Making intellectual property work for business

A handbook for chambers of commerce and business associations setting up intellectual property services

This handbook gives helpful advice on how to set up different types of IP services such as: training, awareness-raising, consultancy, advocacy and stimulating innovation. Case studies provide hands-on insight into this topic issue and illustrate best practice from around the world.

International Commercial Transactions

by Prof. Jan Ramberg
ICC Pub. No. 711E, €129

The author, a renowned expert in international trade law, explains the interrelations between common trade practice, national laws and international rules. Essential reading for anyone engaged in or preparing cross-border transactions, this volume will greatly help you to achieve your commercial objectives.

ICC Model Subcontract

ICC Pub. No. 706E, €75

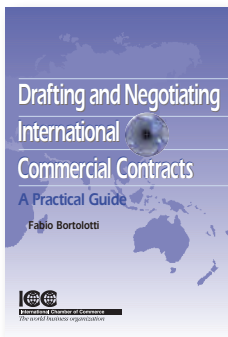

Mainly designed for use in major turnkey projects, this model is flexible enough to be used as a subcontract to other standard forms as well. It is the answer for all those who seek one reliable and balanced standard contract to keep their desk free from unnecessary paperwork. *Includes the text of the contract on CD-Rom.*

ICC Model International Franchising Contract

ICC Pub. No. 712E, €60

This Model responds to a growing need for a simple and user-friendly model contract that reflects the diversity of franchising contracts. An expanded introduction and a helpful commentary offer invaluable explanations and alternative drafting solutions. *Includes the text of the contract on CD-Rom.*

Drafting and Negotiating International Commercial Contracts

by Prof. Fabio Bortolotti

ICC Pub. No. 671E, €175

This book clarifies the issues surrounding cross-border transactions and shows solutions to the thorny problems they raise. It provides vital tools helping you to ensure your contracts meet the requirements of a globalized world.

Trade finance

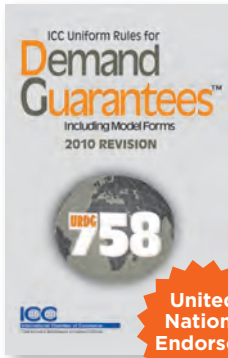

ICC Banking Commission Opinions 2009-2011

New Opinions on UCP 600, ISBP 681, UCP 500, URC 522 and URDG 758

ICC Pub. No. 732E, €79

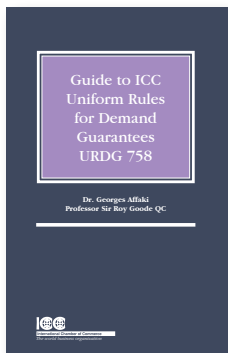

The ICC Banking Commission Opinions series is the only publication of this kind that carries the authority of ICC, representing the Commission's official interpretations of how ICC's banking rules are to be used in specific situations. A must-have for any trade finance practitioner, this volume includes the very first decisions on URDG758, ICC's demand guarantee rules that have been revised in 2010.

ICC Uniform Rules for Demand Guarantees (URDG 758)

ICC Pub. No. 758E, €30

The ICC Uniform Rules for Demand Guarantees (URDG) reflect international standard practice in the use of demand guarantees and balance the legitimate interests of all parties. The current edition, URDG 758, was officially endorsed by the UN Commission on International Trade Law (UNCITRAL) in July 2011. For translations, please contact your National Committee. Contact details at: www.iccwbo.org

Dispute resolution

The Secretariat's Guide to ICC Arbitration **A Practical Commentary on the 2012 ICC Rules of Arbitration from the Secretariat of the ICC International Court of Arbitration**

ICC Pub. No. 729E, € 119

The indispensable companion to the 2012 ICC Rules of Arbitration! Written by former top-level executives of the ICC Court, this authoritative guide provides clear, in-depth commentary, statistics and comparisons. It shows you how the rules are used by the ICC Court, its Secretariat, arbitrators and parties and gives practical tips on how to conduct proceedings efficiently.

Liber Amicorum en l'honneur de Serge Lazareff

ICC Pub. No. 973E, €140, contains texts in French and English.

Honouring a renowned international arbitrator, this book covers contemporary practice and salient issues in international commercial and investment arbitration. More than 600 pages written by experts around the globe make this work a must have for any arbitrator.

Players' Interaction in International Arbitration

Dossier IX of the Institute of World Business Law

ICC Pub. No. 737E, € 75

Arbitral procedures are becoming longer, costlier and more complex. How can the different 'players' involved in a case ensure that the proceedings remain efficient, harmonious and at the same time respectful of the parties' rights? Some of today's leading experts discuss this and other questions, taking into account the points of view of all 'players' concerned: arbitrators, counsel, corporate lawyers and arbitral institutions. A must-read for anyone preparing for an international arbitration case.

Business Law in China - Trade, Investment, Operations and Finance

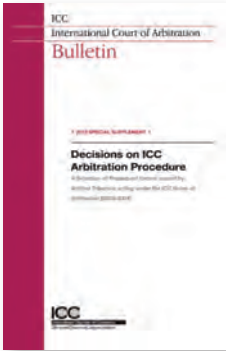

by Daniel Arthur Laprés and Zhang Yuejiao
ICC Pub. No. @672E, visit www.iccbooks.com for pricing information.

This unique work of compilation, analysis and assessment of the current state of Chinese business law contains illustrative graphics and tables to further clarify complex organizations and processes.

All you need to read them is a free software which you can download on our website www.iccbbooks.com/Home/eBook.aspx (please refer to our eBook FAQs for more details).

Check www.iccbbooks.com for a complete list of our eBooks.

The International Chamber of Commerce (ICC) – www.iccwbo.org

ICC is the largest, most representative business organization in the world. Its hundreds of thousands of member companies in over 120 countries have interests spanning every sector of private enterprise.

ICC Services/Publications – Vital information for international business

ICC Publications is the publishing arm of the International Chamber of Commerce. We provide precious resources for international business; invaluable for bankers, lawyers, arbitrators and anyone involved in cross-border trade. The content of ICC's publications is derived from the work of ICC commissions, institutions and individual international experts.

Our list of products covers three broad categories – ICC rules and standards, practical guidelines, and reference works. The rules and accompanying guidelines, which form the core of the publishing programme, are updated regularly to take account of technical developments and the evolution of commercial and banking practices. The best known publications, Uniform Customs and Practice for Documentary Credits and Incoterms®, have been translated into more than 30 languages.

The ICC Online Bookstore – www.iccbooks.com

Our online bookstore offers a complete overview of all currently available publications and eBooks covering anything you need to know for conducting international business. Further, you will find **special offers**, author interviews, detailed tables of contents and a **free eBook software** for download. **Free trial versions** of our online trainings are available at www.iccwbo.org/onlinetraining.

Keep in touch:

Please note: prices in this catalogue are excluding VAT and shipping charges.

ICC Training & Conferences

ICC hosts trainings and events designed to bring ICC's expertise to a wider audience.

Brought to you online or on location around the world, our events are always highly topical and cover an array of some of the most pressing matters for global business.

Open to ICC members and non-members alike, our events are designed for businesspeople, corporate counsel, lawyers and legal practitioners involved in international trade. Our trainings are considered to be among the best continuing education in these fields.

Our Training and Conferences team works closely with the International Court of Arbitration, the most respected body in its field, the renowned ICC Institute of World Business Law and ICC policy commissions to develop courses that are considered the gold standard in spreading best international business and legal practice.

From arbitration and dispute resolution to ICC trade tools, including UCP 600, URDG, Incoterms® rules and international contracts, our events are held in several languages and for different levels of competency to ensure your needs are met.

What's more, because many of our programs are endorsed by professional certifying bodies, participants are eligible for credits, making us the ideal choice for your continuing professional education.
