FESECAM (European Federation of Martial Arts) is now in partnership with IBA (International Bu-doRyu Academy).

FESECAM and IBA merged their Black-Belts registers in a united Roll; hence, IBBA (International Black Belts Alliance) is born.

IBBA's mission is providing a shared international platform for Black-Belt Martial Artists all over the world, making easier mutual recognition and promoting live gatherings in both FESECAM and IBA events.

Worthy Martial Artists are welcome to enroll their name for free. Schools are also allowed to boast their logo. Enrollment process is managed by FESECAM.

Applications for IBBA enrollment have to be sent to: international.ibba@gmail.com. Once a year, applications must be renewed in order to keep IBBA Roll up to date.
