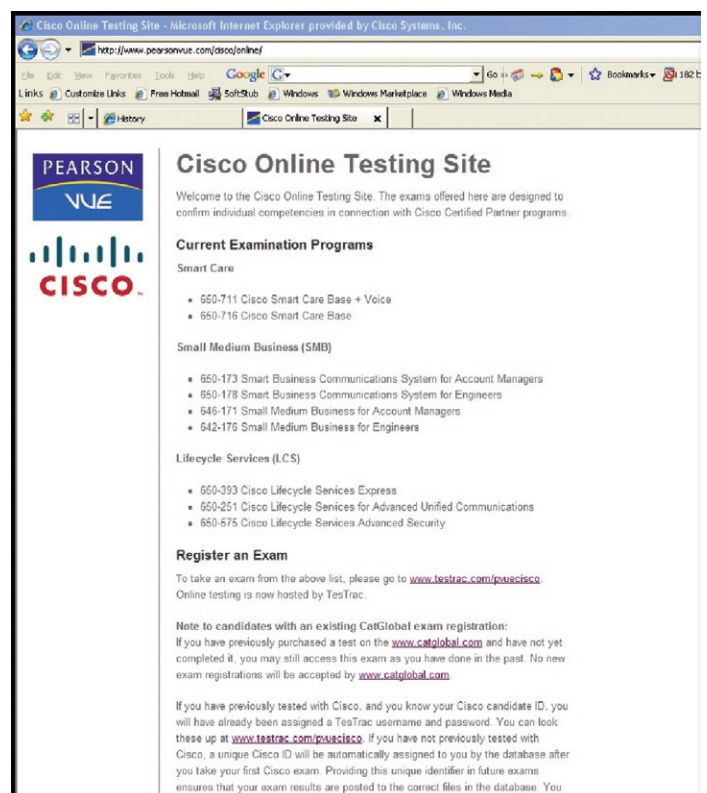

The process for registering and taking a Cisco online exam is different from the process for registering and taking a Cisco *proctored* exam.

This document provides instructions for registering, accessing, and taking Cisco online exams. Section 1 of this document presents an overview of the necessary steps and the information you will need for getting started on registering and taking Cisco online exams. Section 2 goes into more details around how to find and submit the information necessary to complete registration and begin taking Cisco online exams. In Section 2, each step is accompanied by a screenshot.

## Before You Get Started

You will need:

- 1) Credit card or voucher information
- 2) All online exams are available in English. SMB exams are also available in
  - a) Japanese
  - b) Polish
  - c) Russian
  - d) Korean
  - e) Portuguese
  - f) French
  - g) Italian
  - h) Chinese
  - i) Spanish
  - j) German

## Section 1: Overview of Necessary Steps

1) Go to the Cisco Online Testing Site:

<http://www.pearsonvue.com/cisco/online/>

a) At this site, you may register for all Cisco online exams, as well as access, take, and resume all Cisco online exams.

**Note:** Online exam registration will be through this Webpage only. Registration is *not* available by phone or through the vendor's main Website.

2) Please read all the details on the Cisco Online Testing Site, including the frequently asked questions.

3) After reading all necessary information, under Register an Exam, click [www.testrac.com/pvuecisco](http://www.testrac.com/pvuecisco) to proceed with registering, scheduling, and taking Cisco online exams.

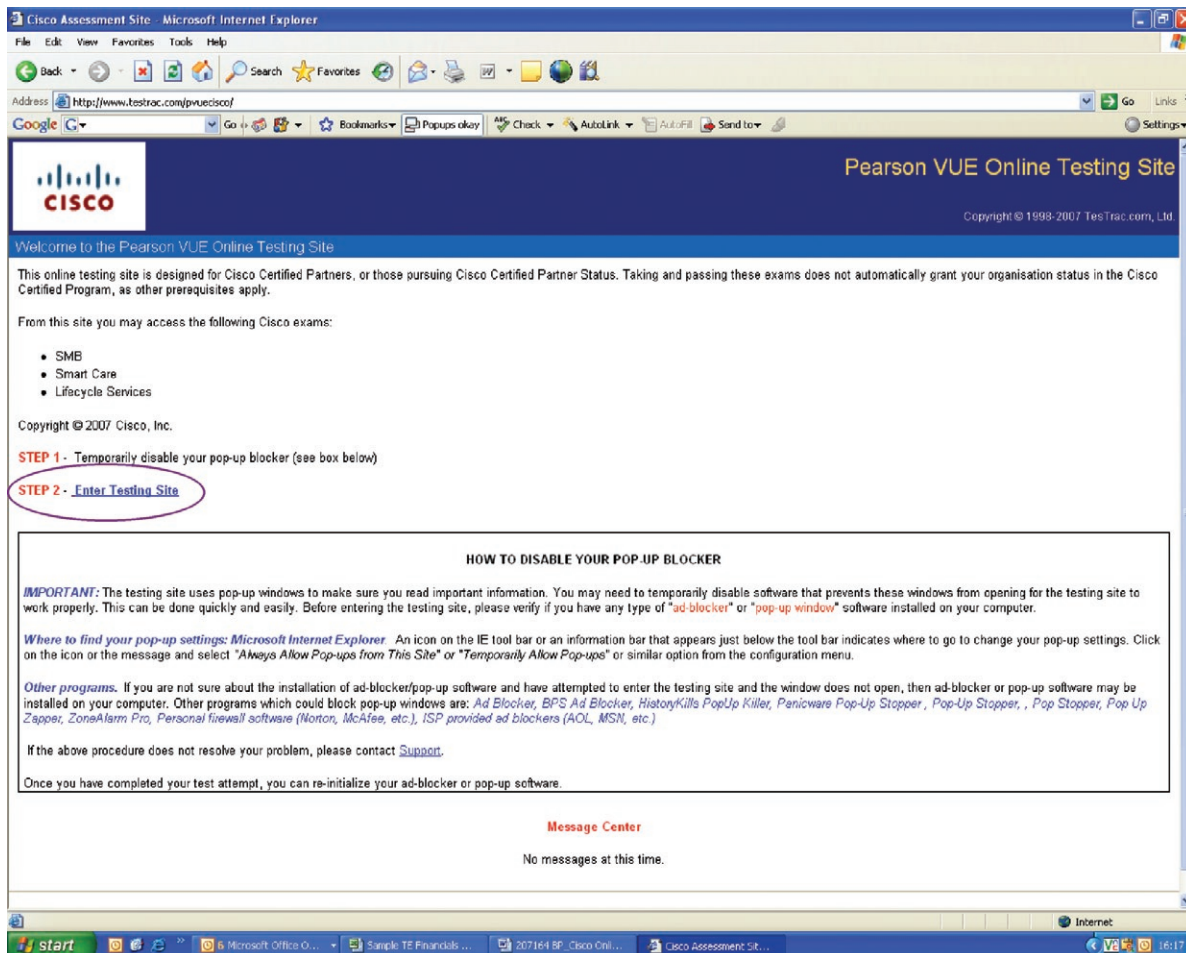

a) Once at the Pearson VUE Online Testing Site, please read all the details of the main page, especially the information about disabling popup blockers on your browser application. You must disable any popup blockers before proceeding.

**Note:** A CSCCO ID is not a CCO ID. You have a CSCCO ID if you have previously obtained a Cisco certification or have taken a Cisco proctored or online exam. Typically, a CSCCO ID is found on a score report from a previous exam.

## Section 2: Step-by-Step Instruction

First: click on "Enter Testing Site" in Step 2, (Figure 1)

Figure 1

1) Candidates that have a Cisco Certification ID (CSCO ID) but do not have a TesTrac ID and PIN:

a) To obtain your TesTrac ID and PIN, click the link "Look up your TesTrac ID and PIN" (Figure 2).

b) Enter your last name and CSCO ID in the appropriate fields and click "Submit" (Figure 3).

**Note:** The last character in your CSCO ID is the letter O, not the number 0 (zero).
