### Requirements for Parents/Guardians:

1. Family Christian Academy expects both parents to be practicing Christians. If only one parent is a Christian, the following is required:
  - A. The unsaved parent *cannot be hostile* to the gospel. God has created the child so that the parent is the primary influence in shaping his outlook and personality. This influence must be pro-Christian. If it is anti-Christian, most of the influence of the Christian school will be counteracted by the home and a partnership with the school cannot result.
  - B. The non-Christian parent must be in agreement with the enrollment of the child and must sign all necessary forms.
  - C. The family should attend church regularly.
  - D. Family Bible reading and prayer should be a part of the normal home routine.
  - E. The primary motive for enrollment must be for *spiritual development in an academic setting*.
2. The family will agree to work in a partnership relationship with the school and back the school fully in the training of the child.
3. Tuition payments will be made in accordance with the enrollment contract.

### Requirements for Student:

1. The student must be able to do the required academic work.
2. The student's attitude and life-style must be compatible to the Family Christian Academy Student body.
3. Students who do not want to attend a Christian School should not be enrolled.
5. The student will agree to study and comply with all the policies of the student handbook of Family Christian Academy.

## STATEMENT OF COOPERATION

I give Family Christian Academy permission to transport my child for planned school activities, sport activities, and school-sponsored trips away from school property. Since I also believe that discipline is necessary for the welfare of each student, as well as for the entire school, I give permission for my child's teacher and/or other administrators of the school to make and enforce classroom rules in a manner consistent with Christian principles as set forth in the Scriptures. I further agree to hold the school and its agents harmless for any liability to my child because of any claims on behalf of my child against the school or its agents because of any injury or alleged injury to my child. If legal action should, for any reason, be taken against Family Christian Academy or its agents or employees, on behalf of my child, and the school or its agents not be found at fault, I agree to pay any attorney fees, court costs, damages, or other costs Family Christian Academy may incur to defend itself against such action.

This statement of cooperation will be effective for as long as my child listed (or others to be enrolled) attend Family Christian Academy kindergarten, elementary, junior/senior high.

I understand that if my marital status should change, it is my responsibility to have a corrected Statement of Cooperation signed and updated and delivered to Family Christian Academy.

## STATEMENT OF AGREEMENT AND COMPLIANCE/ASSUMPTION OF RESPONSIBILITY FORM

This is to confirm that I have read and agree to abide in full with the rules, regulations, procedures, and standards of behavior set forth in the Family Christian Academy Student Handbook.

As parents we will:

Maintain our financial commitment

Support the spiritual emphasis and statement of faith

Avoid absences, tardiness, and early checkouts

Know schedules and provide transportation at appropriate times including extra-curricular activities

Supply required health information and treatment

Cooperate in discipline of our student(s)

Provide for and enforce dress code

Verify academic work done daily

Volunteer for school activities

Contact the teacher first if there is a problem in the classroom, and contacts an administrator if the conflict is not resolved

Because it is considered confidential information, all financial agreement with Family Christian Academy should not be discussed with anyone except administration

## ASSUMPTION OF RESPONSIBILITY FORM

In consideration for Family Christian Academy allowing me to participate on a regular basis on field trips, sports, and extra-curricular activities for the current school year, my parents and I assume the financial responsibility for all medical expenses should an accident occur. We understand that these field trips, sports, and activities include certain risk of accidental injury. We acknowledge that we have medical and/or hospitalization coverage and that we will look to that coverage for reimbursement. We specifically agree not to assert a claim or file a lawsuit against Family Christian Academy for personal injury damages should there be an accident or injury while participating in sports, extra-curricular activities, or field trips. If that circumstance occurs, we agree to confine or limit any attempt to recover personal injury damages against the insurance carriers who provide liability coverage to Family Christian Academy, to ourselves, or to third parties and/or their insurance carriers not affiliated with or connected to Family Christian Academy, who might otherwise be responsible for the accidental injury.
