

Teacher Directions:

Included in this download are three mazes that will help your students practice converting to and from scientific notation.

The first game is converting from scientific notation to standard form.
The second game is converting from standard form to scientific notation.
The third game is a mix of converting to and from scientific notation

Tips:

- Either game can be played with a dry-erase sleeve or page protector.
- Have students show their work on a separate paper or a whiteboard.

Supports CCSS 8.EE.A.3
