Meet Rabbi Taylor Poslosky!

Rabbi Taylor Poslosky is thrilled to join Congregation Shalom as its new Assistant Rabbi centered in prayer, community, and Jewish tradition.

Rabbi Poslosky grew up in Overland Park, Kansas where she was very involved in the Reform Jewish community. She graduated from William Jewell College with her Bachelor of Arts in Religion. During her time as a Director of Youth Engagement in Scottsdale, Arizona, she pursued a certificate in Jewish Education for Adolescents and Emerging Adults from Hebrew Union College-Jewish Institute of Religion (HUC-JIR). She received her Master's degree in Hebrew Letters and Rabbinic ordination in May of 2021 from HUC-JIR's Cincinnati campus.

Rabbi Poslosky served several Jewish communities as a student rabbi during her time at HUC-JIR ranging from congregations large and small to Hillel at a major university. Her fondest memories come from her time at The Valley Temple in Cincinnati. There, Rabbi Poslosky formed deep relationships with congregants through compassionate care and joyful Jewish experiences. These characteristics carried over to her Clinical Pastoral Education (CPE) work where she provided pastoral care at several area hospitals and Arden Courts memory care facility, in addition to leading services and Jewish learning sessions at The Seasons retirement community.

Rabbi Poslosky felt so drawn to the work that she completed two units of CPE at HUC-JIR. Pastoral work is at the heart of her rabbinate. She feels God's presence in the moments of deep connection with other people. Much of Judaism revolves around the telling of our shared stories, so there is something Jewish and sacred in the listening and sharing of our own stories.

Temple youth group and Jewish summer camp are integral pieces of Rabbi Poslosky's Jewish identity that have shaped not only her style as a Jewish educator, but her overall nature. She believes that our youth are the future of our movement and cannot wait to get to know the children of Congregation Shalom.

Rabbi Poslosky loves reading, watching the Kansas City Chiefs and Royals, and, most recently the Milwaukee Bucks. Fear the Deer! She has a healthy obsession with all things ice cream and custard, and she would love to meet with you for coffee or custard soon!

Volunteering Opportunities

Membership Committee Needs Your Help

As we finally open our doors to our congregations' families, the Membership Committee will continue to fulfill our charge:

To recruit and engage new, existing and prospective members in a warm, caring and welcoming manner.

Our team meets periodically to launch new initiatives. There can be nothing more important than identifying, recruiting and welcoming individuals, couples and families to join our Shalom Family. Not only do we welcome them, our intent is to personally reach our new members during their early days. Our team will connect them to committee work, volunteerism and welcome them to join us at Shabbat service. To do so, we need your help!

Contact Charlie Goodman, good0427@umn.edu or David Wolfson, dwolfson625@gmail.com for further information.

May the Hebrew month of Elul be a special time of awe and wonderment for you and your family.

B'Shalom, Shalom Membership Team Members

St. Ben's

Resumes Sunday, October 10

We are happy to share the wonderful news that the St. Ben's meal program, on the 2nd Sunday monthly will be resuming in October! Sharon Goldberger will be sending out chicken baking dates by mail to those who participated prior to Covid and will be contacting serving volunteers via email for date sign up. We also need one person per month to transport chickens from Shalom to St. Ben's, as well as someone to 'chicken sit' when bakers drop off their chickens at Shalom on any Sundays the temple is closed. If you would like to join us or have any questions, please contact Sharon at 414-354-5721 or Sharonsueg@sbcglobal.net.

Shalom Dayenu Circle

A Jewish voice has been added to the cry for climate justice. "Dayenu" (dayenu.org) was founded a year ago to express outrage about the increasing destruction of the natural world and to take bold actions towards restoring clean air, water and untainted land.

DAYENU
A Jewish Call to Climate Action

The name of this movement was taken from the Hebrew word, "Dayenu". Dayenu means "enough", and was chosen to express the dual sentiment, "we *have* enough (resources from the planet) and also "we *have had* enough (exploitation of the earth).

Congregation Shalom's Dayenu Circle will work with the national office and with other circles. Our Circle will also act autonomously. We will select our own projects. These will be action-oriented-with goals that are achievable, collaborative and even audacious. Here's what you can do right now:

Join one of Shalom Dayenu Circle's Teams and let's get to work:

- Team "*Tikkun Olam*" will look at global and national issues in which we can get involved
- Team "*Ha Ir*" will look at community and local issues. We will partner and support organizations doing work in environmental justice and team up with other synagogues, Jewish and interfaith organizations to act together.
- Team "*Hillel*" will explore personal actions undertaken by many of us, whether it be related to solar, composting and when acted upon cumulatively, will make a difference. Arlington, VA-based Temple Rodef is utilizing a great interactive resource called drawdownecochallenge.org which we intend to adapt here at Shalom.

For further information, call David Wolfson at 414-218-1135 or dwolfson625@gmail.com.

Work of Our Hands

Wednesday, August 11 at 1 pm, Temple Choir Room

Now that Congregation Shalom has reopened its doors, we look forward to welcoming our knitters back, as well as newcomers who would like to join us.

For many years our group has donated handmade hats, blankets, and shawls to local agencies who provide care to babies, children and adults. Some of these individuals are experiencing difficulties in their lives. We have patterns and yarn to share with you and we're happy to work with beginners. We also greatly welcome donated yarn for our projects. If you've been knitting at home during Covid-19, please bring your completed items which we will turn over to local agencies.

Our hope is to meet monthly on the second Wednesday of each month at 1 pm. We take a hiatus during the winter months. We look forward to seeing you all soon!

To Samuel, becoming a *Bar Mitzvah* helped him learn more about his Judaism, prayers and Hebrew. It has helped him to appreciate his responsibilities at home and within the community. Due to Covid-19, Samuel was not able to volunteer at an animal shelter or due much outside of the home. Instead, at his request, he learned how to make certain dishes, from his mom, and made dinner for the family on weekdays. Constancy Amidst Transition: Rabbi Noah's 10-Year Anniversary at Shalom!

As you know and we discussed in our June Shofar, we have been going through a series of important clergy, staff, and Board transitions, let alone all the ongoing adaptations necessary to the viral pandemic. What has cushioned all of that has been the continued presence of other Shalom leaders, and most importantly of all, Rabbi Noah. We have had Rabbi Noah, now our Senior Rabbi, to carry us through these transitions. Not only that, but he has just passed his Tenth anniversary of being here at Shalom. That anniversary, of course, serendipitously coincided with the official reopening of Shalom on July 1.

Although all of the transitions made a full-blown celebration of this special anniversary impossible, we can still recognize it, thank him, and look forward to a later milestone to celebrate, such as his 13th Bar Mitzvah year here. Often, 10-year anniversaries indicate the durability of mutual commitment.

In the Torah Study that Rabbi Noah led on July 3, we discussed the crucial importance of leadership. Sometimes leaders do their best in times of calm and others in time of crisis. Like Richard Edelman's Pillars of Fire and of Cloud outside of Shalom, with passion and seeing the silver linings in difficult times, Rabbi Noah has proven to be a superb leader through both calm and crisis. What more could we ask for?

Let us show our appreciation by thanking Rabbi Noah for a job so well done! —Dr. Steven (Hillel) Moffic
