2014

For SMB and Enterprise

The right HP device can help improve productivity and reduce costs for your business. Choose from a variety of HP products to meet your team's unique needs.

HP notebooks

HP designs PCs to help enterprise businesses be successful. Backed by industry-leading innovation and value, HP PCs are designed to meet the pressing tasks of enterprise businesses—while helping to lower information technology (IT) costs, improve productivity, reduce environmental impact, and connect people and devices. HP is a trusted, long-term partner that helps customers simplify daily tasks and improve productivity, so they can focus on expanding their business reach.

HP notebooks

We innovate to meet your needs.

Professional award-winning design¹

Globally-influenced design team and customer feedback-inspired products.

Connectivity: HP Connection Manager

Get full control over all your connections through a single application.

HP 250 G3

Get connected with this value-priced notebook. Complete business tasks with Intel® technology,² essential multimedia tools, and Windows 8.1³ loaded on the HP 250 G3 Notebook PC. The durable chassis in a matte charcoal colour protects the notebook from the rigours of the day.

HP Business Top Load Case

HP 255 G3

Complete business tasks and get connected on the value-priced HP 255 G3 Notebook PC. Loaded with AMD technology, essential multimedia tools, and Windows 8.1,³ this notebook helps professionals get the job done. The durable chassis helps protect the notebook from the rigours of the day.

HP X4000b Bluetooth Mouse

HP Bluetooth TTP Mouse

HP 350 G1

HP's extensive range of notebook PCs enable increased productivity and efficiency by providing the perfect combination of built-in mobility features to match the particular needs of individuals from businesses large and small.

HP X4000b Bluetooth Mouse

HP recommends Windows.

HP

- Business-class performance
- Stylish, cost-efficient design
- Easy to use

HP ProBook

- Trusted reliability
- Simple, intuitive controls
- Quick productivity & connections

HP EliteBook

- Premium reliability & performance
- Distinctive, modern designs
- Easy to deploy, secure, & manage

HP Spectre

- Superior design & performance
- Premium style & craftsmanship
- Executive-level service & support

Product image may differ from actual product. See more accessories on pages 53 - 63. ¹For more information on HP awards, visit <http://www.hp.com/hpinfo/newsroom/awards/>. ²Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel® numbering is not a measurement of higher performance. Intel® and Intel® Xeon® are trademarks of Intel Corporation in the U.S. and other countries. ³Not all features are available in all editions of Windows 8.1. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8.1 functionality. See <http://www.microsoft.com>. Windows is a U.S. registered trademark of the Microsoft group of companies.

HP notebooks

HP 355 G2

A reliable business notebook for everyday computing. At the office or on the road, stay connected with essential technologies that keep you productive. The durable construction with an all metal palm rest protects your PC from the rigours of mobile use while maintaining its stylish look. Connect all your devices with a full array of ports.

HP ProBook 430 G2

Meet the demands of your work. Work smarter—and look good doing it—with an HP ProBook built to perform wherever business takes you. Count on a durable design inside and out, with integrated security and a spill-resistant keyboard. Plus, there's less bulk to bring with you, thanks to thin, stylish construction.

HP ProBook 450 G2

Get in touch with your productive side. Tap and scroll your way through the workday with an optional intuitive touch screen¹ that helps you work so much smarter. Count on durability inside and out—from built-in security to the spill-resistant keyboard—and a thin, light design that's packed with style.

HP ProBook 455 G2

Meet the demands of your work. Work smarter—and look good doing it—with an HP ProBook built to perform wherever business takes you. Count on a durable design inside and out, with integrated security and a spill-resistant keyboard. Plus, there's less bulk to bring with you, thanks to thin, stylish construction.

HP ProBook 470 G2

Work smarter—and look good doing it—with an HP ProBook built to perform wherever business takes you. Count on a durable design inside and out, with integrated security and a spill-resistant keyboard. Plus, there's less bulk to bring with you, thanks to thin, stylish construction.

HP ProBook 640 G1

Tailored for business. Optimised for Windows 8 Pro,² this configurable notebook features a 35.6 cm diagonal display and UMA or discrete graphics. From the professional design to Intel® technology, you're ready for business.

HP ProBook 645 G1

Challenge the Status Quo. Optimised for Windows 8 Pro,² this configurable laptop touts a 35.6 cm diagonal display, UMA graphics and AMD's latest technology. The professional design and HP 3D DriveGuard help protect your data from mobile use.

HP ProBook 650 G1

Tailored for business. Optimised for Windows 8 Pro,² this configurable notebook features a 39.6 cm diagonal display and UMA or discrete graphics. From the professional design to Intel® technology, you're ready for business.

HP ProBook 655 G1

Challenge the Status Quo. Optimised for Windows 8 Pro,² this configurable laptop touts a 39.6 cm diagonal display, UMA graphics and AMD's latest technology. The professional design and HP 3D DriveGuard help protect your data from mobile use.

HP notebooks

HP EliteBook 820 G1

Now employees can hit the road with a travel pro. The HP EliteBook 820 industry leading thin and light notebook is ultra-mobile in and out of the office. Work with confidence thanks to proven enterprise technologies and enterprise security, performance and management features.

HP EliteBook 840 G1

Now employees can hit the road with a travel pro. The HP EliteBook 840 industry leading Ultrabook™ 21 is ultra-productive in and out of the office. Work with confidence thanks to proven enterprise technologies and enterprise security, performance and management features.

HP EliteBook 850 G1

Now employees can hit the road with a travel pro. The HP EliteBook 850 industry leading Ultrabook™ 21 is ultra-productive in and out of the office. Work with confidence thanks to proven enterprise technologies and enterprise security, performance and management features.

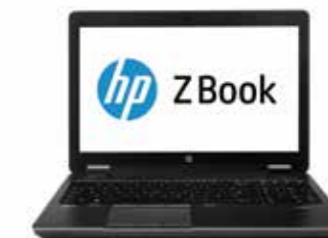

HP EliteBook Folio 1040 G1

Everything a business Ultrabook™ should be. Travel light at full power. HP's first business Ultrabook™ with docking capabilities included, the HP EliteBook Folio keeps you productive from the airport to the desktop. Resume from sleep quickly and knock out projects fast. With long battery life, you can keep up with whatever the day brings. Enterprise ready. IT friendly. All business.

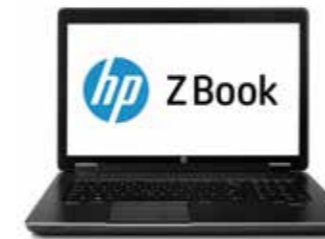

HP ZBook 14 Mobile Workstation

Everything you'd expect of the world's first workstation Ultrabook™. HP's lightest mobile workstation—the new HP ZBook 14™¹ utilises impressive professional 3D graphics. This superbly thin, customizable workstation is light enough to carry when you're on the go—and powerful and reliable enough to carry you through the workday.

HP ZBook 15 Mobile Workstation

Unleash your creativity and break free from your desktop with a sleek HP ZBook 15 mobile workstation that keeps you productive in the field. Take advantage of powerful processing and graphics, consistent colour throughout your workflow, simple scalability, and the blazing-fast connectivity your team needs to perform and collaborate at the speed of creativity.

HP ZBook 17 Mobile Workstation

Creativity knows no limits. Showcase your best work in the office or on the go. With the new HP ZBook 17 workstation, take advantage of HP's most powerful processing and graphics, consistent colour throughout your workflow, simple scalability, and the blazing-fast connectivity your team needs to perform and collaborate at the speed of creativity.

HP recommends Windows.

Product image may differ from actual product. ¹Sold separately or as an optional feature. ²Not all features are available in all editions of Windows 7, Windows 8 and 8.1. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 7, Windows 8 and 8.1 functionality. See <http://www.microsoft.com>.

Product image may differ from actual product. ¹Not all features are available in all editions of Windows 7, Windows 8 and 8.1. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 7, Windows 8 and 8.1 functionality. See <http://www.microsoft.com>. ²Sold separately or as an optional feature. ³Battery life will vary depending on the product model, configuration, loaded applications, features, use, wireless functionality and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See MobileMark07 battery benchmark bapcco.com/products/mobilemark07 for additional details. ⁴Thunderbolt is new technology. Install all the latest drivers for your Thunderbolt device before connecting to the Thunderbolt port. Thunderbolt cable and Thunderbolt device (sold separately) must be compatible with Windows. To determine whether your device is Thunderbolt Certified for Windows, see thunderbolttechnology.net/products. ⁵Intel AT security requires a separately purchased Absolute Computrace service subscription and must be activated and configured. Check with Absolute for availability in your country. Intel and HP assume no liability for lost or stolen data and/or systems or any other damages resulting therefrom. See intel.com/technology/anti-theft/. ⁶Computrace agent is shipped turned off, and must be activated by customers when they purchase a subscription. Subscriptions can be purchased for terms ranging from one to multiple years. Service is limited, check with Absolute for availability outside the U.S.

HP tablets

These tablets mean business.

Product image may differ from actual product.

HP tablets

Go beyond the everyday tablet. We've made it easy for you to work hard. So go ahead, burn the midnight oil, no matter the time zone.

HP EliteBook Revolve 810 G2

Business is constantly changing. Adjust accordingly. Work doesn't always adapt to your style. So we designed an HP EliteBook that does. By designing an ultra-thin, full-performance Windows 8^{1,2} notebook that transforms into a tablet, you can choose what works best in any situation. The HP EliteBook Revolve. It's a whole new twist on getting more done.

HP ElitePad 1000 G2

The true tablet for business. Go beyond every-day business with the HP ElitePad, our premium thin and light Windows 8¹ tablet.² Its elegant design and touch experience put productivity at your fingertips. Expand your potential by choosing from a complete suite of thoughtfully designed accessories like a full keyboard, docking station, and an HP ElitePad Expansion Jacket that extends battery life. Easy to deploy. Effortless to manage. Simple to secure.

HP ElitePad Productivity Jacket

HP Slim Bluetooth Keyboard

HP Business 4 Wheel Roller Case

Product image may differ from actual product. See more accessories on pages 53 - 63. ¹Not all features are available in all editions of Windows 7, Windows 8 and 8.1. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 7, Windows 8 and 8.1 functionality. See <http://www.microsoft.com>. ²This system is Windows 8 certified and supports the new Windows UI. The integrated display resolution is below the threshold for Snap, a Windows UI feature that allows two Windows Store apps to be viewed simultaneously. This feature may be enabled by attaching an external 1366 x 768 or higher resolution display. ³Onsite service level may not be available in all geographies. In some instances, onsite services may be performed by an HP Authorised Service Technician.

HP workstations

HP recommends Windows.

A workstation is the fastest, most expandable, and most reliable computer available. It is designed to meet the demands of professionals, who work with large and complex datasets and intricate 3D models. HP Workstations set the standard for innovation, performance and reliability.

Product image may differ from actual product.

Outperforming our competition, so you can outperform yours

Customer-inspired innovation

- New customer-centric technologies
- Breakthrough industrial design
- Environmental leadership
- Value throughout the lifecycle

Industry-leading performance

- The latest processors, graphics, memory, storage
- On-board performance monitoring and tuning
- High-performance remote desktop access to applications

HP Z820 Workstation

Built for high-end computing and visualization. The dual-processor HP Z820 Workstation delivers outstanding performance, award-winning industrial design,¹ and tool-free serviceability in the industry's most expandable chassis. With next generation Intel® Xeon® processors, support for up to 16 processing cores, and the latest professional graphics, you'll tackle even the most demanding projects like never before.

HP Z620 Workstation

More versatile than ever before. With up to 16 discrete processor cores, the HP Z620 Workstation packs a ton of computing and visualization power into a quiet, compact footprint. This dual-socket system helps you boost productivity with next-generation Intel® Xeon® processors and support for up to 8 displays.

HP Z420 Workstation

Performance you want. Value you need. The HP Z420 gives you professional expandability in an accessible tool-free mini-tower form factor — all at a great price. With up to 8 discrete processing cores, the latest processing and I/O power from Intel®, and the latest graphics technology from leading graphics providers, the HP Z420 has the power you need to get the job done.

Product image may differ from actual product. ¹For more information on HP awards, visit <http://www.hp.com/hpinfo/newsroom/awards/>

HP Z230 Tower Workstation

Affordable performance and flexibility, re-defined. Create a totally immersive work environment for those who demand reliability and performance on a budget. Designed for heavy 24 x 7 x 365 workloads, the HP Z230 delivers next-generation processor and graphics technologies in a redesigned, compact yet impressively expandable tower.

HP Z230 Small Form Factor Workstation

Affordable performance and flexibility, re-defined. Create a totally immersive work environment for those who demand reliability and performance on a budget. Designed for heavy 24 x 7 x 365 workloads, the HP Z230 delivers next-generation processor and graphics technologies in a redesigned, compact yet impressively expandable tower.

HP Z1 Workstation

The new HP Z1 is the world's first all-in-one workstation with an extra-large display that snaps open to let you swap out parts and make upgrades. No tools required. Unleash your creativity with accelerated performance, support for over a billion colours, and HP's world-class reliability. The HP Z1. Advanced design from A to Z.

HP displays

HP helps advance the way businesses operate with innovative monitors that can help increase productivity while providing a best investment solution.

Best investment

Designed to optimise your company's total cost of ownership:

- Energy efficiency
- Stability and lifecycle
- Global series
- Expandability
- Support and service

Productivity

Visual solutions to help your company be more productive and efficient:

- Better together hardware solutions
- Software to maximise your monitors' potential and lifespan
- Ergonomics
- Ease of use and set-up

HP ProDisplay P201 20" LED Backlit Monitor

Keep up the good work with solid performance, a stylish design, and environmental features all at an attractive price point with the HP ProDisplay P201 50.8 cm LED Backlit Monitor. Efficiently grow and maintain your business with proven HP quality and reliability, stable lifecycles, HP accessory compatibility, and energy savings. Do more throughout the day and help save more throughout the quarter with a monitor that goes the distance.

HP ProDisplay P221 21.5" LED Backlit Monitor

Keep up the good work with solid performance, a stylish large screen design, and environmental features all at an attractive price point with the HP ProDisplay P221 54.6 cm LED Backlit Monitor. Efficiently grow and maintain your business with proven HP quality and reliability, stable lifecycles, HP accessory compatibility, and energy savings. Do more throughout the day and help save more throughout the quarter with a monitor that goes the distance.

HP 90W Smart AC/Auto/Air Combo Adapter

With the HP 90W AC/Auto/Air Combo Smart Adapter you can experience true power-charging flexibility at work, at home, and your car. Just use the “charging switch” to select the right voltage levels, and even power your notebook while on a plane.

Product image may differ from actual product.

HP 65W Smart Travel AC Adapter

Work smarter on the road and around the world with the HP Smart 65W Travel AC Adapter, a convenient and portable laptop power source for use in mobile environments.

HP 230W Slim Adapter

HP includes a high quality AC adapter with each HP Business Notebook, HP Slate, HP Mini and HP Docking Station. Designed and tested to ensure optimum power support, the adapter also charges the notebook's internal battery simultaneously when connected.

HP accessories

HP 2.1 Compact Speaker System

With two speakers and a 10.2 cm (4") sub-woofer, this compact system fills the room with rich, full sound. There's a wired control for on/off, and a headphone jack for private listening.

HP H8000 Wireless Headset

The HP Wireless Headset H8000 is so light-weight and comfortable you'll wear it all day long to chat, listen to music, watch movies or play games.

HP Digital Premium SE Edition Headset

The HP Premium Digital Headset Black Special Edition delivers a pulse-pounding performance with its digital USB connection. Comfort is also a major call of duty for this dynamic headset. Plus, the breakthrough style puts an edgy design in your cross-hairs.

HP X4000b Bluetooth Mouse

Be more productive on the go with the sleek, stylish HP X4000b Bluetooth Mouse that's comfortable wherever you work best and complements your HP Business Notebook, Ultrabook™ or tablet PC.

HP Comfort Grip Wireless Mouse

The HP Comfort Grip Wireless Mouse features a 30-month battery life and a bold, modern design that integrates seamlessly with HP Business Notebooks.

HP USB 1000dpi Laser Mouse

Obtain the speed and accuracy of laser tracking in a simple, elegant design with the HP USB 1000dpi Laser Mouse—for the latest in laser sensing technology.

HP X5500 Wireless Mouse

With the force of a lightning bolt, the HP Wireless Mouse X5500 grabs your soul and won't let go. Its modern design expresses sleek athleticism. Hyper-fast scrolling delivers potent productivity. Battery life can last a game-changing 24 months.

HP X4500 Wireless (White) Mouse

With the force of a lightning bolt, the HP Wireless Mouse X4500 grabs your soul & won't let go. Its modern design expresses sleek athleticism. Battery life can last a game-changing 30 months.³ Precise laser sensor works on most every surface.⁴

HP X4500 Wireless (Metal Black) Mouse

With the force of a lightning bolt, the HP Wireless Mouse X4500 grabs your soul & won't let go. Its modern design expresses sleek athleticism. Battery life can last a game-changing 30 months.³ Precise laser sensor works on most every surface.⁴

Product image may differ from actual product. ³Actual battery life will vary with use and environmental conditions. The maximum capacity of the battery will naturally decrease with time and usage. ⁴Laser sensor is not guaranteed to work on glass surfaces.

HP accessories

HP Notebook Battery Charger

The HP Notebook Battery Charger makes it easier than ever to charge a backup battery on the go.

HP ElitePad 10W A/C Adapter

Power up. Carry on. Charge your tablet with the light and versatile HP ElitePad 10W AC Adapter. The compact, lightweight design is perfect for traveling.

HP ElitePad HDMI/VGA Adapter

PC ports. Minus the PC. Connect easily to an external display or projector with the HP ElitePad HDMI & VGA Adapter and share presentations and demos on a larger screen.

HP ElitePad USB Adapter

PC ports. Minus the PC. Connect easily to a mouse, keyboard, printer, flash drive, external hard drive, media player, camera, or any other USB device with the HP ElitePad USB Adapter.

HP ElitePad Ethernet Cable

PC ports. Minus the PC. Quickly connect to a corporate network and transfer data, share files, or print documents with the HP ElitePad Ethernet Adapter.

HP 65W Slim Adapter

Work smarter on the go with the HP 65W Slim Adapter, a convenient and portable laptop power source for use in mobile environments.

HP HDMI to VGA Adapter

The HP HDMI to VGA Adapter maximises the display functionality of your HP Ultrabook™ or Notebook PC by converting the HDMI output signal to an analog VGA input for easy connecting to an external VGA display for dual-display productivity.

Creative Recon3D PCIe Audio Card

Creative's latest audio revolution, Sound Blaster Recon3D PCIe Audio.

HP BA06 Long Life Battery

The HP BA06 Long Life Battery is a slice battery that slides onto the bottom of the HP EliteBook Folio 9470m Notebook PC to help you be productive longer than using the primary battery alone.

HP accessories

HP Business Top Load Case

Comfortably carry your notebook and everyday accessories in the stylish and durable HP Business Top Load Case.

HP Professional Top Load Case

Offering ample storage space for folders and other documents alongside a laptop up to 39.62 diagonal centimeter (15.6"), the HP Professional Top Load Case holds everything you need for a busy day in and out of the office or around the world.

HP Professional Backpack Case

Combining comfort and function, the HP Professional Backpack Case is designed to hold a laptop up to 39.62 diagonal centimeter (15.6") plus everything you need for a busy day or a week on the go.

HP Professional Slim Top Load Case

Designed for business pros who want a protective laptop case without the bulk, the HP Professional Slim Top Load Case delivers ample storage in a stylish, slim design.

HP Business Nylon Carrying Case

HP Business Nylon Carrying Case is designed inside and out with features that will be appreciated by a mobile traveller. Made from durable nylon, the case offers a large top load compartment with plenty of room to organise materials, plus store business cards, cell phones and other supplies. It can carry a notebook up to 40.89 cm (16.1") and also includes a neoprene pouch for a mini or thin-and-light notebook up to 30.73 cm (12.1").

HP Business Nylon Backpack

HP Business Nylon Backpack offers a sturdy, all-purpose backpack for mobile professionals and students alike. Constructed from durable nylon, with extra padding in the back and shoulder straps, it is designed with comfort in mind. A foam padded handle also makes it easy to lift or carry. Easily transport a notebook up to 43.92 cm (17.3"), or store a mini or thin and light notebook up to 30.73 cm (12.1") inside a neoprene built-in pocket.

HP Business Slim Top Load Case

The HP Business Slim Top Load Case is a compact, stylish, and durable case designed for the sleek and lightweight HP slim profile business notebooks up to 35.81 diagonal centimeter (14.1") screens.

HP Professional Leather Case

Designed for business while combining style and function in a protective laptop carrying case, the HP Professional Leather Case has a polished exterior that complements its functional yet richly finished interior.

HP Deluxe 4 Wheel Roller Case

The HP Deluxe 4 Wheel Roller is a durable nylon case designed to carry everything you need for an overnight trip. An outer compartment features divided sections to store important files and business essentials. The case's main compartment includes padded pockets that can hold a laptop up to up to 43.94 diagonal centimeter (17.3") in size, plus additional cables and cords. The third, oversized compartment provides plenty of room for a change of clothes, shoes and personal toiletries. A retractable handle locks in two convenient heights.

Product image may differ from actual product.

HP accessories

HP Essential Top Load Case

The HP Essential Top Load Case is a light and durable notebook carrying case that includes high-density foam cushioning to protect your notebook up to 39.62 diagonal centimeter (15.6") while traveling between meetings or in and out of the office.

HP Essential Backpack

The HP Essential Backpack is a great notebook carrying solution for both students and business professionals.

HP Essential Messenger Case

The HP Essential Messenger Case is a messenger style carrying case designed for HP business notebooks with up to a 43.94 diagonal centimeter (17.3") screen.

HP ElitePad Case

Sophistication. Durability. We've got you covered. Carry your HP ElitePad in an executive-style case that doubles as a stand on a desk or in any other work area.

HP ElitePad Rugged Case

Help protect your HP ElitePad wherever you work with a business rugged designed for use in busy, high-traffic environments.

HP Display and Notebook Stand

The perfect home base for the business traveler who is constantly on the go - turn your HP Business Notebook into a desktop solution supporting up to two displays (notebook display plus external display). The adaptable design of the HP Adjustable Display Stand can accommodate a range of notebook sizes with the innovative adjustable shelf.

Charge your HP ElitePad back at the desk with the HP ElitePad Docking Station, or set up your tablet as a secondary screen and be a master multi tasker.

HP USB 3.0 3005pr Port Replicator

Use the included USB cable to easily connect to all of your peripherals for a complete desk-top setup.

HP UltraSlim Docking Station

Designed exclusively for UltraSlim HP Elite-Book Notebook PCs, the HP UltraSlim Docking Station expands display, network, and device connectivity so you can be more productive throughout the day—all through a simple one-click slide-in side dock.

NVIDIA Quadro K3000M Graphics Card

The NVIDIA Quadro® K3000M graphics board (N14E-Q1) is a graphics processing unit (GPU) module designed using the MXM™ version 3.0 Type B specification.

NVIDIA NVS 310 512MB Graphics Card

Expand and enhance graphics performance, and support a dual-display environment with the NVIDIA® NVS™ 310 512MB Graphics Card—ideal for your small form factor business PC.

Product image may differ from actual product. ¹Copyright-protected content (HDCP) will not be displayed on devices connected through the port replicator (such as external drives, display adapters, and monitors). ²Two external displays with 1920 x 1200 resolution each are available when connected through a USB 3.0 connection from the notebook to the port replicator. 2560 x 1600 resolution is available on a single external display connected through USB 3.0 connection from the notebook to the port replicator. 1920 x 1200 resolution is available on a single external display when connected through USB 2.0 connection from the notebook to the port replicator. ³Internet connection required.

HP accessories

NVIDIA Quadro 600 1.0GB Graphics Card

The low-profile NVIDIA Quadro® 600 is the newest entry-level professional graphics solution, delivering maximum productivity and flexibility for engineers and designers.

NVIDIA Quadro 2000 1.0GB Graphics Card

The NVIDIA Quadro® 2000, based on Fermi architecture, maximises productivity for engineers and designers by up to 5 times.

NVIDIA Quadro 4000 2.0GB Graphics Card

Accelerate your entire workflow with NVIDIA's High End Quadro® 4000 graphics card: Up to 5X faster 3D application performance scaling over previous generation Quadro® FX3800; GPGPU applications run 8X faster on Quadro® GPUs compared to other processors Revolutionary Quadro® GPU architecture.

NVIDIA Quadro K5000 4GB Graphics Card

The NVIDIA Quadro® K5000 graphics board is a PCI Express 2.0 full-height form factor graphics add-in card based on the GK104 Kepler architecture graphics processing unit (GPU).

NVIDIA Quadro 6000 6.0GB Graphics Card

The NVIDIA Quadro® 6000, part of the newest NVIDIA Quadro® professional solutions, is a true technological breakthrough, delivering up to 5X faster performance across a broad range of design, animation and video applications.

AMD FirePro V3900 1GB Graphics Card

Introducing the AMD FirePro V3900 professional graphics accelerator from AMD. With 1GB of fast DDR3 frame buffer memory, the V3900 is ideally suited for CAD/CAM and DCC (digital content creation) workflows that typically use small to medium sized datasets and require excellent 3D viewport performance.

HP Wireless TV Connect Kit

Wirelessly stream HD 1080P content from your PC to the biggest screen in your home.¹ Watch movies. Play games. Update Facebook® & Twitter®. Surf YouTube®. Web chat. Share photos. Just one easy connection with HP's WHDI PC adapter² and you're ready to play.

HP Executive Tablet Pen

Touch, Write. Use it your way. Write messages and notes in your own handwriting directly on your HP tablet PC screen. Then save it—or convert it to typed text to use in other applications.

HP Wireless Keyboard and Mouse

The HP Wireless Keyboard and Mouse places advanced functionality and ease of operation at your fingertips. Stop hiding wires and regain a clutter-free work space with a cordless keyboard, cordless laser mouse and USB wireless receiver in a single package—built with the environment in mind.

Product image may differ from actual product. ¹Requires any PC with available HDMI and USB port. ²Requires available HDMI port on PC.

HP accessories

HP 14.0 Privacy Filter

No more need to worry about prying eyes. This unique HP built-to-fit solution ensures confidential business data, personal information and financial records are visible only to the person sat directly in front of the notebook display.

HP 15.6 Privacy Filter

Limit unwelcome "from the side" display viewing, especially when used in constrained or limited spaces with the HP Privacy Filter. The HP Privacy Filter narrows the viewing angle of your notebook display so that people on either side see a dark, blank screen.

HP 12.5-inch Privacy Filter

HP Privacy Filters help you protect your onscreen data by concealing your notebook screen from viewing by passersby and people seated nearby. The filter diminishes the readability for anyone not seated directly in front of the notebook while maintaining the onscreen resolution for the individual user.

HP Docking Station Cable Lock

The HP Docking Station Cable Lock is dramatically simpler to use than previous locks and delivers enhanced security. The HP Docking Station Cable Lock gives you two locking options: lock the docking station only (which also prevents access to the advanced docking stations drive bay) or lock both the docking station and the notebook.

HP Ultralim Keyed Cable Lock

Secure your HP Ultrabook™ or laptop PC quickly and easily with the HP Ultralim Keyed Cable Lock.

HP 500GB 7200rpm SATA SFF SED Hard Drive

Add a layer of security to your high-capacity workstation storage solution with the HP 500 GB SATA SED HDD, which includes self-encrypting drive (SED) technology that adds authentication parameters to your drive to help protect your data.

HP Slim BDXL Blu-Ray Drive

Quickly and easily back up your data and create and edit professional-quality HD video content with the HP Slim Blu-ray BDXL SATA Drive and integrated CyberLink Media Suite. Enjoy read-write capabilities with CDs, DVDs, and Blu-ray discs.^{1,2}

HP Mobile USB NLS DVD-RW Drive

The HP Mobile DVD/RW provides an external companion optical drive to accompany a notebook or mini that does not have an internal drive. The external drive provides CD/DVD support as well as read/write functionality. An AC adapter is included.

HP 160GB SATA Solid State Drive

Solid State Drives (SSDs) are fast becoming a real force with respect to storage in the computer industry. With no moving parts, storage is no longer bound by mechanical barriers to higher performance. HP SSDs for workstations offer overall performance typically beyond that of SAS 15k rpm HDDs (Hard Disk Drives).

Product image may differ from actual product.

HP accessories

HP 1TB SATA 6Gb/s 7200 Hard Drive

SATA 7200 rpm drives are our standard high bandwidth hard drive storage options; most workstation models are also available with high performance 10K rpm rotation speeds. Storage capabilities range up to a massive 2.0 TB.

HP 2TB SATA 6Gb/s 7200 Hard Drive

SATA 7200 rpm drives are our standard high bandwidth hard drive storage options; most workstation models are also available with high performance 10K rpm rotation speeds. Storage capabilities range up to a massive 2.0 TB.

HP ElitePad Productivity Jacket

More than a case. It's built-in intelligence. Boost your productivity with a keyboard, two USB ports, SD card reader, and an adjustable stand, all in one.

HP Slim Bluetooth Keyboard

The HP Slim Bluetooth Keyboard is a thin and light wireless keyboard that helps you type comfortably without cables getting in the way. Use it with your laptop or tablet at the office, at home, or wherever you work best.

HP ElitePad Expansion Jacket

HP ElitePad Expansion Jacket

HP Business 4 Wheel Roller Case

Carry your notebook and all the essentials you need for a day at the office or an overnight business trip with the stylish and durable HP Business 4-Wheel Roller Case, the case with the space for everything.

Product image may differ from actual product. ¹ Don't copy copyright-protected materials. ² Blu-ray is a format containing new technologies. Certain disc, digital connection, compatibility and/or performance issues may arise, and do not constitute defects in the product. Flawless playback on all systems is not guaranteed. Playing back Blu-ray HDCP (High-bandwidth Digital Content Protection) content such as commercially-distributed Blu-ray HD movies requires a fully HDCP compliant path on your computer. HD DVDs are not supported.
