The Lexile is a valuable tool for teachers, parents, and students. It serves two unique functions: it is the measure of how difficult a text is AND a student's reading ability level. *Scholastic Literacy Pro* is an online program that determines your students' Lexile as well as a database of over 65,000 reading comprehension quizzes. You can visit pr.scholastic.com/literacypro if you would like to learn more about Lexiles and how you can find out your students' reading level.

In addition, look for these icons in the Extra column to enhance your teaching:

The red apple indicates free resources available on our website!

The film reel indicates that a movie or TV adaptation has been made of the book.

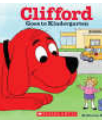

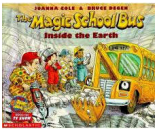

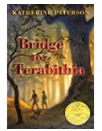

This icon means that the book has a reading comprehension quiz in Literacy Pro.

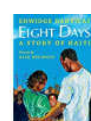

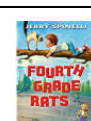

If you would like to review any book before making a decision, contact us and we can lend you a sample copy. Don't forget to indicate Scholastic as the publisher of the book. Once you adopt one of our titles, contact us and we will provide you with **free copies of the book for every teacher**.
