

PROFESSIONAL PRODUCTS

Abrasives, Aerosols, Body Repair,
Chemicals & Solvents, Clears & Primers,
Masking and Other Performance Products

IMPACT PERFORMANCE PRODUCTS

RDA's exclusive brand is
supplied by leading
manufacturers throughout
the U.S.

The products that carry the
IMPACT Performance Products
label meet the standards defined by
Refinish Distributors Alliance, Inc.

Our products are noted for their
quality and consistency and are
field tested by the manufacturers.

ABRASIVES

Sticky Back: Disc Rolls and Continuous Rolls
Hook & Loop Discs

PRODUCT DESCRIPTION

- P-graded aluminum oxide abrasive; fast cut and long life with a consistent finish.
- Anti-loading coating; sandpaper will not clog; longer life and better cut.
- Strong paper backing; flexible on contours with a consistent finish.

6" Sticky Back Disc Rolls

Pressure Sensitive Adhesive (PSA) discs on a roll offer the convenience of keeping the discs all together and handy for use on any job in the shop.

Grit	SELECT Part #
P180	1012
P150	1013
P120	1014
P80	1016

100 Discs per roll / 4 rolls per case.

2-3/4" x 25 Yard Sticky Back Continuous Roll

Pressure Sensitive Adhesive (PSA) rolls can be torn to any length to fit a block or file board so you have completely flexibility no matter what size the repair.

P80	1188

1 Roll per pack / 5 rolls per case.

6" Hook & Loop Discs

Hook & Loop discs actually keep the cutting surface cooler because air can circulate between the disc and the pad. A cooler cut is a plus on thinner metals because it minimizes the chance of warping.

ABRASIVES

Sticky Back Longboard Sheets
Waterproof Sheets and
Quick-Change Grinding Discs

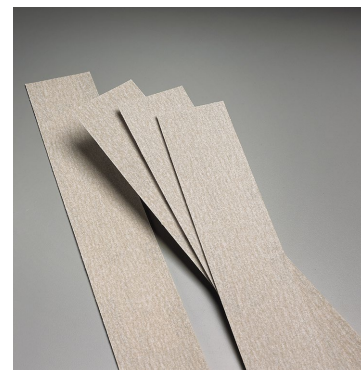

2-3/4" x 16-1/2" Sticky Back Longboard Sheets

Longboard sheets are good for shaping and finishing body filler. An anti-loading agent keeps the feather-edging paper from getting clogged with filler. Heavy E weight.

PRODUCT DESCRIPTION

- P-graded aluminum oxide abrasive; fast cut and long life with a consistent finish.
- Anti-loading coating; sandpaper will not clog; longer life and better cut.
- Strong paper backing; flexible on contours with a consistent finish.

Grit	SELECT Part #
80	1179
40	1180

5-1/2" x 9" Waterproof Sheets

IMPACT SELECT waterproof sheets works great either wet or dry. You get the same cut, no matter how you use it. You can spritz or soak the paper when wet sanding. The built in curl resistance keep the paper flat and the product will not deteriorate, no matter how long you leave it in water. The A weight paper backing is super flexible and you can fold it without the bond cracking so you get a nice, smooth finish. Engineered with a premium abrasive specifically for automotive finishes, this wet or dry sandpaper is ideal for water and color sanding.

PRODUCT DESCRIPTION

- High-performance abrasive; fast cut and consistent finish.
- Flexible bonding agent; strong, but resists wrinkling, cracking and tearing.
- Treated waterproof backing; soaking not needed, will not curl or deteriorate.

50 Sheets per sleeve / 5 sleeves per case

2" and 3" Quick-Change Grinding Discs

These fast cutting zirconia-alumina discs are perfect for those hard to reach areas. The "twist-on / twist-off" quick connect makes changeover fast so downtime is minimal. These discs can be used on any compatible back up pad.

PRODUCT DESCRIPTION

- Zirconia-alumina abrasive; fast, aggressive cut and very cool cutting.
- Strong-cloth backing; long life with reduces edge wear

AEROSOLS

IMP130, IMP168, IMP191 and IMP196

IMP130 Acid Etch Primer

FEATURES AND BENEFITS

- Easy to spray; no mixing.
- Offers superior adhesion.
- Excellent coverage and hiding increases production.
- Great for spot repairs and overall refinishing.

IMP168 Copper Weld Through Primer

FEATURES AND BENEFITS

- Reduces distortion and welding splatter.
- Provides corrosion protection.
- Copper enriched for improved conductivity.
- Minimizes heat zone.
- Fast drying.

IMP191 High Build Primer

FEATURES AND BENEFITS

- Easy to sand.
- Excellent filling properties and hiding.
- Provides superior adhesion.
- Works on flexible and rigid substrates.

IMP196 UV Stable Clear Coat

FEATURES AND BENEFITS

- Convenient aerosol saves time.
- Fast dry time improves efficiency.
- Excellent spray and atomization.
- Excellent gloss and color holdout.
- Perfect for jambs and cut-ins

AEROSOLS

IMP199, IMP202 and IMP232

IMP199 Adhesion Promoter

FEATURES AND BENEFITS

- Superior bonding properties.
- Top coat with most refinish products.
- Excellent on rigid and flexible plastics.
- Easy to apply.

IMP202 Trim Black

FEATURES AND BENEFITS

- Easily restores faded or peeling trim parts.
- Smooth, consistent finish on most plastics and metals.
- Maximum adhesion and flexibility.
- No primer needed.

IMP232 Guide Coat

FEATURES AND BENEFITS

- Quick drying.
- Improves production.
- Won't clog sandpaper.
- Easily finds imperfections before sanding.

BODY FILLERS AND GLAZES

IMP2103-1, IMP2101-1, IMP2102-1,
and IMP2201-32

IMP2103-1 Rite Lite

PRODUCT DESCRIPTION

- This high-quality, clog-free, lightweight body filler features smooth spreading and easy sanding.
- Non-clog formula adds greater value in sandpaper savings.
- Blue cream hardener included.

IMP2101-1 Bold Gold

PRODUCT DESCRIPTION

- Bold Gold contains a unique ingredient that reduces heat and friction that is created by aggressive sanding.
- This product is formulated for adhesion to galvanized steel and aluminum.
- Stain resistant for use with base coat/clearcoat paints.
- Blue cream hardener included.

IMP2102-1 Get-A-Grip

PRODUCT DESCRIPTION

- An excellent choice when working with today's high-tech metals.
- This product is clog-free, lightweight and formulated for superior adhesion to galvanized steel, bare steel and aluminum.
- Get-A-Grip contains a unique ingredient that reduces heat and friction that is created by aggressive sanding.
- Blue cream hardener included.

IMP2201-32 Quick Glaze

PRODUCT DESCRIPTION

- A two-part polyester finishing and blending putty.
- Formulated for adhesion to galvanized metal, aluminum, steel, SMC and O.E.M. paint.
- Extra-thin formula spreads smoothly.
- Easily fills grind marks, pinholes and uneven surfaces; sand easily.
- Helps prevent staining or bleeding through when used under base coat/clearcoat paint systems.
- Blue cream hardener included.

CHEMICALS AND SOLVENTS

IMP3102, IMP3201, IMP3501 and IMP3701

IMP3102 Urethane Grade Spray Gun Cleaner

PRODUCT DESCRIPTION

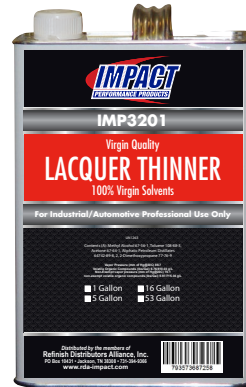

- This 100% virgin solvent is designed to clean spray equipment where urethane paints have been used.
- Designed to cut the urethane paints better—and last longer—in the gun cleaner cabinet than lacquer thinner.
- Available in 1 and 5-gallon sizes.

IMP3201 Lacquer Thinner

PRODUCT DESCRIPTION

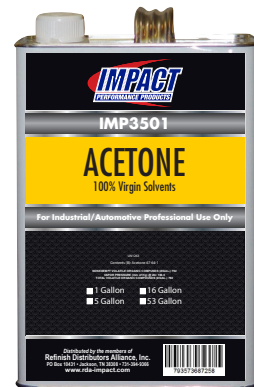

- This 100% virgin solvent is blended to be consistent every time.
- Fast dry formula with excellent cleaning power
- Available in 1, 5, 16 and 53-gallon sizes.

IMP3501 Acetone

PRODUCT DESCRIPTION

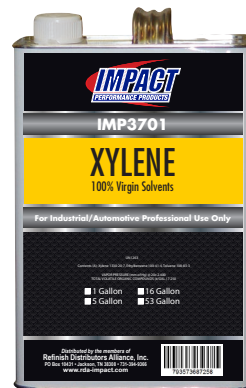

- This 100% virgin solvent is very strong and evaporates quickly.
- Excellent polyester resin thinner.
- Cleaner for glues, etc.
- Available in 1, 5, 16 and 53-gallon sizes.

IMP3701 Xylene

PRODUCT DESCRIPTION

- This 100% virgin solvent is mainly used as a thinner for synthetic resins.
- Slower evaporation rate.
- Available in 1, 5, 16 and 53-gallon sizes.

CHEMICALS AND SOLVENTS

IMP3601, IMP3801, IMP3802 and IMP3803

IMP3601 MEK

PRODUCT DESCRIPTION

- This 100% virgin solvent is similar to acetone, but is slow to evaporate.
- Not as strong as acetone.
- Available in 1, 5, 16 and 53-gallon sizes.

IMP3801 Final Kleen Water-Based Cleaner

PRODUCT DESCRIPTION

- Zero VOC cleaner designed to replace solvent based cleaners—where needed—to meet VOC regulations.
- Removes handprints, salts and fats from surfaces prior to painting.
- Rust inhibitor added.
- Available in 1-gallon size.

IMP3802 Final Kleen Solvent Based Cleaner

PRODUCT DESCRIPTION

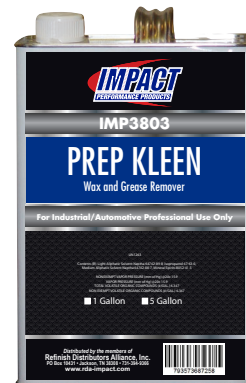

- This 100% virgin solvent is designed to be used prior to painting.
- Removes handprints, salts, and fats that can be left behind on surfaces prior to painting.
- Available in 1 and 5-gallon sizes.

IMP3803 Prep Kleen Wax and Grease Remover

PRODUCT DESCRIPTION

- This 100% virgin solvent is designed to clean surfaces of wax, grease, tar and other contaminants prior to sanding for body repair.
- Not recommended as a pre-clean prior to painting.
- Available in 1 and 5-gallon sizes.

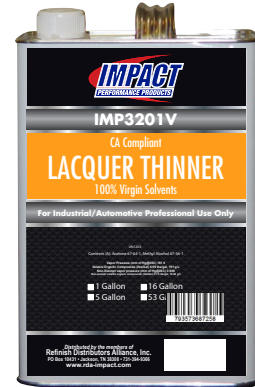

CHEMICALS AND SOLVENTS

IMP3601V and IMP3101V

IMP3201V Compliant Lacquer Thinner

PRODUCT DESCRIPTION

- This 100% virgin solvent is designed to meet SCAQMD rule 1171 for California.
- Legal to use in all regulated California areas.
- High-quality, fast evaporation and excellent cleaning solvent.
- Available in 1, 5, 16 and 53-gallon sizes.

IMP3101V Compliant Spray Gun Cleaner

PRODUCT DESCRIPTION

- This 100% virgin solvent is designed to meet SCAQMD rule 1171 for California.
- Legal to use in all regulated California areas.
- High-quality, excellent cutting power and does not leave any residue.
- Available in 1 and 5-gallon sizes.

CLEAR AND PRIMERS

IMP5000, IMP5500, IMP6500, IMP5565, IMP5575 and IMP5585

IMP5000 Primer Surfacer High Build Gray

PRODUCT DESCRIPTION
■ Outstanding adhesion.
■ 4.2 Mixed VOC.
■ Sands quickly.
■ Excellent filling properties.

IMP5500 Clear Coat High Solids 4:1

PRODUCT DESCRIPTION
■ Two-coat application.
■ Exception gloss and DOI.
■ Superior vertical hold.
■ Excellent UV protection.
■ Easy to buff.
■ Chemical resistant.

IMP6500 Clear Coat Euro Style 2:1

PRODUCT DESCRIPTION
■ Exceptional gloss and DOI.
■ Chemical resistant.
■ Excellent UV protection.
■ Easy to buff.
■ 4.2 VOC.
■ 4 Activator speeds.
■ Excellent flow and leveling.

IMP5565 Fast Activator High Solids 4:1

PRODUCT DESCRIPTION
■ Two-coat application.
■ Exception gloss and DOI.
■ Superior vertical hold.
■ Excellent UV protection.
■ Easy to buff.
■ Chemical resistant.

IMP5575 Medium Activator High Solids 4:1

PRODUCT DESCRIPTION
■ Two-coat application.
■ Exception gloss and DOI.
■ Superior vertical hold.
■ Excellent UV protection.
■ Easy to buff.
■ Chemical resistant.

IMP5585 Slow Activator High Solids 4:1

PRODUCT DESCRIPTION
■ Two-coat application.
■ Exception gloss and DOI.
■ Superior vertical hold.
■ Excellent UV protection.
■ Easy to buff.
■ Chemical resistant.

CLEAR AND PRIMERS

IMP6565, IMP6575, IMP6585

IMP6565 Fast Activator Euro Style 2:1

PRODUCT DESCRIPTION

- Exceptional gloss and DOI.
- Chemical resistant.
- Excellent UV protection.
- Easy to buff.
- 4.2 VOC.
- 4 Activator speeds.
- Excellent flow and leveling.

IMP6575 Medium Activator Euro Style 2:1

PRODUCT DESCRIPTION

- Exceptional gloss and DOI.
- Chemical resistant.
- Excellent UV protection.
- Easy to buff.
- 4.2 VOC.
- 4 Activator speeds.
- Excellent flow and leveling.

IMP6585 Slow Activator Euro Style 2:1

PRODUCT DESCRIPTION

- Exceptional gloss and DOI.
- Chemical resistant.
- Excellent UV protection.
- Easy to buff.
- 4.2 VOC.
- 4 Activator speeds.
- Excellent flow and leveling.

MASKING PRODUCTS

IMP5101, IMP5202, IMP5303, IMP5401,
IMP5305 and IMP5406

IMP5101 Green Masking Paper, 1,000 Ft. Roll

PRODUCT DESCRIPTION

- 28# Machine finished green masking paper.
- Lighter weight for easier handling.
- Available in all widths.

IMP5202 Green Masking Paper, 700 Ft. Roll

IMP5303 Green Masking Paper, 500 Ft. Roll

PRODUCT DESCRIPTION

- 35# Machine finished green masking paper.
- Designed to have better hold-out than other heavier green masking papers.
- Available in all widths.

IMP5401 Total Mask

PRODUCT DESCRIPTION

- Best masking paper available.
- Poly-coated kraft paper.
- Best paper for all paint systems including waterborne.
- Stronger than other poly-coated papers.
- Available in 500 ft. length rolls.

IMP5305 White Urethane Masking Paper

PRODUCT DESCRIPTION

- This is a fluoro-chemically treated paper designed for urethane-based paint systems.
- Lightweight basis weight makes this paper ideal for tight cornering and other intricate masking procedures.
- Available in 750 ft. length rolls.

IMP5406 Blue Poly Masking Paper

PRODUCT DESCRIPTION

- This is a poly-coated newsprint paper.
- Poly coat will withstand all paints to prevent bleed through.
- With the poly coat on the outside of the paper, there is no chance of lint or fuzz to come off the paper onto the paint.
- Available in 700 ft. length rolls.

MASKING PRODUCTS

IMP5901, IMP5302, IMP5808, IMP5810
and IMP5528

IMP5901 Green Hand Mask 28# Paper

PRODUCT DESCRIPTION

- Same superior quality paper in a 180 foot length roll.
- Designed to fit existing hand mask machines.
- Also great for small or one-time masking needs.
- Available in 6, 12 and 18 inch metric widths.

IMP5302 White Urethane Grade Hand Mask Paper

PRODUCT DESCRIPTION

- Same superior quality paper in a 180 foot length roll.
- Designed to fit existing hand mask machines.
- Also great for small or one-time masking needs.
- Available in 6, 12 and 18 inch metric widths.

IMP5808 Plastic Sheeting

IMP5810 Premium Plastic Sheeting, 4-Mil.

PRODUCT DESCRIPTION

- Made in the USA.
- High-density plastic sheeting designed for overspray masking.
- Corona treated for excellent paint adhesion.
- Superior cling for one-man application.
- Clearly marked center shows which side to be painted.
- Available in 12, 14 and 16 ft. widths.

IMP5528 Collision Wrap

PRODUCT DESCRIPTION

- Strong 4-mil, self-adhering plastic film for protection of damaged cars and trucks.
- Seals broken windshields, windows and sprung doors against the elements.
- Keeps interior free from damage due to rain, snow, wind and dust.
- Film is transparent for safe visibility while moving the vehicle.
- Aggressive adhesive is specially formulated to remain in place during towing and windy conditions.
- Available in 36 in. x 100 ft.

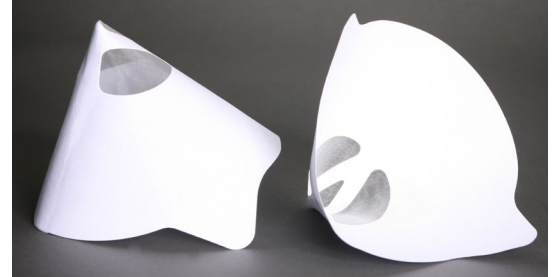

OTHER PRODUCTS

IMP6200, IMP6202, IMP6204, IMP128, IMP32, IMP16, IMP6101, IMP6102, IMP10100 and IMP84-7533

IMP6200 Paint Strainers, 190 Micron/Fine
IMP6202 Paint Strainers, 125 Micron/Extra Fine/Waterborne
IMP6204 Import Strainers, 190 Micron/Fine

PRODUCT DESCRIPTION

- Made in the USA; 1,000 per case.
- Contaminant-free, residue-free and made with the highest quality nylon mesh for worry-free paint filtering every time.

IMP128 Paint Can, Gallon
IMP32 Paint Can, Quart
IMP16 Paint Can, Pint

PRODUCT DESCRIPTION

- Quality paint cans to meet your paint mixing needs.
- Manufactured by Brockway Can Company.
- Available in Arco pack cases with lids.

IMP6101 Paint Paddles, 12 Ft.
IMP6102 Paint Paddles, 8 Ft.

PRODUCT DESCRIPTION

- Made in the USA of Kentucky pine.
- High-quality, strong wood.

IMP10100 #500 Folding Body Stand

PRODUCT DESCRIPTION

- One-piece folding body stand with 1-1/4 inch pipe size.
- Strong and durable design.
- Padded for protection of parts.

IMP84-7533 Steel Back Carbon Steel Razor Blades

PRODUCT DESCRIPTION

- IMPACT Single-edge blades are precision ground, creating the sharpest industrial blades available on the market today.
- IMPACT utilizes the highest quality carbon steel available and coupled with our heavy-duty steel back, our blades provide users with the performance they demand.
