DIRECTORS' PROFILE

VIVEK THAKUR ▾

Managing Director

14 years mentoring experience

Scholars Den was founded by Vivek Thakur, an alumnus of IIT Kharagpur and a well-known name in the field of IIT-JEE coaching. He was the topper in Mathematics in IIT-JEE 2002, securing full marks. He is also a student's rights activist who pursued the case of Bonus Marks in JEE(Advanced) 2017 which brought many changes in the exam pattern in later years. He has 14 years of experience in mentoring students from modest backgrounds bagging top ranks in various competitive exams.

▾ ANJALI THAKUR

Academic Director

14 years mentoring experience

She is having experience of 14 years of teaching mathematics. She has trained many top rankers in IIT-JEE in the past few years. She holds CSIR-JRF (NET) qualification in Mathematics and has a formidable record in successfully training students for engineering entrance examinations.

*"Anyone can make toppers out of the extraordinary.
We make success stories out of the ordinary."*

WHY SCHOLARS DEN IS THE RIGHT CHOICE FOR YOUR CHILD?

1. Excellent Faculty:

Top-level experienced faculty from IITs, NITs and other reputed colleges with an excellent record of producing results.

2. Small Batch Size:

A batch size of about 40 students to ensure individual attention & care for every student.

3. Study Room:

Unique concept of study room for students to study at the institute premises itself.

4. Latest Study Material:

A study package designed with the latest syllabus of IIT-JEE & NEET with exhaustive collection of quality problems.

5. Doubt Clearing Cell:

A one-on-one interaction with the faculty to clear the concepts of the students.

6. Scholars Den Test Series:

Tests on the patterns of IIT-JEE, NEET & Board exams to prepare the students for the actual exams right from the beginning of the course.

7. Mental Health:

Focus on mental well-being of the students to ensure they are at their best while preparing. The environment at Scholars Den inspires students to strive for excellence without feeling any burden.

8. Parental Involvement:

Parents are regularly informed about the progress as well as attendance of the wards. For us, parents are integral part of the student's journey to success.

ABOUT US

Scholars Den was founded in the year 2013 in Moradabad by our Managing Director Vivek Thakur. It was started with the aim to provide high-quality coaching to students of small cities. Scholars Den in the past 8 years has made a name for itself in the field of IIT-JEE and NEET coaching in due to the highest success ratio of the students. Every year newer records are broken and many more dreams fulfilled. This year alone, over 48 students have cleared JEE (Advanced) from such a small city. Also, many students have cleared NEET and NTSE examinations. Till date, 73 students have secured admissions in IITs and more than 200 students are studying in NITs, IITs and other prestigious engineering colleges.

MISSION

It is a mission of Scholars Den to provide top-quality education to the deserving students, right at their dwelling place so that the trap set by the highly “commercialised” coaching hubs proves ineffective. It is our firm resolve to turn Moradabad, which is famous as Brass City, into golden city of education.

Kishore Vaigyanik Protsahan Yojana (KVPY) is a scholarship program funded by the Department of Science and Technology of the Government of India, aimed at encouraging students to take up research careers in the areas of basic sciences. It offers scholarship and contingency grants up to the pre-Ph.D. level to selected students. It is administered by the Indian Institute of Science. The students who qualify in the KVPY Exam are eligible for a fellowship as well as admissions into institutes like IISc, Bangalore (No.1 Ranked University of India) and IISER based on additional criteria. This exam has 3 Streams: SA (Class 11), SX (Class 12) and SB (First year BSc). For receiving a fellowship, both aptitude test (75%) and interview marks (25%) are considered.

BEST PLACE TO MAKE YOUR CAREER

COURSES

JEE(MAIN) & JEE(ADVANCED) COURSES

Classroom Program for Class 11 students

Elevator(Engineering) - 2 Year Integrated School Program/ Classroom Program for JEE(Advanced)

This course is designed for producing top ranks in JEE(Main) & JEE(Advanced). This also prepares you for Kishore Vaigyanik Protsahan Yojana(KVPY), International Olympiads and Class XII Board Exams. The extensive preparation lays special emphasis on clarity of concepts. Rigorous practice of actual exam-level problems ensures that the student feels at home in the real exam.

Classroom Program for Class 12 students

Trailblazer(Engineering) - 1 Year Integrated School Program/ Classroom Program for JEE(Advanced)

This course is designed for producing good ranks in JEE(Main) & JEE(Advanced) along with high percentage in Board Exams. This course also prepares you for Kishore Vaigyanik Protsahan Yojana(KVPY), International Olympiads. The extensive preparation lays special emphasis on clarity of concepts. Rigorous practice of actual exam-level problems ensures that the student feels at home in the real exam.

Classroom Program for Class 12 passed students

Performer(Engineering)- 1 Year Classroom Program for JEE(Advanced)

This course is designed for intensive preparation for JEE(Main) & JEE(Advanced). Rigorous revision of concepts and problem-solving is done to ensure that students are able to perform well in both the exams. High volume of quality questions are given for practice along with regular Tests of both JEE(Main) & JEE(Advanced) pattern, to ensure that the student secures good rank in his/her second attempt.

NEET(UG) COURSES

Classroom Program for Class 11 students

Elevator(Medical) - 2 Year Integrated School Program/Classroom Program for NEET(UG)

This course is designed for producing top ranks in NEET(UG). This also prepares you for Kishore Vaigyanik Protsahan Yojana(KVPY), International Olympiads and Class XII Board Exams. The extensive preparation lays special emphasis on clarity of concepts. Rigorous practice of actual exam-level problems ensures that the student feels at home in the real exam.

Classroom Program for Class 12 students

Trailblazer(Medical) - 1 Year Integrated School Program/Classroom Program for JEE(Advanced)

This course is designed for producing good ranks in NEET(UG) along with high percentage in Board Exams. This course also prepares you for Kishore Vaigyanik Protsahan Yojana(KVPY), International Olympiads. The extensive preparation lays special emphasis on clarity of concepts. Rigorous practice of actual exam-level problems ensures that the student feels at home in the real exam.

Classroom Program for Class 12 passed students

Performer(Medical) - 1 Year Classroom Program for NEET(UG)

This course is designed for intensive preparation for NEET(UG). Rigorous revision of concepts and problem-solving is done to ensure that students are able to perform well in both the exams. High volume of quality questions are given for practice along with regular Tests on NEET(UG) pattern, to ensure that the student secures good rank in his/her second attempt.

FOUNDATION (CLASSES VI-X)

Classroom Program for Students Studying in class 6

SILEX: 1-Year Classroom Program

People usually think that it's burdensome to send kids to coaching so early. The kids in Silex batch actually start enjoying their studies after joining the course because they discover the methodology of learning with joy and the thrills of exploring the subjects through self-study.

We cover school syllabus without hindering the curiosity of the young geniuses thereby building strong foundations for all competitive examinations they may face in future.

Classroom Program for Students Studying in class 7

SEVERN: 1-Year Classroom Program

People usually think that it's burdensome to send kids to coaching so early. The kids in Silex batch actually start enjoying their studies after joining the course because they discover the methodology of learning with joy and the thrills of exploring the subjects through self-study.

We cover school syllabus without hindering the curiosity of the young geniuses thereby building strong foundations for all competitive examinations they may face in future.

Classroom Program for Students Studying in class 8

ENTHUSE: 1-Year Classroom Program

(2-Year & 3-Year Classroom Program options are also available)

This is an ideal program for students to begin on the path of success early. This helps in developing the fundamentals of the subjects. The focus of the program is to develop strong conceptual foundations for national and international level exams like NTSE, Olympiads, National Standard Examination in Junior Science. The approach to the subjects is learning-based which makes things so easy for the students that they also score good percentage in Class X Board Exams.

This is an ideal time to begin preparation so that with strong foundations, the student is able to learn how to apply concepts in a variety of situations, on his own.

Classroom Program for students studying in Class 9

NURTURE: 2-Year Classroom Program

(4-Year Classroom Program option also available)

The main goal of the program is to ensure that the student becomes conceptually strong competitive exams like IIT-JEE or NEET. Due to vast syllabus and highly competitive nature of these exams, students with strong fundamentals of Maths and Science subjects naturally get the upper edge. The course covers subjects like Social Studies and Mental Ability also thereby making preparation easy for both the board exams as well as NTSE exams at Grade 10. With students going through a lot of practice and extensive coverage of subject matter, the students get mentally prepared for performing in high-pressure situations, early in their learning years.

It is must for students looking to excel in competitive examinations that take place along with Grade 12.

Classroom Program for students studying in Class 10

XCEED: 1-Year Classroom Program

(3-Year Classroom Program option also available)

The main goal of the program is to ensure a good performance in Class X Board Exams and NTSE. The course builds a very strong foundation for both the exams. With student going through a lot of practice and extensive coverage of subject matter, the students get mentally prepared for performing in high pressure situation, early in their learning years.

It is must for students looking to excel in Class X Board Exams & NTSE alongside building strong foundations for competitive exams like IIT-JEE & NEET(UG).
