## 1953

**CHUCK GOTTFRIED**  
Coach

**MACK FLENNIKEN**  
Coach

**JOE GLANDER**  
Trainer

**DIXIE WHITE**  
Coach

**BABE CURFMAN**  
Head Coach

This is Babe Curfman's third year as head man for the University of Idaho's football forces. He played in college football under Pete Cawthon of Texas Tech. One of his teammates at Texas Tech was Dixie White, who this year came to Idaho as assistant to Curfman.

Chuck Gottfried (Illinois, 1949) is also starting his third season at Idaho and handles the line coaching for the Vandals. Mack Flenniken came to Idaho at the same time as Curfman and Gottfried and works with the ends and backfield men. The latest addition to the coaching staff is Clem Parberry, who is also head baseball coach. Parberry joined the staff late this summer and coaches the backs.

Joe Glander, trainer, came to Idaho in the winter from Oklahoma. In the summer he was a member of the training staff for the United States Olympic squad.

# MEET THE

J. E. BUCHANAN

The president of the University of Idaho, J. E. Buchanan, graduated from Idaho in Engineering in 1927. Thus he is thoroughly familiar with Idaho's problems and goes after these problems with an engineering outlook. He is an ardent sports fan, both as a participant and as a spectator. It was Mr. Buchanan's idea that Idaho could rate among the members of the Pacific Coast conference. He has done much to further that plan in the last few years. Since Mr. Buchanan brought a new head coach, Babe Curfman, to Idaho two years ago, he has seen his school drop one game and tie the other with the University of Utah. Tonight he hopes to see Idaho even the count and surprise the favored Utah men.

# PRESIDENTS

Utah's number one fan will miss tonight's opening game for the simple reason that it's several thousand miles from Tokyo to Salt Lake City. Dr. A. Ray Olpin is presently in Japan on a special mission for the United States Department of State, and is scheduled to return to Utah in a couple of weeks. Time zones and the International Date Line being what they are, he will arrive in Salt Lake the same day as he leaves Toyko—Oct. 8.

"I regret missing those first football games," Dr. Olpin wrote in a letter this week, "but am looking forward to being there for the Utah State game on October 10. Please extend my best wishes to Jack and the team for a most successful season. My thanks also to the Utah fans for their loyal support of the team."

# Rules Changes . . .

The more important changes incorporated into the 1953 Rules are listed below.

The most significant change in rules for 1953 was a **limited substitution rule** which states that a player withdrawn from the game may not re-enter the same period except during the final four minutes of the second and fourth periods. Coaches are responsible for the legality of substitutions.

Other important changes are:

- (a) **Fair catch signal must be obvious.** A fair catch is a catch of a free kick, a return kick, or a scrimmage kick which is beyond the neutral zone, by a player of the receiving team who has obviously signaled his intention by raising one hand, only, clearly above his head and waving it from side to side.
- (b) **The referee will not take time out to award a first down.** The referee shall declare a time out and charge himself whenever a touchdown, field goal, touchback, or safety is made; when an excess time out is allowed; when the game clock is stopped to complete a penalty; when a forward pass becomes incomplete; when a live ball goes out-of-bounds; and when four minutes of playing time remain in each half.
- (c) **This year there is a penalty for kicking the ball illegally.** This penalty is five yards from the spot of the foul.
- (d) **Touching of scrimmage kick by A no longer offsets foul by B.** No player of the kicking team shall touch a scrimmage kick which is beyond the neutral zone, nor shall any player of the kicking team touch a return kick before it touches an opponent. A violation of this rule is not a foul but permits the offended team to take the ball at the spot of the violation or to elect touchback if such spot is on or inside the receiving team's 10-yard line.
- (e) **False start rule strengthened.** No player of the offensive team shall make a false start. A false start includes a shift or movement which simulates the beginning of a play, feigning a charge, or the use of unusual variations in starting signals. An infraction of this rule may be penalized whether or not the ball is snapped, and the penalty for any resultant encroachment or contact foul by an opponent shall be canceled.
- (f) **Loss of down (and 5 yards) for handing ball forward illegally.** No player may hand the ball forward except as follows: During a scrimmage down a Team A player who is behind his scrimmage line may hand the ball forward to a backfield teammate who is also behind the line, or to a teammate who was on his scrimmage line when the ball was snapped, provided that teammate left his line position by a movement of both feet which faced him toward his own end line and was at least one yard behind his scrimmage line when he received the ball.
- (g) **Penalty for pass interference by defensive team includes first down.** Interference by defending team gives the offended team the ball at the spot of the foul (an automatic first down if foul occurs in field of play).
- (h) **Hideout plays prohibited following substitution.** A "hideout play" shall not be used on the down immediately following a substitution by either team.

## In Memoriam

**Roland Larsen**

The Utah football squad this year mourns the loss of Roland K. Larsen, of Moab, a standout tackle and gentleman who had a fine career ahead of him as a football player and as an engineer. Roland was electrocuted July 20 while working for the Utah State Road Commission. An above average student and a cheerful companion who played the game, he will not soon be forgotten by his teammates.

## Redskin Coaches

**JACK CURTICE** . . . As one of the most versatile coaches the Skyline has known, Jack Curtice is famous for many things, but perhaps best known for long passes, tall tales and winning football. In the three years since Jack took over as athletic director and head football coach at the University of Utah, he has shown the Skyline conference a wide-open style of football, his team having led the conference all three years in total offense. This has pleased the spectators and has won two Skyline championships for the Utes. As an after-dinner speaker, the ebullient Mr. Curtice has demonstrated sheer genius. He's ready to speak at the drop of a butter knife; in fact, spoke at 200 places last year. He always manages to charm audiences with his repertoire of anecdotes, all of which he swears are true, and some of which actually are.

**PRES SUMMERHAYS** . . . an all-time Utah football great, having played as a triple-threat back in 1928 and 1929 on two of the Utah teams that enjoyed undefeated and untied seasons. New to the Ute staff last season, he quickly won wide admiration for his handling of the frosh grid squad. He also coached the Redskin baseball squad, which won the conference championship.

**PETE CARLSTON** . . . was a great Utah end in the early 1930's and coaches the flankers. After graduating he coached at Park City; Mesa College, Grand Junction, Colo., and Westminster College. He served under Jack Curtice during his stint as a naval officer in World War II. Pete has handled all manner of coaching assignments since coming to Utah in 1946. He coached the frosh football squad and is still the team's leading talent scout.

**KARL SCHLECKMAN** . . . taught a lot of football to opposing linemen in 1935-36-37, when he was bone-crushing tackle of the 60-minute variety for the Utah eleven. He now uses more subtle tactics to impart the same kind of knowledge to Utah linemen. "Punjab" was captain of both the football and wrestling squads in 1937, went undefeated in wrestling three years, and still can pin the best heavyweights to the ground.

**MARV HESS** . . . assistant frosh coach, graduated from the U in 1950 after starring in football and track. In addition to helping with the varsity grid team, he is the assistant track coach and an instructor in the P. E. department.

**UTAH'S  
NEW FROSH  
COACH**

**Andy Everest**

. . . takes over this season as freshman coach after Pres Summerhays moved to the varsity backfield coaching job. Andy played a great game at center on Jack Curtice's 1948-49-50 squads at Texas Western in El Paso. After graduating in 1951, Andy coached at high schools in Corpus Christi and San Angelo. He has a master's degree in education, is married and the father of two sons, and is a veteran of three years' service in the Navy.

**SEASON RECORD**

The Utes led the conference in total yardage gained for the third straight year.

At the end of the 1952 season, the Utes ranked nationally, according to NCAA official statistics:

**Seventh in punting** . . . with an average of 40.9 yards a game.

**Ninth in interception avoidance** . . . with only nine interceptions of 184 Utah passes.

**Twenty-first in punt returns** . . . with an average of 12.4 yards a return.

**The National Telecast**

Some 60,000,000 spectators from coast to coast will be looking in on the Utah-Brigham Young game Thanksgiving day when NBC telecasts from the Ute Stadium.

The Utah game is one of 12 selected by the NCAA television committee for broadcasting this season, and the first game from this section to be telecast nationally.

A vanguard from NBC-TV, headed by William Bennington, visited the University of Utah Campus this summer to make preparations. Impressed with the mountain backdrop and the view of Salt Lake Valley, NBC plans to mount two cameras on the press box to catch the panorama. Another camera will be mounted inside the press box and a fourth will be placed on a 25-foot stand to be built around the flagpole at the south end of the playing field.

Sportscaster Mel Allen will do the play-by-play and Lindsey Nelson will handle the color. A total of 26 announcers, directors and technicians will be in the U press box for the game. The broadcast will be sponsored by General Motors.

"It works just like it does on television, and think of the effect it'll have on your opponents!"
